CHAPTER 3

PREVENTION OF MISUSE OF 'PRICE SENSITIVE INFORMATION

3.1 All Designated Persons/Insiders of the Company shall be subject to trading restrictions as enumerated below.

3.2 Trading Window

3.2.1 The Company shall specify a trading period, to be called “trading window”, for trading in the Company’s Securities. The trading window shall be closed during the time the information referred to in para 3.2.3 is unpublished or any time as communicated by the Compliance Officer.

3.2.2 When the trading window is closed, the Designated Persons/Insiders and their Dependents shall not trade in the Company’s Securities in such period except where trading plan has been approved by the Compliance Officer.

3.2.3 The trading window shall be, *inter alia*, closed at the time of :—

- a) Declaration of financial results;
- b) Declaration of dividends;
- c) change in capital structure by way of public/rights/preferential issue;
- d) mergers, de-mergers, acquisitions, delistings, disposals and expansion of business and such other transactions;
- e) changes in Key Managerial Personnel; and

3.2.4 The time for commencement of closing of trading window and re-opening of trading window shall be decided by the Company. However, in any case:

- a) unless communicated otherwise, trading window will close at least 48 hours before the information referred to in para 3.2.3 becomes public.

- b) the re-opening of trading window shall not be earlier than 48 hours after the information referred to in para 3.2.3 becomes public.

Provided that in case of declaration of quarterly/annual financial results of the Company, trading window shall be closed from end of every quarter till 48 hours after declaration of financial results.

3.2.5 All Designated Persons/Insiders of the Company shall conduct all their dealings in the Securities of the Company only in a valid trading window or as per approved trading plan and shall not deal in any transaction involving the purchase or sale of the Company's Securities during the periods when trading window is closed or where there is no pre-approved trading plan, or during any other period as may be specified by the Company from time to time.

3.2.6 In case of ESOPs, exercise of option may be allowed in the period when the trading window is closed. However, sale of shares allotted on exercise of ESOPs shall not be allowed when trading window is closed.

3.3 Trading Plan

3.3.1 Trading plan is a plan under which a Designated Person can trade in Securities even when trading window is closed. It gives an option to Insiders who may be perpetually in possession of UPSI and enabling them to trade in Securities in a compliant manner. This provision would enable the formulation of a trading plan by a Designated Person to enable him to plan for trades to be executed in future. By doing so, the possession of UPSI when a trade under a trading plan is actually executed would not prohibit the execution of such trades that he had pre-decided even before the UPSI came into being.

3.3.2 Every Designated Person shall be entitled to formulate a trading plan and present it to the Compliance Officer for approval and public disclosure

pursuant to which trades may be carried out on his behalf in accordance with such plan.

3.3.3 While presenting the trading plan, following points shall be kept in mind:

- a) There must be a gap of 6 months between the public disclosure of plan and commencement of trading.

In any case, it should be remembered that this is only a statutory cool-off period and would not grant immunity from action if the Designated Person was to be in possession of the same UPSI both at the time of formulation of the plan and implementation of the same.

- b) In any case, trading will not be permitted between the twentieth trading day prior to the last day of any financial period for which results are required to be announced by the Company and the second trading day after the disclosure of such financial results.

- c) Trading plan shall entail trading for a period of not less than twelve months.

- d) Trading plan shall not entail overlap of any period for which another trading plan is already in existence.

- e) Trading plan shall set out either the value of trades to be effected or the number of Securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected.

- f) Trading on the basis of such a trading plan would not grant absolute immunity from bringing proceedings for market abuse.

3.3.4 While granting the approval, the Compliance Officer shall be entitled to seek such express undertakings as he may think necessary to assess and approve the plan.

3.3.5 The trading plan once approved shall be irrevocable and the Designated Person shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the Securities outside the scope of the trading plan.

Provided that the implementation of the trading plan shall not be commenced if any UPSI in possession of the Designated Person at the time of formulation of the plan has not become generally available at the time of the commencement of implementation.

3.3.6 Once the trading plan is approved, the Compliance Officer shall notify the plan to the stock exchanges on which the Securities are listed.

3.4 Pre-clearance of Trades

3.4.1 All Designated Persons and their Dependents who intend to deal in the Securities of the Company shall pre-clear the intended transactions including those of 'Dependent' in the Securities of the Company as per the pre-dealing procedure described hereunder.

Provided that pre-clearance of trades shall not be required for a trade executed as per an approved trading plan.

3.4.2 Such pre-clearance of trade would be applicable wherever any Designated Person/his Dependent intends to deal in the Securities of the Company in excess of the minimum threshold limit of market value exceeding Rs. 5,00,000/- or 1500 Securities whichever is less in one or more tranche in any one quarter. **However, Directors of the Company have to pre-clear their all intended transactions irrespective of value or number of Securities involved.** Trades of the Compliance Officer which require pre-clearance in terms of the above shall be approved by the Managing Director or Chief Executive Officer or in their absence by any Whole Time Director of the Company.

- 3.4.3** An application in “**Form I**”, as prescribed in the Code, shall be made to Compliance Officer, after obtaining the approval of departmental head, if any, indicating the estimated number of Securities that Designated Person intends to deal in and details of depository with which he has a depository account and such other details as may be required by any rule made by the Company in this behalf.
- 3.4.4** An undertaking in “**Form I**” shall be executed in favour of the Company by such Designated Person.

CHAPTER 4

OTHER RESTRICTIONS

- 4.1** Where any transaction has been approved, the Designated Person and their Dependents **shall execute the order within one week** of the clearance of the transaction, and where any transaction has been approved with any additional restrictions, the same shall be executed within the above time in accordance with the additional restrictions specified. If the order is not executed within one week after the approval is given, the Designated Person must pre-clear the transaction again.
- 4.2** The Compliance Officer shall have a right to revoke any clearance granted to any transaction or add further additional restrictions to any clearance, before the relevant transaction has been executed.
- 4.3** In case any transaction has been refused, the Designated Person and their Dependents shall be free to re-apply for pre-clearance of the transaction, which was refused, to the next higher authority i.e to Managing Director/Chief Executive Officer/Whole-Time Director, if Compliance Officer has refused the transaction.

However, buying of shares pursuant to exercising of stock options and then selling of those shares within a period of six months shall not be deemed to a contra trade provided such trade does not violate the Code and the Regulations.

Provided further that trading window norms and restrictions on contra trade shall not be applicable for trades carried out in accordance with an approved trading plan.

4.5 No Designated Person shall take positions in derivative transactions in the Securities of the Company at any time.

4.6 In case the sale of Securities is necessitated by personal emergency, the holding period may be waived by the Compliance Officer/ Managing Director/ Chief-Executive Officer/Whole-Time Director on recommendation of head of department, if any, after recording in writing his/her reasons in this regard provided such relaxation does not violate the Regulations.

However, if a contra trade is executed, inadvertently or otherwise, in violation of such a restriction, the profits from such trade shall be liable to be disgorged for remittance to the Board for credit to the Investor Protection and Education Fund administered by the Board.
