**Sub: Inauguration of Shalby Orthopedics Centre of Excellence (SOCE) in Ahmedabad and Celebration of 28<sup>th</sup> Anniversary - Press Release**

**Dear Sir, Madam,**

In terms of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that our Company is celebrating 28<sup>th</sup> Anniversary and inaugurated an Orthopedic Centre of Excellence (SOCE) franchise in Ahmedabad on Sunday, March 13, 2022. After opening of an SOCE in Udaipur last year, this is second franchise of Shalby Mutli-specialty hospitals.

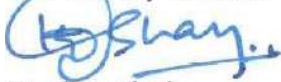

This is a dedicated, state-of-the-art, full service, walk-in orthopedic centre for the convenient and quality treatment of all joint replacements, orthopedic disorders, accident & trauma as well as sports injuries under one roof.

Please find enclosed herewith copy of Press release for the same.

We request to take the same on your records.

Thanking You,

Yours faithfully,  
For Shalby Limited

## Press Release

# **SHALBY HOSPITALS CELEBRATES 28<sup>TH</sup> ANNIVERSARY WITH LAUNCH OF SHALBY ORTHOPEDICS CENTRE OF EXCELLENCE (SOCE) IN AHMEDABAD**

Shalby Multispecialty Hospitals celebrated its 28<sup>th</sup> anniversary with the launch of an orthopedics franchise in Ahmedabad. Shalby was founded by Dr Vikram Shah, world-renowned joint replacement surgeon and Chairman & Managing Director of Shalby Multispecialty Hospitals. Interestingly, this franchise which has been named as Shalby Orthopedics Centre of Excellence (SOCE), is opening at the same place where Dr Vikram Shah opened his first hospital way back in 1994 near Vijay Char Rasta in Navrangpura. He started with a joint replacement centre here and then forayed into establishing 11 multispecialty hospitals all across India. With that this hospital was also converted into a multispecialty hospital. With the launch of SOCE it is being converted from multispecialty into an orthopedics specialty centre which is owned and operated by Shalby Hospitals. Whilst earlier it used to provide treatment for all specialties, now it will provide focused orthopedics services.

After opening an SOCE in Udaipur last year, this is Shalby Multispecialty Hospitals' second orthopedic speciality franchise hospital in India. This is a dedicated, state-of-the-art, full service, walk-in orthopedic centre for the convenient and quality treatment of all joint replacements, orthopedic disorders, accident & trauma as well as sports injuries under one roof. It will provide a wide range of orthopedic services including knee and hip replacement surgeries and is equipped with state-of-the-art operation theatre, ICU and emergency department. It will offer OPD as well as IPD services to patients. This

will immensely benefit people who will be able to get world-class orthopedic treatment here. It will be very helpful in orthopedic emergencies for people of nearby areas. Besides, it will give an opportunity to young and talented doctors to get associated with a world-class infrastructure set up by SOCE, Vijay.

**Dr. Vikram Shah, Chairman & Managing Director of Shalby Multispecialty Hospitals** said, "This is our second SOCE centre in India. We are launching one more in Rajkot soon and then one in Gwalior later. Our plan is to start 50 such smaller orthopedics franchise hospitals all across India in next five years. This will enable people from smaller cities to access best in class orthopedics treatment at their own doorstep. Personally for me, this is like a second innings of our first hospital in Ahmedabad which I started in 1994. After being a multispecialty hospital for fifteen years when we established our SG Highway hospital in 2007 this too was converted into a multispecialty hospital. With the launch of SOCE here, it is again being turned into an orthopedics franchise centre now."

### **About Shalby Multispecialty Hospitals**

Founded by the world-renowned joint replacement surgeon Dr. Vikram Shah, Shalby Multispecialty Hospitals is an acknowledged leader in India in orthopedic care with its presence through 11 multispeciality hospitals spread across the country. It performs more than 10,000 joint replacement surgeries annually, commanding 15% of the total share of the private hospitals in India. Shalby has won Medical Tourism Award of Gujarat multiple times as people from around the world come to its flagship hospital in Ahmedabad.
