## Press Release – Franklin Industries Limited

### **Franklin Industries Limited Embarks on Strategic Expansion with Acquisition of Vast Land Lease and Agrarian Business Units.**

Franklin Industries Limited, a pioneer in the realm of agricultural innovation, proudly announces a significant stride in its growth trajectory with the acquisition of a long-term lease spanning approximately 100 Bigha (approx. 45 Acres) of prime land across various regions in the vibrant state of Gujarat. This strategic move marks a pivotal juncture for the company as it expands its contract farming, amplifying its operational footprint and bolstering financial performance. This strategic move into contract farming is poised to drive substantial financial growth for the company.

With a vision centered on sustainable agriculture and holistic growth, Franklin Industries Limited recognizes the potential within Gujarat's agricultural landscape. The acquisition of this extensive land lease not only solidifies the company's commitment to fostering agricultural excellence but also underscores its dedication to forging enduring partnerships within the farming community.

Moreover, in a strategic move to further fortify its position in the agricultural value chain, Franklin Industries Limited is set to proceed for acquisition of prominent business units specializing in agriculture processing. This strategic expansion not only diversifies the company's portfolio but also amplifies its capacity to deliver value across multiple touchpoints within the agricultural continuum.

With a steadfast focus on innovation, sustainability, and community collaboration, Franklin Industries Limited is poised to chart new horizons in agricultural excellence, creating enduring value for stakeholders while advancing its mission of fostering a greener, more prosperous future.
