The purpose and rationale of proposed amendment is as under:

Considering the changed domestic and global market scenarios, alongside the anticipated change in world-economy order and the resultant expected manufacturing shift to India in the post Covid-19 pandemic global outbreak, the management of the company in line with the Company's long-term business plan to expand its business further into wider product lines and newer application areas, recently decided to foray into new business segments, namely Producer Responsibility Organization (PRO), Extended Producer Responsibility (EPR) as an extension of its recycling of plastic waste business, personal hygiene and other items of fast moving consumer goods.

The proposed amendment in the Main Objects will enable your Company to venture into new products, processes, segments, businesses which are under the existing circumstances conveniently and advantageously could be combined with the present activities of the Company and as such it was considered necessary to amend the Main objects of the Company.
