RISK FACTORS

The risk factors set forth below pertain to this Offer, the Underlying Transaction and association with the Acquirer Group, and do not pertain to the present or future business or operations of the Target Company or any other related matters. These risk factors are neither exhaustive nor intended to constitute a complete or comprehensive analysis of the risks involved in or associated with the participation by a Public Shareholder in the Offer, but are merely indicative in nature. Public Shareholders are advised to consult their legal advisor, stock-broker, and investment consultant and / or tax advisors, for understanding and analyzing all the risks associated with respect to their participation in the Offer.

For capitalised terms used herein please refer to the section on Key Definitions set out below.

A. RISKS RELATING TO THE UNDERLYING TRANSACTION AND OPEN OFFER

1. The Open Offer is an open offer under the SEBI (SAST) Regulations to acquire up to 16,762,530 Equity Shares representing 26.00% of the Voting Share Capital, from the Public Shareholders. If the number of Equity Shares validly tendered by the Public Shareholders under this Open Offer is more than the Offer Size, then the Offer Shares validly tendered by the Public Shareholders will be accepted on a proportionate basis, subject to acquisition of a maximum of 16,762,530 Equity Shares, representing 26.00% of the Voting Share Capital. Accordingly, there is no assurance that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted. The lien marked against the unaccepted Equity Shares tendered by the Public Shareholders shall be released in accordance with the schedule of activities for the Open Offer.
2. The Acquirer Group does not require any statutory approvals, including from the Ministry of Information and Broadcasting and Competition Commission of India for consummation of the Underlying Transaction and the Open Offer. In case any statutory approvals become applicable to complete the Underlying Transaction and the acquisition of the Offer Shares that are validly tendered pursuant to the Open Offer or to complete this Open Offer and are required by the Acquirer Group at a later date before the closure of the Tendering Period, this Open Offer shall be subject to receipt of such approvals. In terms of Regulation 23 of the SEBI (SAST) Regulations, in the event that the approvals, if any, which become applicable at a later date before the closure of the Tendering Period are not received, for reasons outside the reasonable control of the Acquirer Group, then the Acquirer Group shall have the right to withdraw the Open Offer. In the event of such a withdrawal of the Open Offer, the Acquirer Group (through the Manager) shall, within 2 Working Days of such withdrawal, make an announcement of such withdrawal stating the grounds for the withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations.
3. In case of delay/non-receipt of any approval which may be required by the Acquirer Group at a later date, as per Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied, that non-receipt of the requisite statutory approval(s) was not attributable to any willful default, failure or neglect on the part of the Acquirer Group to diligently pursue such approval(s), grant an extension of time for the purpose of completion of this Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest by the Acquirer to the Public Shareholders at such rate, as may be prescribed by SEBI from time to time, in accordance with Regulation 18(11) of the SEBI (SAST) Regulations. Where any statutory or other approval extends to some but not all of the Public Shareholders, the Acquirer shall have the option to make payment to such Public Shareholders in respect of whom no statutory or other approvals are required in order to complete this Open Offer.
4. The acquisition of Equity Shares under the Open Offer from all Public Shareholders (resident and non-resident) is subject to all approvals required to be obtained by such Public Shareholders in relation to the

Open Offer and the transfer of Equity Shares held by them to the Acquirer. If the holders of the Equity Shares who are not persons resident in India (including NRIs, OCBs and registered FPIs and FIIs) require any approvals (including from RBI, the Foreign Investment Promotion Board or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for holding the Equity Shares, to tender the Equity Shares held by them in this Open Offer, along with the other documents required to be tendered to accept this Open Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Open Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on repatriable basis or non-repatriable basis.

5. The Public Shareholders should note that under the SEBI (SAST) Regulations, once the Public Shareholders have tendered their Equity Shares in the Offer, they will not be able to withdraw their Equity Shares from the Offer even in the event of a delay in the acceptance of the Equity Shares under the Offer and/ or the payment of consideration. A lien shall be marked against the Equity Shares tendered in the Offer by the Public Shareholders until the completion of the formalities of this Offer and the Public Shareholders who have tendered their Equity Shares will not be able to trade in such Equity Shares during such period, even if the acceptance of the Equity Shares in this Offer and/ or payment of consideration are delayed. Further, during such period, there could be fluctuations in the market price of the Equity Shares that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Offer. Accordingly, neither the Acquirer Group nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares and disclaim any responsibility with respect to any decision by any Public Shareholder on whether or not to participate in the Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer.
6. The Public Shareholders whose Equity Shares have been validly tendered and accepted may be subject to applicable capital gains tax and securities transaction tax applicable to the Equity Shares accepted in this Offer. The Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer Group and the Manager to the Offer do not accept any responsibility in this regard, including for the accuracy or otherwise of the tax provisions set forth in this LOF.
7. The information pertaining to the Target Company contained in the PA or DPS or this LOF or any other advertisement/ publications made in connection with the Open Offer has been compiled from information published or provided by the Target Company, or publicly available sources. The Acquirer Group or Manager to the Offer does not accept any responsibility with respect to any misstatement by the Target Company in relation to such information.
8. This LOF has not been filed, registered or approved in any jurisdiction outside India. Recipients of this LOF residing in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. This Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to the applicable laws or regulations or would subject the Acquirer Group or the Manager to the Offer to any new or additional registration requirements. This LOF does not in any way constitute an offer to purchase or an invitation to sell, any securities in any jurisdiction in which such offer or invitation is not authorized or to any person to whom it is unlawful to make such offer or solicitation. This is not an offer for sale, or a solicitation of an offer to buy in, any foreign jurisdictions covered under the 'General Disclaimer' clause in Section 2 (*Disclaimer Clause*) of this Letter of Offer and cannot be accepted by any means or instrumentality from within any such foreign jurisdictions.

9. The information contained in this Letter of Offer is as of the date of this Letter of Offer unless expressly stated otherwise. The Acquirer Group and the Manager are under no obligation to update the information contained herein at any time after the date of this Letter of Offer.
10. This Offer is subject to completion risks as would be applicable to similar transactions.
11. The completion of the indirect acquisition of Equity Shares of the Target Company by the Acquirer pursuant to the Underlying Transaction is subject to completion of requisite corporate actions by the Promoter Company pursuant to issuance of Warrant Exercise Notice (*as defined below*) by the Acquirer to the Promoter Company. In this regard, please see paragraph 3.1.4(h) below.
12. The Underlying Transaction, as explained in the table under paragraph 3.1.4 (i) of this LOF, has not been consummated as of the date of this LOF. The Warrant Exercise Notice was sent by the Acquirer to the Promoter Company on August 23, 2022 and the Promoter Company was obligated to do all such acts necessary to give effect to the Warrant Exercise Notice such that the Acquirer holds 99.50% of the paid up equity share capital of the Promoter Company (leading to the indirect acquisition by the Acquirer of Equity Shares of the Target Company comprising 29.18% of the fully paid up equity share capital of the Target Company) within 2 business days from August 23, 2022. However, the Promoter Company has till the date of this LOF not completed the requisite corporate actions to give effect to the Warrant Exercise Notice to enable the Acquirer to complete the Underlying Transaction. In this regard, the Promoter Company had also cited a provisional attachment order and an office order passed by the Income Tax Authorities in relation to Equity Shares of the Target Company held by the Promoter Company (collectively “**IT Orders**”) issued to the Promoter Company, provisionally attaching the Equity Shares held by the Promoter Company in the Target Company, and that as per the Promoter Individuals, any dilution of equity ownership of the Promoter Individuals in the Promoter Company may require prior approval under section 281 of the Income-Tax Act, 1961. In this regard, the Acquirer, on September 07, 2022, received a clarification letter issued by the office of the Additional Commissioner of Income Tax (“**IT Authority Letter**”), inter alia clarifying that the prohibition under the IT Orders is on the Promoter Company for selling and transferring its shareholding in the Target Company and from creating/causing any charge thereon only, irrespective of the shareholding pattern of the Promoter Company and who exercises control thereon and not on the issuance of shares of the Promoter Company i.e., the Underlying Transaction. For more details, including clarifications received from the income tax department and other subsequent developments, please refer to paragraph 3.1.4(i) of this LOF.
13. In the event that either: (a) there is any litigation leading to a stay or an injunction on the Offer or that restricts or restrains the Acquirer Group from performing their obligations hereunder, or (b) SEBI instructs the Acquirer Group not to proceed with the Offer, then the Offer process may be withdrawn or may be delayed beyond the schedule of activities indicated in this LOF. Consequently, the payment of consideration to the Public Shareholders whose Equity Shares are validly tendered and accepted under this Offer as well as the return of Equity Shares not validly tendered and accepted under this Offer, may be delayed. In the event SEBI instructs the Acquirer Group to not proceed with this Offer, then this Offer process shall be withdrawn and the Acquirer Group (through the Manager to the Offer) shall make an announcement of such withdrawal within 2 (two) Working Days of such withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations.
14. Any person placing reliance on any source of information other than the PA, the DPS, and this LOF, any other advertisement or materials issued by or on behalf of the Acquirer Group, will be doing so at its own risk. The Acquirer Group and the Manager to the Offer accept no responsibility for statements made in

connection with this Offer, other than those they expressly take responsibility for in the PA, the DPS, and this LOF, or in any advertisement or other materials issued by or on behalf of the Acquirer Group pertaining to the Offer.

15. The Offer is being made for securities of an Indian company and Public Shareholders of the Target Company in the U.S. (*as defined below*) should be aware that this LOF and any other documents relating to the Offer have been or will be prepared in accordance with Indian procedural and disclosure requirements, including requirements regarding the offer timetable and timing of payments, all of which differ from those in the U.S. Any financial information included in this LOF or in any other documents relating to the Offer, has been or will be prepared in accordance with non-U.S. accounting standards that may not be comparable to financial statements of companies in the U.S. or other companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles.
16. The receipt of cash pursuant to the Offer by a Public Shareholder of the Target Company may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each Public Shareholder of the Target Company is urged to consult his independent professional adviser immediately regarding the tax consequences of accepting the Offer.
17. Neither the U.S. Securities Exchange Commission nor any U.S. state securities commission has approved or disapproved the Offer or passed any comment upon the adequacy or completeness of this Letter of Offer. Any representation to the contrary is a criminal offence in the United States of America.

B. RISKS RELATING TO ACQUIRER AND THE PACs

1. Neither the Acquirer Group nor the Manager to the Offer make any assurance with respect to the financial performance of the Target Company or the continuance of past trends in the financial performance or future performance of the Target Company nor do they make any assurance with respect to the market price of the Equity Shares of the Target Company or of PAC 2 before, during or after the Open Offer. Each of the Acquirer, the PACs and the Manager to the Offer expressly disclaim any responsibility or obligation of any kind (except as required under applicable law) with respect to any decision by any Public Shareholder on whether to participate or not in this Open Offer.
2. The Acquirer is involved in certain litigation with SEBI currently *sub-judice* before the Supreme Court. A SEBI show cause notice dated December 20, 2016 was issued to Acquirer directing it to show cause why it should not be ordered to make an open offer under the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 1997 to the public shareholders of the Target Company and alleging that Acquirer had acquired control of Promoter Company and indirect control in the Target Company by virtue of Loan Agreements (*as defined below*). Vide order dated June 26, 2018, the SEBI whole-time member ordered the Acquirer to make a public announcement to acquire shares of the Target Company and include interest at the rate of 10% per annum from the date on which the liability to make public announcement was incurred along with the offer price. This order was appealed by Acquirer before the Securities Appellate Tribunal (“SAT”). Vide Order dated July 20, 2022 (“SAT Order”), the SAT quashed the order of the whole time member and set it aside. Appeals have been filed in the Hon’ble Supreme Court by SEBI challenging the SAT Order. Any adverse outcome in such litigation can have an adverse impact on the Acquirer. Please refer to paragraph 4.1.15 on Page 31 of this LOF for further details on the same.
3. The information pertaining to the Target Company contained in the PA or DPS or this LOF or any other advertisement/ publications made in connection with the Open Offer has been compiled from information published or provided by the Target Company, or publicly available sources. Such information has not been

independently verified either by the Acquirer Group or by the Manger to the Offer. The Acquirer Group does not accept any responsibility with respect to any misstatement of information disclosed pertaining to the Target Company.

4. The Acquirer Group make no assurance with respect to their investment or divestment decisions relating to their proposed shareholding in the Target Company.
5. Neither the Acquirer Group nor the Manager nor the Registrar to the Offer accept any responsibility for any loss of documents during transit (including but not limited to Open Offer acceptance forms, copies of delivery instruction slips, etc.), and Public Shareholders are advised to adequately safeguard their interest in this regard.
6. As per Regulation 38 of SEBI (LODR) Regulations read with Rule 19A of the SCRR (*as defined below*), the Target Company is required to maintain at least 25.00% public shareholding, as determined in accordance with SCRR, on a continuous basis for listing. Pursuant to completion of this Open Offer, the public shareholding in the Target Company may fall below such minimum public shareholding requirement. Any failure to comply with the conditions of the SCRR and the SEBI (LODR) Regulations could have an adverse effect on the price and tradability of the Equity Shares.

(i) **Updates in relation to the Underlying Transaction:**

- (i) While as per the terms of the Warrants, the Promoter Company Shares were to be allotted to the Acquirer within 2 business days from the Warrant Exercise Notice, i.e. by August 25, 2022, a letter dated August 24, 2022 was issued on behalf of the Promoter Company to the Acquirer in response to the Warrant Exercise Notice stating that prior written approval from SEBI will purportedly be required for exercise of conversion option on the Warrants, in light of the order dated November 27, 2020, issued by SEBI, bearing Ref. WTM/SM/IVD/ID2/9711/2020-21 (“**SEBI Order**”) in proceedings against the Promoter Individuals, whereby the Promoter Individuals were restricted from accessing the securities market or otherwise directly or indirectly dealing in securities for a period of 2 years. A response was issued on behalf of the Acquirer to the Promoter Company by way of a letter dated August 25, 2022 inter alia stating that prior written approval from SEBI is not required for allotment of the Promoter Company Shares to the Acquirer upon exercise of Warrants since the Promoter Company is not a party to the SEBI Order and therefore, the restraints imposed on the Promoter Individuals pursuant to the SEBI Order do not apply to the Promoter Company. PAC 2 has also made a stock exchange disclosure on August 26, 2022 in this regard. A letter dated August 28, 2022 was issued on behalf of the Promoter Company to the Acquirer stating that since SEBI alone can determine whether the restrictions contained in the SEBI Order apply to the transaction, a letter dated 28 August 2022, was issued on behalf of the Promoter Company to SEBI to determine if the Warrants can be converted into equity shares ahead of the November 26, 2022 deadline laid out in the SEBI Order. A letter dated August 29, 2022 has been issued on behalf of Acquirer to SEBI, requesting SEBI to issue appropriate response to Promoter Company clarifying that the SEBI Order does not restrain Promoter Company from allotting shares to the Acquirer, and PAC 2 has also made a stock exchange disclosure on August 29, 2022 in this regard. Further, a letter dated August 30, 2022 was issued on behalf of the Acquirer to the Promoter Company reiterating the Acquirer’s position in this regard and notifying the Promoter Company of the letter dated August 29, 2022 sent to SEBI.
- (ii) Additionally, in response to the letter from the Acquirer calling upon the Target Company to provide information required in connection with this Offer, the Target Company has issued a letter dated August 25, 2022 reiterating the position of the Promoter Company that a prior written approval from SEBI is required for allotment of equity shares to the Acquirer by the Promoter Company on exercise of Warrants pursuant to the SEBI Order. The Target Company has also made stock exchange disclosures dated August 24, 2022 and August 25, 2022 reiterating the above position of the Promoter Company. Further, the Target Company had agreed to provide the information in relation to the Offer as required under the SEBI (SAST) Regulations. The Acquirer has responded to the Target Company by way of a letter dated August 25, 2022 and PAC 2 has made a stock exchange disclosure on August 26, 2022 in this regard.
- (iii) Further, a letter dated August 31, 2022 was issued on behalf of the Promoter Company to the Acquirer, whereby the Promoter Company has cited a provisional attachment order and an office

order passed by the Income Tax Authorities in relation to Equity Shares of the Target Company held by the Promoter Company (i.e. IT Orders) issued to the Promoter Company, provisionally attaching the Equity Shares held by the Promoter Company in the Target Company, and that as per the Promoter Individuals, any dilution of equity ownership of the Promoter Individuals in the Promoter Company may require prior approval under section 281 of the Income-Tax Act, 1961. The Target Company has also made a stock exchange disclosure on August 31, 2022 *inter alia* stating that the Promoter Individuals have informed it that: (a) the Promoter Company has informed the Acquirer that operation of the IT Orders will require approvals and/or clarifications from the Income Tax Authorities in relation to the PA; (b) the Income Tax Authorities will be required to clarify whether in light of the order of SAT dated July 20, 2022, (i.e. the SAT Order) the provisional attachment will continue to operate on the Equity Shares held by the Promoter Company in the Target Company; and (c) Promoter Individuals may individually require independent approval, under section 281 of the Income Tax Act, 1961 from the Income Tax Authorities, to deal with any assets, including indirect shareholding in the Target Company, arising from *sub judice* (impugned) orders. A response was issued on behalf of the Acquirer to the Promoter Company by way of a letter dated September 1, 2022 *inter alia* stating that the IT Orders only applies to the Equity Shares of the Target Company as held by the Promoter Company and in no manner restrict the allotment of the Promoter Company Shares to the Acquirer pursuant to the Warrant Exercise Notice. Prior written approval from Income Tax Authorities is also accordingly, not required for such allotment. PAC 2 has also made a stock exchange disclosure on September 1, 2022 in this regard.

- (iv) The Acquirer sent a letter dated September 07, 2022 addressed to the Additional Commissioner of Income Tax, requesting that an appropriate clarification may be issued to the effect that the IT Orders do not in any manner restrict the Promoter Company from allotment of its 1,990,000 equity shares to the Acquirer pursuant to exercise of the Warrants by the Acquirer - *inter alia*, as the IT Orders are limited to the identified asset of Promoter Company viz. the 18,813,928 equity shares of the Target Company held by the Promoter Company. In this regard, the Acquirer, on September 07, 2022, received a clarification letter issued by the office of the Additional Commissioner of Income Tax (i.e. IT Authority Letter), *inter alia* clarifying that the prohibition under the IT Orders is on the Promoter Company for selling and transferring its shareholding in the Target Company and from creating/causing any charge thereon only, irrespective of the shareholding pattern of the Promoter Company and who exercises control thereon and not on the issuance of shares of the Promoter Company i.e., the Underlying Transaction.
- (v) Subsequent to the receipt of the IT Authority Letter, the Acquirer sent a letter dated September 08, 2022 addressed to SEBI, highlighting the IT Authority Letter's clarification that the IT Orders do not in any manner restrict the Promoter Company from allotment of its shares to the Acquirer pursuant to exercise of the Warrants by the Acquirer, and requesting a clarification from SEBI that the SEBI Order does not restrain the Promoter Company from allotting its shares to the Acquirer. The said letter was also notified to the Promoter Company and the Target Company.
- (vi) On September 09, 2022, the Target Company made a disclosure to the Stock Exchanges stating that the Acquirer had notified the Target Company and the Promoter Company that the Acquirer has sent a letter to SEBI on September 08, 2022 regarding the IT Authority Letter. The said disclosure also stated that the IT Authority Letter states that the prohibition under the IT Orders during the period of their operation is on the Promoter Company for selling or transfer of its shareholding in the Target Company and from creating/causing any charge thereon only, irrespective of the shareholding pattern of the Promoter Company and who exercises control thereon and not on the issuance of shares of the Promoter Company.

(j) **Salient features of the Loan Agreements:**

- (i) The Loan Agreements were executed between the Acquirer, the Promoter Company and the Promoter Individuals for grant of unsecured, interest-free loans by the Acquirer to the Promoter Company aggregating to INR 4,038,500,000 for a tenure of 10 (ten) years. The loan of INR 3,500,000,000 pursuant to loan agreement dated July 21, 2009 was for the purpose of repayment of then existing loan availed by the Promoter Company from ICICI Bank whereas the loan of INR 538,500,000 pursuant to loan agreement dated January 25, 2010 was for investment purposes.
- (ii) Pursuant to the Loan Agreements, the Acquirer was allotted Warrants by the Promoter Company, and the Acquirer, at its discretion, has the right to exercise any or all of such Warrants, at par value, in one or more tranches, which upon exercise of all Warrants, will result in such number of equity shares amounting to 99.99% of the paid-up equity share capital of the Promoter Company. In order to exercise this option, the warrant holder shall issue a written notice to the Promoter Company. SEBI, Appeal No. 293 of 2018	<p>A SEBI show cause notice dated December 20, 2016 was issued to Acquirer directing it to show cause why it should not be ordered to make an open offer under the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 1997 to the public shareholders of the Target Company. The said notice alleged that Acquirer had acquired control of Promoter Company and indirect control in the Target Company by virtue of Loan Agreements. <i>Vide</i> order dated June 26, 2018, the SEBI whole-time member held that the Loan Agreements were a façade in the form of a loan transaction and were executed in order to shroud the true nature of the transaction <i>viz.</i> to acquire indirect control of the Target Company. Accordingly, Acquirer was ordered to make a public announcement to acquire shares of the Target Company and include interest at the rate of 10% per annum from the date on which the liability to make public announcement was incurred along with the offer price. This order was appealed by Acquirer before the SAT in appeal no. 293 of 2018.</p> <p><i>Vide</i> Order dated July 20, 2022 (i.e. the SAT Order), the SAT held that the Loan Agreements did not result in Acquirer acquiring direct or indirect control over Target Company. Accordingly, the direction issued to Acquirer by the SEBI whole-time member in the impugned order to make an open offer was quashed and the impugned order was set aside.</p>	<ul style="list-style-type: none"> - In relation to the matter, the Target Company had intimated the Stock Exchanges on September 27, 2022 that SEBI has reportedly filed civil appeals before the Hon’ble Supreme Court against the Target Company, the Promoter Individuals, and the Promoter Company, service of which was awaited by the Target Company as of the date of the said disclosure. Further, the Target Company’s disclosure stated that the said appeals are reportedly against the finding in the SAT Order that there was no indirect transfer of control of the Target Company through the loan agreement entered into in 2009-10. - Subsequently, the Target Company had intimated the Stock Exchanges on October 20, 2022 that it has been notified of two appeals filed in the Hon’ble Supreme Court by SEBI challenging the SAT Order. - No notice of the appeal against the SAT order dated

			July 20, 2022 has been issued or received by the Acquirer till date. However, the advocates for the Acquirer, (being on caveat) were served a copy of the appeal filed by SEBI, as is procedurally required in discharge of a caveat.

Summary of matters set out in the order of Securities Appellate Tribunal (“SAT”) dated July 20, 2022 (i.e. the SAT Order) in relation to the Target Company, the Promoter Individuals and the Promoter Company:

Appeal No. 80 of 2021

- The Target Company had received a notice from SEBI in regard to alleged violation of Clause 36 of erstwhile equity listing agreement (“**Listing Agreement**”) due to non-disclosure of loan agreement dated July 19, 2009 entered into by the Promoter Individuals and the Promoter Company with the Acquirer in financial year 2009-10.
- Refuting this allegation, the Target Company submitted that it was not a party to the said loan arrangement and that the said loan arrangement was not a material event to be disclosed under Clause 36 of the Listing Agreement.
- Rejecting the Target Company’s arguments, SEBI *vide* its order dated December 29, 2020 imposed a penalty of INR 50,000,000 on the Target Company for the alleged violation. The Target Company filed an appeal before SAT challenging the order dated December 29, 2020 passed by SEBI.
- The SAT Order partly allowed the appeal and reduced the penalty from INR 50,000,000 to INR 1,000,000 for violation of Clause 36 of the Listing Agreement. The Target Company intimated the Stock Exchanges on September 12, 2022 that it has paid INR 1,000,000 as directed by SAT Order without any admission of liability and without prejudice to its rights and contentions.

Appeals No 294 of 2019, 295 of 2019, and 296 of 2019; Appeals No 77 of 2021, 78 of 2021, and 79 of 2021

- Appeals No. 294 of 2019, 295 of 2019, and 296 of 2019 were filed against an order dated June 14, 2019 passed by the SEBI whole-time member. Appeals No. 77 of 2021, 78 of 2021, and 79 of 2021 were filed against an order of the assessing officer dated December 24, 2020. Since all 6 (six) appeals raised a common issue and stemmed from the same facts, the SAT Order disposed of those together.
- SEBI had issued notices to the Promoter Individuals and the Promoter Company, in relation to alleged violations of SEBI Act, 1992, read with SEBI (Prohibition of Fraudulent Trade Practices relating to Securities Market) Regulations and Clause 49(I)(D) of the Listing Agreement read with Section 21 of the Securities Contract (Regulation) Act, 1956 (“**SCRA**”) on account of alleged non-disclosure of the loan agreements entered in 2008

- 10 by – (i) the Promoter Company with ICICI Bank Limited, and (ii) the Promoter Company and Promoter Individuals with the Acquirer.
- SEBI, *vide* its order dated June 14, 2019 came to the conclusion that the said arrangement was not a loan agreement but amounted to the commission of a fraud on the shareholders of the Target Company. It further concluded that the loan agreement structure was material and very sensitive information was concealed from the minority shareholders. Having so held, the SEBI whole-time member directed as follows:
 - (i) The Promoter Company and the Promoter Individuals were restrained from accessing the securities market and were further prohibited from buying, selling or otherwise dealing in securities, directly or indirectly, or being associated with the securities market in any manner, whatsoever, for a period of 2 (two) years.
 - (ii) The Promoter Individuals were restrained from holding or occupying any position as director or key managerial personnel in the Target Company for a period of 2 (two) years and in any other listed company for a period of 1 (one) year.
- On a similar finding, the assessing officer, *vide* order dated December 24, 2020 had imposed a penalty of INR 250,000,000 to be paid jointly and severally by the Promoter Company and the Promoter Individuals and a further sum of INR 10,000,000 to be paid by the Promoter Individuals.
- Aggrieved by the above orders, the Promoter Company and the Promoter Individuals filed the aforementioned appeals before the SAT challenging the orders of the SEBI whole-time member and the assessing officer.
- While affirming the finding of violation of Clause 49(I)(D) of the Listing Agreement in the impugned orders, SAT set aside the directions of the SEBI whole-time member and reduced the penalty imposed by the assessing officer to INR 50,000,000.
- In this regard, the Target Company intimated the Stock Exchanges on September 20, 2022 that the Promoter Individuals and the Promoter Company have each filed a civil appeal in the Hon’ble Supreme Court against the SAT Order, which had directed the Promoter Individuals and the Promoter Company to pay a penalty of INR 50,000,000 for alleged violation of clause 49(1)(D) of the Listing Agreement read with Section 21 of the SCRA.

8.16.1 General:

a) **STT**

- i. As the tendering of Equity Shares is being undertaken on the stock exchange, such transaction will be chargeable to STT. STT is payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian stock exchange. Currently, the STT rate applicable on the purchase and sale of shares on the stock exchange is 0.1% of the value of security transacted.

b) **Income Tax**

- i. The basis of charge of Indian Income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act.
- ii. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which is received or deemed to be received or accrues or arises or deemed to accrue or arise in India). In case of shares of a company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.
- iii. Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
- iv. Further, the non-resident shareholder can avail beneficial treatment under the Double Taxation Avoidance Agreement ("DTAA") between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the MIL as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non-applicability of GAAR and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- v. The IT Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
- vi. The shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income tax authorities, reporting their income for the relevant year.
- vii. The summary of income-tax implications on tendering of listed Equity Shares on the recognised stock exchange in India is set out in the succeeding paras. All references to Equity Shares herein refer to listed Equity Shares unless stated otherwise.

8.16.2 Classification of Shareholders:

Public Shareholders can be classified under the following categories:

- a) Resident Shareholders being:
 - i. Individuals, Hindu Undivided Family (“**HUF**”), Association of Persons (“**AOP**”) and Body of Individuals (“**BOI**”)
 - ii. Others
 - Company
 - Other Than Company
- b) Non-Resident Shareholders being:
 - i. Non-Resident Indians (NRIs)
 - ii. Foreign Institution Investors (FIIs) / Foreign Portfolio Investors (FPIs)
 - iii. Others:
 - Company
 - Other Than Company

8.16.3 Classification of Income:

Shares can be classified under the following two categories:

- a) Shares held as investment (Income from transfer of such shares taxable under the head “**Capital Gains**”)
- b) Shares held as stock-in-trade (Income from transfer of such shares taxable under the head “Profits and Gains from Business or Profession”). As per the current provisions of the IT Act, unless specifically exempted, gains arising from the transfer of shares may be treated either as “Capital Gains” or as “Business Income” for income-tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Shareholders may also refer to Circular No.6/2016 dated February 29, 2016 issued by the Central Board of Direct Taxes (CBDT) in this regard.

8.16.4 Shares held as investment: As per the provisions of the IT Act, where the shares are held as investments (i.e., capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”.

Further, Section 2(14) of the IT Act has provided for deemed characterization of securities held by FPIs as capital assets, whether or not such assets have been held as a capital asset; and therefore, the gains arising in the hands of FPIs will be taxable in India as capital gains.

Capital gains in the hands of shareholders would be computed as per provisions of section 48 of the IT Act and the rate of income-tax would depend on the period of holding.

8.16.5 Period of holding: Depending on the period for which the shares are held, the gains would be taxable as “short-term capital gain/STCG” or “long-term capital gain/LTCG”:

- a) In respect of Equity Shares held for a period less than or equal to 12 months prior to the date of transfer, the same should be treated as a “short-term capital asset”, and accordingly the gains arising therefrom should be taxable as “short term capital gains” (“**STCG**”).

- b) Similarly, where Equity Shares are held for a period more than 12 months prior to the date of transfer, the same should be treated as a “long-term capital asset”, and accordingly the gains arising therefrom should be taxable as “long-term capital gains” (“LTCG”).

8.16.6 Tendering of Shares in the Offer through a Recognized Stock Exchange in India:

Where a transaction for transfer of such Equity Shares (i.e. acceptance under the Open offer) is transacted through a Recognized Stock Exchange and is chargeable to STT, then the taxability will be as under (for all categories of shareholders):

- a) As per the current provisions of the IT Act, under Section 112A of the IT Act, LTCG arising from transfer of Equity Shares exceeding one lakh rupees will be taxed at a rate of 10 percent provided the same has been subjected to STT, upon acquisition and sale.

If no STT is paid on acquisition, then mode of such acquisition should be exempted under the notification issued by CBDT vide Notification No. 60/2018 dated October 1, 2018 in order to get benefit of taxation at 10% under Section 112A of the IT Act. Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under Section 112A of the IT Act.

- b) LTCG that arise on shares purchased prior to February 1, 2018 shall be grandfathered for the notional gains earned on such shares till January 31, 2018 as per Section 55 of IT Act.

For computing capital gains under the grandfathering regime, the cost of acquisition for the long-term capital asset acquired on or before January 31, 2018 will be the actual cost. However, if the actual cost is less than the fair market value of such asset as on January 31, 2018, the fair market value will be deemed to be the cost of acquisition.

Further, if the full value of consideration on transfer is less than the fair market value, then such full value of consideration or the actual cost, whichever is higher, will be deemed to be the cost of acquisition.

- c) LTCG, as computed u/s. 112A, will not be liable to tax to the extent not exceeding Rs. 1,00,000 (Rupees One lakh only).

Further, no deduction under Chapter VI-A would be allowed in computing STCG subject to tax under Section 111A of the IT Act.

- d) Where provisions of section 112A of the IT Act are not applicable (for example where STT was not paid at the time of acquisition of the Equity Shares):

i. LTCG will be chargeable to tax at the rate of up to 20% (plus applicable surcharge and health and education cess) in the case of a non-resident Public Shareholder (other than a FPI/FII, or a NRI who is governed by the provisions of Chapter XII-A of the IT Act) in accordance with provisions of section 112 of the IT Act.

ii. In the case of FIIs/FPIs, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) in accordance with provisions of section 115AD of the IT Act (without benefit of indexation and foreign exchange fluctuation).

- iii. For a NRI who is governed by the provisions of Chapter XII-A of the IT Act, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) under Section 115E of the IT Act on meeting certain conditions. While computing the LTCG, the benefit of indexation of cost may not be available.
- iv. For a resident Public Shareholder, an option is available to pay tax on such LTCG at either 20% (plus applicable surcharge and cess) with indexation or 10% (plus applicable surcharge and health and education cess) without indexation. Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is to be considered while computing the income-tax on such LTCG.
- v. Long term capital loss computed for a given year is allowed to be set-off only against LTCG computed for the said year, in terms of Section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off only against subsequent years' LTCG, in terms of Section 74 of the IT Act.
- e) As per the current provisions of the IT Act, STCG arising from such transaction, which is subject to STT, would be subject to tax @ 15% under section 111A of the IT Act. Further, no deduction under Chapter VI-A would be allowed in computing STCG subject to tax under Section 111A of the IT Act.
- f) In case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the income-tax on such STCG taxable under section 111A of the IT Act.
- g) Under Section 115AD(1)(ii) of the IT Act, STCG arising to a FII on transfer of shares (STT paid) will be chargeable at the rate of 15%.
- h) As per Section 70 of the IT Act, short term capital loss computed for a given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set-off against subsequent years' STCG as well as LTCG, in terms of Section 74 of the IT Act.
- i) Non-resident shareholder can avail benefits of the DTAA between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions as prescribed under the relevant DTAA read with MLI as may be in effect, and non-applicability of GAAR and providing and maintaining necessary information and documents as prescribed under the IT Act.
- j) As per the current provisions of the IT Act, in addition to the above STCG and LTCG tax, surcharge and health and education cess are leviable.

Under Section 10(23FBA) of the IT Act, any income of an Investment Fund, other than the income chargeable under the head "Profits and gains of business or profession" would be exempt from income-tax on fulfillment of certain conditions specified therein. For this purpose, an "Investment Fund" means a fund registered as Category I or Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternate Investment Fund) Regulations, 2012.

8.16.8 Mutual Funds

Under Section 10(23D) of the IT Act, any income of mutual funds registered under the Securities and Exchange Board of India Act, 1992 or regulations made thereunder or mutual funds set up by public sector banks or public financial institutions or mutual funds authorised by the Reserve Bank of India and subject to the conditions specified therein, is exempt from tax subject to such conditions as the Central Government may by notification in the Official Gazette, specify in this behalf.

8.16.9 Shares held as Stock-in-Trade:

a) If the shares are held as stock-in-trade by any of the shareholders of the Target Company, then the gains would be characterized as business income and taxable under the head “Profits and Gains from Business or Profession”.

b) Resident Shareholders

Profits of:

- i. Individuals, HUF, AOP and BOI will be taxable at applicable slab rates.
 - ii. Domestic companies having turnover or gross receipts not exceeding Rs. 400 crore in the relevant financial year as prescribed will be taxable @ 25%.
 - iii. Domestic companies which have opted for concessional tax regime under Section 115BAA will be taxable at 22%.
 - iv. For persons other than stated above, profits will be taxable @ 30%.
 - v. No benefit of indexation by virtue of period of holding will be available in any case
- c) Non-Resident Shareholders: Non-resident shareholders can avail beneficial provisions of the applicable DTAA, read with the MLI, entered into between India and the respective country of which the said shareholder is tax resident, subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the IT Act.
- d) Where DTAA provisions are not applicable:

Foreign companies will not be subject to MAT if the country of residence of such of the foreign country has entered into a DTAA with India under Sections 90/90A of the IT Act and such foreign company does not have a permanent establishment in India in terms of the DTAA. In case where the said conditions are not satisfied, MAT will be applicable to the foreign company. In case of non-corporate shareholders, applicability of the provisions of Alternative Minimum Tax as per Section 115JC of the IT Act will also need to be analyzed depending on the facts of each case.

8.16.10 Tax Deduction at Source

- a) **Resident Shareholders:** In absence of any specific provision under the IT Act, the Acquirer is not required to deduct tax on the consideration payable to the shareholders pursuant to Tendering of the listed Equity Shares under the Offer on recognized stock exchange in India.
- b) **Non-Resident Shareholders:**
- i. In case of FIIs: Section 196D of the IT Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FIIs. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs, subject to fulfilment of the following conditions:
- FIIs/FPIs furnishing the copy of the registration certificate issued by SEBI (including for subaccount of FII/FPI, if any);
 - FIIs/FPIs declaring that they have invested in the Equity Shares in accordance with the applicable SEBI regulations and will be liable to pay tax on their income as per the provisions of the IT Act.
 - If the above conditions are not satisfied, FIIs/FPIs may submit a valid and effective certificate for deduction of tax at a nil/lower rate issued by the income tax authorities under the IT Act (“TDC”), along with the Form of Acceptance-cum-Acknowledgement, indicating the amount of tax to be deducted by the Acquirer before remitting the consideration. The Acquirer shall deduct tax in accordance with such TDC.
- ii. **In case of non-resident tax payer (other than FIIs):**

Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax is required to deduct tax at source (including applicable surcharge and cess). Subject to regulations in this regard, wherever applicable and it is required to do so, tax at source (including applicable surcharge and cess) shall be deducted at appropriate rates as per the IT Act read with the provisions of the relevant DTAA and MLI, if applicable. In doing this, the Acquirer will be guided by generally followed practices and make use of data available in its records except in cases where the non-resident shareholders provide a specific mandate in this regard.

8.16.11 However, the Acquirer will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirer to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirer to the non-resident shareholders.

8.16.12 Since the tendering of the Equity Shares under the Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is primarily on the non-resident shareholder given that practically it is very difficult to withhold taxes. The Acquirer believes that the responsibility of withholding/ discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the non-resident shareholders. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India in consultation with their custodians, authorized dealers and/or tax advisors, as appropriate.

8.16.13 In the event the Acquirer is held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer is entitled to be indemnified. The non-resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

8.16.14 Remittance/Payment of Interest:

- a) In case of interest, if any, paid by the Acquirer to resident and non-resident shareholder for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST) Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirer depending on the settlement mechanism for such interest payments. In the event, the Acquirer decides to withhold tax, the same shall be basis the documents submitted along with the form of acceptance or such additional documents as may be called for by the Acquirer. It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorisation of the interest, whether as capital gains or as other income). In the event the Acquirer is held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer should be indemnified.
- b) The shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer. The shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

8.16.15 Rate of Surcharge and Cess: As per the current provisions of the IT Act, in addition to the basic tax rate, surcharge, health and education cess are leviable. Summary of the same is provided below:

Surcharge:

- i. In case of domestic companies:
