GOLDIAM reports an exceptional FY2022 performance, surpasses PAT of INR 1bn

- Adjusted PAT of ₹ 1.1bn in FY22, Record-high Growth of 106% YoY
- Remarkable Revenue Growth of 72% YoY, and Exceptional EBITDA growth of 81% YoY for FY22
- Utilised ₹ 1.3bn over the last five years for distributing dividends and buyback
- Q4FY22 PAT higher by 148% YoY, defying global macro headwinds and challenges.

Mumbai, May 20, 2022: Goldiam International Ltd. (Goldiam), an integrated manufacturer and supplier of fine diamond jewellery to leading retailers and wholesalers in the USA and Europe, has announced its results for the quarter and year ended on March 31, 2022.

FY22 has been an outstanding year for the Company, both on the Profitability and Scalability front. The Company in FY19 after setting target for Pat of INR 1bn in three years, posted record-high profits of more than ₹ 1.1bn in FY22 and further scaled up its Lab-Grown diamond jewellery offerings. The Company's growth for FY22 is testimony to the Company's continued efforts toward fortifying its strengths in design capabilities, backwards-integrated Lab-Grown diamonds, and its omnichannel led digital initiatives. The Company's constant aim at pursuing RoE lucrative business has been reaping benefits with consistent improvement over the years. Overall RoE for FY22 stands at 22% (FY21 15%) from 6% in FY18. The company's capital allocation strategy remains quite buoyant over the years as a result its RoCE (ex-cash) has improved consistently from 10.6% in FY18 to 60% in FY22

Financial Highlights (Consolidated) – Q4 & FY22

Particulars (₹ in Mn)	Q4FY22	Q4FY21	YoY	FY22	FY21	YoY
Revenue	1,585	1,317	20%	7,124	4,132	72%
EBITDA	337	236	43%	1,547	853	81%
EBITDA margin	21.3%	17.9%	338 bps	21.7%	20.6%	107 bps
*Adj. PAT	228	92	148%	1060	514	106%

*Adj. PAT excluding exceptional, FY21 had an exceptional gain of ₹ 157.10 mn due to a one-time, non-business gain on the sale of property

- Consolidated Revenue during FY22 grew sharply by 72% YoY to ₹ 7,124 million, due to overall improved consumer sentiments during both festive and non-festive periods, and backed by higher US Jewellery demand from Retailers & End Customers.
- Consolidated EBITDA for FY22 surged steeply by 81% YoY to ₹ 1,547 million, and EBITDA margins stood at a healthy 21.7%. Goldiam continues to benefit from its strategy of selling Lab Grown Diamond jewellery backed by captive Lab-Grown diamonds growing, presence across the value chain, and its omnichannel selling strength. The Company's agile and efficient raw material procurement strategy has also helped maintain its overall margin profile, despite inflation in mined diamond prices globally. The Company has also successfully been able to pass on price increases to its clients as on current date.

Demand for Lab-Grown demand remains buoyant, propelling Goldiam to enhance capacity further: Goldiam International via its subsidiary Eco-Friendly Diamonds LLP (EDL) has been investing ₹ 100 mn in enhancing its current in-house Lab-Grown Diamonds capacity by 40%. The CAPEX mentioned above will be completed by May 2022. Considering the buoyant global demand scenario & future outlook for the Lab-Grown diamond jewellery, the management has been considering further increasing in its capacity beyond the capacities coming up in May 2022.

Lab-Grown Diamond & Jewellery business-enhancing overall margin profile: Post its acquisition of 88% in Eco-Friendly Diamonds LLP (EDL), the Company has been aggressively improving the quality of its offerings. Along with a focus on larger caratage diamonds, the Company has focused on integrating these diamonds into its jewellery distribution thereby securing captive consumption in a rapidly growing segment of the industry. Average ASP of Lab-Grown diamond jewellery stands sustainably, at a premium of 120% over Mined diamond jewellery for the Company. The Lab-Grown Diamonds and Lab-Grown Diamond jewellery account for 20% of the Company's revenue in FY22 against under 5% for the jewellery export industry.

The Company's omnichannel strategy contributes to better working capital management and higher RoCE and RoE: The Company has been an early mover in delivering jewellery via online platforms in the US. This strategy aligns with Goldiam's overall vision of being in a higher RoE business. The online platform delivery model works at negative working capital, proving to be RoE lucrative. Overall RoE for FY22 stands at 22% (FY21 15%) from 6% in FY18, its RoCE has improved from 10.6% in FY18 to 60% in FY22. The Company's Net Working Capital days also have seen a consistent decline from 193 days in FY18 to 113 days in FY22. Stocking Strategic SKUs, faster turnaround time etc. has been assisting the Company in managing working capital more efficiently.

Order Book Status reflects growth momentum: Goldiam has an order book size of ₹ 1,700 mn. This order book is expected to be executed in next six months. E-commerce sales, given their nature of being booked online (on a spot basis), are not part of the order book.

Commenting on the performance, Mr. Rashesh Bhansali, Chairman and Managing Director, Goldiam International, said, "FY22 was an excellent year for Goldiam, as it surpasses the key PAT milestone of ₹ 1bn. Along with profitability, our sustained and continuous efforts in improving the quality of earnings have been quite evident. We significantly outperformed our sector with profitable growth reflecting the skillful execution of our product & sales strategy, rigorous financial discipline, and a shared culture emphasizing responsibility and commitment to both our customers & shareholders. As a result, I am happy to share that Goldiam's board has further recommended a dividend of 30% to its stakeholders.

Having worked throughout the year to strengthen the Company and its offerings, we have the ambition and the means to sustain our profitable growth momentum. The Company is consistently looking at various growth strategies that are RoE accretive. With an increasing

demand for Lab-Grown Diamonds, Goldiam had already initiated a CAPEX to increase its capacity by 40%. We further expect to double our capacities over FY23 and FY24. The new capacity will be used for Goldiam's jewellery manufacturing & distribution business, leading to a more robust margin profile. We are confident about the Lab-Grown diamonds business going ahead. This has been further cherry-topped with our omnichannel delivery strategy, making our model even more lucrative for our customers."

Goldiam International Limited (NSE: GOLDIAM, BSE: 526729) is a 3-decade old preferred OEM partner and exporter of exquisitely designed and luxurious diamond jewellery. Functioning as the manufacturer of choice to many of the leading global branded retailers, departmental stores and wholesalers across American and European markets, the Company is also renowned for utilising responsibly sourced diamonds, leveraging cutting edge technologies and efficient manufacturing processes for optimal costings and quick delivery lead-times. Targeting the mid-to-affordable diamond & bridal jewellery segments, Goldiam has a dedicated sales office in New York, with design teams in both India and the USA.

Opinion

We have audited the accompanying statement of standalone financial results of **GOLDIAM INTERNATIONAL LIMITED** (the company) for the, Quarter and year ended March 31, 2022 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- (i) is presented in accordance with requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended in this regard; and
- (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information of the Company for the quarter and the year ended March 31, 2022.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Standalone Financial Results

This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared on the basis of standalone financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the standalone financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

(E) : jdzatakia@jdzatakia.com

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of standalone financial statements on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by ICAI. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the “Other Matters” paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial results.

Management’s Responsibilities for the Consolidated Financial Results

This Statement, which is the responsibility of the Company’s Management and approved by the Board of Directors, has been prepared on the basis of consolidated financial statements. The Company’s Board of Directors are responsible for the preparation and presentation of the consolidated financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Act read with the relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the Company included in Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial results, the respective Board of Directors are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its associate is responsible for overseeing the financial reporting process of each Company.

One of the subsidiary is located outside India whose financial results has been prepared in accordance with accounting principles generally accepted in such country and which has been reviewed by the other auditors under generally accepted auditing Standard applicable in that country. The company's managements has converted the Financial result of such subsidiary located outside India from accounting principles Generally accepted in that country to Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013. Our conclusion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the reports of other auditors and conversion adjustment prepared by the management of the company and reviewed by another Chartered Accountant whose reports has been furnished to us on which we placed reliance.

Our opinion on the consolidated financial results is not modified in respect of the above matters with respect to our reliance on the work done and reports of the other auditors.

- (b) The Statement includes the results for the quarter ended March 31, 2022 being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.
