- The Unaudited financial results were recommended by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 5, 2021 and have undergone "Limited Review" by the Statutory Auditors of the Company.
- The Group's operations and financial results for the quarter and nine months ended December 31, 2020 have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent series of lockdowns announced by the Government of India due to which the operations were suspended for part of first quarter and gradually resumed with requisite precautions. The results for quarter and nine months ended December 31, 2020 are therefore not comparable with those for the previous Period. The Group has considered the possible effects that may result from this pandemic on the carrying amounts of property, plant and equipment, investment, inventories, receivables and other current assets. The Group expects the carrying amount of these assets will be recovered and no material adjustment required in the financial statements. The Company will continue to closely monitor any material changes to future economic conditions.
