Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**Review Report to
The Board of Directors
Affle (India) Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Affle (India) Limited (the "Company") for the quarter ended December 31, 2020 and year to date from April 01, 2020 to December 31, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No CIR/CFD/CMDI/44/2019 dated March 29, 2019 (the 'Circular') issued by Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of matter

We draw attention to Note 4 to the accompanying financial results, which indicate that business combination under common control has been accounted for using purchase method in accordance with previous GAAP resulting in the recognition of goodwill of amounting Rs 59.24 Mn as on December 31, 2020 as prescribed under court scheme instead of using pooling interest method as prescribed under Ind AS 103 - Business Combinations as the approved court scheme will prevail over applicable accounting standard.

Our conclusion is not modified in respect of this matter.

In developing the assumptions relating to the possible future uncertainties in the global conditions because of COVID-19, the Company, as on date on approval of these financial results has used variable information, as available. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these financial results.
6. On August 08, 2020, the Company had made a strategic, non-controlling investment and acquired 8% stake on a fully diluted basis in Talent Unlimited Online Services Private Limited ("Bobble") for a consideration of Rs 198 Mn, through Compulsory Convertible Preference Shares ("CCPS"). Additionally, the Company had also entered into an exclusive monetisation agreement for Bobble's intellectual property, which also provides rights to the Company to acquire an additional ownership upto 10.74% of Bobble, through CCPS and Equity Shares, upon meeting of conditions defined in the shareholder's agreement. As at December 31, 2020, monetisation of Bobble's intellectual property was in the initial stage, thus, in absence of reasonable certainty, the above rights towards additional stake has not been accounted for and the Company will continue to evaluate the rights at each period end.
