Adani Power buys GMR plant for ₹4,792 crore

FE BUREAU
Mumbai, July 4

ADANI POWER ON Thursday announced that it had acquired GMR Chhattisgarh Energy's 1,370-MW plant for an enterprise value of ₹4,792 crore after the consortium of lenders, led by Axis Bank, approved the stake sale. This will be the third project to be resolved outside the insolvency route after Prayagraj Project of Jaiprakash Associates and SKS Power's Binjokote project.

GMR Chhattisgarh Energy, a subsidiary of GMR Infrastructure, ran into trouble due to the absence of a long-term power purchase agreement (PPA) for the super critical power project. In 2017, lenders to the company under strategic debt restructuring (SDR) converted ₹3,000 crore from the total outstanding debt of ₹8,800 crore into equity,

raising their stake to 52.4% in the company. The balance 47.6% remained with GMR.

GMR Group believes the implementation of "change in management plan" of resolution professional (RP) will lead to a significant de-leveraging for the GMR Group. GMR Chhattisgarh had an outstanding debt of ₹5,926 crore as on March 31. "GMR Infrastructure's profitability is expected to improve significantly considering GIL's consolidated profit for FY19 was adversely impacted by ₹516 crore on account of Chhattisgarh Power Plant," the company said. GMR Chhattisgarh reported a revenue of ₹814.7 crore in FY 19 as against ₹382 crore in FY 18.

GMR Infrastructure said the successful resolution of two stressed assets — GMR Rajahmundry Energy's resolution

plan for 765-MW gas-based power plant with lenders to pay ₹2,353 crore debt on May 4, and now the sale of Chhattisgarh power plant — highlights "the group's commitment towards its objective of deleveraging and de-risking the balance sheet."

The corporate guarantees to the extent of ₹892 crore furnished by GMR Group companies, GMR Energy, GGAL and GMR Power Corporation, will also be released by the lenders, GMR Infrastructure said.

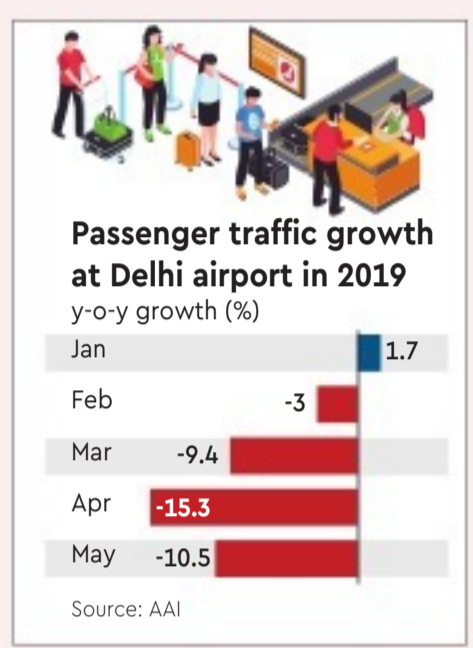

GMR Chhattisgarh will be the third project to be resolved outside the insolvency route in the power sector. Prayagraj thermal power project of Jaiprakash Associates was bought by Resurgent Power, a joint venture promoted by Tata Power and ICICI Bank. The other resolved project was SKS Power's 4X300 MW Binjokote Power Plant.

Decline in passenger traffic may impact DIAL: Moody's

MOODY'S INVESTORS SERVICE (MIS) on Thursday cautioned that a sharp decline in passenger traffic could impact GMR-owned Delhi International Airport Ltd's (DIAL's) ability to preserve its credit profile while undertaking a debt-funded expansion plan.

DIAL will raise ₹9,800 crore to fund major expansion activities at IGI airport, including a new terminal building and a runway in the next three years.

Analysts at the credit rating agency noted that a prolonged dip in passenger footfall is credit

negative for DIAL, and can put

further pressure on its revenues.

"DIAL's credit metrics are already expected to be at the lower end of the range considered appropriate for its rating because of additional debt incurred to fund its major expansion programme and our base-case assumption that tariffs will remain at around the current low level," analysts said.

Most of DIAL's revenue, outside of income from land monetisation and rental, is linked to passenger and aircraft movements at the airport.
