Press release

Gensol Group onboards Kamaljeet Kaur as Group Chief People Officer

New Delhi, July 28, 2023: Gensol Group has announced the appointment of Kamaljeet Kaur as the Group Chief People Officer (CPO). Kamaljeet, a seasoned HR leader having over two decades of experience, will be instrumental in spearheading the People (Human Resources) function for the entire group. She will work closely with the founders, Anmol Singh Jaggi and Puneet Singh Jaggi, to enhance and strengthen the talent processes and lead strategic HR initiatives across the organization.

"We are thrilled to welcome Kamaljeet to our leadership team as the Group CPO," said Anmol Singh Jaggi, Co-Founder, Gensol Group. "Her extensive experience and profound understanding of diverse industries will undoubtedly strengthen our people function and enable us to attract, develop, and retain talent across levels. We believe Kamaljeet's strategic vision and leadership will play a pivotal role in driving the group's growth and success."

Commenting on her new role, Kamaljeet Kaur, Group Chief People Officer, Gensol Group said, "I am excited to be a part of the Gensol Group family and look forward to collaborating with the talented teams across the organization. My focus will be on nurturing a people-centric culture, implementing effective talent management strategies and fostering innovation & excellence in HR practices. Together, we will build a robust and dynamic HR ecosystem to support the group's ambitious goals."

Prior to joining Gensol Group, Kamaljeet served as a Whole-time Director and CHRO at Sterlite Power, where she made significant contributions to the company's growth and success over a period of six years. Additionally, she has held key roles in global multinational companies and large Indian organizations such as Wrigley, Hero Motor Corp, Jubilant FoodWorks, and HDFC Bank.

Kamaljeet is an Economics graduate and an alumna of Symbiosis Centre for Management and HRD (SCMHRD). She is a Certified life coach and believes in continuous learning in the age of new generation HR technologies, talent analytics and large-scale HR interventions for high performing organizations.
