Dear Sirs,

Sub.: Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the “Listing Regulations”).

This is in continuation to our press release dated 30th May 2018 announcing various order wins including that of 285 MW wind power project under SECI 4 bid located in Kutch, Gujarat from Avikiran Solar India Private Limited. This is to inform that due to devastating impact of the COVID-19 global pandemic and the resultant disruption of the global supply chain, the parties have decided to downsize the project limiting to 168 MW.

This is for your information as also for the information of your members and the public at large.

Thanking you,

Yours faithfully,
For Suzlon Energy Limited

Geetanjali S.Vaidya,
Company Secretary.
