We have reviewed the accompanying Statement of unaudited consolidated financial results of Rolta India Limited ("the Holding Company"), and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") for the quarter and six months ended September 30, 2020, together with the relevant notes thereon (the "Statement"), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

2. Management's Responsibility

This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. Auditors' Responsibility

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

5. Basis for Qualified Conclusion

- a. We draw attention to note 4 of the Statement which indicates that the Group has incurred a net loss of Rs. 356.17 crores and Rs 2,798.05 crores for the quarter and six months ended September 30, 2020 respectively. The Group has accumulated losses of Rs. 6,359.09 crores as at September 30, 2020, overdue loans from several banks taken by the Holding Company amounting to Rs 3,224.69 crores, interest accrued and due thereon of Rs 1,406.09 crores, overdue senior notes issued by two of the international subsidiaries amounting to Rs. 3,682.65 crores and interest accrued and due thereon of Rs. 1,279.65 crores, unpaid statutory dues in India aggregating Rs 55.37 crores, increasing liquidity crunch, proceedings initiated against the Holding Company in NCLT, adverse order passed by the Supreme Court of New York against the Holding Company and few of its international subsidiaries, pursuant to proceedings initiated by certain bondholders, resulting in those subsidiaries filing voluntary bankruptcy petitions in the USA, significant fall in revenues and write off of IPs valued at Rs. 2,165.28 crores in the books of Rolta Defence Technology Systems Private Limited, a wholly owned subsidiary, which IPs were once a major source of revenue for the Holding Company, raise doubts that the Group will be able to continue as a Going Concern. Although the Group has in the said note, continued to contend that it is a Going Concern on the basis that the Restructuring Services Agreement (RSA) entered into with the Streamcast Group continues to be in force, due to the absence of any indication or confirmation on the part of the Streamcast

- Group evidencing its intent to implement the RSA, we are unable to comment on the ability of the Group to continue as a Going Concern and the consequential impact thereof on the unaudited consolidated financial results for the quarter and six months ended September 30, 2020.
- b. We draw attention to note 5 of the Statement wherein, consequent to the Judgment of the Supreme Court of New York dated September 2, 2020, passed in favour of the bondholders and against the Holding Company and its 6 international subsidiaries, the said subsidiaries namely Rolta International Inc., Rolta Global B.V., Rolta U.K. Limited, Rolta Middle East FZ LLC, Rolta Americas and Rolta LLC have filed a voluntary petition for bankruptcy under Chapter 11 in United States Bankruptcy Court for the Northern District of Alabama in the U.S. on October 29, 2020. Notwithstanding the aforesaid, the financial results of the said subsidiaries have been prepared on a going concern basis. We are unable to presently assess the impact thereof on the consolidated results for the quarter and half year ended September 30, 2020, due to lack of information.
- c. We draw attention to note 6 of the Statement wherein during the six months ended September 30, 2020, the Group has incurred a loss of Rs. 2,798.05 crores on which it has recognized an incremental deferred tax asset of Rs. 335.68 crores. The net deferred tax asset attributable to accumulated business loss as at September 30, 2020 recognized by the Group amounts to Rs. 1,828.82 crores. Para 34 of Ind AS 12 Income Taxes stipulates that deferred tax asset shall be recognized on the unabsorbed losses carried forward to the extent that it is probable that future taxable profit will be available against which such losses can be utilised. However since we are unable to comment on the status of the Group as a Going Concern for the reasons cited in sub-para (a) above, we are unable to comment on the correctness or otherwise of the Group's decision of continuing to recognize deferred tax assets on accumulated business losses.
- d. We draw attention to note 8 wherein, in February 2020, Tower C which is situated in the same complex as the Corporate Office of the Holding Company caught fire causing substantial damage to the building and the assets housed therein. We are informed that due to the continuing COVID-19 lockdown situation, except for the police panchanama, no further progress has taken place for assessment of the extent of damage (repairs v/s reconstruction of Tower C) and that the insurance company has also deferred the survey of the property. The written down value of Tower C, as on September 30, 2020, is Rs.162.59 crores, which comprises of the historical cost component of Rs.12.69 crores and revalued component of Rs.149.90 crores. Since it has not been possible to assess the extent of damage to Tower C, the Holding has continued to retain its written down value of Rs.162.59 crores under the head Buildings. As such, we are presently unable to ascertain the extent to which the value of Tower C ought to have been written down in the books of the Holding Company.
- e. We draw attention to note 9, wherein, the Group, at the time of its transition to Ind AS effective April 1, 2015, had opted for and adopted the revaluation model, for its land and buildings, in accordance with Ind AS 16 – Property, Plant & Equipment. As per Para 34 of Ind AS 16, the Group ought to have, as at March 31, 2020, carried out a revaluation of the land and buildings that it had revalued at the time of transition to Ind AS. The Management had represented that due to the COVID-19 lockdown, it had not been able to get the revaluation done. The said revaluation has not been carried out as at September 30, 2020 also and the Management has represented that the continuing COVID-19 lockdown is the reason for not doing so. Consequently, we are unable to ascertain the impact on

the unaudited consolidated financial results for the quarter and six months ended September 30, 2020.

6. Qualified Conclusion

Based on our review conducted as above, except for the possible effects of the matters described in para 5 above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with Ind AS and other recognised accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. Emphasis of Matter

- a. We draw attention to note 10 of the Statement which indicates that the 'Senior Notes 2013' (Bond 1) amounting to USD 126.65 million maturing on May 16, 2018 and 'Senior Notes 2014' (Bond 2) amounting to USD 372.36 million maturing on July 24, 2019, issued by the international subsidiaries of the Holding Company continue to be outstanding as at September 30, 2020. In response to a suit for recovery of their dues, filed by certain Bondholders holding 'Senior Notes' aggregating USD 121.93 million, the Supreme Court of New York, on September 2, 2020 awarded the judgment in favour of the Bondholders directing the said subsidiaries to, in addition to the principal and interest accrued till the date of respective maturities, also pay interest of USD 24.73 million from the date of respective maturities till the date of judgment. The said interest amount has been accounted for in the books of the respective subsidiaries as at September 30, 2020. However in case of 'Senior Notes' amounting to USD 377.08 million held by other Bondholders, the said subsidiaries have not made any provision for interest from their respective maturity dates till September 30, 2020, on the grounds that the respective Bond indentures are not specific on payment of interest on the outstanding loan amount beyond the date of their maturity.

- b. We draw attention to note 7 in which the Management of the Company has represented that in respect of long outstanding amounts aggregating Rs. 274.83 crores receivable from a Government department, the process towards recovering the said amount continues to be at an advanced stage.

Our conclusion is not modified in respect of the above matters.

8. Other Matters

- a. We did not review the unaudited Financial Results of four subsidiary companies included in the Statement, whose Unaudited Financial Results reflect total assets of Rs 1,176.45 crores as at September 30, 2020 and total revenue of Rs 9.75 crores and Rs 22.19 crores, total net loss after tax of Rs. 23.45 crores and Rs. 68.66 crores and total comprehensive income of Rs.(11.55) crores and Rs. (51.62) crores, for the quarter and six months ended September 30, 2020 respectively and cash flows (net) of Rs. (0.48) crores for the six months ended September 30, 2020, as considered in the unaudited Consolidated Financial Results. These unaudited Financial Results have been furnished to us by the Management and our opinion on the unaudited Consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on such unaudited Financial Results. In our opinion

and according to the information and explanations given to us by the Management, these unaudited Financial Results are not material to the Group.

- b. We did not review the unaudited Financial Results of three subsidiary companies included in the Statement, whose unaudited Financial Results reflect total assets of Rs. 611.48 crores as at September 30, 2020, and total revenue of Rs 0.02 crores and Rs.2,160.28, total net profit/(loss) after tax of Rs. (13.96) crores and Rs.248.95 crores and total comprehensive income of Rs. (13.95) crores and Rs. 248.96 crores, for the quarter and six months ended September 30, 2020 respectively and cash flows (net) of Rs.0.44 crores for the six months ended September 30, 2020, as considered in the unaudited Consolidated Financial Results. These unaudited Financial Results have been reviewed by other auditors, whose report has been furnished to us by the Management and our conclusion on the Statement, in so far it relates to the amount and disclosures included in respect of these subsidiary companies, is based solely on the reports of such other auditors and the procedures performed by us as stated above

Our conclusion is not modified in respect of the above matters.

In view of the above, International subsidiaries have prepared account for the six months results on a going concern basis.

- In February 2020, Tower C which is situated in the same complex as the Corporate Office and having a written down value of Rs. 162.59 crores caught fire due to a short circuit, causing substantial damage to the building and the assets housed therein. INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF THE INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF

ROLTA INDIA LTD.

1. Introduction

We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Rolta India Limited ("the Company"), for the quarter and six months ended September 30, 2020, together with the relevant notes thereon (the "Statement") being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

2. Management's Responsibility

This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 ("the Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. Auditors' Responsibility

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Basis for Qualified Conclusion

- a. We draw attention to note 4 of the Statement which indicates that the Company has incurred a net loss of Rs.164.87 crores and Rs 2,537.73 crores for the quarter and six months ended September 30, 2020 respectively. The Company has accumulated losses of Rs. 3,476.69 crores as at September 30, 2020,

overdue loans from several banks amounting to Rs 3,224.69 crores, interest accrued and due thereon of Rs 1,406.09 crores, unpaid statutory dues aggregating Rs 35.15 crores, increasing liquidity crunch, proceedings initiated against the Company in NCLT, adverse order passed by the Supreme Court of New York against the Holding Company and a few of its international subsidiaries, pursuant to proceedings initiated by certain bondholders, resulting in those subsidiaries filing voluntary bankruptcy petitions in the USA, significant fall in revenues and write off of IPs valued at Rs. 2,165.28 crores in the books of Rolta Defence Technology Systems Private Limited, a wholly owned subsidiary, which IPs were once a major source of revenue for the Company, raise doubts that the Company will be able to continue as a Going Concern. Although the Company has in the said note, continued to contend that it is a Going Concern on the basis that the Restructuring Services Agreement (RSA) entered into with the Streamcast Group continues to be in force, due to the absence of any indication or confirmation on the part of the Streamcast Group evidencing its intent to implement the RSA, we are unable to comment on the ability of the Company to continue as a Going Concern and the consequential impact thereof on the unaudited standalone financial results for the quarter and six months ended September 30, 2020.

- b. We draw attention to note 6 of the Statement wherein during the six months ended September 30, 2020, the Company has incurred a loss of Rs. 2,537.73 crores on which it has recognized an incremental deferred tax asset of Rs. 14.71 crores. The net deferred tax asset attributable to accumulated business loss as at September 30, 2020 recognized by the Company amounts to Rs. 716.39 crores. Para 34 of Ind AS 12 Income Taxes stipulates that deferred tax asset shall be recognized on the unabsorbed losses carried forward to the extent that it is probable that future taxable profit will be available against which such losses can be utilised. However since we are unable to comment on the status of the Company as a Going Concern for the reasons cited in sub-para (a) above, we are unable to comment on the correctness or otherwise of the Company's decision of continuing to recognize deferred tax assets on accumulated business losses.
- c. We draw attention to note 5 of the Statement wherein, consequent to the Judgment of the Supreme Court of New York dated September 2, 2020, passed in favour of the bondholders and against the Holding Company and its 6 international subsidiaries, the said subsidiaries namely Rolta International Inc., Rolta Global B.V., Rolta U.K. Limited, Rolta Middle East FZ LLC, Rolta Americas and Rolta LLC have filed a voluntary petition for bankruptcy under Chapter 11 in United States Bankruptcy Court for the Northern District of Alabama in the U.S. on October 29, 2020. Notwithstanding the said development, the Company continues to carry in it's books the amount receivable from these entities amounting to Rs 271.52 crores. In the absence of the information as to the outcome of the said petitions, we are unable to ascertain the extent to which amounts will be realized against these receivables.
- d. We draw attention to note 8 wherein, in February 2020, Tower C which is situated in the same complex as the Corporate Office of the Company caught fire causing substantial damage to the building and the assets housed therein. We are informed that due to the continuing COVID-19 lockdown situation, except for the police panchanama, no further progress has taken place for assessment of the extent of damage (repairs v/s reconstruction of Tower C) and that the insurance company has also deferred the survey of the property. The written down value of Tower C, as on September 30, 2020, is Rs.162.59 crores, which comprises of the historical cost component of Rs.12.69 crores and revalued

component of Rs.149.90 crores. Since it has not been possible to assess the extent of damage to Tower C, the Company has continued to retain its written down value of Rs.162.59 crores under the head Buildings. As such, we are presently unable to ascertain the extent to which the value of Tower C ought to have been written down in the books of the Company.

- e. We draw attention to note 7, wherein, the Company, at the time of its transition to Ind AS effective April 1, 2015, had opted for and adopted the revaluation model, for its land and buildings, in accordance with Ind AS 16 – Property, Plant & Equipment. As per Para 34 of Ind AS 16, the Company ought to have, as at March 31, 2020, carried out a revaluation of the land and buildings that it had revalued at the time of transition to Ind AS. The Management had represented that due to the COVID-19 lockdown, it had not been able to get the revaluation done. The said revaluation has not been carried out as at September 30, 2020 also and the Management has represented that the continuing COVID-19 lockdown is the reason for not doing so. Consequently, we are unable to ascertain the impact on the unaudited standalone financial results for the quarter and six months ended September 30, 2020.

5. Qualified Conclusion

Based on our review conducted as above, except for the possible effects of the matters described in para 4 above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with Ind AS and other recognised accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of Matter

We draw attention to note 9 in which the Management of the Company has represented that in respect of long outstanding amounts aggregating Rs. 274.83 crores receivable from a Government department, the process towards recovering the said amount continues to be at an advanced stage.

Our conclusion is not modified in respect of the above matter.
