# Punjab Cong row: Kharge panel stumped for now

ADITI PHADNIS  
New Delhi, 14 June

**Punjab CM Amarinder Singh is ready to accommodate Navjot Singh Sidhu in the council of ministers, but has ruled out giving him any top post**

With the hardline supporters of Punjab Chief Minister (CM) Amarinder Singh ruling out any rapprochement with dissenting leader and former minister Navjot Singh Sidhu, the task of the three-member negotiating group led by senior Congress leader Mallikarjun Kharge has become harder. The group spent time on Sunday with Rahul Gandhi, to share its findings with him after meeting Members of Legislative Assembly (MLAs) and other leaders, including the CM in Punjab.

Amarinder Singh or Captain, as he is known, has already made it clear that he is willing to accommodate Sidhu in the Council of Ministers, but has ruled out giving him the deputy chief ministership or the position of state party chief.

His supporters say there is no question of replacing the CM – not only does he continue to enjoy the backing of the Congress Legislature Party and many members of Parliament, but there is simply no one in the government who has the stature to replace him in a state where elections are due in a matter of months.

The Kharge-led panel is understood to have recommended that Amarinder Singh be retained. But the CM's supporters

"It is common knowledge that in at least 15 Assembly seats in Punjab, the Akali Dal and the Bharatiya Janata Party (BJP) will have a 'friendly' fight: old friends making allowances for each other. The Congress would have fared best in a scenario of division where SAD, BJP, and Aam Aadmi Party (AAP) thrown in for good measure had fought separately. That is no longer the case; the Congress has united its enemies," he said.

The Congress is particularly concerned about the announcement of a pre-poll alliance between the SAD and the Bahujan Samaj Party (BSP). There was a time when BSP was a strong force in Punjab; it had nine MLAs in the Assembly in 1992. Now, with the Dera Sacha Sauda founder Ram Rahim in jail convicted of rape and murder, the Dalit following in Punjab needs a political anchor.

Punjab with 31.94 per cent has the highest population of Scheduled Castes in the country, including Valmiki and Mazhabi Sikhs, according to the 2011 Census.

Even with all these pressures, Amarinder Singh could have beaten back an opposition that was disorganised and divided three months ago, his supporters say. Now, with the encouragement given to Sidhu, "the Congress has proved it is its own worst enemy," they say.

ers say that the constant attrition and humiliation of the CM must stop. The bottom line is that New Delhi must withdraw the patronage given to Navjot Singh Sidhu, they say.

"Till a few months ago when the farmer movement was at its zenith, there was only one leader in Punjab – and that was Captain. Now because of all these self goals, the Shiromani Akali Dal (SAD) is well on the path to revival," says an advisor to the Punjab government.

# Churn in Bihar politics as five MPs remove LJP leader Chirag Paswan

PRESS TRUST OF INDIA  
New Delhi, 14 June

**LJP leader Chirag Paswan arrives to meet party leader Pashupati Kumar Paras at his house, in New Delhi on Monday. Paras has been named party's new leader**

Five of the six Lok Janshakti Party (LJP) MPs in Lok Sabha have joined hands against their leader Chirag Paswan and elected Pashupati Kumar Paras, the youngest brother of Paswan's late father and party founder Ram Vilas Paswan, in his place, causing a big churn in Bihar politics.

Paras on Monday lauded Bihar Chief Minister Nitish Kumar as a good leader and *vikas purush* (development-oriented man), highlighting the deep fault lines within the party as his nephew has been a strong critic of the supreme JD(U) leader. "I have not broken the party but saved it,"

apparent pointer to a close aide of Paswan whose proximity to him has not gone down well with many party leaders.

Paras said his group will continue to be part of the BJP-led NDA, and added that Paswan can remain in the organisation.

The group of five MPs has conveyed their decision of electing Paras as the LJP's leader in Lok Sabha to the Speaker. The five MPs had met Speaker Om Birla on Sunday night to inform him about their decision to replace Paswan with Paras as their leader.

Sources in the Speaker's office said that their request is under consideration. There has been no comment from Paswan on the issue.

# Adani stocks...

They had risen between 2.2 times and 11.7 times and added over ₹7 trillion in market value over the past one year.

The Adani Group companies, in a stock exchange notification during the market hours, said the investor accounts were not frozen and the news reports were "blatantly erroneous and done to deliberately mislead the investing community". It further said in its reports were "causing irreparable loss of economic value to the investors at large and reputation of the group".

Separately, the FPIs also denied the reports of their accounts being frozen.

"The fund is not frozen by any means and maintains full as well as normal trading operations globally," said the APMS Investment Fund in a statement.

The fund added the "account level freeze" was only technical and had "absolutely no relevance to its normal FPI trading activities". Albuca Investment also said "its fund is fully operational with normal trading in and outside India".

Shares of Adani Group have had a stellar run over the past few years, sending the group into the big league. Earlier this year, the group became the fourth business conglomerate

to cross \$100 billion in market cap — after Tata Group, HDFC Group, and Mukesh Ambani-led Reliance Group.

Adani Group promoter Gautam Adani is currently the richest Indian after Ambani.

A year ago, Adani Group's market cap was less than ₹2 trillion. The sharp spike in the stock prices of group companies has led to allegations of manipulation.

Over 90 per cent of the holdings of Albuca, Cresta, and APMS — all three operating out of Port Louis, Mauritius — in the Indian markets are in Adani Group stocks. Dismissing speculation against the funds, the Adani Group statement said, "This is to clarify that the FPIs in question have been investors in Adani Enterprises for more than a decade. Demergers have resulted in the ownership mirroring in the portfolio companies."

It said, the group is expecting double digit growth in FY22 across all its verticals including electricity generation, ports and renewable energy sector.

"While Adani Ports has guided for a 11 to 12 per cent cargo volume growth, Adani Group Energy operational capacity will increase by over 5 times from under 2 GW in FY20 to nearly 10 GW by FY22. Similarly, Adani Transmission will add 2,500 ckm and cross 20,000 ckm of transmission assets. This will ensure continued outperformance by Adani

# Mauritius, Cayman funds...

There are 600 FPIs based in Mauritius investing into India, of which 408 are category I, according to the NSDL website. There 336 funds from Cayman, of which 277 belong to category II. As on May 31, 2021, the website showed at least 10 funds from Mauritius that had their accounts or International Securities Identification Numbers frozen.

"There is a possibility that a number of Indian promoters may have invested in their own stocks through such funds, constituting a proxy holding," said another person who deals with FPIs.

Investors who have put in more than 25 per cent in a fund are considered beneficial owners. The threshold is lower at 15 per cent when the investor is a trust, and 10 per cent when the fund is from a high-risk jurisdiction.

In the past, Sebi has expressed concerns to custodians about the misuse of the FPI investment route by NRIs. There were some grey areas in FPI regulations earlier, and some custodians had different interpretations of the rules.

However, there has been greater clarity on the matter after Sebi aligned the beneficial ownership rules with PMLA regulations in 2018.

# RBI for...

This was even though MFIs are responsible for extending 70 per cent of the microfinance loans. In a consultative paper on its website, the RBI, therefore, proposed a uniform set of rules for micro loans. This is also because, even as banks have a much lower cost of funds, they charge the same interest rate for such loans as MFIs do, which has become the industry standard, defeating the purpose of such loans.

The RBI wants to free MFIs from such obligations and create a level playing field. "There would be no ceiling prescribed for the interest rate. However, while doing so they (MFIs) should ensure that usurious interest rates are not charged. The intention is to enable the market mechanism to bring the lending rates downwards for the entire microfinance sector," the RBI paper said.

Now, all regulated entities must display the minimum, maximum and average interest rates charged by them on microfinance loans. This would be subject to the RBI's supervisory scrutiny.

P Satish, executive director of Sa-Dhan, a self-regulatory body of MFIs, welcomed the RBI's willingness to discuss such critical issues after almost a decade. "Now the onus is on the institutions and their boards to fix up policies for lending and pricing. It means that the RBI feels institutions have matured to such a level that they will be able to make decisions that keep the interest of borrowers in mind. This is a watershed moment as far as the regulatory framework for the microfinance sector is concerned," Satish said. Satish said capping the debt-income ratio was a "scientific way" of calculating the indebtedness, and "this itself will restrict the amount that can be given as loans to each borrower by a lender". Alok Misra, CEO & director, MFIN, said, "We expect the microfinance sector to witness a paradigm shift, triggering a huge fillip to the cause of financial inclusion when it matters the most, especially in these tough times."

लोक जनशक्ती मध्ये फूट; पाच खासदारांची बंडखोरी बिहारमध्ये काकाचे पुतण्याला आव्हान

उज्वल कुमार : सकाळ न्यूज नेटवर्क

पाटणा, ता. १४ : ज्येष्ठ नेते रामविलास पासवानांच्या लोक जनशक्ती पक्षात (एलजेपी) फूट पडली आहे. पासवान यांच्या निघानंतर पक्षाचे सर्वेसर्वा त्यांचे पुत्र चिराम पासवान यांच्याविरोधात पक्षातील पाच खासदारांनी बंड पुकारले आहे. या गटाचे नेतृत्व रामविलास पासवान यांचे बंधू पद्मपती कुमार पारस यांच्या हाती सोपविले आहे. रविवारी रात्री नाट्य सुरू झाले.

नितीश यांची खेळी ?

विधानसभा निवडणुकीवेली मुख्यमंत्री नितीश कुमार यांचा पराभव करण्याचा विचार चिराम यांनी उचलला होता. राज्यात 'जेडीयू'चा सहकारी पक्ष असला तरी पासवान यांच्या नितीश कुमारविरोधी मोहिमेमागे भाजपचा हात असल्याचे मानले जाते. आता 'एलजेपी'मधील फुटीने मुख्यमंत्र्यांनी पासवान यांना धक्का दिल्याचे मानले जाते आहे. पाचही खासदार 'जेडीयू'त सहभागाचा अंदाज आहे.

नितीश कुमार विकास पुरुष आहेत. मी 'एलजेपी'त फूट पाडली नाही. विधानसभेत चिराम यांच्या नेतृत्वाखाली पक्षाचे 'जेडीयू'विरोधात घेतलेली भूमिका ९९ टक्के कार्यकर्त्यांना पसंत नव्हती. माझा गड भाजपप्रणीत एनडीएचा भाग असेल व चिराम हे संघटनेत कायम राहू शकतील. पद्मपती कुमार पारस, खासदार, एलजेपी
