PMI SURVEY Manufacturing growth hits seven-month low

FE BUREAU
New Delhi, April 5

MANUFACTURING ACTIVITY ACCELERATED at its slowest pace in seven months in March, thanks to a resurgence in Covid-19 cases that weighed on domestic demand and output. Firms cut jobs again, continuing a year-long reduction spree.

The Nikkei Manufacturing Purchasing Managers' Index (PMI), compiled by IHS Markit, dropped to 55.4 in March from 57.5 in the previous month. Despite the fall, however, the PMI reading for March remained above the long-period average. It also remained over the 50-mark that separates growth from contraction for an eighth successive month.

Nevertheless, the rise in input buying was curtailed by an intensification of cost pressures.

Despite the fall, however, the PMI reading for March remained above the long-period average. It also remained over the 50-mark that separates growth from contraction

Although the rate of growth was still marked and outpaced its long-run average, it eased from February's near-decade high. "With Covid-19 restrictions expanded and lockdown measures re-introduced in many states, Indian manufacturers look set to experience a challenging month in April," said Pollyanna De Lima, economics associate director at IHS Markit.

The Centre last week asked states to try and control the rapid spread of the Covid-19 cases. Any stringent restriction

will weigh on factory activity in April as well.

Despite pressure on domestic demand, new export orders rose further in March, stretching the current sequence of growth to seven months. Here there was an acceleration in the rate of expansion.

According to the PMI survey, the rate of input cost inflation was among the strongest seen over the past three years. But selling prices increased only moderately as "companies limited their adjustments to retain a competitive edge and boost sales". "Goods producers indicated that strengthening demand and the receipt of orders in bulk underpinned a further rise in overall sales. The upturn was the eighth in successive months and sharp, despite softening to a seven-month low," IHS Markit said.

Deshmukh quits after HC orders CBI probe

PRESS TRUST OF INDIA
Mumbai/New Delhi, April 5

BELEAGUERED MAHARASHTRA HOME minister Anil Deshmukh resigned on Monday on "moral grounds" soon after the Bombay High Court ordered a CBI probe into the allegations of corruption levelled against him by former Mumbai police commissioner Param Bir Singh.

The resignation of the senior NCP leader, who has denied the allegations and had been resisting calls to quit, has added another chapter into the political-police drama that unfolded after the discovery of a car with explosives near industrialist Mukesh Ambani's Mumbai home in February.

Deshmukh, who was given the key home department after the MVA government came to power in November 2019, submitted his resignation letter to Chief Minister Uddhav Thackeray, NCP Minister Nawab Malik told reporters.

Deshmukh also tweeted a

copy of the letter. "I don't have the moral right to continue in office after the court order. I have decided to quit. Kindly relieve me from my post," the letter said.

Earlier in the day, the HC directed the CBI to conduct a preliminary inquiry within 15 days into allegations of corruption and misconduct levelled by Singh against Deshmukh.

A bench of Chief Justice Dipankar Datta and Justice G S Kulkarni said this was an "extraordinary" and "unprecedented" case that warranted an independent inquiry.

SC relief to Karnataka CM in land denotification case

FE BUREAU
New Delhi, April 5

THE SUPREME COURT on Monday stayed criminal proceedings against Karnataka chief minister BS Yediyurappa in connection with a 10-year-old case related to denotification of 24 acres of government land acquired for an IT project.

Yediyurappa, accused of involvement in the illegal allotment of the land to private individuals, had challenged the Karnataka High Court's March 21 order that had rejected his petition seeking quashing of the criminal case. He said the HC could not have directed the trial court to take cognisance of the offence without prior sanction against him, a public servant.

Senior counsel KV Vishwanathan, appearing for the CM, told a bench led by Chief Justices SA Bobde that the award of contracts was a bona fide administrative decision in

The charge sheet by the Karnataka Lokayukta had accused BS Yediyurappa of abusing his position to cancel government acquisition of land for industrial purposes

which an FIR and a charge sheet could not have been filed without prior sanction.

Yediyurappa also contended that the HC should have appreciated that he was not named as an accused in the private complaint. The HC, while refusing to

quash the criminal case, had asked a special court to take note of the allegations against Yediyurappa and proceed on the basis of a charge sheet filed by the Lokayukta in 2012. The HC had also asked a special court to reinstate the case after it was dropped in July 2016 while dismissing a complaint filed by Bengaluru-based industrialist Alam Pasha.

The land in north Bengaluru taluk in an SEZ area was acquired by the Karnataka Industrial Area Development Board in 2006 to set up a hardware park. But it was later denotified and released to private individuals.

The charge sheet by the Karnataka Lokayukta had accused the CM of abusing his position to illegally cancel government acquisition of land for industrial purposes, thus causing losses to the state exchequer through waiver of service charges and development fee.

New system to monitor aluminium imports

FE BUREAU
New Delhi, April 5

IN LINE WITH the import monitoring system for steel and coal, the government has decided to put in place a mechanism to monitor imports of aluminium and copper to capture disaggregated data for effective monitoring and policy

intervention.

The directorate general of foreign trade (DGFT) has said in a notification that the import policy for copper and aluminium has been amended from "free" to "free with compulsory registration" under the non-ferrous metal import monitoring system (NFMIMS). The NFMIMS will be effective

from April 12. The facility for online registration is available from Monday.

Rahul Sharma, president of the Aluminium Association of India, said, "We welcome the move."

It will be helpful for the industry. Similar models are there in the US and Canada as well.
