INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF R SYSTEMS INTERNATIONAL LIMITED

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **R SYSTEMS INTERNATIONAL LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter and nine months ended September 30, 2020 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 for "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

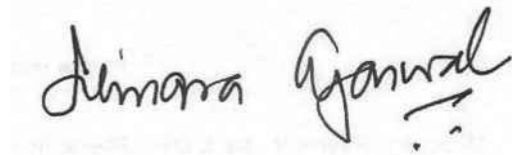

4. The Statement includes the results of the entities listed in Annexure A.
5. Based on our review conducted and procedures performed as stated paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Deloitte Haskins & Sells LLP

6. We did not review the interim financial information of 22 subsidiaries included in the consolidated unaudited financial results, whose interim financial information reflect total revenues of Rs. 794.90 million and Rs. 2,233.34 million for the quarter and nine months ended September 30, 2020, total net profit after tax of Rs. 56.86 million and Rs. 147.96 million for the quarter and nine months ended September 30, 2020 and total comprehensive income of Rs. 56.70 million and Rs. 183.52 million for the quarter and nine months ended September 30, 2020 as considered in the Statement. These interim financial information have been reviewed by other auditors whose reports have been furnished to us by the Parent's Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors and procedures performed by us as stated in paragraph 3 above. Our conclusion on the Statement is not modified in respect of this matter
7. The interim financial results of 25 subsidiaries have been prepared under accounting principles generally accepted in their respective countries. The Parent's Management has converted the financial information of these subsidiaries, from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We reviewed the adjustments that were applied to prepare the unaudited consolidated financial results for the quarter and nine months ended September 30, 2020 made by the Parent's Management to convert the financials information of these subsidiaries, from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. Our report is not modified in respect of this matter.

Notes:

- 1 The financial results for the quarter and nine months ended September 30, 2020 have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'). The above results were reviewed by the Audit Committee and have been approved by the Board of Directors at their meetings held on November 03, 2020.
- 2 The Limited Review as required under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 has been completed by the Statutory Auditor for the quarter and nine months ended September 30, 2020 and September 30, 2019, quarter ended June 30, 2020 and audit for the year ended December 31, 2019 and expressed an unmodified opinion on the aforesaid results.
- 3 The Group has adopted Ind AS 116 effective annual reporting period beginning January 01, 2020 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the Standard, recognised on the date of initial application (January 01, 2020). Accordingly, the Group has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on January 01, 2020.

This has resulted in recognising a right-of-use asset of Rs. 360.60 million (net of accumulated depreciation of Rs. 9.11 million) and a corresponding lease liability of Rs. 362.93 million by adjusting retained earnings (debit) of Rs. 14.43 million, net of taxes. This includes reclassification of assets and liabilities previously classified under finance leases and prepaid rent. In the statement of financial results for the quarter and nine months ended September 30, 2020 and quarter ended June 30, 2020, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to depreciation cost for the right-to-use asset and finance cost for interest accrued on lease liability.

4 Estimation of uncertainties relating to the global health pandemic from COVID-19:

In assessing the recoverability of receivables including unbilled receivables, contract assets and contract costs, goodwill, intangible assets, and certain investments, the Group has considered internal and external information upto the date of approval of these consolidated financial results including credit reports and economic forecasts. The Group has performed sensitivity analysis on the assumption used and based on certain indicators of future economic conditions, the Group expects to recover the carrying amounts of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these consolidated financial results and the Group will continue to closely monitor any material changes to future economic conditions.

- 5 During the quarter and nine month ended September 30, 2020, the Company has issued 22,500 and 37,500 equity shares, respectively of Re. 1/- each pursuant to exercise of employee stock options under the R Systems International Limited Employee Stock Option Scheme 2007.

During the nine months ended September 30, 2019 and year ended December 31, 2019, the Company had issued 37,500 equity shares of Re. 1/- each pursuant to exercise of employee stock options under the R Systems International Limited Employee Stock Option Scheme 2007.

- 6 The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

INDEPENDENT AUDITOR'S REPORT ON AUDIT OF INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF R SYSTEMS INTERNATIONAL LIMITED

Opinion

We have audited the accompanying Statement of Standalone Financial Results of **R SYSTEMS INTERNATIONAL LIMITED** ("the Company"), for the quarter and nine months ended September 30, 2020 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the Listing Regulations).

In our opinion and to the best of our information and according to the explanations given to us, this Statement:

- a. is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended; and
- b. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standard 34 and other accounting principles generally accepted in India of the net profit and total comprehensive income and other financial information of the Company for the quarter and nine months ended September 30, 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibilities for the Standalone Financial Results

This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been compiled from the related audited interim condensed standalone financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the Standalone Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles

Deloitte Haskins & Sells LLP

generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Deloitte Haskins & Sells LLP

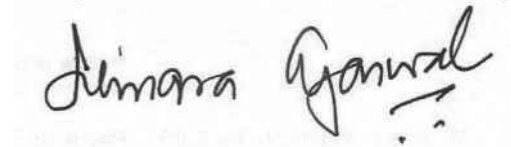

- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results of the Company and its branch to express an opinion on the Standalone Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of the business activities included in the Standalone Financial Results.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The above results were reviewed by the Audit Committee and have been approved by the Board of Directors at their meetings held on November 03, 2020.

- 3 The Company has adopted Ind AS 116 effective annual reporting period beginning January 01, 2020 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the Standard, recognised on the date of initial application (January 01, 2020). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on January 01, 2020.

This has resulted in recognising a right-of-use asset of Rs. 242.00 million (net of accumulated depreciation of Rs. 8.72 million) and a corresponding lease liability of Rs. 240.43 million by adjusting retained earnings (debit) of Rs. 10.49 million, net of taxes. This includes reclassification of assets and liabilities previously classified under finance leases and prepaid rent. In the statement of financial results for the quarter and nine months ended September 30, 2020 and quarter ended June 30, 2020, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to depreciation cost for the right-to-use asset and finance cost for interest accrued on lease liability.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these standalone financial results and the Company will continue to closely monitor any material changes to future economic conditions.
