**Notes:**

- 1 The above audited financial results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on May 27, 2022.
- 2 Previous period figures have been regrouped or rearranged wherever considered necessary. The figures for the three months ended 31<sup>st</sup> March, 2022 and 31<sup>st</sup> March, 2021 are the balancing figures between the audited figures in respect of the full financial year and the published year-to-date figures up to the third quarter of the relevant financial year.
- 3 Corporation is primarily engaged in the business of term lending. All activities of the Corporation revolve around main business. Hence there are no reportable segments as per AS-17 "Segment Reporting".
- 4 NPA provision of Rs.2.02 lakh has been made during the quarter ended March 31, 2022 as against write back of Rs.47.54 lakh in the corresponding quarter a year ago. For the year ended March 31, 2022, the cumulative write back of NPA provision amounted to Rs.32.44 lakh compared to Rs.284.11 lakh write back in the previous year. The write back of NPA provision is disclosed as exceptional item.
5. Corporation has changed the Accounting Policy in respect of recovery from NPA accounts with effect from 01-04-2018 whereby receipts are first accounted for Principal and capitalized expenses and thereafter in the order of interest, penalty and other charges. As a result of adoption of the said accounting policy, during the year under reference, out of an amount of Rs.19.63 lakh (previous year Rs.156.79 lakh) received as recovery from OTS accounts pertaining to the period prior to 1<sup>st</sup> April, 2018, only Rs.9.39 lakh (previous year Rs.37.15 lakh) has been recognized as interest income and balance amount of Rs.10.24 lakh (previous year Rs. 119.64 lakh) has been credited towards Principal. Therefore, during the year under reference, interest income is reduced by Rs.10.24 lakh (previous year Rs. 119.64 lakh) and write back of NPA provision increased by the same amount.
6. Statutory Auditors in the Auditor's Report on quarterly financial results and year-to-date results for the quarter and year ended March 31, 2022 made qualified opinion which along with Management's views are given in **Annexure-A** as part of Statement on Impact of Audit Qualifications.
7. Corporation is not granting fresh loans and advances since last two decades and concentrating on recovery of dues only. The disruption caused by COVID-19 and the consequent impact of the same have considerably affected the recovery performance of the Corporation.

By order of the Board of Directors,

(Rahul Gupta, IAS)

## Annexure A

Qualifications contained in the Independent Auditor's Report on financial statements for the financial year ended 31<sup>st</sup> March, 2022 on annual financial statements and management response thereto on qualifications:

Sr. No.	Audit qualification	Management's view
1	The financial statements of the Corporation are prepared on a going concern basis, notwithstanding the fact that its net worth is completely eroded and defaulted in repayment obligations due to liquidity problems. This is not in accordance with Accounting Standard (AS)-1 "Disclosure of Accounting Polices". The effect of the same on the financial statements is not ascertainable.	Gujarat State Financial Corporation is established under State Financial Corporations Act, 1951 by Parliament as a special Act pursuant to Entry No. 43 of the Union List. Corporation is, thus, a body corporate and statutory Corporation. The main objective of establishment of the Corporation is aimed at achieving balanced regional growth by extending financial assistance to first generation entrepreneurs to establish micro and small scale units in the State and to generate employment. Corporation has so far suffered immense loss but it is continuing its recovery function. Corporation, being a statutory body, thus, prepares accounts on "going concern" assumptions and it is appropriate in the aforesaid circumstances.
2	Dues payable to Government of Gujarat is subject to confirmation and adjustment, if any, required upon such confirmation. Pending such confirmation, the effect thereof on interest and penal interest is not ascertainable.	Government loans are granted as a result of provision in the Budgets of Government of Gujarat from time to time and subsequent issuance of Government Resolutions to overcome the financial strain of the Corporation. Since Corporation has discontinued its main activities and dependent on recovery of dues, Corporation is not in a position to service the liabilities towards Government of Gujarat. Under the circumstances, Government has been moved to make the loan advanced to the Corporation interest free from 1-7-2012 vide letter dated 17 <sup>th</sup> October, 2012 which is still under consideration. However, pending decision, interest and interest on delayed payment on Government loan is charged to Statement of Profit & Loss. The outstanding details are submitted to administrative department on quarterly basis. The loan accounts are subjected to verification by other authorities also from time to time and no observation was made. In view of this, separate confirmation is not obtained.

3	<p>Interest income on loans and advances on account of recovery from the parties are made on actual receipt basis since beginning of financial year 2018-19, as a result of change in accounting policy adopted by the Corporation. However, in respect of receipts prior to 1-4-2018, the then prevailing policy is kept intact. Therefore, the actual effect on written back of NPA, bad debt provision and any other item of financial results could not be ascertained.</p>	<p>Till 31<sup>st</sup> March, 2018, the practice followed was that installments received under OTS Scheme is apportioned in the order of penalty, interest and other charges and lastly in principal. OTS amount received from time to time of an account is initially apportioned in the manner stated above. After receiving settlement amount in full, interest and penalty already received is credited to principal and the same amount of shortfall in principal and other account is written off. Therefore, interest income reported in P&amp;L A/c and write off may not be of that particular year. In short, interest income already recognized in a particular year is affected in the subsequent year(s). This policy has been changed from 1<sup>st</sup> April, 2018 and now receipts are first accounted for Principal and capitalized expenses and thereafter in the order of interest, penalty and other charges. As a result of adoption of the said accounting policy, interest income decreases and write back of NPA provisions increases correspondingly in case of settlement of NPA accounts from 1<sup>st</sup> April, 2018. Once the OTS accounts prior to 1<sup>st</sup> April, 2018 are settled, no discrepancy will arise.</p>
4	<p>The balances in parties' accounts in subsidiary ledgers with general ledgers of loans and advances are not reconciled. The effect thereof on loans and advances is not ascertainable.</p>	<p>Reconciliation of assets and liabilities is an on-going process and wherever lacuna is found out, necessary rectification is resorted to. Corporation has not adopted the practice of obtaining balance confirmation from loanees. Efforts are still continuing to reconcile the accounts.</p>
5	<p>Borrowings, Other Liabilities and Provisions, Other Assets and Loans and Advances are subject to confirmation and adjustments, if any and the effect of the same on the financial statements is not ascertainable.</p>	<p>Large number of accounts is too old and transaction details as well as address of the units are not available. It is, therefore, practically difficult to obtain balance confirmation from individual parties. Borrowings are from Government of Gujarat only which are supported by Government Resolutions and periodic confirmation is resorted to.</p>

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Corporation and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Those management is also responsible for overseeing the Corporation's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. We are also responsible for expressing our opinion on whether the corporation has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
