Independent Auditors Review report on Standalone Unaudited Quarterly Financial Results of the Company pursuant to Regulations 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Inox Wind Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **Inox Wind Limited** ("the Company") for the quarter and nine months ended December 31, 2023 ("the Statement"), being submitted by the company pursuant to the requirement of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above and subject to the possible effects of the matters described in paragraphs 4 below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Note 3 to the statement regarding pending/disposed off litigation matters with Court/Appellate Authorities and the impact, if any is unascertainable.
5. **Emphasis of Matter**
 - a) We draw attention to Note 2 to the statement regarding invested funds in SPVs.
 - b) We draw attention to Note 7 of the statement, which states that the company adheres to the requirements of the Goods and Services Act ("GST Act") and "Chapter- XVII of the Income Tax Act, 1961 by maintaining proper documentation and information. However, the company currently has certain pending compliances including certain reconciliations. Management believes that there will be no significant impact on the statements.
 - c) We draw attention to Note 8 to the statement which describes that the supply/Commissioning of WTGs against certain contracts does not require any material adjustment on account of delays, if any.
 - d) Party balances in the form of trade receivables/payables/advances to vendors and other parties (other than disputed parties) are subject to confirmation/reconciliation. Adjustments, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact.

Head Office:

57-H, Connaught Circus, New Delhi - 110 001, India Phones : +91-11-23322359/1418
Email: dpnc@dpncindia.com

- e) The Company has written back the statutory liabilities of custom duties saved on import against expired EPCG licenses (including interest thereon) amounting to Rs.5,012Lakh based on the extension of expired EPCG licenses under consideration/granted. Due to unascertainable outcomes for licenses under consideration and the significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment, management believes that there will be no significant impact on the statements.

Our conclusion is not modified with respect to the above matters.

The company invested funds in the SPVs through Inter-Corporate deposits for project execution, amounting to Rs. 951 Lakh, and also provided bank guarantees of Rs. 5,578 Lakh. The management believes that once the projects are commissioned and subject to pending regulatory matters and operational performance improvement, the company will be able to recover the funds from the SPVs and release the bank guarantees. 4. The Company is engaged in below mentioned business activities, which is considered as a single business segment:
 - a.Manufacturing of Wind Turbine Generators (WTG);
 - b.Erection, procurement & commissioning services (EPC);

6. The Company has recognised deferred tax assets on its unabsorbed depreciation and business losses carried forward to the extent that the Company has reasonable certainty that there will be sufficient taxable income available to realize such assets in the near future.
7. The Company adheres to the requirements of the Goods and Services Act ("GST Act") and "chapter- xvii of the Income Tax Act, 1961 by maintaining proper documentation and information. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:-(Refer to Annexure 1)

Indian Accounting Standard (Ind AS) 8, 'Accounting Policies, Change in Accounting Estimates and Errors' upto that extent.

8. We draw attention to Note 10 of the Statement which describes that the capital work in progress amounting to Rs.25,036 Lakh (as on March 31, 2023 Rs.10,854 Lakh) includes provisional capital expenses of Rs.16,233 Lakh (as on March 31, 2023 Rs.10,690 Lakh). In the absence of original invoices and other related documents, the impact, if any, is not ascertainable.
9. Emphasis of Matter
 - a. We draw attention to Note 6 of the statement, which states that the group adheres to the requirements of the Goods and Services Act ("GST Act") and "Chapter- XVII of the Income Tax Act, 1961 by maintaining proper documentation and information. However, the group currently has certain pending compliances including certain reconciliations. Management believes that there will be no significant impact on the statements.
 - b. We draw attention to Note 7 to the statement regarding invested funds in SPVs.
 - c. We draw attention to Note 8 of the statement which states that the group has the policy to recognise revenue from operations & maintenance (O&M) over the period of the contract on a straight-line basis. Certain O&M services are to be billed amounting to Rs.11,695 Lakh for which services have been rendered. On the basis of the contractual tenability, and progress of negotiations/ discussions/ arbitration/litigations, the company's management expects no material adjustments in the statements on account of any contractual obligation and taxes & interest thereon, if any.
 - d. We draw attention to Note 9 to the statement which describes that supply/commissioning of WTGs and operation & maintenance services against certain contracts does not require any material adjustment on account of delays/machine availability, if any.
 - e. We draw attention to Note 11 to the statement which describes that work-in-progress inventory includes amounting to Rs. 23,649 Lakh (as at March 31, 2023: Rs.25,704 Lakh) for project development, erection & commissioning work and Common infrastructure facilities in different states. Adjustments, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact.
 - g. The Group has written back the statutory liabilities of custom duties saved on import against expired EPCG licenses (including interest thereon) amounting to Rs.5,012 Lakh based on the extension of expired EPCG licenses under consideration/granted. Due to unascertainable outcomes for licenses under consideration and the significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment, management believes that there will be no significant impact on the statements.

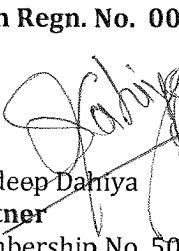

Our conclusion is not modified with respect to the above matters.

10. Other Matter

The statement includes the interim financial results of one subsidiary which have not been reviewed, whose interim financial results reflect total revenue of Rs. 627 Lakh & 1,853 Lakh, total net profit after tax of Rs. 28 Lakh & 94 Lakh and total comprehensive income of Rs. 28 Lakh & 94 Lakh for the quarter and nine months ended 31.12.2023 respectively. 3. Due to unascertainable outcomes for pending litigation matters with Court/Appellate Authorities and significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment which is being technical in nature, the management is of the opinion that the group will succeed in the appeal and there will not be any material impact on the statements on account of probable liability vis-à-vis the provisions already created in the books.

4. The Group is engaged in the business of manufacture of Wind Turbine Generators ("WTG") and also provides related erection, procurement & commissioning (EPC) services, operations & maintenance (O&M) and common infrastructure facility services for WTGs and development of projects for wind farms, which is considered as a single business segment and group is also engaged in power generation segment but considering the threshold as per Ind AS 108, "Operating Segment" Segment reporting is not applicable on the Group.

STATEMENT OF CONSOLIDATED UNAUDITED FINANCIAL RESULTS FOR THE QUARTER AND NINE MONTHS ENDED 31 DECEMBER, 2023

5. The Group has recognised deferred tax assets on its unabsorbed depreciation and business losses carried forward to the extent that the Group has reasonable certainty that there will be sufficient taxable income available to realize such assets in the near future.

6. The IGESL adheres to the requirements of the Goods and Services Act ("GST Act") and "chapter- xvii of the Income Tax Act, 1961 by maintaining proper documentation and information. However, the group, currently, has certain pending compliances including certain reconciliation. Management believes that there will be no significant impact on the statements.

7. The Group incorporated 6 wholly-owned subsidiaries (hereafter referred to as SPVs), through a request for selection (Rfs) process under the Solar Energy Corporation of India (SECI) to set up wind farm projects. The company invested funds in the SPVs through Inter-Corporate deposits for project execution, amounting to Rs. 951 Lakh, and also provided bank guarantees of Rs. 5,578 Lakh. The management believes that once the projects are commissioned and subject to pending regulatory matters and operational performance improvement, the company will be able to recover the funds from the SPVs and release the bank guarantees. However, as at December 31, 2023, the SPVs' project completion date had expired and applications for extensions are pending with regulators. In annual general meeting held on September 29, 2023 & September 29, 2023 of the Company and (IGESL) subsidiary company respectively approves that if the group is unable to recover the funds provided as Inter-Corporate deposits and Bank Guarantee from the SPVs, the holding company will bear the costs.

8. The Group has the policy to recognise revenue from operations & maintenance (O&M) over the period of the contract on a straight-line basis. Certain O&M services are to be billed amounting to Rs 11,695 Lakh for which services have been rendered. On the basis of the contractual tenability, and progress of negotiations/discussions/arbitration/litigations, the Group's management expects no material adjustments in the consolidated financial statements on account of any contractual obligation and taxes & interest thereon, if any.

9. Commissioning of WTGs and operation & maintenance services against certain contracts does not require any material adjustment on account of delays/machine availability, if any.

10. The Capital work in progress amounting to Rs.25,036 Lakh (as on March 31, 2023 Rs.10,854 Lakh) includes provisional capital expenses of Rs.16,233 Lakh (as on March 31, 2023 Rs.10,690 Lakh) and due to long-term agreement in nature, invoice of the same will be received/recorded in due course.

11. The group currently has work-in-progress inventory valued at Rs. 23,648.93 Lakh (as at March 31, 2023: Rs.25,704 Lakh) for various projects involving development, erection, and commissioning work, as well as common infrastructure facilities in different states.
