1. Current scenario

For the Textile industry, the Global focus is shifting from China to India due to cost and stability factors. The Government's positive steps are expected to help this shift and if foreign investment in textile retail materialises, the consumption of the textile product in the domestic market should increase in the year to come.

Equally, our Economy is also showing recovery with lower fiscal and current account deficit. The Indian Government in a pro - active manner has set in motion lots of economic initiatives. These initiatives in the long run would sustain positive economic growth which is fundamental for the overall growth and standard of living.

Hotel

As we all are aware that, in the 2016-17 the Government of India has declared Smart City status to Solapur, so in view of this the prediction of hospitality industry was that the good investment will take place in the Solapur City to develop it and also it will impact on Hotel Industry in good scene. But, due to some policies of government in development of region area was not so good, that's why the results are not getting positive. 3. Industry Outlook

In general, the performance of the Textile industry depends upon the swings of demand by the market forces which closely track the economic trend. The exception to this rule is the demand for specialty cotton yarn which is consistent and growing. On bouncing of economic conditions, the demand trend is expected to be more positive for the current year even for normal segment of cotton yarn and that would drive more demand for specialty cotton yarn.

INDEPENDENT AUDITOR'S REPORT

To,

The Members of Katare Spinning Mills Limited

Report on the Standalone Financial Statements

Opinion

I have audited the accompanying standalone financial statements of Katare Spinning Mills Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given to me, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Ind AS specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March, 2020, and its Loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for qualified Opinion

- a. As stated in Note No. 07 to the accounts, the included in other non-current assets is a sum of Rs. 428.00lakh as deferred interest expenditure. In the past the Company had availed a term loan ICICI Bank Ltd (which was under OTS with them) and which was subsequently assigned by ICICI to Kotak Mahindra Bank Ltd. Consequent upon assignment The Kotak Mahindra Bank Ltd filed suit against the Company in DRAT for recovery. The Company has settled the said loan with Kotak Mahindra Bank Ltd for an agreed amount of Rs. 750.00lakh of which Rs. 325.00lakh was deposited before DRAT and Rs. 425.00lakh was paid on or before 31/05/2013. Accordingly, no loan balance is now outstanding.
- b. The Company had a transferred balance in Capital Reserve of Rs. 150.00lakh when the loan was settled with ICICI Bank Ltd. The said balance is then reversed from Capital Reserve and the balance Rs. 600.00lakh represented the amount of interest from the year 2002 to the date of settlement. The Company has deferred this interest amount of Rs. 600.00lakh to be written off over a period of 7 years and have accordingly charged Rs. 172.00 lakh in the two years (2012-2013 & 2013- 2014) but has not charged Rs.428.00lakh to the statement of profit and loss (for the year under audit Rs.NIL and Rs. 428.00 lakh in the preceding year 2014-15, 2015-16, 2016-17, 2017-18& 2018-19) and balance Rs. Nil should have been remained to be carried forward as deferred revenue expenditure as on the date Balance Sheet.
- c. Trade Receivables to the extent of Rs. 23.88lakhs and other current assets/advances of Rs. 114.15 lakhs aggregating to Rs. 138.03 lakhs are bad for which no provision is made in the accounts as referred to in Note No.5 and Note No. 6 in the notes on accounts
- d. Unapplied interest on Term Loan Rs. 147.55 Lakh & on Cash Credit Rs. 90.42 Lakh aggregating to Rs. 237.97 Lakh is not provided in the books of accounts.
- e. Had the items reported in (b) and (c) above been charged to the statement of profit and loss, the Loss for the year of Rs. 222.60 lakh would have been increased by Rs. 780.12 lakh resulting into total loss of Rs. 1002.72Lakh. To that extent it has resulted into overstatement of year end net Current Assets and Reserves and Surplus by Rs. 1002.72 lakh.

Material Uncertainty Related to Going Concern

The Company's net worth is negative and the borrowings from bank have been classified by the lenders as non-performing assets in the past. The Company has initiated a One Time Settlement application (OTS) with the bank. The company has submitted one-time settlement (OTS) application to the Bank of India, the lender. Bank has approved the amount of OTS, tentatively at Rs. 11.17 Crore as against ledger outstanding balance in the books of the bank of Rs. 15.95 crore (excluding accrued interest from the date of NPA). Accordingly, company has deposited Rs. 2.46 Crore against OTS with the bank. As the OTS is subject to the competent approval of the competent authority. Accordingly, company has not given any effect of OTS in the books of accounts for want of finality.

The building and equipment of company's hotel division viz. Hotel Tripursundari is in the possession of the lender bank under the SARFAECI Act and its operation are discontinued. In the spinning section the plant is not running to its optimum capacity

KATARE SPINNING MILLS LTD

The above factors cast a significant uncertainty on the Company's ability to continue as a going concern. Pending the resolution of the above uncertainties, the Company has prepared the aforesaid statement on a going concern basis.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as-a-whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Outstanding Term Loan, cash credit and recovery proceeding thereof:

Key Audit Matter	How the same is addressed in the audit
<p><u>Unpaid amounts of term loan, cash credit and interest thereon</u> There is pending and ongoing legal dispute relating to recovery of outstanding term loan and cash credit availed from Bank of India. In said litigation and regulatory matters significant judgement is required by management to determine whether a present obligation exists and whether a provision should be recognized. If there is a present obligation there are significant judgements in determining the measurement of provisions, which are subject to the future outcome of legal or regulatory processes.</p>	<ul style="list-style-type: none"> • Assessing provisions: I critically assessed and challenged the adequacy of provisions and contingent liability disclosures including management's ability to reliably estimate the monetary impact. My procedure included comparing assumptions to historical data, approved settlement agreements and enquiry of lawyers. • Assessing transparency: Assessed whether the disclosures related to significant litigation and regulatory matters adequately disclose the potential liabilities and the significant uncertainties that exist. • My results: I considered the provisions for legal and regulatory matters are recognized, including the related disclosures and the contingent liability disclosure made in relevant note.
<p><u>Deferred Tax Asset</u> There is a complexity relating to the treatment and recognition of current and deferred taxation, arising from significant or unusual transactions may be ambiguous and thereby require legal opinion. In addition, the determination of whether to recognize deferred taxation assets is dependent on the directors' assessment of the utilisation of the historical taxation losses and the timing of realising temporary differences, which requires significant judgement.</p> <p>With respect to uncertain taxation positions, the directors make provision for taxation based on the most probable outcome.</p> <p>As a result, taxation is considered a key audit matter due to the complexities and judgement arising from the considerations relating to the calculation, recognition, and classification of current and deferred tax balances.</p> <p>The disclosures relating to taxation and deferred taxation are contained in note No.8 of the financial statements.</p>	<p>I evaluated the taxation provisions and potential exposures. This included:</p> <ul style="list-style-type: none"> • Analysing the taxation consequences arising on significant or unusual transactions to determine if the treatment adopted is appropriate under the circumstances, and/or based on appropriate legal counsel opinion obtained by the directors. • Analysing the current and deferred taxation calculations for compliance with relevant taxation legislation and uncertainty to recoup the same by way of future taxable profits • Evaluating the directors' assessment of the estimated manner in which the timing differences, including the recoverability of the deferred taxation assets, would be realised by comparing this to evidence obtained in respect of other areas of the audit, including cash flow forecasts, minutes of directors' meetings and evidence obtained in other areas during the performance of our audit procedures. • Critically evaluating the assumptions made by the directors for uncertain current and deferred taxation positions to assess whether appropriate current and deferred taxation provisions have been recognised and are based on the most probable outcome. • I assessed the disclosures to ensure that this was accurately and appropriately recognised and found that the disclosures relating to the current and deferred tax are appropriate
<p><u>Depreciation:</u> As stated above the company's hotel division's building and equipment are in the possession of lender bank under SARFACEI Act and hotel is not in operation.</p>	<p>The hotel division being not in operation, company has neither assessed nor provided the depreciation on these assets and impact on the loss can not be ascertained.</p>
<p><u>Payment of Gratuity</u> Ascertainment and its Provision for payment of gratuity liable under the respective asset</p>	<p>It has been observed that No provision is made for payment of gratuity on actuarial basis as on 31stMarch, 2020 hence its impact on the net Loss could not be ascertained.</p>

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

My opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position) Profit or Loss (financial performance including other comprehensive income) cash flows and changes in the equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit.

I have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

I conducted my audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether these financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the standalone financial statements.

Emphasis of the Matter

I draw attention to –

The cash credit and term loan availed by the company from Bank of India have become Non-Performing Assets due to defaults in payments of Installments and interest thereon and the loan accounts have been classified as Non-performing assets. Accordingly, the lender bank has not charged interest on the loan account. However, company has made provision in the books of accounts for unapplied interest on the reasonable estimate based on the terms of loan till 31/03/2019.

The lenders, Bank of India, have taken possession of property of hotel division of the company on 25/10/2017 under SARFESAI Act and from that date the hotel business of the company is not operating. The company has submitted one-time settlement (OTS) application to the lender, Bank of India. Bank has approved the amount of OTS, tentatively at Rs. 11.17 Crore as against ledger outstanding balance in the books of the bank of Rs. 15.95 crore (excluding accrued interest from the date of NPA). Accordingly, company has deposited Rs. 2.46 Crore against OTS with the bank. As the OTS is subject to the competent authority. However the effects of OTS are not given in the books of accounts as the OTS is subject to approval of the competent authority. The financials have been prepared on the assumption of going concern as the management is of the opinion that the company will remain in business in the foreseeable future.

Report on Other Legal and Regulatory Requirements

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of Katare Spinning Mills Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

I have audited the internal financial controls over financial reporting of Katare Spinning Mills Limited (“the Company”) as of 31st March 2019 in conjunction with my audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

My responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting,

assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering

the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statement.

The areas involving critical estimates or judgments are:

- I. Estimation of current expense and payable
- II. Estimation of defined benefit obligations

KATARE SPINNING MILLS LTD

- **Credit Risk:** Credit risk refers to the risk of default on its obligation by the customer / counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is carrying value of respective financial assets. Trade receivables and unbilled revenue are typical unsecured and are derived from revenue earned from customers. Credit risk has always been managed by each business segment through credit approvals establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in normal course of business. On account of adoption of Ind AS 109 the Company uses expected credit loss model to assess the impairment loss or gain.
- **Liquidity Risk:** The Company's principle sources of liquidity are cash and cash equivalents, current investments and the cash flow that is generated from operations. Presently the Company suffers from inadequacy of working capital to meet its current requirements. Accordingly, liquidity risk is perceived but management is trying to find out the end and means to augment the same. The Company is closely monitoring its liquidity position to maintain adequate source of funding.
