Over the decades, the TVS Family has expanded their businesses and the TVS Group has grown into a large business conglomerate with interests in several businesses operating in diversified fields including two-wheeler and automotive component manufacturing, automotive dealerships, distribution of automotive parts, financial services, logistics services, electronics, textiles and needles.

The present shareholders of the TVS Holding Companies primarily consist of the third and fourth generations of the original founder, Shri T.V. Sundaram Iyengar. The various businesses/ entities of the TVS Group have been traditionally managed by members of the different branches of the TVS Family. With the passage of time, various members of the TVS Family felt that the ownership of shares in various companies/ businesses should align and synchronize with the management of the respective companies, as is currently being done. Keeping this objective in mind, the members of the TVS Family have today agreed to subscribe to the terms of a memorandum of family arrangement in order to record the terms of the family arrangement so agreed upon. Senior nominated members of the TVS Family shall now deliberate on how best to further implement this arrangement.
