Modi to take oath on Thursday at 7 pm

PRESS TRUST OF INDIA
New Delhi, 26 May

Narendra Modi will be sworn in as country's Prime Minister for the second term on May 30, the Rashtrapati Bhavan said here on Sunday.

A communique from the President's House said the oath-taking ceremony will be held at the Rashtrapati Bhavan on Thursday.

"The President (Ram Nath Kovind) will administer the Oath of Office and Secrecy to the Prime Minister and other members of Union Council of Ministers on 30.05.2019 at 07.00 pm at Rashtrapati Bhavan," the communique issued by the President's press secretary Ashok Malik said.

Modi was elected unanimously as the leader of the National Democratic Alliance on Saturday. Later, he called on the President in his capacity as leader of the BJP Parliamentary Party, which has majority support in the House of the People following the general election to the 17th Lok Sabha.

"The President, exercising pow-

ers under the Constitution, appointed Modi to the office of Prime Minister of India and sought his advice about the names of others to be appointed members of the Union Council of Ministers and indicate the date and time of the swearing-in ceremony to be held at the Rashtrapati Bhavan.

Earlier on Saturday, a delegation of the NDA led by IUP president Amit Shah, along with Prakash Singh Badal, Rajnath Singh, Nitish Kumar, Ram Vilas Paswan, Susilma Swarni, Uddhav Thackeray, Nitin Gadkari, K Palaniappan, Conrad Sangma and Nishith Ravi, called on the President at the Rashtrapati Bhavan.

They handed over a letter to the President stating Modi has been elected the leader of the BJP Parliamentary Party.

Letters of support from NDA constituent parties were also handed over to the President.

"The NDA together has a strength of 333 MPs in the 543-member Lok Sabha out of which the BJP has a majority of 303 Members of Parliament.

COMING 5 YEARS TO BE CRUCIAL: MODI IN GUJARAT

- PM expresses grief on Surat fire incident which killed 22 youngsters
- The coming 5 years will be very important for India, like the period 1942-1947
- Last night, President of India invited me to be next Prime Minister and today I have come here to take your blessings
- Coming 5 years is the time to regain lost position of India in the world order

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA
New Delhi/Ahmedabad, 26 May

In their first telephonic conversation after the Balakot airstrikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region.

The Ministry of External Affairs (MEA) said it was Khan who called up Modi to congratulate him on

his re-election. "The PM thanked the Khan for his telephone call and greetings," it said, recalling the initiatives in line with his government's "neighbourhood first" policy. Modi referred to Khan's earlier suggestion to fight poverty jointly. The MEA said, "He stressed that creating trust and an environment free of violence and terrorism was essential for fostering cooperation for peace, progress and prosperity in our region," it added.

May calls Modi, discusses G20, World Cup

Britain's outgoing Prime Minister Theresa May spoke to her Indian counterpart Narendra Modi on his election victory, discussing a range of issues including the G20 Summit in Japan next month and the ICC Cricket World Cup 2019 in England. In her conversation with Prime Minister Modi on Saturday, she praised India's democratic exercise and processes, a Downing Street spokesperson said.

Jaitley meets RBI guv, govt says reports on FM's health baseless

Arun Jaitley with RBI Governor Shaktikanta Das at a meeting in New Delhi on Sunday

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on outgoing Finance Minister Arun Jaitley here on Sunday.

The governor in a tweet said that it was a courtesy meeting.

"Had a courtesy meeting with Honble Union Minister (Arun Jaitley) this evening. Discussed while posting a picture of the meeting. His tweet came amid speculations in some media on the state of Jaitley's health. Dispelling such rumours, the government Sunday said reports on the deteriorating health of Jaitley are false and baseless and media

should stay clear of rumour mongering.

"Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesperson Shanshu Kar tweeted.

Jaitley's college friend and media baron Rajat Sharma as well as Rajya Sabha MP Swapan Dasgupta also rejected reports on deteriorating health of the senior BJP leader.

Dasgupta tweeted that he met Jaitley Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is off all

medication now. Just recovering his strength as working as usual. He is still sweating off-loads." "Questions about Arun Jaitley's health are understandable. He is recovering from a bout of heavy medication. But he is still in terrific form and his wit is firmly intact. Needs a little rest to get back his strength. All our good wishes," the MP tweeted.

Jaitley, 64, has become "very weak", they had said. He was admitted to AIIMS last week to undergo tests and treatment for an undisclosed illness and was discharged on Thursday but did not attend celebrations at BJP headquarters that evening after the party's emphatic victory in general elections.

BJP MP Sisirji Irani during the funeral procession of former village head Suresh Singh, during his funeral, in Amethi

Irani aide shot dead in Amethi

PRESS TRUST OF INDIA
Amethi (UP), 26 May

In the first incident of post-poll violence in UP, a close aide of newly-elected Amethi MP Sisirji Irani was shot dead by two unidentified men, with police not ruling out the possibility of it being a "political murder".

Suresh Singh, 50, a former head of Barzulla Village, around 25 km from the Amethi district headquarters, was shot at around 11.30 pm on Saturday. Singh was referred to a Lucknow hospital, but succumbed during treatment. Additional Superintendent of Police Daya Arora said, Director

General of Police Om Prakash Singh said seven people had been taken into custody and they were being interrogated.

"We have come to know about old enmity. We are also finding out if there was any political enmity. In initial investigation, we have got some vital clues," the DCP said. "UP police teams are conducting a very intensive investigation. We have also got important evidence through electronic surveillance," the officer said. "I am hopeful that in the next 12 hours, we will solve the case."

Chief Minister Yogi Adityanath has directed the DCP to take effective action and report back to him, a senior official said.

Jagan Reddy meets Modi, discusses SCs for Andhra

YSR Congress Party president and Andhra Pradesh Chief Minister-designate YS Jaganmohan Reddy met PM Narendra Modi here on Sunday and discussed the issue of accelerating the speed of category status to the state. He later also met BJP president Amit Shah and sought his support for the state's key demands. The SCs is a major demand of the YSRCP and Reddy, during his election campaign, had said he would support the party at the national level which promises to grant the status to Andhra Pradesh. The YSRCP stormed to power on Thursday with a landslide victory in assembly polls. PTI

Maldives may be Modi's 1st foreign trip after poll win

PM Narendra Modi is expected to travel to the Maldives early next month. In his first bilateral visit after retaining power in the Lok Sabha polls, according to diplomatic sources and Maldivian media reports, Bhutan was the first country Modi had visited in 2019 after becoming prime minister. PTI

Modi: Will regain lost position in world order

Next five years important in the history of the country, as was the period from 1942 to 1947

AGENCIES
New Delhi, 26 May

Prime Minister Narendra Modi on Sunday said the next five years will be the time to regain the rightful position of India in the world order.

He was speaking here at a function following the Lok Sabha election victory, which was kept simple and devoid of pomp because of the Surat fire tragedy. "Next five years will be very important in the history of the country, as was the period between 1942 and 1947," Modi said addressing a huge gathering. "Next five years will be the time to regain the rightful position of India in the world order. In the past our country had that place. I am sure India will regain its importance in the world order," he said.

He also expressed grief over the death of 22 students in Surat building fire tragedy. "I'll yesterday, I was in two minds whether to go for this felicitation function on one side, on the other hand, there was *karwa* (com-

IN AHMEDABAD...

- 'People mocked me when I said BJP will win over 300 seats'
- The vote in 2019 is a pro-incumbency vote and a positive vote'
- 'Big mandate brings big responsibility'

passion) for those who died in Surat. No amount of words can reduce the grief of the families who have lost their children in that tragedy," he said. The function was kept simple in the wake of the tragic incident in Surat, he noted.

The prime minister addressed the gathering at JP Chowk outside the BJP office in Khampur area, his former state headquarters before it shifted to Gandhinagar. It now houses the party's unit office.

Modi reminded that he had spent many years in this small office during his initial days as a politician. He had just addressed a gathering at JP Chowk when BJP won the 2012 Assembly polls, he recalled.

The Lok Sabha results stunned all the political pundits, Modi said.

"During the campaigning for the sixth phase, I had, for the first time, said we will cross 300 seats. At that time, many people made fun of my statement... I saw during the campaigning that people were keen to reinstate this government. People wanted to strengthen the government. They knew that their votes will provide guarantee of security and bring prosperity," he said.

"This is a pro-incumbency vote. A vote to reinstate the present government. In the beginning of the poll campaign, I had told it is not BJP or its candidates who are contesting. It is the people who are contesting the polls... The word 'wave' is too small to describe the poll results this time," he said. This big mandate brings big responsibilities. It is important to remain humble and grounded in the wake of such a massive win.

The BJP leader also remembered the victims of the devastating fire in Surat two days ago, and said he was in a dilemma as to whether he should address such a gathering in the immediate aftermath of the incident that claimed 22 lives.

MODI AT THE MOMENT: After leading the BJP to a massive victory in the Lok Sabha polls, Narendra Modi met his mother Heeraben on Sunday and sought her blessings. She lives with the PM's younger brother Pankaj in Ravan village near Gandhinagar.

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA

Modi to take oath on Thursday at 7 pm

PRESS TRUST OF INDIA
New Delhi, 26 May

Narendra Modi will be sworn in as country's Prime Minister for the second term on May 30, the Rashtrapati Bhavan said here on Sunday.

A communique from the President's House said the oath-taking ceremony will be held at the Rashtrapati Bhavan on Thursday.

"The President (Ram Nath Kovind) will administer the Oath of Office and Secrecy to the Prime Minister and other members of Union Council of Ministers on 30.05.2019 at 07.00 pm at Rashtrapati Bhavan," the communique issued by President's press secretary Ashok Malik said.

Modi was elected unanimously as the leader of the National Democratic Alliance on Saturday. Later, he called on the President in his capacity as leader of the BJP Parliamentary Party, which has majority support in the House of the People following the general election to the 17th Lok Sabha.

The President, exercising pow-

ers under the Constitution, appointed Modi to the office of Prime Minister of India and sought his advice about the names of others to be appointed members of the Union Council of Ministers and indicate the date and time of the swearing-in ceremony to be held at the Rashtrapati Bhavan.

Earlier on Saturday, a delegation of the NDA led by BJP president Amit Shah, along with Prakash Singh Badal, Rajnath Singh, Nitish Kumar, Ram Vilas Paswan, Sushma Swaraj, Uddhav Thackeray, Nitin Gadkari, K. Palaniswami, Chiranjeev Sangma and Nalpathi Rio, called on the President at the Rashtrapati Bhavan.

They handed over a letter to the President stating Modi has been elected the leader of the BJP Parliamentary Party.

Letters of support from NDA constituent parties were also handed over to the President.

The NDA together has a strength of 353 MPs in the 543-member Lok Sabha out of which the BJP has a majority of 303 Members of Parliament.

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA
New Delhi/Bhubaneswar, 26 May

In their first telephonic conversation after the Balakot airstrikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region.

The Ministry of External Affairs (MEA) said it was Khan who called up Modi to congratulate him on

his re-election. "The PM thanked the Khan for his telephone call and greetings," it said. Recalling his initiatives in line with his government's "neighbourhood first" policy, Modi referred to his earlier suggestion to Khan to fight poverty jointly, the MEA said. "He stressed that creating trust and an environment free of violence and terrorism was essential for fostering cooperation for peace, progress and prosperity in our region," it added.

May calls Modi, discusses G20, World Cup

Britain's outgoing Prime Minister Theresa May spoke to her Indian counterpart Narendra Modi on his election victory, discussing a range of issues including the G20 Summit in Japan next month and the ICC Cricket World Cup 2019 in England. In her conversation with Prime Minister Modi on Saturday, she praised India's democratic exercise and processes, a Downing Street spokesperson said.

Reserve Bank Governor Shaktikanta Das called on outgoing Finance Minister Arun Jaitley here on Sunday.

The governor in a tweet said that it was a courtesy meeting. "I had a courtesy meeting with Hon'ble Union Minister @arunrajivji this evening," Das tweeted while posting a picture of the meeting. It is tweet came amid speculations in some media on the state of Jaitley's health. Dispelling such rumours, the government Sunday said reports on the deteriorating health of Jaitley are false and baseless, and media

should stay clear of rumour mongering.

"Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesperson Sitanshu Kar tweeted.

Jaitley's college friend and media baron Rajat Sharma as well as Rajya Sabha MP Swapna Dasgupta also rejected reports on deteriorating health of the senior BJP leader.

Dasgupta tweeted that he met Jaitley Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is off all

medication now. Just recovering his strength and working as usual. He is still meeting officials." "Questions about @arunrajivji health undecipherable. He is recovering from a bout of heavy medication. But he is still in terrific form and his wit is firmly intact. Needs a little rest to get back his strength. All our good wishes," the BJP tweeted.

Jaitley, 66, has because "very weak", they had said. He was admitted to AIIMS last week to undergo tests and treatment for an undisclosed illness and was discharged on Thursday but did not attend celebrations at BJP headquarters that evening after the party's emphatic victory in general elections.

BJP MP Suresh Singh leads the funeral procession of former village head Suresh Singh, during his funeral in Amethi

Irani aide shot dead in Amethi

PRESS TRUST OF INDIA
Amethi (UP), 26 May

In the first incident of post-poll violence in UP, a close aide of newly-elected Amethi MP Suresh Irani was shot dead by two unidentified men, with police not ruling out the possibility of it being a "political murder".

Suresh Singh, 50, a former head of Baranvilia village, around 25 km from the Amethi district headquarters, was shot at around 11.30 pm on Saturday. Singh was referred to a Lucknow hospital, but succumbed during treatment. Additional Superintendent of Police Daya Ram said, Director

General of Police Om Prakash Singh told seven people had been taken into custody and they were being interrogated.

"We have come to know about old enmities. We are also finding out if there was any politicisation in initial investigation, we have got some vital clues," the DGP said. "UP police teams are conducting a very intensive investigation. We have also got important evidence through electronic surveillance," the officer said. "I am hopeful that in the next 12 hours, we will solve the case."

Chief Minister Yogi Adityanath has directed the DGP to take effective action and report back to him, a senior official said.

IN BRIEFS Jagan Reddy meets Modi, discusses SCs for Andhra

YSR Congress Party president and Andhra Pradesh Chief Minister-designate YS Jagan Mohan Reddy met PM Narendra Modi here on Sunday and discussed the issue of accord the special category status to the state.

He later also met BJP president Amit Shah and sought his support for the state's key demands. The SCs is a major demand of the YSRCP and Reddy, during his election campaign, had said he would support the party at the national level which promises to grant the status to Andhra Pradesh. The YSRCP stormed to power on Thursday with a landslide victory in assembly polls. PH

Maldives may be Modi's 1st foreign trip after poll win

PM Narendra Modi is expected to travel to the Maldives early next month, in his first bilateral visit after retaining power in the Lok Sabha polls, according to diplomatic sources and Maldivian media reports. Brnazo was the first country Modi had visited in 2019 after becoming prime minister. PH

Modi to take oath on Thursday at 7 pm

PRESS TRUST OF INDIA
New Delhi, 26 May

Narendra Modi will be sworn in as country's Prime Minister for the second term on May 30, the Rashtrapati Bhavan said here on Sunday.

A communique from the President's House said the oath-taking ceremony will be held at the Rashtrapati Bhavan on Thursday.

"The President (Ram Nath Kovind) will administer the Oath of Office and Secrecy to the Prime Minister and other members of Union Council of Ministers on 30.05.2019 at 07:00 pm at Rashtrapati Bhavan," the communique issued by President's press secretary Ashok Malik said.

Modi was elected unanimously as the leader of the National Democratic Alliance on Saturday. Later, he called on the President in his capacity as leader of the BJP Parliamentary Party, which has majority support in the House of the People following the general election to the 17th Lok Sabha. The President, exercising pow-

ers under the Constitution, appointed Modi to the office of Prime Minister of India and sought his advice about the names of others to be appointed members of the Union Council of Ministers and indicate the date and time of the swearing-in ceremony to be held at the Rashtrapati Bhavan.

Earlier on Saturday, a delegation of the NDA led by BJP president Amik Shah, along with Prakash Singh Badal, Rajnath Singh, Nitish Kumar, Ram Vilas Paswan, Sudama Swami, Uddhav Thackeray, Nitin Gadkari, K. Palaniappan, Conrad Sangma and Nephlu Rio, called on the President at the Rashtrapati Bhavan.

They handed over a letter to the President stating Modi has been elected the leader of the BJP Parliamentary Party.

Letters of support from NDA, constituent parties were also handed over to the President.

The NDA together has a strength of 383 MPs in the 543-member Lok Sabha out of which the BJP has a majority of 303 Members of Parliament.

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA
New Delhi/Islahabad, 26 May

In their first telephonic conversation after the Balakot airstrikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region.

The Ministry of External Affairs (MEA) said it was Khan who called up Modi to congratulate him on his re-election. "The PM thanked the Khan for his telephone call and greetings," it said. Recalling his initiatives in line with his government's "neighbourhood first" policy, Modi referred to his earlier suggestion to Khan to fight poverty jointly, the MEA said. "He stressed that creating trust and an environment free of violence and terrorism was essential for fostering cooperation for peace, progress and prosperity in our region," it added.

May calls Modi, discusses G20, World Cup

Britain's outgoing Prime Minister Theresa May spoke to her Indian counterpart Narendra Modi on his election victory, discussing a range of issues including the G20 Summit in Japan next month and the ICC Cricket World Cup 2019 in England. In her conversation with Prime Minister Modi on Saturday, she praised India's democratic exercise and processes, a Downing Street spokesman said.

Jaitley meets RBI guy, govt says reports on FM's health baseless

Arun Jaitley with RBI Governor Shaktikanta Das at a meeting in New Delhi on Sunday

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on outgoing Finance Minister Arun Jaitley here on Sunday.

"The governor in a tweet said that it was a courtesy meeting."

"I had a courtesy meeting with Hon'ble Union Minister (on Sunday this evening)," Das tweeted while posting a picture of the meeting. His tweet came amid speculations in some media on the state of Jaitley's health. Dispelling such rumours, the government Sunday said reports of deteriorating health of Jaitley are false and baseless, and media

should stay clear of rumour mongering. "Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesman Suresh Kumar tweeted.

Jaitley's college friend and media boss Rajat Sharma as well as Rajya Sabha MP Sugan Dasgupta also refuted reports on deteriorating health of the senior BJP leader. Dasgupta tweeted that he met Jaitley Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is off on

medication now. Just recovering his strength and working usual. He is still meeting officials." "Questions about (rumour) Jaitley's health understandable. He is recovering from a bout of heavy medication. But he is still in terrific form and he will be fitly intact. Needs a little rest to get back his strength. All our good wishes," the MP tweeted.

Jaitley, 66, has become "very weak", they had said. He was admitted to AIIMS last week to undergo tests and treatment for undisclosed illness and was discharged on Thursday but did not attend celebrations at BJP headquarters the evening after the party's emphatic victory in general elections.

Modi to take oath on Thursday at 7 pm

PRESS TRUST OF INDIA
New Delhi, 26 May

Narendra Modi will be sworn in as country's Prime Minister for the second term on May 30, the Rashtrapati Bhavan said here on Sunday.

A communique from the President's House said the oath-taking ceremony will be held at the Rashtrapati Bhavan on Thursday.

"The President (Ram Nath Kovind) will administer the Oath of Office and Secrecy to the Prime Minister and other members of Union Council of Ministers on 30.05.2019 at 07:00 pm at Rashtrapati Bhavan," the communique issued by President's press secretary Ashok Malik said.

Modi was elected unopposed as the leader of the National Democratic Alliance on Saturday. Later, he called on the President in his capacity as leader of the BJP Parliamentary Party, which has majority support in the House of the People following the general election to the 17th Lok Sabha. The President, exercising pow-

ers under the Constitution, appointed Modi to the office of Prime Minister of India and sought his advice about the names of others to be appointed members of the Union Council of Ministers and indicated the date and time of the swearing-in ceremony to be held at the Rashtrapati Bhavan.

Earlier on Saturday, a delegation of the NDA led by BJP president Amit Shah, along with Prakash Singh Badal, Rajnath Singh, Nitish Kumar, Ram Vilas Paswan, Sushma Swaraj, Uddhav Thackeray, Nitin Gadkari, K. Palaniswami, Coura Sanama and Nitya Rao, called on the President at the Rashtrapati Bhavan.

They handed over a letter to the President stating Modi has been elected the leader of the BJP Parliamentary Party.

Letters of support from NDA constituent parties were also handed over to the President.

The NDA together has a strength of 323 MPs in the 543-member Lok Sabha out of which the BJP has a majority of 303 Members of Parliament.

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA
New Delhi (amated), 26 May

In their first telephonic conversation after the Balakot airstrikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region.

his re-election. "The PM thanked the Khan for his telephone call and greetings," it said. Recalling his initiatives in line with his government's "neighbourhood first" policy, Modi referred to his earlier suggestion to Khan to fight poverty jointly. The MEA said, "He stressed that creating trust and an environment free of violence and terrorism was essential for fostering cooperation for peace, progress and prosperity in our region," it added.

May calls Modi, discusses G20, World Cup

Britain's outgoing Prime Minister Theresa May spoke to her Indian counterpart Narendra Modi on his election victory, discussing a range of issues including the G20 Summit in Japan next month and the ICC Cricket World Cup 2019 in England. In her conversation with Prime Minister Modi on Saturday, she praised India's democratic exercise and processes, a Downing Street spokesman said.

Jaitley meets RBI guv, govt says reports on FM's health baseless

Arun Jaitley with RBI Governor Shaktikanta Das at a meeting in New Delhi on Sunday

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on outgoing Finance Minister Arun Jaitley here on Sunday.

The government in a tweet said that it was a courtesy meeting.

"Had a courtesy meeting with Honble Union Minister Jaitley on Sunday," the government tweeted while posting a picture of the meeting. It also came amid speculations in some media on the state of Jaitley's health.

Dispelling such rumors, the government Sunday said reports on the deteriorating health of Jaitley are false and baseless, and media

should stay clear of rumor mongering.

"Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesperson Sitanshu Kar tweeted.

Jaitley's college friend and media boss, Rajat Sharma as well as Rajya Sabha MP Shweta Datta also rejected reports on deteriorating health of the senior BJP leader.

Datta tweeted that he met Jaitley Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is off all

medication now. Just recovering his strength and working as usual. He is still meeting officials." "Questions about Jaitley's health are unfounded. He is recovering from a bout of heavy medication, but he is still in terrific form and his will is firmly intact. Needs a little rest to get back his strength. All our good wishes," the MP tweeted. Jaitley, 64, has been "very weak", they had said. He was admitted to AIIMS last week to undergo tests and treatment for an undiagnosed illness and was discharged on Thursday but did not attend celebrations at BJP headquarters that evening after the party's emphatic victory in general elections.

BJP MP Bawri Irani during the funeral of her son village head Surendra Singh, during his funeral, in Amethi

Irani aide shot dead in Amethi

PRESS TRUST OF INDIA
Amethi (UP), 26 May

In the first incident of post-poll violence in UP, a close aide of newly-elected Amethi MP Surendra Singh was shot dead by two unidentified men, with police not ruling out the possibility of it being a "political murder".

Surendra Singh, 50, a former head of Bawal village, around 25 km from the Amethi district headquarters, was shot at around 11:30 pm on Saturday. Singh was referred to a Lucknow hospital, but succumbed during treatment. Additional Superintendent of Police Daya Ram said, Director

General of Police Om Prakash Singh said seven people had been taken into custody and they were being interrogated.

"We have come to know about the murder. We are also finding out if there was any political enmity. In initial investigations, we have got some vital clues," the DGP said. "UP police teams are conducting a very intensive investigation. We have also got important evidence through electronic surveillance," the officer said. "I am hopeful that in the next 12 hours, we will solve the case." Chief Minister Yogi Adityanath has directed the DGP to take effective action and report back to him, a senior official said.

IN BRIEFS

Jagan Reddy meets Modi, discusses SCs for Andhra

YSR Congress Party president and Andhra Pradesh Chief Minister-designate YS Jaganmohan Reddy met PM Narendra Modi here on Sunday and discussed the issue of accord the special category status to the state. He later also met BJP president Amit Shah and sought his support for the state's key demands. The SCs is a major demand of the YSRCP and Reddy, during his election campaign, had said he would support the party at the national level which promises to grant the status to Andhra Pradesh. The YSRCP stormed to power on Thursday with a landslide victory in assembly polls. PT

Maldives may be Modi's 1st foreign trip after poll win

PM Narendra Modi is expected to travel to the Maldives early next month, in his first bilateral visit after retaining power in the Lok Sabha polls, according to diplomatic sources and Maldivian media reports. Bhuvan was the first country Modi had visited in 2014 after becoming prime minister. PT

Modi to take oath on Thursday at 7 pm

PRESS TRUST OF INDIA
New Delhi, 26 May

Narendra Modi will be sworn in as country's Prime Minister for the second term on May 30, the Rashtrapati Bhawan said here on Sunday.

A communiqué from the President's House said the oath-taking ceremony will be held at the Rashtrapati Bhawan on Thursday.

The President (Ram Nath Kovind) will administer the Oath of Office and Secrecy to the Prime Minister and other members of Union Council of Ministers on 30.05.2019 at 07:00 pm at Rashtrapati Bhawan, the communiqué issued by President's press secretary Ashok Malik said.

Modi was elected unanimously as the leader of the National Democratic Alliance on Saturday. Later, he called on the President in his capacity as leader of the BJP Parliamentary Party, which has majority support in the House of the People following the general election to the 17th Lok Sabha.

Under the Constitution, appointed Modi to the office of Prime Minister of India and sought his advice about the names of others to be appointed members of the Union Council of Ministers and indicate the date and time of the swearing-in ceremony to be held at the Rashtrapati Bhawan.

Earlier on Saturday, a delegation of the NDA led by BJP president Amit Shah, along with Prakash Singh, Rajnath Singh, Nitish Kumar, Ram Vilas Paswan, Subhas Anand, Uddhav Thackeray, Nitin Gadkari, K Palaniappan, Gaurav Sangma and Nishu Rishi, called on the President at the Rashtrapati Bhawan.

They handed over a letter to the President stating Modi has been elected the leader of the BJP Parliamentary Party. Letters of support from NDA constituent parties were also handed over to the President.

The NDA together has a strength of 333 MPs in the 543-member Lok Sabha out of which the BJP has a majority of 303 Members of Parliament.

Jaitley meets RBI guv, govt says reports on FM's health baseless

Arun Jaitley with RBI Governor Shaktikanta Das at a meeting in New Delhi on Monday

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on outgoing Finance Minister Arun Jaitley here on Sunday.

The governor in a tweet said that it was a courtesy meeting. "I had a courtesy meeting with Hon'ble Union Minister (Arun) Jaitley this evening," Das tweeted while posting a picture of the meeting. It also came amid speculations in some media on the state of Jaitley's health. Dispelling such rumors, the government Sunday said reports of deteriorating health of Jaitley are false and baseless, and media

should stay clear of rumour mongering. "Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesperson Sitamansu Rai tweeted.

Jaitley's college friend and media boss Rajat Sharma as well as Rajya Sabha MP Swagata Dasgupta also reacted to reports on deteriorating health of the senior BJP leader.

Dasgupta tweeted that he met Jaitley Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is off all

medication now. Just recovering his strength and working as usual. He is still meeting officials." "Questions about @arunjaitley health understandable. He is recovering from a bout of heavy medication. But he is still in terrible form and his wit is flimsy intact. Needs a little rest to get back his strength. All our good wishes," the MP tweeted.

Jaitley, 66, has become "very weak," they had said. He was admitted to AIIMS but week to weeks tests and treatment for an undisclosed illness and was discharged on Thursday but did not attend celebrations at BJP headquarters that evening after the party's emphatic victory in general elections.

Modi to take oath on Thursday at 7 pm

PRESS TRUST OF INDIA
New Delhi, 26 May

Narendra Modi will be sworn in as country's Prime Minister for the second term on May 30, the Rashtrapati Bhavan said here on Sunday.

"The President (Ram Nath Kovind) will administer the Oath of Office and Secretary to the Prime Minister and other members of Union Council of Ministers on 30.05.2019 at 07:00 pm at Rashtrapati Bhavan," the communiqué issued by President's press secretary Ashok Malik said.

Modi was elected unanimously as the leader of the National Democratic Alliance on Saturday. Later, he called on the President in his capacity as leader of the BJP Parliamentary Party, which has majority support in the House of the People following the general election to the 17th Lok Sabha. The President, exercising pow-

ers under the Constitution, appointed Modi to the office of Prime Minister of India and sought his advice about the names of others to be appointed members of the Union Council of Ministers and indicate the date and time of the swearing-in ceremony to be held at the Rashtrapati Bhavan.

Earlier on Saturday, a delegation of the NDA led by BJP president Amit Shah, along with Prakash Singh Badal, Rajnath Singh, Nitish Kumar, Ram Vilas Paswan, Kushma Swaraj, Uddhav Thackeray, Nitin Gadkari, K. Palaniappan, Gopal Sangma and Nripetu Rio, called on the President at the Rashtrapati Bhavan.

They handed over a letter to the President stating Modi has been elected the leader of the BJP Parliamentary Party.

Letter of support from NDA constituent parties were also handed over to the President.

The NDA together has a strength of 353 MPs in the 543-member Lok Sabha out of which the BJP has a majority of 303 Members of Parliament.

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA
New Delhi/Islamabad, 26 May

In their first telephonic conversation after the Balakot airstrikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region.

The PM thanked the Khan for his telephone call and greetings, he said. Recalling his initiatives in line with his government's 'neighbourhood first' policy, Modi referred to his earlier suggestion to Khan to fight poverty jointly, the MEA said. "He stressed that creating trust and an environment free of violence and terrorism was essential for fostering cooperation for peace, progress and prosperity in our region," it added.

May calls Modi, discusses G20, World Cup

Britain's outgoing Prime Minister Theresa May spoke to her Indian counterpart Narendra Modi on his election victory, discussing a range of issues including the G20 Summit in Japan next month and the ICC Cricket World Cup 2019 in England. In her conversation with Prime Minister Modi on Saturday, she praised India's democratic exercise and processes, a Downing Street spokesperson said.

Jaitley meets RBI gov, govt says reports on FM's health baseless

Arun Jaitley with RBI Governor Shaktikanta Das at a meeting in New Delhi on Sunday

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on outgoing Finance Minister Arun Jaitley here on Sunday.

The governor in a tweet said that it was a courtesy meeting.

"I had a courtesy meeting with Hon'ble Union Minister Shaktikanta Das on Sunday. He tweeted while posting a picture of the meeting. His tweet came amidst speculations in some media on the state of Jaitley's health. Dispelling such rumours, the government Sunday said reports on the deteriorating health of Jaitley are false and baseless, and media

should stay clear of rumour mongering.

"Reports in a section of media regarding Union Minister Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesperson Srinanhu Kar tweeted.

Jaitley's college friend and media titan Rishi Srinanhu Dasgupta also refuted reports on deteriorating health of the senior BJP leader.

Dasgupta tweeted that he met Jaitley Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is off all

medication now. Just recovering his strength and working as usual. He is still meeting officials." "Questions about Jaitley's health are unfounded. He is recovering from a bout of heavy medication. But he is still in terrific form and his wit is firmly intact. Needs a little rest to get back his strength. All our good wishes," the BJP tweeted.

Jaitley, 66, has become "very weak", they had said. He was admitted to AIIMS last week to undergo tests and treatment for a suspected liver ailment and was discharged on Thursday but did not attend celebrations at BJP headquarters that evening after the party's emphatic victory in general elections.

BJP MP Rishi Srinanhu Dasgupta during the funeral of former village head Sarwan Singh, during his funeral, in Amethi

Irani aide shot dead in Amethi

PRESS TRUST OF INDIA
Amethi (UP), 26 May

In the first incident of post-poll violence in UP, a close aide of newly-elected Amethi MP Sarwan Singh was shot dead by two unidentified men, with police not ruling out the possibility of it being a "political murder".

Sarwan Singh, 50, a former head of Barnaula village, around 25 km from the Amethi district headquarters, was shot at around 11:30 pm on Saturday. Singh was referred to a Lucknow hospital, but succumbed during treatment. Additional Superintendent of Police Daya Ram said, Director

General of Police Om Prakash Singh said seven people had been taken into custody and they were being interrogated.

"We have come to know about old rivalry. We are also finding out if there was any political enmity. In initial investigation, we have got some vital clues," the DCP said. "UP police teams are conducting a very intensive investigation. We have also got important evidence through electronic surveillance," the officer said. "I am hopeful that in the next 12 hours, we will solve the case."

Chief Minister Yogi Adityanath has directed the DGP to take effective action and report back to him, a senior official said.

IN BRIEFS

Jagan Reddy meets Modi, discusses SCs for Andhra

YSR Congress Party president and Andhra Pradesh Chief Minister-designate Y S Jaganmohan Reddy met PM Narendra Modi here on Sunday and discussed the issue of accord the special category status to the state. He later also met BJP president Amit Shah and sought his support for the state's key demands. The SCs is a major demand of the YSRCP and Reddy, during his election campaign, had said he would support the party at the national level which promises to grant the status to Andhra Pradesh. The YSRCP secured to power on Thursday with a landslide victory in assembly polls.

Maldives may be Modi's 1st foreign trip after poll win

PM Narendra Modi is expected to travel to the Maldives early next month, in his first bilateral visit after retaining power in the Lok Sabha polls, according to diplomatic sources and Maldivian media reports. Bhutan was the first country Modi had visited in 2018 after becoming prime minister.

Modi to take oath on Thursday at 7 pm

PRESS TRUST OF INDIA
New Delhi, 26 May

Narendra Modi will be sworn in as country's Prime Minister for the second term on May 30, the Rashtrapati Bhavan said here on Sunday.

A communique from the President's House said the oath-taking ceremony will be held at the Rashtrapati Bhavan on Thursday.

"The President (Ram Nath Kovind) will administer the Oath of Office and Secrecy to the Prime Minister and other members of Union Council of Ministers on 30.05.2019 at 07:00 pm at Rashtrapati Bhavan," the communique issued by President's press secretary Abhishek Malik said. Modi was elected unanimously as the leader of the National Democratic Alliance on Saturday. Later, he called on the President in his capacity as leader of the BJP Parliamentary Party, which has majority support in the House of the People following the general election to the 17th Lok Sabha.

The President, exercising powers

under the Constitution, appointed Modi to the office of Prime Minister of India and sought his advice about the names of others to be appointed members of the Union Council of Ministers and indicate the date and time of the swearing-in ceremony to be held at the Rashtrapati Bhavan.

Earlier on Saturday a delegation of the NDA led by BJP president Amit Shah, along with Prakash Singh Badal, Rajnath Singh, Nitish Kumar, Ram Vilas Paswan, Susma Swaraj, Uddhav Thackeray, Nirin Gokulak, K Palaniswami, Chiranjeev Sangma and Nephthi Rio, called on the President at the Rashtrapati Bhavan.

They handed over a letter to the President stating Modi has been elected the leader of the BJP Parliamentary Party.

Letters of support from NDA constituent parties were also handed over to the President.

The NDA together has a strength of 353 MPs in the 543-member Lok Sabha out of which the BJP has a majority of 303 Members of Parliament.

■ Last night, President of India invited me to be next Prime Minister and today I have come here to take your blessings

■ Coming 5 years is the time to regain lost position of India in the world order

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA
New Delhi/Islamabad, 26 May

In their first telephonic conversation after the Balakot airstrikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region.

The Ministry of External Affairs (MEA) said it was Khan who called up Modi to congratulate him on

his re-election. "The PM thanked the Khan for his telephone call and greetings," it said. Recalling his initiatives in line with his government's 'neighbourhood first' policy, Modi referred to his earlier suggestion to Khan to fight poverty jointly. He stressed that creating trust and an environment free of violence and terrorism was essential for fostering cooperation for peace, progress and prosperity in our region," it added.

May calls Modi, discusses G20, World Cup

Britain's outgoing Prime Minister Theresa May spoke to her Indian counterpart Narendra Modi on his election victory, discussing a range of issues including the G20 Summit in Japan next month and the ICC Cricket World Cup 2019 in England. In her conversation with Prime Minister Modi on Saturday, she praised India's democratic exercise and processes. A Downing Street spokesperson said,

Jaitley meets RBI guv, govt says reports on FM's health baseless

Arun Jaitley with RBI Governor Shaktikanta Das at a meeting in New Delhi on Sunday

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on outgoing Finance Minister Arun Jaitley here on Sunday.

The governor in a tweet said that it was a courtesy meeting.

"It had a courtesy meeting with Honble Union Minister (a) unjaitley this evening," Das tweeted while posting a picture of the meeting. It also went viral amid speculations in some media on the state of Jaitley's health. Dispelpling such rumours, the government Sunday said reports on deteriorating health of Jaitley are false and baseless, and media

should stay clear of rumour mongering.

"Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised in say clear of rumour mongering," government spokesperson Saranshu Karmwadee.

Jaitley's college friend and media baron Rajat Sharma as well as Rajya Sabha MP Sitang Dasgupta also reflected reports on deteriorating health of the senior BJP leader.

Dasgupta tweeted that he met Jaitley Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is off all

medication now. Just recovering his strength and working as usual. He is still meeting officials." "Questions about (a) unjaitley health understandable. He is recovering from a bout of heavy medication. But he is still in terrific form and his will is firmly intact. Needs a little rest to get back his strength. All our good wishes," the MP tweeted.

Jaitley, 66, has become "very weak", they had said. He was admitted to AIIMS last week to undergo tests and treatment for an undisclosed illness and was discharged on Thursday but did not attend celebrations at BJP headquarters that evening after the party's emphatic victory in general elections.

Unlimited offs 'n' meals: Go-Jek woos India staff

PRERASHANNA
MUMBAI REPORT BY

Keto meals, personalised workout, airport pickups and drops, unlimited off-days, and casual Fridays that don't need any approvals - Indonesian ride-hailing company Go-Jek is having no more left to give to woo its staff in its growing centre.

Go-Jek and Tencent-backed Go-Jek, which was established in 2010 in Jakarta, Indonesia, has been in India for a year and a half, starting with 500 people in the first five years of its operation in the country. These mainly include engineers, product managers, designers, account and data scientists.

"I probably tell you (colleagues) that it seems to be hard to join this company and hard to leave, because we are hiring top talent which is difficult to find. But I think you should be interested in Go-Jek as an Indian interest."

"So when you come to the office, you should find it surprising. I can't tell you that you have to be in this office from 9 am to 5 pm and be creative. It can't be forced. If you are upset and take leave, we trust

The Indonesian ride-hailing firm Go-Jek has set up its India office in Bengaluru in 2018.

and we are not going to ask you 100% of those. Also, non-sick leaves can be taken without any approval," said Prerashanna, a Go-Jek employee. Prerashanna himself takes breaks a few times a year to take annual various racing tracks.

Go-Jek - whose name is derived from ojek, the Indonesian word for a motorcycle taxi - said it has also created a blend of an open workspace to foster collaboration as well as a semi-private office area, which offers privacy to help employees focus on their work.

The junior employees go through a 12-week boot camp programme, where they are mentored and exposed to various areas

such as design and data sciences. They are also paired with senior engineers to work closely on solving different problems. Go-Jek, which mainly competes with ride-hailing firm Grab in Bengaluru, is expanding the Southeast Asia market. India is its largest region for the talent pool, as out of the 300 engineers, over 200 are based in Bengaluru.

These engineers are also getting a buy-side for the bank's transformation into a super app that can handle a range of personal needs from ordering food, paying bills, finding courier services to searching for house cleaners.

"You won't understand Go-Jek (and you fly to Jakarta and see green helmets everywhere)... Go-Jek is a household name there," said Prerashanna.

Go-Jek was started by Nadim Maulana as a call centre and a side project while studying for an MBA at Harvard Business School in 2010. Besides Indonesia, the firm operates in Singapore, Vietnam and Thailand. It does not have any immediate plans to enter India. Prerashanna of the view that India is a very matured and fragmented market and there is heavy competition from well-funded players such as Uber, Ola, Swiggy, and Zomato.

▶ FROM PAGE 1

Centre may divest 100% in Air India to woo bidders

Consultancy firm ICF has been entrusted with the transaction advisory and the new expansion of interest of the airline, market researchers said. The airline, market researchers said, is unlikely to hold any residual stake in the airline.

One of the plans being discussed is to sell 98 per cent stake in the airline and retaining a 2 per cent for employee stock options (ESOPs). "There is a plan to give permanent ESOPs to the company at the time of divestment along with the appointment of a new chairman for one year," said an official source of the development.

At last year's auction, the government had decided to retain 24 per cent in the airline, which was one of the primary reasons why it failed to generate any interest from bidders.

Not a single bidder expressed interest in Air India, leaving the government to call off the sale. The government is also looking at ways to tackle Air India's huge debt. Despite having an annual ₹22,000 crore of debt into a separate entity, market researchers said a further reduction in debt was necessary to generate interest. "We have proposed the bidder take a decision on buying Air India; they will see if the revenue from operations will be able to take care of paying the interest on the debt. At ₹22,000 crore, it still looks on the higher side. The government needs to take a 'holistic' view of the company, which had considered bidding for the airline last year.

It is understood that the government will push to sell the stake before initiating the process of selling Air India, to tackle the debt issue. "Currently the process of selling the stake is in progress. The bid for the general handling firm Air India Air Transport Services has been kept on hold. The auction for Air India is expected to be held in a few quarters. These will be expanded to 2020," said a person aware of the development.

Top MFs face heat...

According to Pravin Parbotee, Gupta, president of Delhi-based All Mutual Fund Distributors Welfare Association (AMFDWA), different policies for different distributors is a matter of concern. The smaller distributors are the worst hit as they are already at the lower end of the commission rates set by some of the fund houses," said Gupta. "We would be writing to more fund houses where we feel cuts have been written." Gupta added.

For now, AMFDWA has written to IIFM MF, asking the fund house to take immediate steps to address the concerns caused by the reduction in commission. According to Gupta, the fund houses could also question the commission reduction to other assets are getting cut by some of the players. For growth, we have been emphasising on lowering commission on newer money," said an MF official.

"However, we have set a floor of 30 basis points on commission for all distributors. Inspectors of their fund and would also ensure that they accept to ensure the minimum threshold," he added.

The MFs in its board meeting last year decided to bring down the expenses charged to investors and the MFs in the next year of the scheme. According to analysts, this meant the schemes with a larger asset size would see higher ESG cuts, so that the investors get the benefit of scale. Both IIFM MF and IIFM MF manage industry's largest sized schemes in the industry.

However, experts say the economies of scale would differently hit distributors, covered by fund houses. "The benefits even point to annual or new distributor is much higher, compared to a newer fund house. Also, smaller of new distributors have to bear the cost of acquiring new investors, which is not easily absorbed, as they don't have the kind of operating leverage that fund houses have," said an industry insider.

▶ FROM PAGE 1

Govt plans to revive tax...

According to him, there are multiple pockets that run the business of purchasing demand debts in discount markets and businesses to avoid income-tax (IT) and other taxes.

Further, the tax authorities are working on the potential and the implications of the estate tax on private property.

"The proposal has been taken up with revenue authorities. If implemented, the tax would be on the market rate of the property to be inherited. However, if the value of the property is less than 25 crore, this tax would not be applicable. The range of property may differ and even some property valued at 50 crore may be exempted. But the overall framework would require consultation with non-government."

Inheritance is not taxed in India. The tax was there three decades ago but was abolished in 1985 by then finance minister V P Singh. There are instances where ancestral property has source of income. Through this, the tax authorities would target the people to declare the income earned and pay tax accordingly. It is controversially in the US and the UK, people pay estate taxes.

The BCTT, on the other hand, is expected to help the department to detect bogus bills, accommodation entries, artificial low claims, and dummy firms. However, it could not be ascertained if the BCTT provisions would be temporary till information systems become more comprehensive and strengthened or it would remain operational if implemented.

Besides, there are suggestions that have been discussed and taken up in pre-budget consultations. These include changing the duration of the fiscal year from April-March to January-December. However, this may face operational challenges and may be given time. If it is introduced, this would end the 180-year-old British practice. Similarly, the tax department is working on restructuring the fiscal and assessment year the same under the IT Act.

The government had appointed a panel on changing the duration of the fiscal year. Under the IT system, an assessment year is the year that comes immediately after a financial year.

Meanwhile, the long-pending report on the direct tax code will take a few more months and will be submitted by July 31. The report will also incorporate new tax policies. In its first five years (2014-19), the government had introduced policies such as Operation Clean Money, the Income Declaration Scheme, and the Black Money Act.

Source: said the government would continue or might see more tools to eradicate like money generation.

Etsy crafts...

Wardman did not give details on how it would solve shipping problems. Over the past six years, Indian customers have been trained by the likes of Amazon and Flipkart to expect a level of service and swiftness in terms of delivery. For Etsy, customer satisfaction is going to be the biggest challenge.

Wardman said when it came to art, its customers would be ready to wait. What Etsy hopes will fall into place is that unlike eBay, it will not be a trouble-attracting platform.

E-commerce is made easier by the big online market in India, which has created a habit. Etsy has to tap into the 100 per cent of the online shopping audience, which is ready to spend thousands of rupees on a hand-drawn card that may be difficult to find. But it also brings with it its own challenge.

India will not do not buy anything except phones and TVs without looking at them. To handle the online hardware problem has been faced to open physical stores. Even the Nexus Venture Partners-backed CraftHub, which is an online to offline model as possible, had to open a store, though it struggled with that as well.

Etsy, however, won't go down that path. "The core global marketing budget will remain the same," said Wardman.

Source: said the government would continue or might see more tools to eradicate like money generation.

Modi: Will regain lost position in world order

Next five years important in the history of the country, as was the period from 1942 to 1947

AGENCIES
New Delhi, 26 May

Prime Minister Narendra Modi on Sunday said the next five years will be the time to regain the rightful position of India in the world order.

He was speaking here at a function following the Lok Sabha election victory, which was kept simple and short of pomp because of the Sunit fire tragedy. "Next five years will be very important in the history of the country, as was the period between 1942 and 1947," Modi said addressing a huge gathering. "Next five years will be the time to regain the rightful position of India in the world order. In the past our country had that place. I am sure India will regain its importance in the world order," he said.

He also expressed grief over the death of 22 students in Sunit building fire tragedy. "Till yesterday, I was in two minds whether to go for this felicitation function or not as on one hand, there was *lavaya* (duty) and on the other hand, there was *duram* (con-

IN AHMEDABAD...

- 'People mocked me when I said BJP will win over 300 seats'
- The vote in 2019 is a pro-incumbency vote and a positive vote
- 'Big mandate brings big responsibility'

cession) for those who died in Sunit. No amount of words can reduce the grief of the families who have lost their children in that tragedy," he said. The function was kept simple in the wake of the tragic incident in Surat, he noted.

The prime minister addressed the gathering at JP Chowk outside the BJP office in Khatrapur area, his former state headquarters before it shifted to Gandhinagar. It was because the party's city unit office.

Modi reminded that he had spent many years in this small office during his initial days as a politician. He had last addressed a gathering at JP Chowk when BJP won the 2012 Assembly polls, he recalled.

The Lok Sabha results stunned all the political pundits, Modi said.

"During the campaigning for the sixth phase, I had, for the first time, said we will cross 300 seats. At that time, many people made fun of my statement... I saw during the campaigning that people were keen to reinstate this government. People wanted to strengthen the government. They knew that their votes will provide guarantee of security and bring prosperity," he said.

"This is a pro-incumbency vote. A vote to reinstate the present government. In the beginning of the poll campaign, I had told it is not BJP or its candidates who are contesting. It is the people who are contesting the polls... The word 'vote' is too small to describe the poll results this time," he said. This big mandate brings big responsibilities. It is important to remain humble and grounded in the wake of such a massive win.

The BJP leader also remembered the victims of the devastating fire in Surat two days ago, and said he was in a dilemma as to whether he should address such a gathering in the immediate aftermath of the incident that claimed 22 lives.

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA
New Delhi/Ahmedabad, 26 May

In their first telephonic conversation after the Bahkot air strikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region. The Ministry of External Affairs (MEA) said it was Khan who called Modi to congratulate him on his re-

election.

"The PM thanked the Khan for his telephone call and greetings," it said. Recalling his initiative in line with his government's "neighbourhood first" policy, Modi referred to his earlier suggestion to Khan to fight poverty jointly; the MEA said. "He stressed that creating trust and an environment free of violence and terrorism was essential for fostering cooperation for peace, progress and prosperity in our region."

May calls Modi; talks G20, World Cup

Britain's outgoing Prime Minister Theresa May spoke to her Indian counterpart Narendra Modi on his election victory, discussing a range of issues including the G20 Summit in Japan next month and the ICC Cricket World Cup 2019 in England. In her conversation with Prime Minister Modi on Saturday, she praised India's democratic exercise and processes. A Downing Street spokesperson said.

RBI giv meets Jaitley; govt says reports on FM's health 'baseless'

Arun Jaitley with RBI Governor Shaktikanta Das at a meeting in New Delhi on Sunday

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on Finance Minister Arun Jaitley here on Sunday.

The governor in a tweet said that it was a courtesy meeting. "Had a courtesy meeting with Hon'ble Union Minister @arunjaitley this evening." Das tweeted while posting a picture of the meeting. It has come amid speculations in some media on the state of Jaitley's health. Dispelling such rumours, the government Sunday said reports on the deteriorating health of Jaitley are false and baseless, and media

should stay clear of rumour mongering.

"Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesperson Shaktikanta Das tweeted.

Jaitley's college friend and media icon Rajat Sharma as well as Rajya Sabha MP Swapan Dasgupta also refuted reports on deteriorating health of the union BJP leader.

Dasgupta tweeted that he met Jaitley on Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is

off all medication now. Just recovering his strength and working as usual. He is still meeting officials." "Questions about Jaitley's health understandable. He is recovering from a bout of heavy medication. But he is still in terrific form and his wit is firmly intact. Needs a little rest to get back his strength. All our good wishes," the MP tweeted.

Jaitley, 66, was admitted to AIIMS last week to undergo tests and treatment for an undiagnosed illness and was discharged on Thursday but did not attend celebrations at BJP headquarters that evening after the party's emphatic victory in general elections.

NMP MP Sarvjit Inani during the funeral procession of former village head Narendra Singh, in Amethi

Iran's aide shot dead in Amethi

PRESS TRUST OF INDIA
Amethi (UP), 26 May

In the first incident of post-poll violence in UP, a close aide of newly-elected Amethi MP Smriti Inani was shot dead by two unidentified men, with police not ruling out the possibility of it being a "political murder".

Suresh Singh, 50, a former head of Baraulia village, around 25 km from the Amethi district headquarters, was shot at around 11.30 pm on Saturday. Singh was referred to a Lucknow hospital, but succumbed during treatment. Additional Superintendent of Police Deyan Ram said, Director

General of Police Om Prakash Singh said seven people had been taken into custody and they were being interrogated.

"We have come to know about our enemy. We are also finding out if there was any political enmity. In initial investigation, we have got some vital clues," the DGP said. "UP police teams are conducting a very intensive investigation. We have also got important evidence through electronic surveillance," the officer said. "I am hopeful that in the next 12 hours, we will solve the case." CM Yogi Adityanath has directed the DGP to take effective action and report back to him, a senior official said.

IN BRIEFS

Would have helped had NDA got 250: Reddy

With the National Democratic Alliance (NDA) sweeping the Lok Sabha election, Andhra Pradesh CM-designate YS Jagan Mohan Reddy said on Sunday his party could only request and not "demand or command" the special category status—a lifeline—for the 58 lakh debt-ridden state during a meeting with PM Narendra Modi in New Delhi. It would have been a "wonderful moment" for the NDCP had the NDA won only 250 seats but it got 353 seats in the parliamentary election, he said, adding, "So they don't need us to form government, they are strong".

Maldives may be Modi's 1st foreign trip after poll win

PM Narendra Modi is expected to travel to the Maldives early next month, in his first bilateral visit after retaining power in the Lok Sabha polls, according to diplomatic sources and Maldivian media reports. Shantanu was the first country Modi had visited in 2014 after becoming prime minister.

Modi to take oath on Thursday at 7 pm

PRESS TRUST OF INDIA
New Delhi, 26 May

Narendra Modi will be sworn in as country's Prime Minister for the second term on May 30, the Rashtrapati Bhavan said here on Sunday.

A communique from the President's Office said the oath-taking ceremony will be held at the Rashtrapati Bhavan on Thursday.

"The President (Ram Nath Kovind) will administer the Oath of Office and Secrecy to the Prime Minister and other members of Union Council of Ministers on 30.05.2019 at 07.00 pm at Rashtrapati Bhavan," the communique issued by President's press secretary Ashok Malik said.

Modi was elected unanimously as the leader of the National Democratic Alliance on Saturday. Later, he called on the President in his capacity as leader of the BJP Parliamentary Party, which has majority support in the House of the People following the general election to the 17th Lok Sabha.

The President, exercising pow-

ers under the Constitution, appointed Modi to the office of Prime Minister of India and sought his advice about the names of others to be appointed members of the Union Council of Ministers and indicate the date and time of the swearing-in ceremony to be held at the Rashtrapati Bhavan.

Earlier on Saturday, a delegation of the NDA led by BJP president, Amit Shah, along with Prakash Singh Badal, Rajnath Singh, Nitish Kumar, Ram Vilas Paswan, Susmita Swarai, Uddhav Thackeray, Nitin Gadkari, K Palaniappan, Gopal Sangma and Nephlu Rio, called on the President at the Rashtrapati Bhavan.

They handed over a letter to the President stating Modi has been elected the leader of the BJP Parliamentary Party.

Letters of support from NDA constituent parties were also handed over to the President.

The NDA together has a strength of 353 MPs in the 543-member Lok Sabha out of which the BJP has a majority of 303 Members of Parliament.

COMING 5 YEARS TO BE CRUCIAL: MODI IN GUJARAT

- PM expresses grief on Surat fire incident which killed 22 youngsters
- The coming 5 years will be very important for India, like the period 1992-1997
- Last night, President of India invited me to be next Prime Minister and today I have come here to take your blessings.
- Coming 5 years is the time to regain lost position of India in the world order

Imran dials Modi, calls for 'terror-free environment'

PRESS TRUST OF INDIA
New Delhi, 26 May

In their first telephonic conversation after the Balakot airstrikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region.

The Ministry of External Affairs (MEA) said it was Khan who called up Modi to congratulate him on

his re-election. "The PM thanked the Khan for his telephone call and greetings," it said. Recalling his initiatives in line with his government's "neighbourhood first" policy, Modi referred to his earlier suggestion to Khan to fight poverty jointly. The MEA said, "He stressed that creating trust and an environment free of violence and terrorism was essential for fostering cooperation for peace, progress and prosperity in our region," it added.

May calls Modi, discusses G20, World Cup

Britain's outgoing Prime Minister Theresa May spoke to her Indian counterpart Narendra Modi on his election victory, discussing a range of issues including the G20 Summit in Japan next month and the ICC Cricket World Cup 2019 in England. In her conversation with Prime Minister Modi on Saturday, she praised India's democratic exercise and processes, Downing Street spokesperson said.

Jaitley meets RBI guv, govt says reports on FM's health baseless

Arun Jaitley with RBI Governor Shaktikanta Das at a meeting in New Delhi on Sunday

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on outgoing Finance Minister Arun Jaitley here on Sunday.

The governor in a tweet said that it was a courtesy meeting. "Had a courtesy meeting with Hon'ble Union Minister (Arun) Jaitley this evening. Das tweeted while posting a picture of the meeting. It is worth noting that speculation in some media on the state of Jaitley's health, dispelling such rumors, the government Sunday said reports on the deteriorating health of Jaitley are false and baseless, and media

should stay clear of rumour mongering.

"Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesperson Sitanshu Kumar tweeted.

Jaitley's college friend and media baron Rajat Surazra as well as Rajya Sabha MP Swapan Dasgupta also reacted reports on deteriorating health of the writer BJP leader.

Dasgupta tweeted that he met Jaitley Sunday afternoon and presented a copy of his book to him. In another tweet, he said, "Actually he is off all

medication now, just recovering his strength and working as usual. He is still meeting officials." "Questions about Jaitley's health are understandable. He is recovering from a bout of heavy medication. But he is still in terrific form and his wife is finally in a good state. He needs a little rest to get back his strength. All our good wishes," the MP tweeted.

Jaitley, 60, has become "very weak", they had said. He was admitted to AIIMS last week to undergo tests and treatment for an undisclosed illness and was discharged on Thursday but did not attend celebrations at IITP headquarters that evening after the party's emphatic victory in general elections.

BJP MP Ramzil Inani during the funeral procession of former village head Suresh Singh, during his funeral, in Amethi

Irani aide shot dead in Amethi

PRESS TRUST OF INDIA
Amethi (UP), 26 May

In the first incident of post-poll violence in UP, a close aide of newly-elected Amethi BJP MP Suresh Singh was shot dead by two unidentified men, with police not ruling out the possibility of it being a "political murder".

Suresh Singh, 50, a former head of Baraula village, around 25 km from the Amethi district headquarters, was shot at around 11.30 pm on Saturday. Singh was referred to a Lucknow hospital, but succumbed during treatment. Additional Superintending Police Daya Ram said, Director

General of Police Om Prakash Singh said seven people had been taken into custody and they were being interrogated.

"We have come to know about this incident. We are also finding out if there was any political enmity. In initial investigation, we have got some vital clues," the DGP said. "UP police teams are conducting a very intensive investigation. We have also got important evidence through electronic surveillance," the officer said. "I am hopeful that in the next 24 hours, we will solve this case."

Chief Minister Yogi Adityanath has directed the DGP to take effective action and report back to him, a senior official said.

IN BRIEFS Jagan Reddy meets Modi, discusses SCs for Andhra

YSR Congress Party president and Andhra Pradesh Chief Minister Nara Chandrababu Naidu's son-in-law Jagan Mohan Reddy met PM Narendra Modi here on Sunday and discussed the issue of accelerating the special category status to the state. He later also met BJP president Amit Shah and sought his support for the state's key demands. The SCs is a major demand of the YSRCP and Reddy, during his election campaign, had said he would support the party at the national level which promises to grant the status to Andhra Pradesh. The YSRCP slammed its power on Thursday with a landslide victory in assembly polls.

Maldives may be Modi's 1st foreign trip after poll win

PM Narendra Modi is expected to travel to the Maldives early next month, in his first bilateral visit after retaining power in the Lok Sabha polls, according to diplomatic sources and Maldivian media reports. It is said the first country Modi had visited in 2014 after becoming prime minister.

Assured Charging Infrastructure Critical

Praveen Patel
Integrating parking to electric mobility is a challenge and most cities are not even parking garages. Assured that your vehicles are protected in the case of theft, the manufacturer of electric vehicles, he said. "When it comes to electric vehicles, it is not just the vehicle itself, but the infrastructure that is critical for the adoption of electric vehicles. We need to have a secure parking infrastructure in place. We need to have a secure charging infrastructure in place. We need to have a secure network infrastructure in place." He said that the government should focus on these areas to ensure the success of electric vehicles.

"We are government should focus on these areas to ensure the success of electric vehicles. We need to have a secure parking infrastructure in place. We need to have a secure charging infrastructure in place. We need to have a secure network infrastructure in place." He said that the government should focus on these areas to ensure the success of electric vehicles.

For private sector, there will be an opportunity to invest in infrastructure. The government should focus on these areas to ensure the success of electric vehicles. We need to have a secure parking infrastructure in place. We need to have a secure charging infrastructure in place. We need to have a secure network infrastructure in place." He said that the government should focus on these areas to ensure the success of electric vehicles.

Give Independence to the Public Sector, Let Them be Accountable

ET Q&A There are exciting times when people should take risks," says Anil Agarwal, Chairman, Vedanta Resources. The metals major believes a bigger mandate for the B.P. and NDA might help create an ambience to resort to minority to regulate the mining of oil, gas and other minerals. He is not too concerned either about high leverage at some resource companies in India. "The world has been built with the help of leverage. If you do something wrong, like forgoing money or diverting money, then you should be punished," Agarwal tells Vedanta four and Saffola Jewels. Editor over the phone.

ANIL AGARWAL
Chairman, Vedanta Resources

We need natural resource assets; we have to build infrastructure. In this process, people will go bankrupt, but this is part of the game.

In this speech, our PM was clear that the UPs and MLAs will be treated equally by him as they are elected by the people. We have to build India. We understand India. We are building the largest site in the world for exploration and production of oil in Barmer. The largest rig is running and if you ask our people, they will say we can't go to the border to take a bullet, but we can produce oil for our country.

be accountable. The last government was careful in supporting an individual but this time it will look at the nation to support a public cause. It will come forward for the economy and make sure that national assets must continue.

Many private companies are over-leveraged... The world has been built with the help of leverage. If you do something wrong, like forgoing money or diverting money, you should be punished but you can't keep counting. If you build a machine gun, you can't keep counting the bullets when your aim is to conquer and finish the enemy.

When you talk about leverage and non-leverage, you have a higher objective to fulfil. We are looking at a country with 1.4 billion people. We need natural resource assets; we have to build infrastructure. In this process, people will go bankrupt, but this is part of the game. There is money available in the world. I have a feeling if oil production in India goes up only 50%, the current account deficit will go away. This is the government's importance and so is transparency.

How supportive has government been in your oil exploration projects...

I have never seen such support from the government being extended in this manner. When bureaucrats hold back in giving clearances, they even monitor how much production can be increased. This awareness had not been in the last 30-40 years and if it comes in the sector, it has the same awareness comes in the sector of oil.

DoT to Provide 5G Bands, Says Min

NEW DELHI The Department of Telecommunications (DoT) will start identifying and making available new spectrum bands for 5G and 6G and technical requirements for 5G deployment and growth of 5G networks, according to an industry note. The DoT will also make available harmonised and available spectrum for deployment of next-gen access tech, a DoT note said. To offer next-generation mobile broadband service, 5G would require large contiguous spectrum blocks. — IANS

Prof. (Dr.) G.V. Ramakrishna, Registrar Prof. (Dr.) V. Nagendra, Director, DDE

What are the tasks the local government should undertake to transform the economy?

India's stakeholders still the public sector, including public sector banks and companies. It is not doing the things in the world does the government run businesses. The government has no business to run businesses. That is the main reason why it is not doing because the people who run the PSUs want autonomy and they are scared of losing it. They want to be independent, so let's give them independent boards with CEOs and let them run the companies. Maybe, then foreign companies will infuse equity into the companies - whether coal, or a power company or oil company or a bank. There is a potential of increasing production by three to four times.

With this mandate, do you think the PM will take bold decisions that are seen to be business- and growth-friendly?

Globally, the first move is to settle down but the second move is to ensure continuity of policies. He should not understand very well that the world does not want India to be a dumping ground for its products. It is important to build that. He is clear that India should produce. Indian companies will come as we are just starting while other countries have reached a saturation point. There is no doubt that we have to produce our own resources. We have to start out imports and that money saved can be spent on development. We have to start at the bottom.

How difficult will it be for industrialists in states where opposition is rampant?

Private companies are not investing as much as they should have...

This is also due to reasons such as liquidity crunch, over-leveraging, and a demand slowdown. Will this change? Whenever Indian entrepreneurs are criticised, they have built world class assets. Like Jio, Airtel, the IT and FMCG companies. I don't know what would happen. We have great telecom companies and even steel plants. Anytime the government has entrusted the private sector, it has delivered. We have invested \$16.5 billion in oil. There are 10 other ways in which we can go forward. Even though we are entrepreneurs, the change can come only if public sector reforms take place. Give independence to public sector and let them

Give Independence to the Public Sector, Let Them be Accountable

ET Q&A These are exciting times when people should take risks," says Anil Agarwal, chairman, Vedanta Resources. The metals maven believes a bigger mandate for the BJP-led NDA might help create an amenable resource ministry to regulate the mining of oil, gas and other minerals. He is not too concerned about high leverage at some resource companies in India. "The world has been built with the help of leverage. If you do something wrong, like forgoing money or diverting money, then you should be punished," Agarwal tells Vatsala Gaur and Satish Joshi, Editors in Chief.

ANIL AGARWAL
Chairman, Vedanta Resources

Your thoughts on the election results...
The world is excited and this term will be absolutely growth oriented. That is what everybody is hoping and the first agenda would be how to eradicate poverty and create a large number of jobs.

What are the tasks the Modi government should undertake to transform the economy?
India's backbone is still the public sector, including public sector banks and companies. In no leading democracies in the world does it have no business table in business. The government has no business table in business. The transformation is important because the people who run the PSU want autonomy and they are scared of losing it.

They want to be independent, so let's give them independent liability with CEOs and let them run the companies. Maybe, then foreign companies will infuse equity into the companies - whether coal, or a power company, or oil company or a bank. There is a potential of increasing production by three to four times.

With this mandate, do you think the PM will take bold decisions that are seen to be business- and growth-friendly?
Obviously, the first term is used to settle down but the second term is very useful. The world does not want India to produce and wants to make it the dumping ground. It is important to break that. He is clear that India should produce. Hindrances will come as we are just starting while other countries have reached a saturation point. There is a need that we have to produce our own natural resources. We will out-impact and that money saved can be spent on development. We have to start at the bottom.

How difficult will it be for industrialists in states where opposition is rampant?

We need natural resource assets; we have to build infrastructure. In this process, people will go bankrupt, they will go out of business, but this is part of the game

In his speech, our PM was clear that the MPs and MLAs will be treated equally by him as they are elected by the people. We have to build India. He understood India. We are building the largest site in the world for exploration and production of oil in Bihar. The first rig is running and if you ask our people, they will say we can't go to the border to take a bullet, but we can produce oil for our country.

Private companies are not investing as much as they should have... This is also due to reasons such as liquidity crunch, over-leveraging, and a demand slowdown.

What is changing?
Whenever India entrepreneurs are entrepreneurial, they have built world class assets. Like Jet Air, the transformation it brought. I did not know would happen. We have great telecom companies and even steel plants. Anytime the government has entrusted the private sector, it has delivered. We have invested \$16.5 billion in oil. There are 10 other companies that will come forward. Even though we are entrepreneurs, the change can come only if public sector reforms take place. Give independence to public sector and let them

be accountable. The last government was careful in supporting an individual but this time it will look at the nation as a whole. It will come forward for the economy and make sure that national assets must continue.

Many private companies are over-leveraged...
The world has been built with the help of leverage. If you do something wrong, like forgoing money or diverting money, you should be punished but you can't keep counting. If you held a machine gun, you can't keep counting the bullets when your aim is to conquer and finish the enemy. When you talk about leverage and non-leverage, you have a great objective to fulfil. We are looking at a country with 1.4 billion people, we need natural resource assets; we have to build infrastructure. In this process, people will go bankrupt, they will go out of business, but this is part of the game. There is money available in the world. I have a feeling if our production in India goes up only 50%, the current account deficit will go away. That said, government is important and so is transparency.

How supportive has government been in your oil exploration projects...
I have never seen such support from the government being extended in this manner. When bureaucrats hold back in giving clearances, they have come forward taking quick action by even monitoring how much production can be increased. This awareness had not been in the last 30-40 years and it has come in the sector. Hope the same awareness comes in the mineral sector also.

DoT to Provide 5G Bands, Says Mn

NEW DELHI The Department of Telecommunications (DoT) will start identifying and making available new spectrum bands for access and backhaul segments for timely deployment and growth of 5G networks, according to a ministry source. The DoT will also make available harmonised and contiguous spectrum for deployment of next-gen access technologies, DoT note said. To offer multi-Gbps mobile broadband services, 5G would require large contiguous spectrum blocks - LANS.

Awards ceremony for Dil Limited.

Give Independence to the Public Sector, Let Them be Accountable

ET Q&A These are exciting times when people should take risks," says Anil Agarwal, chairman, Vedanta Resources. The metals magnate believes a bigger mandate for the BJP-led NDA might help create an omnibus resources ministry to regulate the mining of oil, gas and other minerals. He is not too concerned either about high leverage at some resource companies in India. "The world has been built with the help of leverage. If you do something wrong, like forking money or diverting money, then you should be punished," Agarwal tells Vedanta Gear and Padak. **Julia Edred covers this.**

ANIL AGARWAL
Chairman, Vedanta Resources

Your thoughts on the election results...
The world is excited and this term will be absolutely growth oriented. That is what everybody is hoping and the first agenda would be how to eradicate poverty and create a large number of jobs.

What are the tasks the Modi government should undertake to transform the economy?
India's backbone is still the public sector, including public sector banks and companies. In no developing democracy in the world does the government run businesses. The government has no business to be in business. That transformation is important because the people who run the PSUs want autonomy and they are scared of losing it. They want to be independent, so let's give them independent boards with CEOs and let them run the companies. Moreover, then foreign companies will infuse equity into the companies - whether coal, or a power company, or oil company or a bank. There is a potential of increasing production by three to four times.

With this mandate, do you think the PM will take bold decisions that are seen to be business- and growth-friendly?
Obviously, the first term is used to settle down but the second term will guarantee continuity of policies. He (Modi) has understood very well that the world does not want India to produce and wants to make it the dumping ground. It is important to break that. He is clear that India should produce. He knows we will come as we are going starting tomorrow. Countries have reached a labour union stage. There is no doubt that we have to produce our own natural resources. This will cut imports and that money saved can be spent on development. We have to start at the bottom.

How difficult will it be for industrialists in states where upstream is in power?

We need natural resource assets. In this process, people will go bankrupt; they will go out of business, but this is part of the game

In his speech, our PM was clear that the MPs and MLAs will be treated equally by him as they are elected by the people. We have to build India. We understand India. We are building the largest state in the world for exploration and production of oil in India. The largest rig is running and if you ask our people, they will say we can't go to the border to take a bullet, but we can produce oil for our country.

Private companies are not investing as much as they should have... This is also due to reasons such as liquidity crunch, over-leveraging and a demand slowdown.

Will this change?
Whenever Indian entrepreneurs are entrusted, they have built world-class assets. Like Jai Alar, the transformation it brought, I did not know would happen. We have great selection companies and even steel plants. Anytime the government has restricted the private sector, it has delivered. We have exceeded \$16.5 billion in oil. There are 10 other companies that will come forward. Even though we are entrepreneurs, the change can come only if public sector reforms take place. Give independence to public sector and let them

be accountable. The last government was careful in supporting an individual but this time, it went back to the nation to support a public cause. It will come forward for the economy and make sure that national assets must continue.

Heavy private companies are over-leveraged... The world has been built with the help of leverage. If you do something wrong, like forking money or diverting money, you should be punished but you can't keep counting the bullets when your aim is to contact and finish the game.

When you talk about leveraging and non-leveraging, you have a higher objective to fulfil. We are looking at a country with 1.4 billion people, we need natural resource assets; we have to build infrastructure. In this process, people will go bankrupt; they will go out of business, but this is part of the game. There is money available in the world. I have a feeling if oil production in India goes up 50%, the current account deficit will go away. That said, government is important and so is transparency.

How supportive has government been in your oil exploration projects?
I have never seen such support from the government being extended in this manner. When bureaucrats hold back in giving clearances, they have come forward looking back at you by even monitoring how much production can be increased. This awareness I had not seen in the last 30-40 years and it has come in the sector. Hope the same awareness comes in the mineral sector also.

DoT to Provide 5G Bands, Says Min

NEW DELHI The department of telecom (DoT) will start identifying and making available new spectrum bands for access and backhaul segments for timely deployment and growth of 5G networks, according to a ministry note. The DoT will also make available harmonised and contiguous spectrum for deployment of next-gen access links, a DoT note said. To offer multi-gigabit mobile broadband services, 5G would require large contiguous spectrum blocks - IANS

Manipal Hospitals to Buy Medanta in ₹5,800-Cr Deal

Confirmatory diligence has begun, agreement will be signed in next 60 days

Rupesh Bajaj/Times Group

Expanding Footprint

Manipal: The promoters of leading hospital chain Medanta have agreed to sell the business to Manipal Hospitals for ₹5,800 crore, said two people aware of the development, ending negotiations that have lasted two years. Besides the promoters, existing investors Carlyle and Singapore-based Temasek also agreed on the price for the deal on the hospital chain, they said.

Medanta's promoters — retired cardiac surgeon Navish Tybirk, his family members and co-founder Sunil Sachdeva, who jointly own 75% of the company — will sell their entire stake to Manipal.

Existing investors Carlyle holds 27% in Medanta and Temasek holds 48% in Medanta; all agreed on Manipal's price and will exit the hospital chain.

Medanta has posted Ebitda of ₹480 crore in FY18, up 8% from FY17.

₹5,800-crore valuation will be an Ebitda multiple of about 24 times.

Illustration: Anshu Singh

Most of the financing will be done by Rajanji Pk (India) 60% in Manipal through promoter holding company through equity and internal accruals.

Manipal's existing investors TPG (hold 22% stake) and Temasek (hold 18% stake) will also participate in this acquisition.

Tyberk didn't respond to queries. TPG and Temasek spokespersons declined to comment.

PII firm Blackstone held discussions with PII with a ₹6,200 crore (\$500 million) funding commitment for a Medanta buyout. The world's largest private equity firm is exploring the PII from its privately held, mostly owned, umbrella entity MEMO. ET reported on February 18.

Manipal owns 15 multi-specialty hospitals, five teaching hospitals and several fertility clinics and is looking for a strong base in the south where Medanta's footprint is largely focused.

In the past few years, the hospital industry has seen a shakeout following government regulations such as price control, which have reduced margins. Tapping the buyout opportunity, top players and investors have been in discussion to buy mid-sized and smaller hospital chains in India.

PII Healthcare, the largest hospital chain in Asia, acquired Fortis Healthcare for \$1.1 billion last year. The biggest deal in the Indian hospital sector. This is the third buyout by IPI in India since 2012. The last two acquisitions by IPI were Hyderabad-based, 750-bed super speciality Continental Hospitals (₹200 crore) and Global Hospitals (₹150 crore).

JET AIRWAYS CRISIS

MCA Moved a Month Ago to Bar Goyal from Leaving India

MCA had got a lookout circular issued fearing Goyals may leave India

Rupesh Bajaj/Times Group

Navish Tybirk

Manipal: The Manipal regional office of the Ministry of Affairs (MCA) had started moving about a month ago to stop Jet Airways founder and former chairman Naresh Goyal from leaving the country, people in the know said.

Annual high drama of Manipal's international arrest on Saturday of Goyal, the air traffic control had been an Emirates flight that was taking to take off to Dubai on a request from the immigration authorities. Goyal and his wife, Anita, who had cleared immigration checks and were seated in the first class, were asked to disembark.

The people were told that they were barred from travelling abroad and were required to return to their homes, one of the people said, adding that the actions were in compliance with a lookout circular (LC) issued on the request of the MCA.

Jet Airways didn't respond to an email seeking comment until press time Sunday. Goyal couldn't be reached for comment.

The MCA is probing the affairs at

including Vitor Matias, Navish Meht, Mohit Choksi and Anil Kumar Mehta escaped the country; the government in 2014 empowered the Serious Fraud Investigation Office of the MCA and public sector banks to give a check on audit details by reporting the instances of LCs.

"Since the inspection report prepared by the regional office of the MCA mentioned that the role of the erstwhile directors was required to be probed in detail, an enquiry was made into the whereabouts of the former directors including the Goyal couple. It was learnt that they were in Manipal. Following which a decision was taken to write to the MCA for issuance of the LC," said a senior government official in the know of the data.

3 Days Certificate Training on BLOCKCHAIN TECHNOLOGY

Learn the Best Blockchain Technology of the 21st Century

Blockchain Technology is the most disruptive technology of the 21st century. It is a distributed ledger technology that allows for secure, transparent, and tamper-proof transactions. This course will cover the fundamentals of blockchain, including Bitcoin, Ethereum, and other cryptocurrencies. You will also learn about the various applications of blockchain technology in different industries.

Course Topics: Blockchain Fundamentals, Bitcoin, Ethereum, Smart Contracts, Decentralized Applications (DApps), and more.

Power Gencos Outstanding Dues on Discoms Up 63% in March

Press Trust of India

New Delhi: The outstanding dues of power producers on distribution utilities soared 63% to ₹38,686 crore in March 2018, compared with the same month a year ago, the same month this year, according to a survey in the sector. According to PRAATI portal, distribution companies owed a total of ₹38,686 crore to power generation companies in March 2018. The portal was launched in May 2016 to bring in transparency in power purchase transactions between generators and discoms.

In March this year, total overdue amount, which was not cleared even after 60 days of grace period offered by generators, stood at ₹34,100 crore, against ₹21,585 crore in the same month in 2017.

Power producers give 60 days time to discoms for paying bills for the supply of electricity. After that the outstanding becomes overdue and generators charge penal interest on that in the next month. However, the delay on the part of discoms that is mounting as well as overdue amount, have decreased over the preceding month. In February 2018, the total outstanding amount was ₹41,200 crore while the total overdue amount was ₹21,582 crore.

Niti for Revamp of Statistical System

Press Trust of India

New Delhi: Niti Aayog chairman Rajiv Kumar has stressed on the revamp and modernisation of the Indian statistical system to that real-time data is captured and used for policy analysis.

The Aayog Kumar says, it is so such with the World Bank for modernising the country's statistical system. "One thing that is clear or about is that our statistical system needs to be upgraded, modernised and get aligned with the statistical systems in the world," he said in an interview.

Recently, several experts including former RBI Governor Rajsharan Rajan and Reserve Chief Economic Advisor Arvind Subramanian had expressed doubts over India's revised economic growth data.

ADMISSION FOR DISTANCE EDUCATION PROGRAMME FOR THE YEAR 2019-2020

The National Law School of India University (NLSU) a premier Law University in India Ranked No.5 in Law Category in the India Ranking 2019 by National Institutional Ranking Framework, Ministry of Human Resource Development, Government of India. NLSU invites applications for admission to the following courses through Distance learning mode for the Academic Year 2019-2020.

- Two-year Bachelor of Business Laws Programme (B.B.L.)
- One-year Post Graduate Diploma Programmes:
 - Human Rights Law (PGDHR)
 - Medical Law & Ethics (PGDME)
 - Environmental Law (PGDEL)
 - Intellectual Property Rights Law (PGDIPRL)
 - CASE Rights Law (PGCLR)
 - Consumer Law & Practices (PGDCLP)
 - Cyber Law & Cyber Forensics (PGDCLCF)

Graduate of any Discipline from a recognised University is eligible to apply.

Applications will be issued from 27th, May 2019 and can also be filed online or downloaded from our website: <http://de.nlsu.ac.in>

IMPORTANT DATES / INFORMATION

- Last date for Admission - June 23, 2019
- Extended date for Admission (With late fee of Rs.500) up to July 13, 2019

Annual / Supplementary Exams will be conducted at Bangalore, Delhi, Kolkata and Pune.

LONG-PENDING DEMANDS

COAI urges new govt to ease telcos' financial woes

PRESS TRUST OF INDIA
New Delhi, May 26

THE NEW GOVERNMENT should take urgent steps to ease the financial burden on the stressed telecom sector, says overall levies to an ideal 4-5% and review spectrum prices to make it affordable ahead of the crucial 5G roll-out, industry body COAI said.

Prime Minister Narendra Modi has led Bharatiya Janata Party (BJP) to a landslide victory for a second term in office. The new government, which is set to be formed in the next few days, will present the full budget for 2019-20, and the mobile operators' association is hoping that some of its long-pending demands will be taken up in the coming months.

Topping its wishlist is cut in levies, as the industry hopes that the current level of 10% levy would be reduced to provide a breather to the stressed sector.

"Changes like Licence Fee, Spectrum Usage Charge and re-definition of Adjusted Gross Revenue (AGR) needs to be looked at," Cellular Operators Association of India (COAI) Director General Ratan Mathews said.

Asked what the association considers to be an ideal level, Mathews said globally levies do not exceed 5% and hence 4-5% would be "ideal".

On the issue of debt restructuring, Mathews said telecom operators should be given more time for repayment of spectrum bought in auctions. This, he said, can be done by increasing the mor-

atorium period for four years and payment period to 18 years keeping the 'Net Present Value' unchanged. The industry also wants the government to look at making spectrum prices 'more affordable'.

"If we want 5G to take off, the present pricing will not get you there," Mathews added. He noted that at the present prices proposed, operators will not be able to afford the roll-out of 5G services. Auction of the industry has questioned regulator Trai's methodology of computing the reserve price, claiming it has resulted in spectrum prices being unreasonably higher than global benchmarks.

Earlier this year, Bharti Airtel chairman Sunil Mittal too had flagged high reserve prices of 5G spectrum. He had

'Spectrum prices high due to inconsistency in principles'

THE SPECTRUM price recommended by regulator Trai is high due to inconsistency in the principle applied by the watchdog for calculating base rates, a joint study by ICRIER and Broadband India Forum has claimed.

"Our analysis... on the pricing of the 1800 MHz band finds that a bulk of the reserve prices not only continue to remain high, there are also inconsistencies in the principles applied," the

joint report by Indian Council for Research on International Economic Relations (ICRIER) and Broadband India Forum said. It said that Trai has placed immense value on the bid price of previous auction and this method does not always account for changing market conditions or operator circumstances if the gap between two subsequent auctions is not significant.

Gencos dues on discoms rise 63% to nearly ₹39,000 crore in March

PRESS TRUST OF INDIA
New Delhi, May 26

THE OUTSTANDING DUES of power producers on distribution utilities soared by 63% to ₹26,696 crore in March 2019 compared to the same month year ago, reflecting stress in the sector.

According to PRAA PTI portal, distribution companies owed a total of ₹23,699 crore to power generation companies in March 2018.

The portal was launched in May 2018 to bring in transparency in power purchase transactions between generators and discoms.

In March this year, total overdue amount, which was not cleared even after 60 days of grace period offered by generators, stood at ₹34,689 crore against ₹15,595 crore in the same month in 2018.

Power producers give 60 days time to discoms for paying bills for the supply of electricity. After that the outstanding becomes overdue and generators charge penal interest on that in most of the cases.

However, the data on the portal indicates that the outstanding, as well as overdue amount, have decreased over the preceding month. In February 2019, the total outstanding on discoms was ₹41,281 crore while the to-

tal overdue amount was ₹25,532 crore.

Discoms in Rajasthan, Uttar Pradesh, Maharashtra, Karnataka, Madhya Pradesh, Telangana, Andhra Pradesh, Tamil Nadu and Jammu & Kashmir account for the major portion of dues to power generating companies, taking a longer duration of up to 667 days to make payments, the portal showed.

Bihar and Rajasthan top the list with 667 days to make payments, followed by Andhra Pradesh (665 days), Haryana (665 days), Madhya Pradesh (652 days), Telangana (645 days), Karnataka (639 days), Tamil Nadu (638 days) and

Jammu & Kashmir (634 days) in that order.

Overdue of independent power producers amount to over 5% of the total overdue of ₹26,689 crore on discoms.

Among the public sector power generators, NTPC alone has an overdue amount of ₹9,368 crore on discoms, while NHPC has ₹1,277 crore and Damodar Valley Corporation at ₹545 crore.

Discoms owe the highest overdue of ₹3,539 crore to Adani Power followed by GMR at ₹1,888 crore and Bajaj Group-owned Lalitpur Power Generation Company at ₹1,822 crore among private generators.

Swiss clampdown on secret bank accounts: 11 Indians get notices in a single day

PRESS TRUST OF INDIA
New Delhi/Berne, May 26

AS SWITZERLAND STRIVES hard to re-establish its global financial centre position after clamping down on secrecy walls of its banks, there has been a significant surge in the number of cases where it has initiated a request for share information on Indians with Swiss bank accounts and shot off letters to about a dozen such individuals last week itself.

Since March, at least 15 notices have been issued by the Swiss authorities to Indian clients of Switzerland-based banks in which they have been given one last chance to appeal against sharing of their details with India.

An analysis of the notices issued by the Federal Tax Administration, Switzerland government's nodal department for sharing of information on foreign clients of Swiss banks, shows that the Swiss government has stepped up its efforts in sharing such details with a number of countries in the recent months, but the surge in India-related cases is noticeable in the past few weeks.

At least 11 such notices were issued to Indian nationals on May 21 itself, though the gazette notifications of the Swiss government have listed full names for several of them while making public only their initials besides the nationality and the dates of birth.

The two Indians whose names have been mentioned in full are Krishna Bhagwan Ramchand (born in May 1949) and Kalpana Harshad Kisanikwale (born in September 1972). However, no further details have been disclosed about them as well.

The Indian nationals with redacted names include Mr A S B K (born November 24, 1944), Mr A B K I (born July 9, 1944), Mrs P A S (born November 2, 1973), Mr A P S (born November 27, 1944), Mrs A D S (born August 14, 1949), Mr M L A (born May 20, 1953), Mr N A A (born February 21, 1968) and Mr M M A (June 27, 1973).

DPIIT proposes reducing compliance time to just 1 hr/month for start-ups

PRESS TRUST OF INDIA
New Delhi, May 26

THE COMMERCE AND industry ministry has proposed cutting down compliance time significantly to just one hour per month for start-ups as part of measures to ease regulatory requirements for budding entrepreneurs, an official said.

The proposal is a part of 'Start-up India Vision 2024', prepared by the Department for Promotion of Industry and Internal Trade (DPIIT) for the new government to promote the growth of budding entrepreneurs.

At present, start-ups comply with a plethora of requirements such as GST filings, tax returns and other local laws every month, the official said. Compliance to these processes takes a lot of time and cost.

"Monthly compliance for start-ups needs to be reduced to one hour per month so that they can concentrate on their core business," the official added.

MicrOgo founder Chandra Dave said, "Reducing the compliance time to 1 hour will be an extremely welcoming step. It will focus on their core activity. It will also create a stronger start-up support ecosystem in the country."

MicrOgo is a Tamil Nadu-based start-up that has received a patent for 'Tubulet' technology mainly used for water purification, sanitisation and sterilisation.

The vision document has suggested a total of 13 measures for easing regulatory burden to provide a business-friendly environment to start-ups.

The suggestions include setting up of a regulatory sandbox or innovation hub to help fintech start-ups, tax incentives for investments in ventures of budding entrepreneurs, reduction in GST rates management services, and amendment in income tax laws pertaining to sale of residential properties and carrying forward of losses.

CBI summons former Kolkata police chief Rajeev Kumar

PRESS TRUST OF INDIA
New Delhi, May 26

THE CBI HAS summoned former Kolkata police commissioner Rajeev Kumar, asking him to appear before it on Monday for questioning in connection with the Saradha ponzi scheme case, officials said.

Kumar, a 1989-batch IPS officer, has been asked to be present at the Kolkata office of the agency in Salt Lake, officials said on Sunday. The CBI has also issued a Look Out Notice against Kumar to prevent him from leaving the country.

The agency wants custodial interrogation of Kumar in connection with the ponzi scheme case as he was heading the special investigation team (SIT) of the West Bengal police to probe the case before the CBI took over, the officials said. The probe

LONG-PENDING DEMANDS COAI urges new govt to ease telcos' financial woes

PRESS TRUST OF INDIA
New Delhi, May 26

THE NEW GOVERNMENT should take urgent steps to ease the financial burden on the stressed telecom sector, slash overall levies to an ideal 4-5% and review spectrum prices to make it affordable ahead of the crucial 5G rollout, Industry body COAI said.

Prime Minister Narendra Modi has led Bharatiya Janata Party (BJP) to a landslide victory for a second term in office.

The new government, which is set to be formed in the next few days, will present the full Budget for 2019-20, and the mobile operators' association is hoping that some of its long-pending demands will be taken up in the coming months. Topping its wishlist is

cut in levies, as the industry hopes that the current level of 30% levy would be reduced to provide a breather to the stressed sector.

"Charges like Licence Fee, Spectrum Usage Charges and redefinition of Adjusted Gross Revenue (AGR) need to be looked at," Cellular Operators' Association of India (COAI) director general Rajan Mathews said. Asked what the association considers to be an ideal level, Mathews said globally levies do not exceed 5% and hence 4-5% would be "ideal".

On the issue of debt restructuring, Mathews said telecom operators should be given more time for repayment of spectrum through in auctions. This, he said, can be done by increasing the moratorium period to four years and payment period

to 15 years keeping the 'Net Present Value' unchanged. The industry also wants the government to look at making spectrum prices 'more affordable'. "If we want 5G to take off, the present pricing will not get you there," Mathews added.

He noted that at the present prices proposed, operators will not be able to afford the rollouts which, in turn, will pose a challenge in rollout of 5G services. A section of the industry has questioned regulator Trai's methodology of computing the reserve price, claiming it has resulted in spectrum prices being unreasonably higher than global benchmarks.

Earlier this year, Bharti Airtel chairman Sunil Mittal had flagged high reserve prices of 5G spectrum.

DPIIT for reducing compliance time to just 1 hr/month for start-ups

THE COMMERCE AND Industry ministry has proposed cutting down compliance time significantly to just one hour per month for start-ups as part of measures to ease regulatory requirements for budding entrepreneurs, an official said.

The proposal is part of Start-up India 2024, prepared by the Department for Promotion of Industry and Internal Trade (DPIIT) for the new government to promote the growth of budding entrepreneurs. At present, start-ups comply with a plethora of requirements such as GST filings, tax returns and other local laws every month, the official said. Compliance to these processes takes a lot of time and cost. The vision document has suggested a total of 11 measures for easing regulatory burden to provide a business-friendly environment to start-ups.

LONG-PENDING DEMANDS

COAI urges new govt to ease telcos' financial woes

PRESS TRUST OF INDIA
New Delhi, May 26

THE NEW GOVERNMENT should take urgent steps to ease the financial burden on the stressed telecom sector, slash overall levies to an ideal 4-5% and review spectrum prices to make it affordable ahead of the crucial 5G rollout, industry body COAI said.

Prime Minister Narendra Modi has led Bharatiya Janata Party (BJP) to a landslide victory for a second term in office. The new government, which is set to be formed in the next few days, will present the full Budget for 2019-20, and the mobile operators' association is hoping that some of its long-pending demands will be taken up in the coming months.

Topping its wishlist is cut in levies, as the industry hopes that the current level of 30% levy would be reduced to provide a breather to the stressed sector.

"Charges like Licence Fee, Spectrum Usage Charges and definition of Adjusted Gross Revenue (AGR) needs to be looked at," Cellular Operators Association of India (COAI) director general Rajan Mathews said.

Asked what the association considers to be an ideal level, Mathews said globally levies do not exceed 5% and hence 4-5% would be "ideal".

On the issue of debt restructuring, Mathews said telecom operators should be given more time for repayment of spectrum bought in auctions. This, he said, can be done by increasing the moratorium period to four years and payment period to 18 years keeping the 'Net Present Value' unchanged. The industry also wants the government to look at making spectrum prices more affordable.

torium period to four years and payment period to 18 years keeping the 'Net Present Value' unchanged. The industry also wants the government to look at making spectrum prices more affordable.

"If we want 5G to take off, the present pricing will not get you there," Mathews added. He noted that at the present prices proposed, operators will not be able to afford the radio waves which, in turn, will pose a challenge in rollout of 5G services.

A section of the industry has questioned regulator Trai's methodology of computing the reserve price, claiming it has resulted in spectrum prices being unreasonably higher than global benchmarks.

Earlier this year, Bharti Airtel chairman Sunil Mittal too had flagged high reserve prices of 5G spectrum. He had

'Spectrum prices high due to inconsistency in principles'

THE SPECTRUM price recommended by regulator Trai is high due to inconsistency in the principle applied by the watchdog for calculating base rates, a joint study by ICRIER and Broadband India Forum has claimed.

"Our analysis... on the pricing of the 1800 MHz band finds that a bulk of the reserve prices not only continue to remain high, there are also inconsistencies in the principles applied," the

joint report by Indian Council for Research on International Economic Relations (ICRIER) and Broadband India Forum said.

It said that Trai has placed immense value on the bid price of previous auctions and this method does not always account for changing market conditions or operator circumstances even if the gap between two subsequent auctions is not significant.

joint report by Indian Council for Research on International Economic Relations (ICRIER) and Broadband India Forum said.

It said that Trai has placed immense value on the bid price of previous auctions and this method does not always account for changing market conditions or operator circumstances even if the gap between two subsequent auctions is not significant.

Competition has only intensified since 2016, when Reliance Jio, owned by richest Indian Mukesh Ambani, stormed into the market and offered lifetime free calls and

Gencos dues on discoms rise 63% to nearly ₹39,000 crore in March

PRESS TRUST OF INDIA
New Delhi, May 26

THE OUTSTANDING DUES of power producers on distribution utilities soared by 63% to ₹38,696 crore in March 2019 compared to the same month year ago, reflecting stress in the sector.

According to PRAAPTI portal, distribution companies owe a total of ₹21,609 crore to power generation companies in March 2018.

The portal was launched in May 2018 to bring in transparency in power purchase transactions between generators and discoms.

In March this year, total overdue amount, which was not cleared even after 60 days of grace period offered by generators, stood at ₹24,689 crore against ₹15,885 crore in the same month in 2018.

Power producers give 60 days time to discoms for paying bills for the supply of electricity. After that the outstanding becomes overdue and generators charge penal interest on that in most of the

Discoms in Rajasthan, Uttar Pradesh, Maharashtra, Karnataka, Madhya Pradesh, Telangana, Andhra Pradesh, Tamil Nadu and Jammu & Kashmir account for the major portion of dues to power generating companies

cases.

However, the data on the portal indicates that the outstanding, as well as overdue amount, have decreased over the preceding month. In February 2019, the total outstanding on discoms was ₹41,281 crore while the total overdue amount was ₹25,532 crore.

Discoms in Rajasthan, Uttar Pradesh, Maharashtra, Karnataka, Madhya Pradesh, Telangana, Andhra Pradesh, Tamil Nadu and Jammu & Kashmir account for the major portion of dues to power generating companies, taking a longer duration of up to 667 days to make payments, the portal showed.

Bihar and Rajasthan top the list with 667 days to make payments, followed by Andhra Pradesh (665 days), Haryana (665 days), Madhya Pradesh (652 days), Telangana (645 days) Karnataka (639 days), Tamil Nadu (638 days) and Jammu & Kashmir (634 days) in that order.

Overdue of independent power producers amount to over 52% of the total overdue of ₹24,689 crore on discoms. Among the public sector power generators, NTPC alone has an overdue amount of ₹9,368 crore on discoms, while WIPAC has ₹1,277 crore and Damodar Valley Corporation at ₹545 crore.

CBI summons Kolkata police chief Rajeev Kumar

THE CBI HAS summoned former Kolkata police commissioner Rajeev Kumar, asking him to appear before it on Monday for questioning in connection with the Sardaha postal account for the major portion of dues to power generating companies

Kumar, a 1989-batch IPS officer, has been asked to be present at the Kolkata office of the agency in Salt Lake, officials said on Sunday. The CBI has also issued a Look Out Notice against Kumar to prevent him from leaving the country, officials said. All the airports and immigration authorities have been alerted by the CBI to prevent him from leaving the country.

The agency wants custodial interrogation of Kumar in connection with the postal scheme case as he was heading the Special Investigation Team of the West Bengal police to probe the case before the CBI took over, the officials said. The probe agency had told the Supreme Court that custodial interrogation of Kumar was necessary as he was not co-operating in the probe and he was "evasive" and "arrogant" during his questioning. — PTI

Swiss clampdown on secret bank accounts: 11 Indians get notices in a single day

PRESS TRUST OF INDIA
New Delhi/Berne, May 26

AS SWITZERLAND STRIVES hard to re-establish its global financial centre position after clamping down on secrecy walls of its banks, there has been a significant surge in the number of cases where it has initiated process to share information on Indians with Swiss banks and about officers in India to about a dozen individuals last week itself.

Since March, at least 25 notices have been issued by the Swiss authorities to Indian clients of Swiss banks in which they have been given one last chance to appeal against sharing of their details with India.

An analysis of the notices issued by the Federal Tax Administration, Switzerland government's nodal department for sharing of information on foreign clients of Swiss banks, shows that the Swiss government has stepped up its efforts in sharing such details with the recent months, but the surge in India-related cases is noticeable in the past few weeks.

At least 11 such notices were

DPIIT proposes reducing compliance time to just 1 hr/month for start-ups

PRESS TRUST OF INDIA
New Delhi, May 26

THE COMMERCE AND industry ministry has proposed cutting down compliance time significantly to just one hour per month for start-ups as part of measures to ease regulatory requirements for budding entrepreneurs, an official said.

The proposal is a part of 'Start-up India Vision 2024', prepared by the Department for Promotion of Industry and Internal Trade (DPIIT) for the new government to promote the growth of budding entrepreneurs.

At present, start-ups com-

ply with a plethora of requirements such as GST filings, tax returns and other local laws every month, the official said. Compliance to these processes takes a lot of time and cost.

"Monthly compliance for start-ups needs to be reduced to one hour per month so that they can concentrate on their core work," the official added. MicroGo founder Rachna Dave said, "Reducing the compliance time to 1 hour will be an extremely welcoming step giving start-ups enough time to focus on their core activity. It will also create a stronger start-up support ecosystem in the country."

issued to Indian nationals on May 21 itself, though the gazette notifications of the Swiss government has redacted full names for several of them while making public only their initials besides the nationality and the dates of birth. The two Indians whose names have been mentioned in full are Krishna Bhagwan Ramchand (born in May 1949) and Kalpesh Harshad Kinartwala (born in September 1973). However, no further details have been disclosed about them as well.

The Indian nationals with redacted names include Mrs A S B K (born November 24, 1944), Mr A B K (born July 9, 1944), Mrs P A S (born November 2, 1983), Mrs R A S (born November 22, 1973), Mr A P S (born November 27, 1944), Mrs A D S (born August 14, 1949), Mr M L A (born May 20, 1933), Mr N M A (born February 21, 1968) and Mr M M A (June 27, 1973).

LONG-PENDING DEMANDS COAL urges new govt to ease telcos' financial woes

PRESS TRUST OF INDIA
 New Delhi, May 26

THE NEW GOVERNMENT should take urgent steps to ease the financial burden on the stressed telecom sector, slash overall levies to an ideal 4-5% and review spectrum prices to make it affordable ahead of the crucial 5G roll-out, industry body COAI said.

Prime Minister Narendra Modi has led Bharatiya Janata Party (BJP) to a landslide victory in a second term in office. The new government, which is set to be formed in the next few days, will present the full Budget for 2019-20, and the mobile operators' association is hoping that some of its long-pending demands will be taken up in the coming months.

Topping its wishlist is cut in levies, as the industry hopes that the current level of 30% levy would be reduced to provide a breather to the stressed sector.

"Charges like Licence Fee, Spectrum Usage Charges and re-definition of Adjusted Gross Revenue (AGR) needs to be looked at," Cellular Operators' Association of India (COAI) director general Rajan Mathews said.

Asked what the association considers to be an ideal level, Mathews said globally levies do not exceed 5% and hence 4-5% would be ideal.

On the issue of debt restructuring, Mathews said telecom operators should be given more time for repayment of spectrum bought in auctions. This, he said, can be done by increasing the moratorium period to four years and payment period to 18 years keeping the 'Net Present Value' unchanged. The industry also wants the government to look at making spectrum prices "more affordable".

"If we want 5G to take off, the present pricing will not get you there," Mathews added. He noted that at the present prices proposed, operators will not be able to afford the radio waves which, in turn, will pose a challenge in rollout of 5G services.

Action of the industry has questioned regulator's methodology of computing the reserve price, claiming it has resulted in spectrum prices being unreasonably higher than global benchmarks.

Earlier this year, Bharti Airtel chairman Sunil Mittal too had flagged high reserve prices of 5G spectrum. He had

said the government must price spectrum reasonably and lower levies to encourage rollout of 5G services in the country at the earliest.

The telecom czar had also warned that the spectrum auction may fail and Airtel might not bid for airwaves if the auctions are held at prices recommended by Trai.

The Telecom Regulatory Authority of India (Trai) has recommended auction of 8,644 MHz of telecom frequencies, including those for 5G services, at an estimated total base price of ₹4.9 lakh crore. The telecom sector is burdened with staggering debt levels and cut throat competition.

Competition has only intensified since 2016, when Reliance Jio, owned by richest Indian Mukesh Ambani, stormed into the market and offered lifetime free calls and dirt cheap data. Jio's disruptive offerings forced rivals to slash rates, affecting profit margins. Since Jio's launch, rivals have either merged, resorted to acquisitions or folded up.

'Spectrum prices high due to inconsistency in principles'

THE SPECTRUM price recommended by regulator Trai is high due to inconsistency in the principle applied by the watchdog for calculating base rates, a joint study by ICRIER and Roadband India Forum has claimed.

"Our analysis... on the pricing of the 1800 MHz band finds that a bulk of the reserve prices not only continue to remain high, there are also inconsistencies in the principles applied," the

joint report by Indian Council for Research on International Economic Relations (ICRIER) and Roadband India Forum said. It said that Trai has placed immense value on the bid price of previous auctions and this method does not always account for changing market conditions or operator circumstances or even if the gap between two subsequent auctions is not significant.

Gencos dues on discoms rise 63% to nearly ₹39,000 crore in March

PRESS TRUST OF INDIA
 New Delhi, May 26

THE OUTSTANDING DUES of power producers on distribution utilities soared by 63% to ₹34,656 crore in March 2019 compared to the same month year ago, reflecting stress in the sector.

According to PRAA/PTI portal, distribution companies owed a total of ₹23,699 crore to power generation companies in March 2018.

The portal was launched in May 2018 to bring in transparency in power purchase transactions between generators and discoms.

In March this year, total overdue amount, which was not cleared even after 60 days of grace period offered by generators, stood at ₹34,659 crore against ₹15,585 crore in the same month in 2018.

Power producers give 60 days time to discoms for paying bills for the supply of electricity. After that the outstanding becomes overdue and generators charge penal interest on that in most of the

CASES

However, the data on the portal indicates that the outstanding, as well as overdue amount, have decreased over the preceding month. In February 2019, the total outstanding on discoms was ₹41,281 crore while the total overdue amount was ₹25,532 crore.

Discoms in Rajasthan, Uttar Pradesh, Maharashtra, Karnataka, Madhya Pradesh, Telangana, Andhra Pradesh, Tamil Nadu and Jammu & Kashmir account for the major portion of dues to power generating companies.

Discoms in Rajasthan, Uttar Pradesh, Maharashtra, Karnataka, Madhya Pradesh, Telangana, Andhra Pradesh, Tamil Nadu and Jammu & Kashmir account for the major portion of dues to power generating companies.

Bihar and Rajasthan top the list with 667 days to make payments, followed by Andhra Pradesh (665 days), Haryana (655 days), Madhya Pradesh (652 days), Telangana (645 days), Karnataka (639 days), Tamil Nadu (638 days) and Jammu & Kashmir (634 days) in that order.

Overdue of independent power producers amount to over 52% of the total overdue of ₹24,689 crore on discoms.

Among the public sector power generators, NTPC alone has an overdue amount of ₹9,368 crore on discoms, while NHPC has ₹1,277 crore and Damodar Valley Corporation at ₹54.5 crore.

CBI summons former Kolkata police chief Rajeev Kumar

THE CBI HAS summoned former Kolkata police commissioner Rajeev Kumar, asking him to appear before it on Monday for questioning in connection with the Saradha ponzi scheme case, officials said. Kumar, a 1989-batch IPS officer, has been asked to be present at the Kolkata office of the agency in Salt Lake, officials said on Sunday. The CBI has also issued a Look Out Notice against Kumar to prevent him from leaving the country, officials said.

The agency wants custodial interrogation of Kumar in connection with the ponzi scheme case as he was heading the Special Investigation Team of the West Bengal police to probe the case before the CBI took over, the officials said. The probe agency had told the Supreme Court that custodial interrogation of Kumar was necessary as he was not co-operating in the probe and he was evasive and arrogant during his questioning. —PTI

Swiss clampdown on secret bank accounts: 11 Indians get notices in a single day

PRESS TRUST OF INDIA
 New Delhi/Berne, May 26

AS SWITZERLAND STRIVES hard to re-establish its global financial centre position after clamping down on secret bank accounts, there has been a significant surge in the number of cases where it has initiated process to share information on Indians with Swiss bank accounts and shot off letters to about a dozen such individuals last week itself.

Since March, at least 25 notices have been issued by the Swiss authorities to Indian clients of Switzerland-based banks in which they have been given one last chance to appeal against sharing of their details with India.

An analysis of the notices issued by the Federal Tax Administration, Switzerland government's nodal department for sharing of information to foreign clients of Swiss banks, shows that the Swiss government has stepped up its efforts in sharing such details with a number of countries in the past few months, but the surge in India-related cases is noticeable in the past few weeks.

At least 11 such notices were

DPIIT proposes reducing compliance time to just 1 hr/month for start-ups

PRESS TRUST OF INDIA
 New Delhi, May 26

THE COMMERCE AND industry ministry has proposed cutting down compliance time significantly to just one hour per month for start-ups as part of measures to ease regulatory requirements for budding entrepreneurs, an official said.

The proposal is a part of 'Start-up India Vision 2024', prepared by the Department for Promotion of Industry and Internal Trade (DPIIT) for the new government to promote the growth of budding entrepreneurs.

At present, start-ups comply with a plethora of requirements such as GST filings, tax returns and other legal processes every month, the official said. Compliance to these processes takes a lot of time and cost.

"Monthly compliance for start-ups needs to be reduced to one hour per month so that they can concentrate on their core work," the official added.

MicroGo founder Rachna Dave said, "Reducing the compliance time to 1 hour will be an extremely welcoming step giving start-ups enough time to focus on their core activity. It will also create a stronger start-up support ecosystem in the country."

The CBI has also issued a Look Out Notice against Kumar to prevent him from leaving the country, officials said. All the airports and immigration authorities have been alerted by the CBI to prevent him from leaving the country.

The agency wants custodial interrogation of Kumar in connection with the ponzi scheme case as he was heading the Special Investigation Team of the West Bengal police to probe the case before the CBI took over, the officials said. The probe agency had told the Supreme Court that custodial interrogation of Kumar was necessary as he was not co-operating in the probe and he was 'evasive' and 'arrogant' during the questioning. —PTI

Swiss clampdown on secret bank accounts: 11 Indians get notices in a single day

PRESS TRUST OF INDIA New Delhi/Berne, May 26

AS SWITZERLAND STRIVES hard to re-establish its global financial centre position after clamping down on secrecy walls of its banks, there has been a significant surge in the number of cases where Swiss-initiated process to share information on Indians with Swiss banks accounts and shut off letters to about a dozen such individuals last week local media reported.

Since March, at least 25 notices have been issued by the Swiss authorities to Indian clients of Switzerland-based banks in which they have been given one last chance to appeal against sharing of their details with India.

An analysis of the notices issued by the Federal Tax Administration, Switzerland government's nodal department for sharing of information on foreign clients of Swiss banks, shows that the Swiss government has stepped up its efforts in sharing such details with a number of countries in the recent months, but the surge in India-related cases is noticeable in the past few weeks.

At least 11 such notices were issued to Indian nationals on May 21 itself, though the gazette notifications of the Swiss government has redacted full names for several of them while making public only their initials besides the nationality and the dates of birth. The two Indians whose names have been mentioned in full are Krishna Bhagwan Ramchand (born in May 1949) and Kalpana Harshad Kinarwal (born in September 1972). However, no further details have been disclosed about them as well.

The Indian nationals with redacted names include: Mrs A S B K (born November 24, 1944), Mr A B K I (born July 9, 1944), Mrs P A S (born November 2, 1983), Mrs R A S (born November 23, 1973), Mr A P S (born November 27, 1944), Mrs A D S (born August 14, 1949), Mr M L A (born May 20, 1935), Mr N M A (born February 1, 1968) and Mr M M A (June 27, 1973).

DPIT proposes reducing compliance time to just 1 hr/month for start-ups

PRESS TRUST OF INDIA New Delhi, May 26

THE COMMERCE AND industry ministry has proposed cutting down compliance time significantly to just one hour per month for start-up regulars to ease regulatory requirements for budding entrepreneurs, an official said.

The proposal is a part of 'Start-up India Vision 2024', prepared by the Department for Promotion of Industry and Internal Trade (DPIIT) for the new government to promote the growth of budding entrepreneurs.

At present, start-ups com-

ply with a plethora of requirements such as GST filings, tax returns and other local laws every month, the official said. Compliance to these procedures takes a lot of time and cost.

"Monthly compliance for start-ups needs to be reduced to one hour per month so that they can concentrate on their core work if the official added. LONG-PENDING DEMANDS COAI urges new govt to ease telcos' financial woes

PRESS TRUST OF INDIA New Delhi, May 26

THE NEW GOVERNMENT should take urgent steps to ease the financial burden on the stressed telecom sector...

The new government, which is set to be formed in the next few days, will present the full budget for 2019-20, and the mobile operators' association is hoping that some of its long-pending demands...

cut in levies, as the industry hopes that the current level of 10% levy would be reduced to provide a breather to the stressed sector.

"Charges like Licence Fee, Spectrum Usage Charges and residential of Adjusted Gross Revenue (AGR) needs to be looked at," Cellular Operators' Association of India (COAI) director general Rajan Mathews said.

On the issue of debt restructuring, Mathews said telecom operators should be given more time for repayment of spectrum bought in auctions.

to 18 years keeping the Net Present Value unchanged. The industry also wants the government to look at making spectrum prices 'more affordable'.

"If we want 5G to take off, the present pricing will not get you there," Mathews added.

He noted that at the present prices proposed, operators will not be able to afford the rollouts which, in turn, will pose a challenge in rollout of 5G services.

Earlier this year, Bharti Airtel chairman Sunil Mittal too had flagged high reserve prices of 5G spectrum.

DPIIT for reducing compliance time to just 1 hr/month for start-ups

THE COMMERCE AND Industry ministry has proposed cutting down compliance time significantly to just one hour per month for start-ups as part of measures to ease regulatory requirements for budding entrepreneurs.

The proposal is part of Start-up India Vision 2024, prepared by the Department for Promotion of Industry and New Trade (DPIIT) for the new government to promote the growth of budding entrepreneurs. At present, start-ups comply with a plethora of requirements such as GST filings, tax returns and other local laws every month, the official said.

LONG-PENDING DEMANDS COAI urges new govt to ease telcos' financial woes

PRESS TRUST OF INDIA
New Delhi, May 26

THE NEW GOVERNMENT should take urgent steps to ease the financial burden on the stressed telecom sector, slash overall levies to an ideal 4-5% and review spectrum prices to make it affordable ahead of the crucial 5G rollout, industry body COAI said.

Prime Minister Narendra Modi has led Bharatiya Janata Party (BJP) to a landslide victory for a second term in office.

The new government, which is set to be formed in the next few days, will present the full Budget for 2019-20, and the mobile operators' association is hoping that some of its long-pending demands will be taken up in the coming months. Topping its wishlist is

cut in levies, as the industry hopes that the current level of 30% levy would be reduced to provide a breather to the stressed sector.

"Charges like Licence Fee, Spectrum Usage Charges and redefinition of Adjusted Gross Revenue (AGR) needs to be looked at," Cellular Operators' Association of India (COAI) director general Rajan Mathews said. Asked what the association considers to be an ideal level, Mathews said globally levies do not exceed 5% and hence 4-5% would be "ideal".

On the issue of debt restructuring, Mathews said telecom operators should be given more time for repayment of spectrum bought in auctions. This, he said, can be done by increasing the moratorium period to four years and payment period

to 18 years keeping the 'Net Present Value' unchanged. The industry also wants the government to look at making spectrum prices 'more affordable'.

"If we want 5G to take off, the present pricing will not get you there," Mathews added.

He noted that at the present prices proposed, operators will not be able to afford the radio waves which, in turn, will pose a challenge in rollout of 5G services. A section of the industry has questioned regulator 'Trai's methodology of computing the reserve prices, claiming it has resulted in spectrum prices being unreasonably higher than global benchmarks.

Earlier this year, Bharti Airtel chairman Sunil Mittal too had flagged high reserve prices of 5G spectrum.

DPIIT for reducing compliance time to just 1 hr/month for start-ups

THE COMMERCE AND Industry Ministry has proposed cutting down compliance time significantly to just one hour per month for start-ups as part of measures to ease regulatory requirements for budding entrepreneurs, an official said.

The proposal is a part of Start-up India Vision 2024, prepared by the Department for Promotion of Industry and Internal Trade (DPIIT) for the new government to promote the growth of budding entrepreneurs. At present, start-ups comply with a plethora of requirements such as GST filings, tax returns and other legal work every month, the official said. Compliance to these processes takes a lot of time and cost. The vision document has suggested a total of 11 measures for easing regulatory burden to provide a business-friendly environment to start-ups.

Time to become battle-hardened

With holidays now in the backdrop, India take on New Zealand in World Cup warm-up match today

ARRIVAL WITH POLARIS persons nation down, favourite team will look to lift the crowd running when they face New Zealand in their opening warm-up game of the World Cup here Saturday.

However, with India yet to clear the haze of consecutive over the number four position, it will be less than a ritual of allowing one top-order batsman after another - batsmen in their own right - a hit in the middle. The outing at the Kennington Oval will go beyond experimenting with their highly skilled batting attack and quite a lot of bats will be on the field. Rohit and Virat Kohli, the two best batsmen in the world, are the main contenders for the number one slot. Dabbed, the most challenging World Cup ever, owing to a format that is a throwback to the 1980 edition, Virat Kohli's team still an

Pak face wrath of Pathans

Loss to Afghans will cause mental damage to a side that has failed to win in last 10 matches

BREKOST The positives in defeat Pakistan appeared to be limited. Having followed the series defeat against England, they will be looking out in an emboldening performance in Bristol on Friday, with Afghanistan wrapping up a comfortable three-wicket win against their neighbours. Bowled out for a modest 382 in the first warm-up game, they came up against a blazing Hamzaullah Zaidi, who dismantled Pakistan in the first Powerplay.

Even that bats on, the batting rate was steeply in control, and in Hamzaullah Shahidi, Afghanistan had a batsman with the temperament to see his side

through, finishing unbeaten on 74, completely unperturbed by a strike rate of 73. It really is hard to overstate how much mental damage this would do to Pakistan. This may not be an official ODI, but it is surely more important than the 10 they've lost on the trot, reports ESPNcricinfo.

Against England, whatever happened, they could come away believing the bats were of course on another level, which they are. Against Australia in the UAE, they were resting half their side. Against Afghanistan, a week before their World Cup starts, no explanation is likely to wash.

Pakistan looked out of sorts almost from the first delivery. The partnership between Fakhr and Imran

Hamzaullah Zaidi

ul-Haq at the top only lasted because of Afghanistan's generosity in the field; the pair were replaced at least four times - three dropped catches and a stumping. When Hamid Hassan finally struck, it heralded a regular supply of wickets to the bowling side, with only Fakhr Anam putting up any sort of resistance. That Nicky Arthur and his team will look back at fondly.

British capital. While the arch lights will be firmly trained on their batsman, skipper, the number one batsman in the world, Virat Kohli, India, and their opponents, would also likely watch their frenzied pace attack tear into the opposition. In Rohit Sharma and Shikhar Dhawan as openers followed by Virat Kohli, India have one of the most potent line-ups in the world. Yashvir Jasraj, Sunil Gavaskar, Kapil Dev, and Imran Khan are the batsmen who have played in the most World Cup matches. In the 1980s, India was the dominant force in the world. In the 1990s, India was the dominant force in the world. In the 2000s, India was the dominant force in the world. In the 2010s, India was the dominant force in the world. In the 2020s, India was the dominant force in the world.

QUICK TAKES

NZ's Latham to miss India warm-up
LONDON: New Zealand opener Tim Latham will miss the warm-up matches, owing to a finger injury, and will be replaced by untested Tom Blundell, captain Kane Williamson said. With the World Cup just around the corner, New Zealand have been forced to deal with injuries. "Tom won't be available for the first two warm-up games," Williamson confirmed at the Captain's Day conference.

Batman sculpture to be erected
BUREAU: To celebrate the 2019 ICC Men's Cricket World Cup, a giant 4-metre hand-painted statue of a batsman, representing each of the five competing nations, will be erected in the Mitchell Square for the duration of the matches in Bristol. The sculpture will be unveiled just in time for Bristol's first match on June 1 as Afghanistan go head-to-head with Australia. The Square will also play host to a day of live match screenings and interactive cricket activities, creating a fan-friendly event to celebrate the coming of the World Cup to Bristol.

Morgan to have X-ray in pre-WC scare
LONDON: England captain Eoin Morgan will undergo a precautionary X-ray after injuring his left index finger in training. The England and Wales Cricket Board announced on Friday, Morgan was participating with his teammates at the Agnes Bowl in Southampton ahead of Saturday's crucial World Cup warm-up against Australia when he took a blow during training drills. Morgan, 32, was one of 14 players preparing at Hampshire's ground, with Joe Root absent on personal business.

Injury scare for Virat Kohli
LONDON: All-rounder Virat Kohli suffered an injury scare after being hit in the forearm which forced him to leave training on Friday. He was hit in the forearm while attempting to put a short ball from left-arm pace bowler Ahmed. Kohli looked in considerable pain and left the nets immediately. "Virat was taken to physiotherapy room and a call on the participation in Saturday's warm-up game against New Zealand will be taken after the results are in. Further more Friday evening London time on Saturday morning," a BCCI source informed.

No corruption cloud in WC: ACU Manager

AGENCIES' London: None of the current crop of international cricketers, set to compete in the upcoming ICC World Cup, is under suspicion of corruption, governing body's top Anti-Corruption official Neil Mansell, who heads the "ethical" department in the history of the global sport. For the first time since the 2000s, corruption has not been a major issue in the sport. "Over the last 10 months, we have changed 14 or 15 people. None of those are current players. The players we have changed are administrators, senior administrators, board members, coaches, no players and no officials. These are people on the edge of the sport, not people currently in the player pool," confirmed ICC CEO Mansell during a media conference on Friday. "In addition to the people we have changed, we have also dismissed more than 30 contractors who we outside our walls, but we nevertheless pursued them wherever they are in the world to make it hard for them to operate as contractors anywhere near cricket," he added. He is confident that the corruption will not be able to breach the protective layers around the players.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU
New Delhi, May 29
Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56.1 crore for the fourth quarter ended March 31, this year, a 22 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,533.3 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation, and restructuring costs, it reported a profit of ₹324.3 crore.

A statement issued by the airline said that it managed an increase in profitability by overcoming challenges of seasonality and grounding of its Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursement or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to attract additional frequent flyers and induct more planes on wet lease. It also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay as saying that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹42.7 crore in the first non-quarter due to a steep increase in fuel costs and the sudden devaluation of the rupee.

However, SpiceJet reported a net loss of ₹166 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion this year.

full year. The airline had reported a net profit of ₹56.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF), which resulted in a cost escalation of 146.9 crore, and a per cent depreciation of the rupee that resulted in overall cost escalation of ₹45 crore.

SpiceJet is confident of a strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 737 aircraft in July, significant improvements in yields and price slots at key airports.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
New Delhi, May 29
India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automotive parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹40.4 crore for the year ended March 31, 2019 when compared with ₹30.6 crore in the previous year.

Its revenue increased by 11 per cent to ₹263.5 crore in FY19, after normalising FY18 turnover, which included ₹16.12 crore of incoming excise duty and taxes (pre-GST era), according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹31 crore. Its consolidated revenues grew 13.2 per cent for FY19 to ₹24.20 crore from ₹479 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 50 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
New Delhi, May 29
Public sector banks seem to be edging ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modi-led NDA government set great store due to its potential for self-employment, employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises, the non-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2019 and to be implemented by March-end 2020) that are in default but 'standalone' as on January 1, 2019, and capital constraints, have slowed down credit flow from PSBs to MSMEs.

Lending by private banks
According to a Kotak Securities report, which is based on a MSME study by Transilient CIBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points (bps) and about 100 bps, respectively, at the expense of PSBs.

PCA framework
PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 58 per cent in 2013/14). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs, the report said.

That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 7.7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.45 per cent in March 2018 to 14.56 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Startup India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'pudbansidms.com' and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 29
The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle a dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹99 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairperson Justice SJ Mukhopadhyaya also observed that it will be the 'last chance' for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 11. This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

filed against each before the NCLAT and acceptor of the terms of their out-of-court settlement, which the two parties reached earlier this month. However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement (between McDonald's and Bakshi) as 'controversial' of the kind passed by any judicial authority referring to the order passed by Debt Recovery Tribunal (DRT) which restricted

Bakshi to sell his shares in Connaught Place Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Amit Sibal apprised the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRT. He also informed that an amount of 166 crore has been paid by Bakshi to HUDCO and that unencumbered property of 455 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had even on May 15 directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue vroom past the 20,000-mark

CHALACHANDAN
Chennai, May 28
Hyundai Motor India Ltd (HMIL), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 23.

While the bookings touched 20,000 mark on Tuesday, the number of customers showed interest to

Hyundai Motor sports utility vehicle 'Venue'

purchase touched 11 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

interaction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikram Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU
New Delhi, May 28
IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹20.20 crore during the quarter ended March 31, 2019 as against ₹24 crore in the year-ago period due to increase in interest costs across some of its projects but has a strong order book for the 2020 fiscal.

Group CEO Anil Yadav said BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Solapur and Aurangabad, where projects are ongoing and the interest was charged in the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 1 per cent from ₹20 crore to ₹18.96 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹129.99 crore from ₹112.10 crore. For the whole year, income rose 10 per cent to ₹4,903 crore from ₹3,461 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 29
NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,109.59 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,253.66 crore to ₹3,438.41 crore.

The Income Tax Department had disallowed a reversal of ₹60 crore and there was a hit of ₹75 crore as a retrospective more closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline," a company statement said.

The company's production of iron ore during the fourth quarter is 10.59 million tonnes (mt), registering a decrease of 7 per cent over the corresponding period last year while sales of iron ore were 10.17 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹2,740.63 crore as against ₹2,334.11 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,637.07 crore against ₹3,802.79 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU
New Delhi, May 23

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56.6 crore for the fourth quarter ended March 31 this year, a 21.9 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,533.3 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and restructuring costs, it reported a profit of ₹533.3 crore.

A statement issued by the airline said that it managed a 10 per cent increase in profitability despite challenges of seasonality and grounding of 11 Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursement or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and induct more planes on wet lease. It also rationalised and optimised the use of its existing fleet.

The statement goes on to say the line's Chairman and Managing Director Ajay Singh said that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹423.3 crore in the first two quarters due to a steep increase in fuel costs and the sudden de-preciation of the rupee.

However, SpiceJet reported a net loss of ₹316 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion soon.

full year. The airline had reported a net profit of ₹66.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 23 per cent increase in the price of aviation turbine fuel (ATF), which resulted in a cost escalation of ₹103 crore, and a 6 per cent depreciation of the rupee that resulted in overall cost escalation of ₹85 crore.

SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 737 aircraft in July, significant improvements in yields and price points at key airports.

Expansion plan
The statement adds that the airline is eyeing an aggressive expansion plan across both its domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
Chennai, May 23

India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹40.4 crore for the year ended March 31, 2019 when compared with ₹31.09 crore in the previous year.

Its revenue increased by 11 per cent to ₹315.5 crore for FY19 after normalising FY18 turnover, which included ₹16.2 crore of incoming excise duty and taxes (pre-GST era) according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹31 crore. Its consolidated revenues grew 13.2 per cent for FY19 to ₹214.30 crore from ₹197 crore in FY18.

The board has declared a total dividend of 10 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 10 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
New Delhi, May 23

Public sector banks seem to be cooling ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modi-led NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises, the one-time restructuring of existing MSME loans (permitted by the RBI from January 2018 and to be implemented by March 2020) that are in default but "standstill" as on January 1, 2018, and capital constraints have slowed down credit flow from PSBs to MSMEs.

(bps) and about 300 bps, respectively, at the expense of PSBs.

PCA framework

"PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 58 per cent in 2014). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs," the report said.

That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 3.7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The metric credit has declined from 13.45 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Standstill India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their acts by an online platform such as public-private partnership and Trade Receivables Discounting System.

Lending by private banks

According to a Kantar Securities report, which is based on a MSME study by TransUnion CIBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY18 came from private banks and NBFCs with market shares increasing by about 400 basis points.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 23

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle his dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹195 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT bench headed by Chairman Justice SJ Mukhopadhyaya also observed this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 23. This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

Bakshi to sell his shares in Connaught Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Amit Sibal apprised the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRT. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of ₹65 crore is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had even on May 15 directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 16, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue vroom past the 20,000-mark

C. BALACHANDRAN
Chennai, May 23

Hyundai Motor India Ltd (HML), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 11.

While the bookings touched 20,000-mark on Tuesday, the number of customers showed interest to

Hyundai Motor sports utility vehicle Venue

purchase touched 1 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far 30,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features." V. K. Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU
New Delhi, May 23

IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹208.01 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year-ago period (due to increase in interest costs across some of its projects but has a strong order book for the 2020 fiscal).

Group CFO Anil Sagar told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Odisha and Andhra Pradesh, where projects are ongoing and the interest was charged to the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 8 per cent from ₹920 crore to ₹849.96 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹1,999.97 crore from ₹1,824.01 crore. For the whole year, income rose 19 per cent to ₹6,903 crore from ₹5,804 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 23

NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,095.45 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,053.18 crore to ₹3,439.40 crore.

The Income Tax Department had disallowed a reversal of ₹659 crore and there was a hit of ₹25 crore as a net result of mine closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline, a company statement said.

The company's production of iron ore during the fourth quarter is 10.50 million tonnes (mt), registering a decrease of 3 per cent over the

corresponding period last year while sales of iron ore were 10.77 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, the total income was ₹2,241.03 crore as against ₹2,139.13 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,637.07 crore against ₹3,892.79 crore in the previous year.

Lending to MSME sector to get a fillip

OUR BUREAU
New Delhi, May 22

Public sector banks seem to be coming around to private sector banks and non-banking financial companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modi-led NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2019 and to be implemented by March-end 2020) that are in default but "standstill" as on January 31, 2019; and capital constraints have slowed down credit flow from PSBs to MSMEs.

(PSBs) and about 300 bps, respectively, at the expense of PSBs.

PCA framework
"PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 58 per cent in 2013-14). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs," the report said.

That PSBs have introduced conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, remaining the slowest grower among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.45 per cent in March 2018 to 14.30 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as "jobwala.com" and "Trade Receivables Discounting System."

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU

New Delhi, May 22

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle his dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹95 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairperson Justice SJ Mukhopadhyaya also observed that this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 10.

This direction comes at a time when American chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

Bakshi to sell his shares in Coomahat, Haza Restaurant Pvt Ltd (CPRL).

Bakshi's counsel Anil Sibal apprised the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRI. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.63 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹20 crore. The appellate tribunal had been on May 15 directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 5, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement between McDonald's and Bakshi in "contamination" of an order passed by any judicial authority relating to the order passed by Debt Recovery Tribunal (DRT) which restricted

Bookings for Hyundai's Venue vroom past the 20,000-mark

OUR BUREAU

New Delhi, May 22

Hyundai Motor India Ltd (HMI), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, when the new SUV was formally rolled out on May 21.

While the bookings touched 20,000-mark on Tuesday, the number of customers showed interest to

Hyundai Motor sports utility vehicle 'Venue'

purchase touched 1 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikas Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU

New Delhi, May 22

IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹208.01 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year-ago period due to increase in interest costs across many of its projects but has a strong order book for the 2020 fiscal.

Group CFO Anil Yadav told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Odisha and Andhra Pradesh, where projects are ongoing and the interest was charged to the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 1 per cent from ₹200 crore to ₹199.99 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹598.91 crore from ₹1,424.02 crore. For the whole year, income rose 10 per cent to ₹6,303 crore from ₹5,643 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU

New Delhi, May 22

NMDC Ltd has reported a net profit of ₹1,453.74 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,065.45 crore in the same quarter of the previous financial year.

The total income during the quarter under review fell from ₹4,053.48 crore to ₹3,249.40 crore.

The Income Tax Department had disallowed a reversal of ₹165 crore and there was a hit of ₹28 crore as a retrospective mine closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline, a company statement said.

The company's production of iron ore during the fourth quarter is 10.59 million tonnes (mt), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.17 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹12,941.63 crore against ₹12,813.23 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,632.77 crore against ₹4,802.79 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for forward-year due to multiple headwinds

OUR BUREAU
New Delhi, May 28

Helped by the void created by Jet Airways' absence, lowest airline SpiceJet reported a net profit of ₹56 crore for the fourth quarter ended March 31 this year, a 22 per cent increase over the ₹45.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹231.3 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and restructuring basis, it reported a profit of ₹323.3 crore.

A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of 11 Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursement of compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellation and passenger disruption but it was able to operate additional frequencies and induct more planes on wet lease, also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay as saying that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹47.75 crore in the first two quarters due to a steep increase in fuel costs and the sudden de-preciation of the rupee.

However, SpiceJet reported a net loss of ₹316 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion move.

full year. The airline had reported a net profit of ₹56 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF) which resulted in a cost escalation of 10 per cent, and a 9 per cent depreciation of the rupee that resulted in overall cost escalation of 28 per cent.

SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 737 aircraft in July, significant improvements in yields, and prize slots at key airports.

Expansion plan
The statement adds that the airline is eyeing an aggressive expansion plan across both its domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
Chennai, May 28

India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹40 crore for the year ended March 31, 2019 when compared with ₹30.6 crore in the previous year.

Its revenue increased by 11 per cent to ₹511.55 crore for FY19 from ₹475.5 crore in FY18, after normalising FY18 turnover, which included ₹16.2 crore of incoming excise duty and taxes (pre-GST era), according to a statement.

On a consolidated basis, its net profit stood at ₹44 crore as against ₹34 crore. Its consolidated revenues grew 12.1 per cent for FY19 to ₹544.20 crore from ₹479 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 0 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
Mumbai, May 29

Public sector banks seem to be coming ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modified NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises, the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2019 and to be implemented by March end 2020) that are in default but 'standby' as on January 1, 2019; and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks
According to a Kotak Securities report, which is based on a MSME study by Transition CRM, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 100 bps, respectively, at the expense of PSBs.

PCA framework
PSBs are still the majority provider of credit to MSMEs (90 per cent share) but this has consistently reduced in the last five years (from 38 per cent in 2014). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs, the report said.

That PSBs have turned conservative vis-à-vis MSME lending is underpinned by the fact that State Bank of India reported a 2 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 5.8 per cent in March 2018 to 4.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'pibusinessminutes.com' and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 28

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹26 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT bench headed by Chairperson Justice SJ Mukhopadhyaya also observed this will be the "last chance" for Bakshi and HUDCO to settle the matter "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

(It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 26.

This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

filed against each before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month. However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement between McDonald's and Bakshi "contrary to law" of order passed by any judicial authority referring to the order passed by Debt Recovery Tribunal (DRT) which permitted

Bakshi to sell his shares in Connaught Plaza Restaurants Pvt Ltd (CPRL).
Bakshi's counsel Anil Shah opposed the NCLAT bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRT. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.66 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had earlier directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue vroom past the 20,000-mark

C BALACHANDRAN
Chennai, May 28

Hyundai Motor India Ltd (HMIL), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 2.

While the bookings touched 20,000 mark on Tuesday, the number of customers showed interest in

Hyundai Motor sports utility vehicle 'Venue'.

purchase touched 11 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest ever

traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikas Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU
New Delhi, May 28

IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹208.01 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year-ago period due to increase in interest cost as cross-subsidy of its projects but has a strong order book for the 2020 fiscal.

Group CEO Anil Yadav told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Solapur and Aurangabad, where projects are ongoing and the interest was charged in the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 1 per cent from ₹202 crore to ₹199.99 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹7,798.18 crore from ₹4,813.99 crore. For the whole year, income rose 18 per cent to ₹4,901 crore from ₹4,153 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 28

NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,109.95 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,053.26 crore to ₹3,819.40 crore.

The Income-Tax Department had disallowed a reversal of ₹468 crore and there was a hit of ₹33 crore as a retrospective mine closure charge to the bottomline in the fourth quarter of financial year 2018-19. This reduced the expenditure in the quarter under review, boosting the bottomline, a company statement said.

The company's production of iron ore during the fourth quarter is 10.59 million tonnes (MT), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.7 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, the total income was ₹2,741.63 crore as against ₹2,188.12 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,017.07 crore against ₹3,180.78 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹136-cr loss for full-year due to multiple headwinds

OUR BUREAU

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56 crore for the fourth quarter ended March 31 this year, a 22 per cent increase over the ₹46.2 crore profit posted at the same period the previous year.

The company reported an operating revenue of ₹2,523.3 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and restructuring basis, it reported a profit of ₹523.3 crore. A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of its Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursement or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and induct more planes on its fleet.

It also rationalised and optimised the use of its existing fleet. The statement says the airline's Chairman and Managing Director Ajay Singh said that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹47.2 crore in the first two quarters due to a steep increase in fuel costs and the sudden depreciation of the rupee.

However, SpiceJet reported a net loss of ₹396 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion.

full year. The airline had reported a net profit of ₹666.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF), which resulted in a cost escalation of ₹681 crore, and a 9 per cent depreciation of the rupee that resulted in overall cost escalation of ₹295 crore.

SpiceJet is confident of a strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 737 aircraft in July, significant improvements in yields and prime slots at key airports.

The statement adds that the airline is eyeing an aggressive expansion plan across both its domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU

Chennai, May 26
India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹49.4 crore for the year ended March 31, 2019 when compared with ₹30.6 crore in the previous year.

Its revenue increased by 11 per cent to ₹58.55 crore for FY19 from ₹52.5 crore in FY18, after normalising FY18 turnover, which included ₹16.2 crore of (income tax) excise duty and taxes (pre-GST era) according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore against ₹31 crore. Its consolidated revenues grew by 12 per cent for FY19 to ₹324.20 crore from ₹297 crore in FY18.

The board has declared a total dividend of 10 per cent. This comprises an interim dividend of 100 per cent payable on the final dividend of 50 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU

Hyderabad, May 26

Public sector banks seem to be cooling ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy in which the Modi-led NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans, green underwriting by the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2019 and to be implemented by March-end 2020) that are in default but "standards" as on January 1, 2019; and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks

According to a Kotak Securities report, which is based on a MSME study by TransUnion CIBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 300 bps, respectively, at the expense of PSBs.

PCA framework

"PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 50 per cent in 2014-15). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs," the report said.

It said PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, reversing the slower growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.43 per cent in March 2018 to 14.52 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as "pudumainstametes.com" and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU

Chennai, May 26

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹495 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT bench headed by Chairperson Justice SJ Athobhathian also observed this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 31.

This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

Bakshi to sell his shares in Coonango Plaza Restaurant Pvt Ltd (CPRL).

Bakshi's counsel Anil Sibal applied the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRI. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.85 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had on May 15 directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue vroom past the 20,000-mark

OUR BUREAU

Chennai, May 26

Hyundai Motor India Ltd (HML), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 21.

While the bookings touched 20,000-mark on Tuesday, the number of customers showed interest to

Hyundai Motor sports utility vehicle 'Venue'

purchase touched 1 lakh, said the company. "Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikas Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU

Chennai, May 26

IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit in ₹206.01 crore during the quarter ended March 31, 2019, as against ₹240 crore in the year-ago period due to increase in interest costs across some of its projects but has a strong order book for the 2019 fiscal.

Group CFO Anil Talwar told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Odisha and Andhra Pradesh, where projects are ongoing and the interest was charged to the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 8 per cent from ₹290 crore to ₹269.96 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹1,099.91 crore from ₹1,412.07 crore. For the whole year, income rose 18 per cent to ₹4,993 crore from ₹4,261 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU

New Delhi, May 26

NMDC Ltd has reported a net profit of ₹1,453.37 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,065.85 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,052.16 crore to ₹3,429.49 crore.

The Income Tax Department had disallowed a reversal of ₹105 crore and there was a hit of ₹35 crore as a retrospective mine closure charge to its bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline. A company statement said.

The company's production of iron ore during the fourth quarter is 10.59 million tonnes (mt), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.17 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹2,741.63 crore as against ₹2,128.13 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,537.47 crore against ₹3,922.79 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹16-cr loss for full-year due to multiple headwinds

OUR BUREAU
New Delhi, May 29

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56.3 crore for the fourth quarter ended March 31 (16p), a 22% per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,322.2 crore for the latest quarter, while on the EBITDA front, after before interest, taxes, depreciation, amortisation and restructuring costs, it reported a profit of ₹123.3 crore.

A statement issued by the airline said that it managed an impressive recovery in the last two quarters after suffering a loss of ₹42.3 crore in the first two quarters due to a steep increase in fuel costs and the sudden depreciation of the rupee.

However, SpiceJet reported a net loss of ₹16.8 crore for the

quarterly profits do not include any form of reimbursements or compensations for the grounded aircraft for which the airline continues to work with the manufacturers.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and launch more planes on wet lease. It also rationalised and optimised its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay as saying that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹42.3 crore in the first two quarters due to a steep increase in fuel costs and the sudden depreciation of the rupee.

However, SpiceJet reported a net loss of ₹16.8 crore for the

SpiceJet is confident of a strong performance in fiscal 2019 as it has planned a massive fleet expansion over the

full year. The airline had reported a net profit of ₹66.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF) which resulted in a cost escalation of ₹695 crore, and a 9 per cent depreciation of the rupee that resulted in overall cost escalation of ₹281 crore.

SpiceJet is confident of a strong performance in fiscal 2019 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 777 aircraft in July, significant improvements in yields and prime slots at key airports.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
Gurgaon, May 29

India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 10 per cent increase in its profit after tax at ₹40.4 crore for the year ended March 31, 2019 when compared with ₹31.06 crore in the previous year.

Its revenue increased by 11 per cent to ₹515.55 crore for FY19 from ₹475.5 crore in FY18, after normalising FY18 turnover, which included ₹16.2 crore of incoming excise duty and taxes (pre-GST era), according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹38 crore. Its consolidated revenues grew 13.2 per cent for FY19 to ₹524.20 crore from ₹479 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 80 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
Mumbai, May 29

Public sector banks seem to be ending ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy in which the Modi-led NDA governments set great store due to its potential for self-employment, employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2018 and to be implemented by March-end 2020) that are in default but 'standstill' as on January 1, 2019; and capital controls have slowed down credit flow from PNBs to MSMEs.

Lending by private banks According to a Kotak Securities report, which is based on a MSME study by TransAction CBIL, majority of the year-over-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points (bps) and about 300 bps, respectively, at the expense of PSBs.

PCA framework PNBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 58 per cent in 2013/14). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs, the report said.

PSBs have turned conservative vis-à-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.43 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PNBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'yashwanthi@ministryofmsme' and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 29

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the executive joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹95 crore in relation to a loan granted to an entity controlled by Bakshi.

The five-member NCLAT Bench headed by Chairperson Justice SJ Mukhopadhyaya also observed that this will be the 'last chance' for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The hearing is scheduled for July 30.

The direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

Bakshi to sell his shares in Connaught Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Amir Sibal apprised the NCLAT Bench that Bakshi had deposited ₹50 crore on Tuesday morning with DRI. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.85 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had even on May instructed Bakshi and HUDCO to explore possibility of settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue vroom past the 20,000-mark

C BALACHANDAR
Chennai, May 29

Hyundai Motor India Ltd (HMIL), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 21.

While the bookings touched 20,000-mark on Tuesday, the number of customers showed interest to

Hyundai Motor sports utility vehicle-Venue

purchase touched 11 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikas Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as it has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU
New Delhi, May 29

IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹204.01 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year-ago period due to increase in interest cost on construction of its projects but has a strong order book for the 2019 fiscal.

Group CEO and Vice Chair Rameshwar Reddy said interest cost has gone up 50 per cent for three projects in Rajasthan, Odisha and Andhra Pradesh, where projects are ongoing and the interest was charged to the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 8 per cent from ₹200 crore to ₹185.55 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹1,996.90 crore from ₹1,322.40 crore. For the whole year, income rose 18 per cent to ₹6,993 crore from ₹5,840 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 29

NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,065.85 crore in the same quarter of the previous financial year.

But total income during the quarter, under review, fell from ₹4,053.45 crore to ₹3,809.40 crore.

"The Income Tax Department had disallowed a reversal of ₹115 crore and there was a hit of ₹35 crore at a retrospective mine closure charge to the bottomline in the fourth quarter of financial year 2018-19. This reduced the expenditure in the quarter under review, boosting the bottomline," a company statement said.

The company's production of iron ore during the fourth quarter is 85.59 million tonnes (MT), registering a decrease of 7 per cent over the corresponding period last year while sales of iron ore were 10.17 MT, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹12,241.63 crore as against ₹12,238.33 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,637.07 crore against ₹4,862.79 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU
New Delhi, May 26

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56 crore for the fourth quarter ended March 31 this year, a 22 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,523 crore for the latest quarter, while on the EBITDA or earning before interest, taxes, depreciation, amortisation and rent/restructuring basis, it reported a profit of ₹323 crore.

A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of its Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursements or compensations for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and induct more planes on net lease. It also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay Arora saying that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹22.5 crore in the first two quarters due to a sharp increase in fuel costs and the sudden de-preciation of the rupee.

However, Arora reported a net loss of ₹136 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion.

full year. The airline had reported a net profit of ₹66.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF) which resulted in a cost escalation of ₹65 crore, and a 9 per cent depreciation of the rupee that resulted in overall cost escalation of ₹28.5 crore.

SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 737 aircraft in July, significant improvements in yields and prime slots at key airports.

Expansion plan
The statement adds that the airline is eyeing an aggressive expansion plan across both its domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
New Delhi, May 26

India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 10 per cent increase in its profit after tax at ₹40 crore for the year ended March 31, 2019 when compared with ₹36.06 crore in the previous year.

Its revenue increased by 11 per cent to ₹318.55 crore in FY19, after normalising FY18 turnover, which included ₹16.2 crore of incoming excise duty and taxes (pre-GST era), according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹38 crore. Its consolidated revenues grew 13.2 per cent from ₹294.20 crore in FY18 to ₹334.20 crore in FY19.

The board has declared a total dividend of 60 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 100 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
Mumbai, May 26

Public sector banks seem to be cooing ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modi-led NDA government set great store due to its potential for self-employment, employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2018 and to be implemented by March-2020) that are in default but are not to be implemented by March-2020; and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks
According to a Kotak Securities report, which is based on a MSME study by Transition CBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 300 bps, respectively, at the expense of PSBs.

PCA framework

"PSBs are still the majority provider of credit to MSMEs (60 per cent share), but this has considerably reduced in the last five years (from 58 per cent in QOY14). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs," the report said.

that PSBs have turned conservative since MSME lending is underpinned by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, among the slower growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.45 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'bidministry' and 'Trade Receivables Discounting System'.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 26

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹16 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairperson Justice J. Mukhopadhyaya also observed this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 31.

This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

filed against each before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month. However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

During the proceedings on Tuesday, the appellate tribunal also reiterated its demand that it cannot allow any settlement (between McDonald's and Bakshi) in "contravention" of an order passed by any judicial authority relating to the order passed by the appellate tribunal (AT) which restricted

Bakshi to sell his shares in Coonahga (Flora Restaurants Pvt Ltd) (CFLR).

Bakshi's counsel Amb Shal applied to the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRI. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.85 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹20 crore. The appellate tribunal had earlier on May 15 directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CFLR, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

tration and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikram Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

Bookings for Hyundai's Venue vroom past the 20,000-mark

BALACHANDRAN
Chennai, May 26

Hyundai Motor India Ltd (HMIL), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, when the new SUV was formally rolled out on May 21.

While the bookings touched 20,000-mark on Tuesday, the number of customers showed interest to

Hyundai Motor Sports utility vehicle Venue

purchase touched 1 lakh, said the company.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 26

NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,069.85 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,053.46 crore to ₹3,829.40 crore.

"The Income-Tax Department had disallowed a reversal of ₹65 crore and there was a hit of ₹35 crore as a retrospective mine closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline," a company statement said.

The company's production of iron ore during the fourth quarter is 0.59 million tonnes (mt), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.17 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹12,241.63 crore as against ₹12,138.11 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,652.07 crore against ₹4,802.29 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU
Mumbai, May 28

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56.3 crore for the fourth quarter ended March 31 this year, a 22 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,833.8 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and restructuring basis, it reported a profit of ₹323.3 crore.

A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of a Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursement or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and launch more planes on wet-lease. It also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay Joshi as saying that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹42.5 crore in the first two quarters due to a steep increase in fuel costs and the sudden depreciation of the rupee.

However, SpiceJet reported a net loss of ₹316.6 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion within

full year. The airline had reported a net profit of ₹56.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF), which resulted in a cost escalation of 667 crore, and a 9 per cent depreciation of the rupee that resulted in overall cost escalation of ₹295 crore.

SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 737 aircraft in July, significant improvements in yields and lower costs at key airports.

Expansion plan
The statement adds that the airline is executing an aggressive expansion plan across both its domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
Chennai, May 28

India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹40.4 crore for the year ended March 31, 2019 when compared with ₹31.06 crore in the previous year.

Its revenue increased by 11 per cent to ₹185.5 crore for FY19 from ₹167.5 crore in FY18, after normalising FY18 turnover, which included ₹36.2 crore of increasing excise duty and taxes (pre-GST rate), according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore against ₹28 crore. Its consolidated revenues grew 13.2 per cent for FY19 to ₹242.40 crore from ₹214.90 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 40 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
Mumbai, May 28

Public sector banks seem to be cooing ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy in which the Modi-led NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by RBI from January 1, 2018 and to be implemented by March 31, 2020) that are in default but 'standard' as on January 1, 2018; and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks
According to a Kotak Securities report, which is based on a MSME study by TransUnion CIBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 300 bps, respectively, at the expense of PSBs.

PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 58 per cent in 2013). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs, the report said.

That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.43 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'pudma.msmeprimes.com' and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 28

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed completion of 95 per cent in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairperson Justice S. Mahalingam also observed that this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 10.

This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

Bakshi to sell his shares in Connaught Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Amit Sibal apprised the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with HUDCO. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.83 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹20 crore. The appellate tribunal had even on May 15 directed Bakshi and HUDCO to explore possibility of settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have resolved this settlement after being embroiled in a bitter legal feud for nearly six years.

filed against each before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month.

However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement between McDonald's and Bakshi in "contumacious" or an order passed by any individual authority referring to the order passed by Debt Recovery Tribunal (DRT) which restricted

Bookings for Hyundai's Venue vroom past the 20,000-mark

OUR BUREAU
Chennai, May 28

Hyundai Motor India Ltd (HMIL), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 3, while the new SUV was formally rolled out on May 21.

While the bookings touched 20,000-mark on Tuesday, the interest of customers showed increase to

Hyundai Motor Sports utility vehicle Venue

purchase touched 1 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far 10,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikram Joshi, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India. The company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU
Mumbai, May 28

IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹206.60 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year ago period due to increase in interest cost across some of its projects but has a strong order book for the 2020 fiscal.

Group CFO Adi Sadas told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Solapur and Aurangabad, where projects are ongoing and the interest was charged to the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 1 per cent from ₹200 crore to ₹194.90 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose ₹1,996.91 crore from ₹1,442.80 crore. For the whole year, income rose 18 per cent to ₹6,203 crore from ₹5,263 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 28

NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,030.99 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,052.88 crore to ₹3,829.49 crore.

The Income Tax Department had disallowed a reversal of ₹163 crore and there was a hit of ₹25 crore as a pre-mature closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline, a company statement said.

The company's production of iron ore during the fourth quarter is 81.50 million tonnes (mt), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.17 mt, which is about 3 per cent less than that of the corresponding year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹12,243.63 crore as against ₹12,138.42 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,037.07 crore against ₹3,802.29 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹16-cr loss for full-year due to multiple headwinds

OUR BUREAU
New Delhi, May 26

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56 crore for the fourth quarter ended March 31 this year, a 22 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,333 crore for the latest quarter, while on the EBITDA or carrying before interest, taxes, depreciation, amortisation and restructuring costs, it reported a profit of ₹33 crore.

A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and ailing of its Boeing 777 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursement or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this credit has led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and to divert more planes on wet lease.

It also rationalised and optimised the use of its existing fleet.

The statement quoted the airline's Chairman and Managing Director Jay Aswani saying that the airline has managed multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF) which resulted in a cost escalation of ₹65 crore, and a 9 per cent depreciation in fuel costs and the sudden rise in the price of the paper.

However, SpiceJet reported a net loss of ₹16 crore for the

SpiceJet is confident of a strong performance in fiscal 2019 as it has planned a massive fleet expansion over the

full year. The airline had reported a net profit of ₹56.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF) which resulted in a cost escalation of ₹65 crore, and a 9 per cent depreciation of the paper that resulted in overall cost escalation of ₹25 crore.

SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 777 aircraft in July, significant improvements in yields and prime slots at key airports.

Expansion plan
The statement adds that the airline is eyeing an aggressive expansion plan across both domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU

Chennai, May 26
India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 10 per cent increase in its profit after tax at ₹40 crore for the year ended March 31, 2019 when compared with ₹36 crore in the previous year.

Its revenue increased by 11 per cent to ₹515.55 crore for FY19 from ₹475.5 crore in FY18, after normalising FY18 turnover, which included ₹16.32 crore of Incoming exchange duty and taxes (pre-GST era) according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore against ₹38 crore. Its consolidated revenues grew 12 per cent for FY19 to ₹524.20 crore from ₹478 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 50 per cent payable now and a final dividend of 50 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU

Mumbai, May 26
Public sector banks seem to be cooling down private sector banks and non-banking financial companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modi-led NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2019 and to be implemented by March end 2020) that are in default but "standstill" as on January 1, 2019; and capital constraints have slowed down credit flow from MSMEs.

(By) and about 100 bps, respectively, at the expense of PSBs.

PCA framework

"PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 50 per cent in 2014-15). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs," the report said.

That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.45 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and StartUp India may be overhauled so that PSBs are encouraged to lend more to MSME. Also, these banks are likely to be asked to step up their activity on online platforms such as "jyotiyanjanyam.com" and Trade Receivables Discounting System.

Lending by private banks
According to a Kotak Securities report, which is based on a MSME study by Transilvian CBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU

New Delhi, May 26
The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹15 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT bench headed by Chairperson Justice SJ Mahapatra also observed this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 10.

This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

filed against each other before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month. However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

During the proceeding on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement between McDonald's and Bakshi in "controversy" of an order passed by any judicial authority relating to the order passed by Debt Recovery Tribunal (DRT) which restricted

Vikram Bakshi

Bakshi to sell his shares in Coonraige Plaza Restaurant Pvt Ltd (CPRL).

Bakshi's counsel Amit Sibal approved the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRT. He also informed that an amount of ₹46 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.65 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹20 crore. The appellate tribunal had even on May 1 directed Bakshi and HUDCO to explore possibility of settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue vroom past the 20,000-mark

C BALACHANDAR

Chennai, May 26
Hyundai Motor India Ltd (HMIT), the country's second-largest passenger vehicle marketer, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, when the new SUV was formally rolled out on May 21.

While the bookings touched 20,000-mark on Tuesday, the number of customers showed interest to

purchase touched 11 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

Hyundai Motor sports utility vehicle 'Venue'

traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikram Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU

New Delhi, May 26
IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹2,000 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year-ago period due to increase in interest costs as well as some of its projects but has strong order book for the 2020 fiscal.

Group CFO Anil Yadav told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Odisha and Andhra Pradesh where projects are ongoing and the interest was charged to the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 1 per cent from ₹200 crore to ₹199.96 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹1,996.91 crore from ₹1,832.80 crore. For the whole year, income rose 59 per cent to ₹6,963 crore from ₹4,363 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU

New Delhi, May 26
NMDC Ltd has reported a net profit of ₹1,453.27 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,069.85 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,653.48 crore to ₹4,009.40 crore.

The Income Tax Department had disallowed a reversal of ₹165 crore and there was a hit of ₹35 crore as a retrospective mine closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline, a company statement said.

The company's production of iron ore during the fourth quarter is 10.59 million tonnes (mt), registering a decline of 7 per cent over the

corresponding period last year while sales of iron ore were 10,17,011 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, the financial year 2018-19, the total income was ₹12,241.62 crore against ₹12,228.83 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,63,737 crore against ₹3,20,279 crore in the previous year.

Business line
A business line represents a single, well-defined operation or unit of an enterprise, which is reported separately in the company's financial statements. It is a part of the enterprise that is distinct from other parts of the enterprise and is capable of being identified as a separate business line.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹16-cr loss for full-year due to multiple headwinds

OUR BUREAU
New Delhi, May 23

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56.6 crore for the fourth quarter ended March 31 this year, a 22 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,333.1 crore for the latest quarter, while for the FY19Q4 or earnings before interest, taxes, depreciation, amortisation and restructuring costs, it reported a profit of ₹323.3 crore. A statement issued by the airline said that it managed to increase its profitability despite challenges of seasonality and grounding of its Boeing 777 MAX aircraft.

quarterly profits do not include any form of reimbursements or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and induct more planes on wet lease. It also rationalised and optimised the use of its existing fleet.

However, SpiceJet reported a net loss of ₹26.6 crore for the

SpiceJet is confident of a strong performance in fiscal 2019 as it has planned a massive fleet expansion.

full year. The airline had reported a net profit of ₹566.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF), which resulted in a cost escalation of ₹69 crore, and a 9 per cent depreciation of the rupee that resulted in overall cost escalation of ₹26.6 crore.

SpiceJet is confident of a strong performance in fiscal 2019 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 777 aircraft in July, significant improvements in yields and prime slots at key airports.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
Chennai, May 23

India Motor Parts & Accessories, a PVS Group company engaged in the distribution of automobile parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹40.4 crore in the year ended March 31, 2019 when compared with ₹3.06 crore in the previous year.

Its revenue increased by 11 per cent to ₹318.55 crore from ₹287.5 crore in FY18, after normalising FY18 turnover, which included ₹16.2 crore of incoming excise duty and taxes (pre-GST era) according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹11.07 crore. Its consolidated revenue grew 13.2 per cent to ₹79.9 to ₹74.20 crore from ₹479 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable ad hoc and a final dividend of 100 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
New Delhi, May 23

Public sector banks seem to be edging ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy in which the Modi-led NDA government set great store due to its potential for self-employment, employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2018 and to be implemented by March end 2020) that are in default but "standstill" as on January 1, 2018; and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks

According to a Kotak Securities report, which is based on a MSME study by TransUnion CIBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 300 bps, respectively, at the expense of PSBs.

PCA framework: "PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 58 per cent in 2014). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs," the report said.

That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The MSME sector in SBI's gross domestic credit has declined from 15.45 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting to elect banking experts for its flagship programmes such as Mudra loan scheme and Startup India may be overwhelmed so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'yobimint.com' and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 23

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹16 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairman Justice S. Mahalingam also observed this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 15. This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

Bakshi to sell his shares in Co-naught Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Amit Shil approved the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with L&L. He also informed that an amount of ₹46 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.85 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had given in May 2018 directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement (between McDonald's and Bakshi) "contingent" of an order passed by any judicial authority referring to the order passed by Debt Recovery Tribunal (DRT) which restricted

purchase involved in lakh, said the company.

"Hyundai Venue is the talk of the town at our dealerships exhibiting highest ever

traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikas Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

corresponding period last year while sales of firm are over ₹17 m, which is about 3 per cent less than that of the same period last year, a company statement said.

"On a consolidated basis, in the financial year 2018-19, the total income was ₹12,741.03 crore as against ₹12,138.13 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,637.07 crore against ₹1,903.79 crore in the previous year.

IRB Infra Q4 profit falls 13%

OUR BUREAU
Mumbai, May 23

IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹208.01 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year-ago period due to increase in interest costs across some of its projects but a strong order book for the 2020 fiscal.

Group CFO Anil Kumar told Businessline that interest expense has gone up 50 per cent for three projects in Rajasthan, Solapur and Aurangabad, where projects are ongoing, and the interest was charged to the balance sheet.

For the entire fiscal, IRB's consolidated net profit went down by 1 per cent from ₹920 crore to ₹849.96 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹3,999.99 crore from ₹1,412.21 crore. For the whole year, income rose 1 per cent to ₹6,993 crore from ₹6,863 crore in the 2018 fiscal.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

CHENNAI
SpiceJet reported a net profit of ₹56 crore for the fourth quarter ended March 31, 2019, a 22 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,533 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and rent/restructuring basis, it reported a profit of ₹533 crore.

A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of 13 Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursement or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to higher cancellations and passenger disruptions but it was able to operate additional frequencies and increase more planes on set routes. It also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director as saying that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹422.5 crore in the first two quarters as it steps into a recovery in fuel costs and the stabilisation of the rupee.

However, SpiceJet reported a net loss of ₹316 crore for the

IMPAL posts ₹40-crore profit in FY19

CHENNAI
India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 10 per cent increase in its profit after tax at ₹40.4 crore for the year ended March 31, 2019 when compared with ₹31.06 crore in the previous year.

Its revenue increased by 11 per cent to ₹515.5 crore for FY19 from ₹475.5 crore in FY18, after normalising FY18 turnover, which included ₹16.2 crore of incoming excise duty and taxes (pre-GST era) according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹31 crore. Its consolidated revenues grew 13.2 per cent for FY19 to ₹224.2 crore from ₹197 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 50 per cent payable now and a final dividend of 50 per cent, subject to the approval of the shareholders.

Expansion plan
The statement adds that the airline is eyeing an aggressive expansion plan across both domestic and international networks.

Lending to MSME sector to get a fillip

NEW DELHI
Monday, May 20

Public sector banks seem to be cooling ground to private sector banks and non-banking financial companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modified NDA government set great store due to its potential for self-employment, employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2018 and to be implemented by March end 2020) that are in default but 'standards' as on January 1, 2018; and capital commitments have slowed down credit flow from MSMEs to MSMEs.

Lending by private banks
According to a KPMG Securities report, which is based on a MSME Study by TransUnion CIBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 200 bps, respectively, at the expense of PSBs.

PSB framework
PSBs are still the majority provider of credit to MSMEs (60 per cent share) but this has consistently reduced in the last five years (from 58 per cent in Q4 FY14). However, going forward, we expect this trend to moderate, as more PSBs come out of the PCA (prudent corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs," the report said.

That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, reversing the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.43 per cent in March 2018 to 14.30 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'jobinsights9minutes.com' and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

CHENNAI
Tuesday, May 29

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle his dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹19 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairperson Justice S. Madhupratibha also observed this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 20. This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

filed against each before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month. However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement between McDonald's and Bakshi in "contumacious" of an order passed by any judicial authority relating to the order passed by Debt Recovery Tribunal (DRT) which restricted

Bakshi to sell his shares in Co-management Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Anil Shal approved the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRT. He also informed that an amount of ₹16 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.65 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹10 crore. The appellate tribunal had over on May 15 directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 5, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue vroom past the 20,000-mark

CHENNAI
Thursday, May 23

Hyundai Motor India Ltd (HAIL), the country's second largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 21.

While the bookings touched 20,000 mark on Tuesday, the number of customers showed interest to

Hyundai Motor sports utility vehicle 'Venue'

purchase touched 21 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far 20,000+ customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikram Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

CHENNAI
Monday, May 20

IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹208.01 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year ago period due to increase in interest costs across some of its projects but has a strong order book for the 2020 fiscal.

Group CFO Anil Yadav told BusinessLine that the expense has gone up 10 per cent for three projects in Rajasthan, Solapur and Aurangabad, where projects are ongoing and the interest was charged in the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 9 per cent from ₹200 crore to ₹182.99 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹596.91 crore from ₹1,422.20 crore. For the whole year, income rose 18 per cent to ₹5,001 crore from ₹4,261.65 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

CHENNAI
Monday, May 20

NMDC Ltd has reported a net profit of ₹1,453 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,105 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,651.36 crore to ₹3,838.49 crore.

The Income-Tax Department had disallowed a reversal of ₹16 crore and there was a hit of ₹75 crore as a respective time closure charge to the headline in the fourth quarter of financial year 2018-19. This reduced the expenditure in the quarter under review, boosting the bottomline," a company statement said.

The company's production of iron ore during the fourth quarter is 10.39 million tonnes (mt), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.17 mt, which is about 7 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹2,254.63 crore as against ₹2,183.82 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,527.07 crore against ₹3,803.29 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a 22% profit of ₹56 crore in the fourth quarter ended March 31, 2015, up from a ₹46.2 crore profit in the same period the previous year.

The company reported an operating revenue of ₹2,513 crore for the latest quarter, while on the EBITDA (excluding before interest, taxes, depreciation, amortisation, foreign exchange, and other non-recurring items) it reported a profit of ₹253 crore.

Astute management by the airline said that it managed an increase in productivity, cost-cutting, optimisation of resources and growth of its Boeing 737 MAX fleet.

It added that the airline

regularly profits due to its close air-traffic management or compensation for the grounded aircraft for which the airline continues to work with the manufacturers.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and fly more planes on wet lease. It also optimised and restructured the pool of financing fleet.

The statement quoted the airline's Chairman and Managing Director, Jayasingh, that the airline has posted a strong recovery in the last two years after suffering a loss of ₹423 crore in the first two quarters of 2014 to cope with the jet's return and the withdrawal of the carrier.

However, Jayasingh reported a net loss of ₹218 crore for the

SpiceJet is confident of a strong performance in fiscal 2015 as it has started to receive fleet examinations.

full year. The airline had reported a net profit of ₹36 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF), which resulted in a cost escalation of ₹28 crore, and a 10 per cent depreciation of the fleet. The overall increase in overall cost, including of ATF, was ₹100 crore.

SpiceJet is confident of a

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU

India Motor Parts & Accessories, a 75 startup company engaged in the distribution of automobile parts and accessories, has reported a 20 per cent increase in its profit after tax at ₹40 crore for the year ended March 31, 2015, when compared with ₹104 crore in the previous year.

The revenue increased by 11 per cent to ₹105 crore for FY19 from ₹94.5 crore in FY18 after normalising the turnover, which included ₹102 crore of incoming excise duty and taxes (net GST rate) according to a statement.

The consolidated basic, net profit stood at ₹20 crore against ₹10 crore in FY18. The consolidated revenue grew 12 per cent for FY19 to ₹242 crore from ₹214 crore in FY18.

The board has declared a total dividend of 80 per cent, which consists an interim dividend of 10 per cent payable and a final dividend of 70 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU

Public sector banks seem to be lending more to private sector banks and raising finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Ministry of Finance has set great store due to its potential for self-employment, generation and retention of jobs, and economic growth.

However, a host of factors, including rising bad loans, have hindered the government's flagship MSME loan scheme, which is aimed at extending affordable credit to micro and small enterprises. The slow time taken for setting up MSME loans (performed by the RBI from January 2015 and to be implemented by March end 2015) that are in default but stand-off and January 2015 and capital requirements have slowed down credit flow from MSMEs.

Lending by private banks

According to a recent research report which is based on a MSME study by 20th March 2015, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY15 came from private banks and NBFCs with market share increasing by about 400 basis points.

(Up) and about 200 bps, respectively at the expense of PSBs.

PSBs are still the majority provider of credit to MSMEs (60 per cent share), but this has consistently reduced in the last five years from 58 per cent in FY14. However, going forward we expect this trend to continue as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shown up in the numbers for NPAA of the report.

The PSBs have started conservative approach MSME lending is underlined by the fact that more than 60% of loans reported a 6 per cent year-over-year increase in March 2015, following the slowest growth among all categories of domestic lending. The share of MSME sector in total gross disbursements by PSBs stood at 14.5 per cent in March 2015 to 14.20 per cent in March 2014.

With the MSME government getting better, banking experts feel that flagship programmes such as Mudra loan scheme and Start-Up India may be overlaid as that PSBs are encouraged to lend more to MSME. Also, these banks are likely to be asked to step up their active financing platform such as 'collateral-free loans' and 'trade receivable financing system'.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the chairman of National Company Law Tribunal, to settle the dispute with HUDCO in four weeks, warning and threatening to discontinue the proceedings.

Corporation of India (COI) has asked the tribunal to direct HUDCO to pay an amount of ₹100 crore to the appellant.

The two-member NCLAT bench headed by the tribunal Justice G. Kulkarni has also directed that the appellant should file a copy of the order to the respondent within 30 days of the order.

The chairman of NCLAT, Justice G. Kulkarni, has also directed that the appellant should file a copy of the order to the respondent within 30 days of the order.

The chairman of NCLAT, Justice G. Kulkarni, has also directed that the appellant should file a copy of the order to the respondent within 30 days of the order.

Bookings for Hyundai's Venue vroom past the 20,000-mark

OUR BUREAU

Hyundai Motor India Ltd (HML) the country's second largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the first SUV was formally rolled out on May 20.

While the bookings touched 20,000-mark on Tuesday, the number of the interest showed interest in the

Hyundai Venue sports electric vehicle version.

purchase touched 1 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest ever

reservations and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and interior features," Vikram Bakshi, National Sales Head, Hyundai Motor India, told Business Line.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been applying this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU

IRB Infrastructure Developers has reported a 13% per cent decline in consolidated net profit to ₹200 crore during the fourth quarter ended March 31, 2015, as against ₹230 crore in the year-ago period. The increase in interest cost was a key driver of the decline, but was offset by the higher profit for the year-ago period.

Group CFO and India unit head, Rajiv Kumar, said that the interest cost was a key driver of the decline, but was offset by the higher profit for the year-ago period.

Group CFO and India unit head, Rajiv Kumar, said that the interest cost was a key driver of the decline, but was offset by the higher profit for the year-ago period.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU

NMDC Ltd has reported a net profit of ₹1,453 crore for the fourth quarter ended March 31, 2015. This represents a 31 per cent increase over the net profit of ₹1,109 crore in the fourth quarter of the previous financial year.

Net total income during the quarter under review fell from ₹4,691 crore to ₹3,940 crore.

The Finance Dept. had disclosed a reversal of ₹45 crore and there was a lot of ₹15 crore as a result of the change in the

corresponding period last year while vice versa one was ₹1,109 crore, which is about a 31 per cent increase over the same period last year, a company statement said.

On a consolidated basis, in the financial year 2015, the total income was ₹2,583 crore as against ₹2,181 crore during the previous year.

For the NMDC Group, net profit for the financial year 2015-16 was ₹4,677 crore against ₹3,962 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU
Mumbai, May 28

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56 crore for the fourth quarter ended March 31, this year, a 22 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,523.3 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation, and restructuring costs, it reported a profit of ₹523.2 crore.

A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of its Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursement or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and induct more planes on set routes. It also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay Singh, saying that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹423.5 crore in the first two quarters due to a steep increase in fuel costs and the sudden depreciation of the rupee.

However, SpiceJet reported a net loss of ₹236 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion drive.

half year. The airline had reported a net profit of ₹166.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF) which resulted in a cost escalation of ₹65 crore, and a 9 per cent depreciation of the rupee that resulted in overall cost escalation of ₹285 crore.

SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 737 aircraft in July, significant improvements in yields and prime slots at key airports.

Expansion plan
The statement adds that the airline is eyeing an aggressive expansion plan across both its domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
Chennai, May 28

India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 10 per cent increase in its profit after tax at ₹40.8 crore for the year ended March 31, 2019 when compared with ₹31.06 crore in the previous year.

Its revenue increased by 11 per cent to ₹365.5 crore for FY19 from ₹328.5 crore in FY18, after normalising FY18 turnover, which included ₹16.1 crore of incoming excise duty and taxes (pre-GST era), according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore against ₹31 crore. Its consolidated revenues grew 13.2 per cent for FY19 to ₹524.25 crore from ₹478 crore in FY18. The board has declared a total dividend of 100 per cent. This comprises an interim dividend of ₹10 per cent payable now and a final dividend of 90 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
Mumbai, May 28

Public sector banks seem to be coming ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modified NDA government was clear since its inception to support self-employment, employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises, the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2019 and to be implemented by March 2020) that are in default but "standard" as on January 1, 2019, and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks
According to a FitchI Securities report, which is based on a MSME study by Transaction CBIL, majority of the year-on-year increase in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 300 bps, respectively, at the expense of PSBs.

PCA framework
"PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 50 per cent in FY04/05). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA [prompt corrective action] framework and the impact of liquidity issues shows up in the numbers for NBFCs," the report said.

That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.45 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as "pibankmsme.com" and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 28

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle his dispute with HUDCO in four weeks. Housing and Urban Development Corporation

(HUDCO) has already claimed unpaid dues of ₹19 crore in relation to a loan granted to an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairperson Justice S. Mahalingam also directed that the parties should file an affidavit in this regard within four weeks. The next hearing is scheduled for July 10.

The direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

filed against each before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month. However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement between McDonald's and Bakshi in "contumacious" or an order passed by any judicial authority referring to the order passed by Debt Recovery Tribunal (DRT) which restricted

Bakshi to sell his shares in Coonahgaat Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Amit Mital apprised the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRT. He also informed that an amount of ₹46 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.65 acre is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had even in May directed Bakshi and HUDCO to explore possibility of settlement while admitting HUDCO's intervention plea.

On May 6, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

The Venue is Hyundai's first compact MPV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

Bookings for Hyundai's Venue vroom past the 20,000-mark

OUR BUREAU
Chennai, May 28

Hyundai Motor India Ltd (HMIL), the country's second largest passenger vehicle maker, has secured more than 20,000 bookings for its compact MPV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new MPV was formally rolled out on May 21.

While the bookings touched 20,000 mark on Tuesday, the number of customers showed interest to

Hyundai Motor sports utility vehicle 'Venue'

purchase touched 1 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikram Jain, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact MPV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU
Mumbai, May 28

IRB Infrastructure Developers Ltd reported a 13.4 per cent decline in consolidated net profit to ₹296.0 crore during the quarter ended March 31, 2019 as against ₹340 crore in the year-ago period due to increase in interest cost on various loans of its projects but has a strong order book for the 2020 fiscal.

Group CFO Anil Yadav told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Odisha and Andhra Pradesh, where projects are ongoing and the interest was charged to the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by 8 per cent from ₹320 crore to ₹296.0 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹396.91 crore from ₹1,323.01 crore. For the whole year, income rose 10 per cent to ₹1,603 crore from ₹1,463 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 28

NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,065.55 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,625.41 crore to ₹4,129.40 crore.

"The Income Tax Department had disallowed a reversal of ₹765 crore and there was a hit of ₹35 crore as a retrospective minor closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline," a company statement said.

"The company's production of iron ore during the fourth quarter is 10.53 million tonnes (mt), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.77 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹12,246.52 crore as against ₹12,128.33 crore during the previous year.

For the NMDC group, net profit for the financial year 2018-19 was ₹4,623.77 crore against ₹3,802.79 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU
Chennai, May 28
Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56 crore for the fourth quarter ended March 31 this year, a 21% per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,533 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and restructuring costs, it reported a profit of ₹122.2 crore. A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of 13 Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursements or compensation for the grounded aircraft for which the airline continues to work with the manufacturer. The airline said that this continued led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and induct more planes on wet lease. It also rationalised and optimised the use of its existing fleet. The statement quoted the airline's Chairman and Managing Director Ajay as saying that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹427.5 crore in the first two quarters due to a steep increase in fuel costs and the sudden de-regularisation of the types. However, SpiceJet reported a net loss of ₹316.6 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion

full year. The airline had reported a net profit of ₹66.6 crore in the previous year. The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the period aviation turbine fuel (ATF) which resulted in a cost escalation of ₹65 crore, and a 9 per cent depreciation of the fleet that resulted in overall cost escalation of ₹295 crore. SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 737 aircraft in July, significant improvements in yields and prime slots at key airports.

Expansion plan
The statement adds that the airline is eyeing an aggressive expansion plan across both its domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
Chennai, May 28
India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹40.4 crore for the year ended March 31, 2019 when compared with ₹31.09 crore in the previous year. Its revenue increased by 11 per cent to ₹315.55 crore for FY19 from ₹283.5 crore in FY18, after normalising. FY18 turnover, which included ₹16.2 crore of incoming estate duty and taxes (pre-GST era) according to a statement.

On a consolidated basis, its net profit stood at ₹1 crore as against ₹31 crore in FY18. The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 100 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
New Delhi, May 28
Public sector banks seem to be ceding ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy in which the Modi-led NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 2018 and to be implemented by March-end 2020) that are in default but "standstill" as on January 1, 2019; and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks
According to a Kotak Securities report, which is based on a MSME study by TransUnion CIBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 300 bps, respectively, at the expense of PSBs. **PCA framework**
PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 56 per cent in 2014). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs, the report said. That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that state bank of India reported a 7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 13.45 per cent in March 2018 to 14.50 per cent in March 2019. With the NDA government getting re-elected, banking experts feel that its flagship programmes, such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as "India's credit ecosystem" and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 28

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹195 crore in relation to a loan granted in an entity controlled by Bakshi. The two-member NCLAT Bench headed by Chairperson Justice S J Mukhopadhyay also observed this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added. It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 10. This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

filed against each before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month. However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process. During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement between McDonald's and Bakshi in "contumacious" or under duress by any judicial authority referring to the order passed by Debt Recovery Tribunal (DR) which restricted

Bakshi to sell his shares in Connaught Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Amit Shil approved the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRB. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.65 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹50 crore. The appellate tribunal had given on May 14, directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea. On May 15, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue vroom past the 20,000-mark

C.BALACHANDRAN
Chennai, May 28

Hyundai Motor India Ltd (HMIL), the country's second largest passenger vehicle market, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month. The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 21. While the bookings touched 20,000-mark on Tuesday, the number of customers showed interest in

Hyundai Motor sports utility vehicle 'Venue'

purchase touched 1 lakh, said the company. "Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikas Jain, National Sales Head, Hyundai Motor India, told BusinessLine. The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU
New Delhi, May 28
IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹2,081.6 crore during the quarter ended March 31, 2019, as against ₹2,400 crore in the year-ago period due to increase in interest costs across some of its projects but has a strong order book for the 2020 fiscal. Group CFO Anil Talwar told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Sikkim and Andhra Pradesh, where projects are ongoing and the interest was charged to the balance sheet. For the entire fiscal, IRB Infra's consolidated net profit went down by a per cent from ₹290 crore to ₹289.96 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹2,996.93 crore from ₹2,432.00 crore. For the whole year, income rose 19 per cent to ₹6,905 crore from ₹5,805 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 28
NMDC Ltd has reported a net profit of ₹1,453.27 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,035.65 crore in the same quarter of the previous financial year. But total income during the quarter under review fell from ₹4,051.16 crore to ₹3,232.40 crore. "The Income Tax Department had disallowed a reversal of ₹165 crore and there was a hit of ₹35 crore as a retrospective time closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline," a company statement said. The company's production of iron ore during the fourth quarter is 10.50 million tonnes (mt), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.17 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, the net profit of ₹1,453.27 crore in the financial year 2018-19, the total income was ₹2,741.63 crore as against ₹2,129.33 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,632.07 crore against ₹3,803.79 crore in the previous year.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56 crore for the fourth quarter ended March 31, this year, a 22 per cent increase over the ₹46 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,333 crore for the last quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and restructuring costs, it reported a profit of ₹523 crore.

A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of its Boeing 777 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursements or compensations for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and induct more planes on wet lease.

It also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay Agrawal that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹47.5 crore in the last two quarters due to a steep increase in interest costs as a result of depreciation of its Boeing 777 MAX aircraft.

However, SpiceJet reported a net loss of ₹266 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion.

full year. The airline had reported a net profit of ₹56 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF) which resulted in a cost escalation of ₹65 crore, and a 10 per cent depreciation of the rupee that resulted in overall cost escalation of ₹205 crore.

SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 777 aircraft in July, significant improvement in yields and prime slots at key airports.

Expansion plan

The statement adds that the airline is eyeing an aggressive expansion plan across both domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU

India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹40 crore for the year ended March 31, 2019 when compared with ₹31.06 crore in the previous year.

Its revenue increased to ₹775 crore from ₹495.3 crore in FY18, after normalising FY18 turnover, which included ₹16.2 crore of incoming excise duty and taxes (pre-GST era) according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹32 crore. Its consolidated revenues grew 13.2 per cent for FY19 to ₹324.20 crore from ₹279 crore in FY18.

The board has declared a total dividend of 80 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 80 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU

Monday, May 20

Public sector banks seem to be cooling down to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modified NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises, the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2019 and to be implemented by March-end 2020) that are in default but 'standstill' as on January 1, 2019, and capital constraints have slowed down credit flow from MSME to MSMEs.

Lending by private banks

According to a Kotak Securities report, which is based on a MSME study by Transilishin CIB, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 300 bps, respectively, at the expense of PSBs.

PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 58 per cent in 2013/14). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs, the report said.

These PSBs have turned conservative vis-a-vis MSME lending, it underlined by the fact that State Bank of India reported a 2.7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.45 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and StartUp India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'pradhanmantristartup.com' and Trade Receivables Discounting System.

Focus on Banking & Insurance

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU

New Delhi, May 20

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle his dispute with HUDCO in four weeks. Housing and Urban Development Corporation

(HUDCO) has already claimed unpaid dues of ₹19 crore as a condition in a loan granted to an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairperson Justice SJ Mukhopadhyay also directed this will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT Bench said.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 10. This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

filed against each before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month. However, HUDCO's intervention before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

During the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement between McDonald's and Bakshi in "contavention" of an order passed by any judicial authority relating to the order passed by Debt Recovery Tribunal (DRT) which restricted

Bakshi to sell his shares in Coonangle Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Anil Shah approved the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DRT. He also informed that an amount of ₹46 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.65 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had even on May 15 directed Bakshi and HUDCO to explore possibility of a settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it has reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 51 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue room past the 20,000-mark

CHALACHANDAR

Chennai, May 20

Hyundai Motor India Ltd (HMIL), the country's second-largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 21.

While the bookings reached 20,000-mark on Tuesday, the number of customers showed interest to purchase touched a lakh, said the company.

Hyundai Motor sports utility vehicle 'Venue'

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever traction and so far 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," Vikram Singh, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

corresponding period last year while sales of iron ore were ₹177m, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹1,224.63 crore as against ₹1,039.42 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,637.07 crore against ₹4,802.29 crore in the previous year.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU

New Delhi, May 20

NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,109.85 crore in the previous quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,053.16 crore to ₹2,818.40 crore.

"The Income Tax Department had disallowed a reversal of ₹165 crore and there was a hit of ₹35 crore as a retrospective minor change to the bottomline at the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review, boosting the bottomline," a company statement said.

"The company's production of iron ore during the fourth quarter is 8,549 million tonnes (mt), registering a decrease of 7 per cent over the

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU
New Delhi, May 28

Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56.3 crore for the fourth quarter ended March 31 (10th year), a 21% per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,524 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and financial restructuring costs, it reported a profit of ₹233.3 crore. A statement issued by the airline said that it managed an increase in profitability despite challenges of seasonality and grounding of 13 Boeing 777 MAX aircraft.

quarterly profits do not include any form of reimbursement or compensation for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and induct more planes on wet lease. It also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay as saying that the airline has posted a strong recovery in the last two quarters after suffering a lull of ₹42.23 crore in the first two quarters due to a steep increase in fuel costs and the sudden depreciation of the rupee.

SpiceJet is confident of a strong performance in fiscal 2019 as it has planned a massive fleet expansion.

In fiscal 2018, the airline had reported a net profit of ₹166.6 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF) which resulted in a cost escalation of ₹993 crore, and a 9 per cent depreciation of the rupee that resulted in overall cost escalation of ₹283 crore.

SpiceJet is confident of a strong performance in fiscal 2019 given the planned expansion of the fleet, a favourable operating environment, a likely return of the Boeing 777 aircraft in July, significant improvements in yields and prime slots key points.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 100 per cent, subject to the approval of the shareholders.

India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automobile parts and accessories, has reported a 30 per cent increase in its profit after tax at ₹40.4 crore for the year ended March 31, 2019 when compared with ₹31.06 crore in the previous year.

Its revenue increased by 11 per cent to ₹315.55 crore for FY19 from ₹279.53 crore in FY18, after normalising FY18 turnover, which included ₹16.12 crore of incoming GST duty and taxes (pre-GST era), according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹34 crore. Its consolidated revenues grew 13.2 per cent for FY19 to ₹324.20 crore from ₹279.53 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 100 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
New Delhi, May 28

Public sector banks seem to be coming ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modi-led NDA government set great store due to its potential for self-employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January 1, 2019 and to be implemented by March 2020) that are in default but 'soft' as on January 1, 2019; and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks According to a KPMG Securities report, which is based on a MSME study by TransAction CBIL, majority of the year-on-year growth in MSME lending in the third quarter (October-December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points.

(bps) and about 300 bps, respectively, at the expense of PSBs.

PCA framework PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 54 per cent in 2013FY14). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCs, the report said.

That PSBs have turned conservative vis-a-vis MSME lending is underscored by the fact that State Bank of India reported a 27 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share in MSME sector in SBI's gross domestic credit has declined from 13.45 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes, such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, these banks are likely to be asked to step up their activity on online platforms such as 'yoddha' (youth entrepreneur) and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 28

The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the executive joint venture partner of American burger chain McDonald's, to settle its dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed unpaid dues of ₹195 crore in relation to a loan granted in an entity controlled by Bakshi.

The two-member NCLAT Bench headed by Chairperson Justice S Mukhopadhyay also observed this will be the 'last chance' for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 11. This direction comes at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

Bakshi to sell his shares in Connaught Plaza Restaurants Pvt Ltd (CPRL).

Bakshi's counsel Amit Sibal apprised the NCLAT Bench that Bakshi had deposited ₹10 crore on Tuesday morning with DWT. He also informed that an amount of ₹66 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.83 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had seen on May 15 directed Bakshi and HUDCO to explore possibility of settlement while admitting HUDCO's intervention plea.

Jet's absence helps SpiceJet Q4 net soar 22% to ₹56 cr

Low-cost airline, however, reports ₹316-cr loss for full-year due to multiple headwinds

OUR BUREAU
New Delhi, May 29
Helped by the void created by Jet Airways' absence, low-cost airline SpiceJet reported a net profit of ₹56.3 crore for the fourth quarter ended March 31 in this year, a 22 per cent increase over the ₹46.2 crore profit posted in the same period the previous year.

The company reported an operating revenue of ₹2,233.3 crore for the latest quarter, while on the EBITDA or earnings before interest, taxes, depreciation, amortisation and restructuring charges side, it reported a profit of ₹333.3 crore.

A statement issued by the airline said that it managed an increase in profitability despite challenges of increasing unit costs and grounding of 13 Boeing 737 MAX aircraft.

It added that the latest

quarterly profits do not include any form of reimbursements or compensations for the grounded aircraft for which the airline continues to work with the manufacturer.

The airline said that this could have led to huge cancellations and passenger disruptions but it was able to operate additional frequencies and launch more planes on new routes. It also rationalised and optimised the use of its existing fleet.

The statement quotes the airline's Chairman and Managing Director Ajay Agrawal that the airline has posted a strong recovery in the last two quarters after suffering a loss of ₹42.3 crore in the first two quarters in a steep increase in fuel costs and the sudden depreciation of the rupee.

However, SpiceJet reported a net loss of ₹316 crore for the

SpiceJet is confident of a strong performance in fiscal 2020 as it has planned a massive fleet expansion across

full year. The airline had reported a net profit of ₹56.0 crore in the previous year.

The airline has said that the year under review presented multiple unprecedented challenges, including a 25 per cent increase in the price of aviation turbine fuel (ATF), which resulted in a cost escalation of ₹69 crore, and a 9 per cent depreciation of the rupee that led to an overall cost escalation of ₹28.5 crore.

SpiceJet is confident of a

strong performance in fiscal 2020 given the planned expansion of the fleet, a favourable operating environment, a likely recovery of the Boeing 737 aircraft in July, significant improvements in yields and prime slots at key airports.

Expansion plan
The statement adds that the airline is eyeing an aggressive expansion plan across both domestic and international networks.

IMPAL posts ₹40-crore profit in FY19

OUR BUREAU
Chennai, May 29
India Motor Parts & Accessories, a TVS Group company engaged in the distribution of automotive parts and accessories, has reported a 10 per cent increase in its profits after tax at ₹40.4 crore for the year ended March 31, 2019 when compared with ₹36.06 crore in the previous year.

Its revenue increased by 11 per cent to ₹2,535 crore for FY19 from ₹2,275.5 crore in FY18 after normalising FY18 turnover, which included ₹16.2 crore of incoming excise duty and taxes (pre-GST era) according to a statement.

On a consolidated basis, its net profit stood at ₹41 crore as against ₹31 crore. Its consolidated revenue grew 13.2 per cent to ₹19.1 to ₹19,120 crore from ₹17,799 crore in FY18.

The board has declared a total dividend of 100 per cent. This comprises an interim dividend of 100 per cent payable now and a final dividend of 90 per cent, subject to the approval of the shareholders.

Lending to MSME sector to get a fillip

OUR BUREAU
New Delhi, May 29
Public sector banks seem to be coming ground to private sector banks and non-banking finance companies when it comes to lending to the micro, small and medium enterprise (MSME) sector.

This is one sector of the economy on which the Modi-led NDA government set great store due to its potential for self-employment, employment generation and ensuring socio-economic development.

However, a host of factors, including rising bad loans given under the government's flagship Mudra loan scheme, which is aimed at extending affordable credit to micro and small enterprises; the one-time restructuring of existing MSME loans (permitted by the RBI from January, 2018 and to be implemented by March end 2020) that are in default but 'standstill' as on January 1, 2019; and capital constraints have slowed down credit flow from PSBs to MSMEs.

Lending by private banks
According to a Kotak Securities report, which is based on a MSME study by Transitions CIBI, majority of the year-on-year growth in MSME lending in the third quarter (October to December) of FY19 came from private banks and NBFCs with market shares increasing by about 400 basis points

(bps) and about 300 bps, respectively, at the expense of PSBs.

PCA framework
PSBs are still the majority provider of credit to MSMEs (40 per cent share), but this has consistently reduced in the last five years (from 58 per cent in 2014). However, going forward, we expect this trend to moderate as more PSBs come out of the PCA (prompt corrective action) framework and the impact of liquidity issues shows up in the numbers for NBFCEs," the report said.

That PSBs have turned conservative vis-à-vis MSME lending is underscored by the fact that State Bank of India reported a 7 per cent year-on-year increase in March 2019, recording the slowest growth among all segments of domestic lending. The share of MSME sector in SBI's gross domestic credit has declined from 15.45 per cent in March 2018 to 14.50 per cent in March 2019.

With the NDA government getting re-elected, banking experts feel that its flagship programmes such as Mudra loan scheme and Start-Up India may be overhauled so that PSBs are encouraged to lend more to MSMEs. Also, finance banks are likely to be asked to stop-up their activity in online platforms such as 'bharatnirman.com' and Trade Receivables Discounting System.

Settle dispute with HUDCO in four weeks, NCLAT tells Bakshi

OUR BUREAU
New Delhi, May 29
The National Company Law Appellate Tribunal (NCLAT) on Tuesday directed Vikram Bakshi, the erstwhile joint venture partner of American burger chain McDonald's, to settle his dispute with HUDCO in four weeks. Housing and Urban Development Corporation (HUDCO) has already claimed completion of ₹95 crore in a loan granted to an entity controlled by Bakshi.

The two-member NCLAT bench headed by Chairperson Justice S. Mukhopadhyaya also observed that will be the "last chance" for Bakshi and HUDCO to settle the matter. "We give four weeks time for Vikram Bakshi to settle the matter with HUDCO," the NCLAT added.

It has also directed Bakshi to file an affidavit in this regard within four weeks. The next hearing is scheduled for July 11. This director's court met at a time when American burger chain McDonald's and Bakshi are seeking to withdraw cases

Vikram Bakshi

filed against each before the NCLAT and acceptance of the terms of their out-of-court settlement, which the two parties reached earlier this month.

However, HUDCO's intervention application before NCLAT stating that Bakshi should pay its dues first, has delayed this process.

Following the proceedings on Tuesday, the appellate tribunal also reiterated its stand that it cannot allow any settlement (between Mr. McDonald's and Bakshi) in "contumacious" or an order passed by any judicial authority referring to the order passed by Debt Recovery Tribunal (DRT) which restricted

Bakshi to sell his shares in Coomraage Plaza Restaurants Pvt. Ltd. (CPRL).

Bakshi's counsel Anil Sibal apprised the NCLAT bench that Bakshi had deposited ₹10 crore on Tuesday morning with HUDCO. He also informed that an amount of ₹46 crore has been paid by Bakshi to HUDCO and that unencumbered property of 4.65 acres is also in possession of HUDCO. The counsel said Bakshi is ready to pay another ₹70 crore. The appellate tribunal had even on May 15 directed Bakshi and HUDCO to explore possibility of settlement while admitting HUDCO's intervention plea.

On May 9, McDonald's had said that it had reached an out-of-court settlement with Bakshi. It had also said it had completed acquisition of Bakshi's 50 per cent stake in CPRL, which operates restaurants in North and East India. Bakshi and McDonald's have reached this settlement after being embroiled in a bitter legal feud for nearly six years.

Bookings for Hyundai's Venue car past the 20,000-mark

C. BALACHANDRAN
Chennai, May 29
Hyundai Motor India Ltd (HMIL), the country's largest passenger vehicle maker, has secured more than 20,000 bookings for its compact SUV, Venue, in less than a month.

The bookings for the Venue started on May 2, while the new SUV was formally rolled out on May 21.

While the bookings touched 20,000 mark on Tuesday, the number of customers showed interest to

Hyundai Motor sports utility vehicle 'Venue'

purchase touched 1 lakh, said the company.

"Hyundai Venue is the talk of the town as our dealerships are witnessing highest-ever

traction and so far, 20,000 customers have booked the Venue. We are overwhelmed with the response as customers are spending maximum time inside the cabin experiencing the new technology and connectivity features," V. Jayaram, National Sales Head, Hyundai Motor India, told BusinessLine.

The Venue is Hyundai's first compact SUV to be launched in India as the company has been eyeing this fast-growing category in the utility vehicle segment.

IRB Infra Q4 profit falls 13%

OUR BUREAU
New Delhi, May 29
IRB Infrastructure Developers has reported a 13.24 per cent decline in consolidated net profit to ₹2,040.1 crore during the quarter ended March 31, 2019 as against ₹240 crore in the year-ago period due to increase in interest cost on some of its projects but has a strong order book for the 2020 fiscal.

Group CFO Anil Yadav told BusinessLine that interest expense has gone up 50 per cent for three projects in Rajasthan, Solapur and Aurangabad, where projects are ongoing and the interest was charged to the balance sheet.

For the entire fiscal, IRB Infra's consolidated net profit went down by a per cent from ₹290 crore to ₹249.96 crore when compared to the previous fiscal. However, total consolidated income for January-March quarter rose to ₹1,996.91 crore from ₹1,432.40 crore. For the whole year, income rose 11 per cent to ₹6,020 crore from ₹5,401 crore in the 2018 fiscal.

NMDC net profit jumps 31% to ₹1,453 crore in Q4

OUR BUREAU
New Delhi, May 29
NMDC Ltd has reported a net profit of ₹1,453.77 crore for the fourth quarter ended March 31, 2019. This represents a 31 per cent increase over the net profit of ₹1,109.85 crore in the same quarter of the previous financial year.

But total income during the quarter under review fell from ₹4,954.16 crore to ₹4,218.40 crore.

"The income tax Department had disallowed a reversal of ₹165 crore and there was a hit of ₹25 crore as a retrospective mine closure charge to the bottomline in the fourth quarter of financial year 2017-18. This reduced the expenditure in the quarter under review boosting the bottomline," a company statement said.

The company's production of iron ore during the fourth quarter is 10.50 million tonnes (mt), registering a decrease of 7 per cent over the

corresponding period last year while sales of iron ore were 10.77 mt, which is about 3 per cent less than that of the same period last year, a company statement said.

On a consolidated basis, in the financial year 2018-19, the total income was ₹12,745.63 crore as against ₹12,128.13 crore during the previous year.

For the NMDC Group, net profit for the financial year 2018-19 was ₹4,637.07 crore against ₹3,802.29 crore in the previous year.
