Impact of second wave of Covid 2019 Pandamic on the operations of the compny: The company's manufacturing operations were not affected substantially as far as production was concerned but the sale was affected as the shops throughout maharashtra were operating for curtailed times and only home deliveries of liquor products were allowed. in view of the complete/ partial lockdown in various districts o maharashtra sale for the current quarter was less compared to last quarter of F.Y.2020-2021, impacting profits at operating & net profit levels.

Provision for taxation includes provision for current tax The company's operation at present is confined to only one segment namely Country Liguor. For G M Breweries Limited
