Opportunities and Threats:

Since the beginning of economic reforms and pragmatic and visionary policies adopted by the Government, the Indian economy has been witnessing strong economic growth along with demographic impetus of a growing population in the working-age category. The Company is all set to avail such opportunities and take a giant leap in the path of progress.

Apart from normal business risks, your company will be facing stiff competition from existing as well as other new entrants in the same line of business. However pragmatic and prudent policies and induction of young and dynamic visionaries with expertise coupled with infusion of high-tech approach, your company will be progressing by leaps and bounds.

Segment wise Performance:

A detailed segment report is prepared and presented at Sr. No. 38 in Notes to Accounts appearing under (Significant Accounting Policies and Notes to Accounts) forming part of the Balance Sheet as at 31st March, 2021

Risks, Concerns and Out-Look:

In the course of its business, your company is exposed to a wide variety of risks like non availability of, or exorbitant increase in the cost of land, cement, steel, labour force, short terms and long term funds etc being inherent to industry.

Real estate business in India being highly regulated by Governments at various level, several regulatory approvals, permits, licenses etc. are required to be obtained from the Government/Authorities from time to time for projects. Any delay in obtaining such approvals can affect the timely execution of projects.

Despite a number of risks, your company will be facing them with full zeal and gist and will be able to overcome and withstand the risks enumerated envisaging future outlook.

Internal Control System and their Adequacy:

The Company has in place adequate internal control system covering all its operations in order to provide reasonable assurance with regard to information and maintenance of proper accounting records, the economy and efficiency of operations, safeguarding of assets against unauthorized use or losses, and the reliability of financial and operational information.

The Internal Control mechanism comprises a well-defined organization structure, pre-determined authority levels and clearly defined policy guidelines for appropriate delegation of authority.

Financial Performance with respect to Operational Performance:

The Financial performance of the Company has been given separately in the Directors' Report.

Material Developments in Human Resources / Industrial Relations:

The Company firmly believes that "People" and "People driven Strategies" are the pivotal force behind success of its growth. The HR philosophy is communicated to the employees through various group interactions with the Top Management. In order to ensure that its HR philosophy is translated into demonstrated action, the Company has sound, pro-active and progressive HR strategy and practices.

Cautionary Statement:

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/supply and price conditions in the domestic market in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF RAGHUNATH INTERNATIONAL LIMITED

Opinion

We have audited the accompanying Standalone Ind AS Financial Statements of **Raghunath International Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information.

Qualified Opinion

As per Ind AS 109 "Financial Instruments" the investment in equity shares (other than subsidiary, associates and joint ventures) are recognized at fair value through Profit and Loss Account or Fair Value through Other Comprehensive Income, However, the company has recognized the Non-current Investments in equity shares (other than subsidiary, associates and joint ventures) at Cost amounting Rs. 45000 only as appearing in the Standalone Ind As Balance Sheet as at March 31, 2021, and March 31, 2020 which constitutes a departure from the AS-109 "Financial Instruments".

Therefore, financial impact on account of the difference between the fair value and the cost of Non-Current investment in the "Non-Current Investment", "Other Equity" and "Other Comprehensive Income" and "Deferred Tax" are not ascertainable. This matter was also reported in the previous year.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid Standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India,

- (a) in the case of Balance Sheet, of the state of affairs of the Company as at March 31, 2021,
- (b) in the case of the Statement of Profit and Loss and Comprehensive Income, of the Profit and including other Comprehensive Income for the year ended on that date,
- (c) in the case of Cash Flow Statement of cash flows for the year ended on that date and
- (d) in the case of Statement of Change in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind As Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 40 to the accompanying Standalone audited Financial Statements, with regard to the management's evaluation of uncertainty due to the outbreak of COVID-19 and its impact on the future performance operations of the Company. Our opinion is not modified in respect of this matter.

Key Auditors Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in Qualified Opinion We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Auditor Matter	Auditor's Response
1.	<p><u>Contingent Liabilities</u></p> <p>The Company operates across a large number of jurisdictions and is subject to a number of legal, regulatory and tax cases. That the total amount of contingent liability estimated for the company amounts to Rs. 52.12 Crores plus interest thereon which is pending adjudication.</p> <p>Management's disclosures with regards to contingent liabilities are presented in note 4(o), 33 and 37(ii) to the standalone financial statements.</p>	<p><u>Principal Audit Procedures</u></p> <p>We evaluated the design and tested the operating effectiveness of the relevant controls and assessed how the Company monitors legal, tax and regulatory developments and their assessment of the potential impact on the Company.</p> <p>We duly considered the summary of litigation matters provided by the Company's Legal Counsel Team and discussed each of the material cases noted in the report to determine the Company's assessment of the likelihood and magnitude of any liability that may arise.</p> <p>We have reviewed the reports from the audit committee and obtained legal confirmation, wherever applicable, and held discussions regarding the material cases with the members of the audit committee and their management.</p> <p>We have obtained wherever applicable, external legal or regulatory advice sought by the Company and reviewed related correspondence and minutes of executive meetings.</p> <p>In light of the above, we have assessed the adequacy of disclosures in the standalone financial statements.</p>
2.	<p><u>Recoverability of Indirect Taxes</u></p> <p>As on 31.03.2021 and 31.03.2020 Other Non-Current Assets in respect of Advance Recoverable includes Duty Paid under protest, Excise Duty Recoverable and others amount to Rs. 3.67 Crores which are pending adjudication.</p>	<p><u>Principal Audit Procedures</u></p> <p>We have obtained, wherever applicable, the point of view of legal advisor of the company to review the nature of amount recoverable, the sustainability and the likelihood of recoverability upon final resolution.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone IndASFinancial Statements that give a true and fair view of the financial position, financial performance and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone IndASFinancial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Ind AS Standalone Financial Statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure-"A" a statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Change in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, except Ind As 109 referred above in our qualified opinion.
 - e) On the basis of written representations received from the directors as on 31 March 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2021, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and operating of such controls, refer to our separate report in Annexure "B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) with respect to other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has pending litigations, which may have impact on its financial position in its standalone Ind AS financial statement as of March 31, 2021 (Refer to Point No. 33 of the "Notes to Accounts");
 - ii. The Company did not have any long term contracts including derivatives contracts and
 - iii. There were no amounts which are required to be transferred to Investor's Education and Protection Fund by the company.

Annexure to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub section 3 of Section 143, of The Companies Act, 2013 ("the Act") In conjunction with our audit of the Financial Statements of the Company as of and for the year ended 31 March 2021, we have audited the internal financial controls over financial reporting of Raghunath International Limited, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Director of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company, have in, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

RAGHUNATH INTERNATIONAL LIMITED

NOTES TO ACCOUNTS FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

1. COMPANY OVERVIEW

Raghunath International Limited (referred to "the Company" hereinafter) was incorporated under the Company Act, 1956 having its registered office at 8/226, Second Floor, SGM Plaza, Arya Nagar, Kanpur, 208002 (Uttar Pradesh).

2. Basis of preparation and compliance with Ind AS and Recent Accounting Pronouncement

I. Basis of preparation and compliance with Ind AS

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities which have been measured at fair value, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional. All financial information presented in Rupees.

3) RECENT ACCOUNTING PRONOUNCEMENT

(i) On March 2021, Ministry of Corporate Affairs has notified the following new Amendments to Ind ASs effective for annual periods beginning on or after April 01, 2021

- (a) Ind AS 12- Income Taxes
- (b) Ind AS 19- Employee Benefits

The company does not have any impact on account of this amendment.

(ii) On March 2021, Ministry of Corporate Affairs has notified Ind AS 116, Lease. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases and related interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value.

Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2021. The standard permits two possible methods of transition:

- Full retrospective - Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- Modified retrospective - Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application.

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

- Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or
- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

Certain practical expedients are available under both the methods.

The company does not have any impact on account of this amendment.

TWENTY SEVENTH ANNUAL REPORT - 2020 - 2021

4. SIGNIFICANT ACCOUNTING POLICIES

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statement.

a) **Revenue Recognition**

Sale of Goods:

Sales include excise duty, where applicable and represent invoice value of goods sold as reduced by rebates and discounts.

Sale of Flats:

Sale of flat purchased from other developers is recognized on execution of transfer deed in favour of the buyer.

In respect of development projects undertaken by the company, revenue is recognised when the significant risks and rewards of ownership of the unit in real estate have passed to the buyer and the revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Construction Contracts:

Revenue from each Real Estate Development Project is recognized:

- (i) On the basis of "Percentage Completion Method"
- (ii) The percentage completion method is applied on a cumulative basis in each accounting period to the current estimates of contract revenue and contract costs
- (iii) When the stage of completion of each project reaches a significant level, which is estimated to be at least 25% of the total estimated cost of project
- (iv) When no significant uncertainty exists regarding the amount of the consideration from sale, which is estimated on collection of at least 25% of sale consideration.

Real Estate Development Project:

The Company follows completed project method of accounting ("Project Completion Method of Accounting"). Allocable expenses incurred during the year are debited to work-in-progress account. The income is accounted for as and when the projects get completed or substantially completed and then revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Royalty:

Revenue is recognized on an accrual basis in accordance with the terms of the relevant agreement.

Interest:

Interest on fixed deposits is recognized on accrual basis on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend:

Revenue is recognized when the right to receive the income is established.

Rent:

Revenue is recognized on an accrual basis in accordance with the terms of the relevant agreement.

b) **Property, Plant and Equipment**

- (i) Property, plant and equipment

The Company has applied Ind AS 16 with retrospective effect for all of its property, plant and equipment as at the transition date, viz., 1 April 2016.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

RAGHUNATH INTERNATIONAL LIMITED

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(i) **Depreciation**

Assets in the course of development or construction and freehold land are not depreciated. Other property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Company Act, 2013. The estimated useful life of determined by the management based on technical estimates as follows:

Plant and Machinery	15 Years
Furniture and Fixtures	10 Years
Office Equipment	5 Years
Computers	3 Years
Vehicles	8 Years

Individual items of assets costing up to Rs. 5,000 are fully depreciated in the year of acquisition. Land is not depreciated.

Major inspection and other direct costs are depreciated over the estimated life of the economic benefit derived from such costs.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

c) **Intangible assets**

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

TWENTY SEVENTH ANNUAL REPORT - 2020 - 2021

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

d) Investment in Subsidiaries, Associates and Joint Venture

Investment in subsidiaries, associates and joint venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investment in subsidiaries, associates and Joint Ventures, the difference between net disposal proceeds and carrying amount are recognized in the statement of profit and loss.

e) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

Subsequent measurement of financial assets is described below -

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

RAGHUNATH INTERNATIONAL LIMITED

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The

Company has designated its investments in debt instruments as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Financial Assets - Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- (i) The rights to receive cash flows from the asset have expired, or
- (ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement? and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Equity Instruments

All Investment in equity Instruments classified under assets are initially measured at fair value, the company may, on initial recognition, irrevocably elect to measure to same either at OCI or FVTPL.

The company makes such election on instruments -by -instruments basis. Fair value changes on an equity instrument is recognized as other income in the statement of profit and loss unless the company has elected to measure such instrument at OCI. Fair value changes excluding dividends, on an equity instrument measured at OCI are recognized in OCI. Amounts recognized in OCI are not subsequently reclassified to the statement of profit and loss. Dividend income on the investments in equity instruments are recognized as "Other Income" in the statement of profit and loss.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

TWENTY SEVENTH ANNUAL REPORT - 2020 - 2021

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- (i) Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- (ii) Debt instruments measured at FVTPL: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. The change in fair value is taken to the statement of Profit and Loss.
- (iii) Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

Financial liabilities - Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through statement of profit and loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

The measurement of financial liabilities depends on their classification, as described below:

- Financial liabilities at fair value through statement of profit and loss Financial liabilities at fair value through statement of profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through statement of profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.
- Gains or losses on liabilities held for trading are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through statement of profit and loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to statement of profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through statement of profit and loss.
- Loans and Borrowings After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (hereinafter referred as EIR) method. Gains and losses are recognized in statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial liabilities - Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

e. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of twelve months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

f. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

g. Impairment of Non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss.

TWENTY SEVENTH ANNUAL REPORT - 2020 - 2021

h. Inventories

Inventories are valued at the lower of cost and net realizable value except scrap and by products which are valued at net realizable value.

Costs incurred in bringing the inventory to its present location and conditions are accounted for as follows:

- a. Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- b. Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

i. Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sales/ value added taxes paid on acquisition of assets or on incurring expenses

Expenses and assets are recognized net of the amount of sales/ value added taxes paid, except:

- a) When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

RAGHUNATH INTERNATIONAL LIMITED

- b) When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

j. Employee benefit schemes

Gratuity

Provision of Gratuity is created for employees who have completed continuous five years' of services at the rate of 15 days salary for every completed year of service based on the salary drawn during the last month of the financial year.

Leave Encashment

Unused leave are paid to the employees at the end of year and are not accumulated.

Provident Fund

Company's contribution to provident fund is charged to profit and loss account.

k. Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

l. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue are accounted for based on the cost price. Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses/ assets/ liabilities".

m. Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

n. Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

o. Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

36. Segment Reporting

The segment reporting of the Company has been prepared in accordance with Ind AS-108, "Operating Segment" (specified under section 133 of The Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2015). For management purposes, the Company is organized into business units based on its products and services and has two reportable segments as follows:

- (a) Pan Masala and Allied
- (b) Trading Agency
- (c) Real Estate

Segments have been identified as reportable segments by the Company's chief operating decision maker ("CODM"). Segment profit amounts are evaluated regularly by the Board, which has been identified as the CODM, in deciding how to allocate resources and in assessing performance.

Segment Revenue, Results, Assets and Liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

TWENTY SEVENTH ANNUAL REPORT - 2020 - 2021

The accounting policies of the reportable segments are the same as the Company's accounting policies described in Note 3i. Segment profit (Earnings before interest, depreciation and amortization, and tax) amounts are evaluated regularly by the Board that has been identified as its CODM in deciding how to allocate resources and in assessing performance. The Company's financing (including finance costs and finance income) and income taxes are reviewed on an overall basis and are not allocated to operating segments.

37. Critical estimates and judgments in applying accounting policies

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Information about estimates and judgments made in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as follows:

i) **Property, plant and equipment and useful life of property, plant and equipment and intangible assets**

The carrying value of property, plant and equipment is arrived at by depreciating the assets over the useful life of assets. The estimate of useful life is reviewed at the end of each financial year and changes are accounted for prospectively.

ii) **Provisions and contingencies**

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with the applicable Ind AS.

RAGHUNATH INTERNATIONAL LIMITED

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provisions are determined by discounting the expected future cash flows.

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability (**Refer Note 33**)

38. Capital Management

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth and maximize the shareholders' value. The Company's overall strategy remains unchanged from previous year. The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments. The funding requirements are met through a mixture of equity, internal fund generation and borrowed funds. The Company's policy is to use short term and long-term borrowings to meet anticipated funding requirements. The Company monitors capital on the basis of the net debt to equity ratio. The Company is not subject to any externally imposed capital requirements. Net debt is long-term and short-term debts as reduced by cash and cash equivalents (including restricted cash and cash equivalents) and short-term investments. Equity comprises share capital and free reserves. The following table summarizes the capital of the Company:

Amount in Rs.

TWENTY SEVENTH ANNUAL REPORT - 2020 - 2021

39. The Company had measured Long-Term investments at cost and Current Investments at lower of cost and fair value in the previous GAAP. Under Ind AS, the company has recognized the Non-current Investments in equity shares (other than subsidiary, associates and joint ventures) at Cost as appearing in the Standalone Balance Sheet as at March 31, 2021 and March 31, 2020.

Therefore, financial impact on account of the difference between the fair value and the cost of Non-Current investment in the "Non-Current Investment", "Other Equity" and "Other Comprehensive Income" and "Deferred Tax" are not ascertainable.

40. **Note On Impact Of The Covid-19 Pandemic On The Company**

The business operations of the Company were disturbed due to declaration of nationwide lockdown on account of covid-19 with effect from March 25, 2020, which does have negative impact on the real estate sector and has impacted the financial position of the company being the part of this sector but its impact cannot be ascertained at this juncture. However, the company has adequate sources to tide over these uncertainties. The Company will manage in house the financial requirements to combat this situation and work operations. The Company is well positioned to fulfill all its obligations and also does not foresee any significant impact on the business due to non-fulfillment of the obligations by any other party.

41. **Previous Year's Comparatives**

Previous Year's figures have been regrouped/re-classified, wherever necessary, to conform to Current Year's Classification.

42. These financial statements were approved for issue by the Board of Directors on June 30, 2021.
42. Notes to Accounts form an integral part of the Ind AS Financial Statements and have been duly authenticated.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF RAGHUNATH INTERNATIONAL LIMITED

Opinion

We have audited the accompanying Ind AS Consolidated Financial Statements of **Raghunath International Limited** ("the Company"), which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information.

Qualified Opinion

As per Ind AS 109 "Financial Instruments" the investment in equity shares (other than subsidiary, associates and joint ventures) are recognized at fair value through Profit and Loss Account or Fair Value through Other Comprehensive Income. However, the company has recognized the Non-current Investments in equity shares (other than subsidiary, associates and joint ventures) at Cost amounting Rs. 45,000 only as appearing in the Ind As Consolidated Balance Sheet as at March 31, 2021 and March 31, 2020 which constitutes a departure from the AS-109 "Financial Instruments".

Therefore, financial impact on account of the difference between the fair value and the cost of Non-Current investment in the "Non-Current Investment", "Other Equity" and "Other Comprehensive Income" and "Deferred Tax" are not ascertainable. This matter was also reported in the previous year.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid Ind AS Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India,

- (a) in the case of aforesaid Ind AS Consolidated Balance Sheet, of the state of affairs of the Company as at March 31, 2021,
- (b) in the case of the aforesaid Ind AS Consolidated Statement of Profit and Loss and Comprehensive Income, of the Profit and including other Comprehensive Income for the year ended on that date, ,
- (c) in the case of aforesaid Ind AS Consolidated Cash Flow Statement of cash flows for the year ended on that date and
- (d) in the case of aforesaid Ind AS Consolidated Statement of Change in Equity of Cash Flow Statement, of cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Ind AS Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Consolidated Financial Statements.

Emphasis of Matter

We draw attention to Note 42 to the accompanying Consolidated Audited Financial Statements, with regard to the management's evaluation of uncertainty due to the outbreak of COVID-19 and its impact on the future performance operations of the Company. Our opinion is not modified in respect of this matter.

Key Auditors Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Ind AS Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in Qualified Opinion. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Ind AS Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Ind AS Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Ind AS Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated IndAS Financial Statements that give a true and fair view of the financial position, financial performance and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Ind AS Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Ind AS Consolidated Financial Statements, including the disclosures, and whether the Ind AS Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Change in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Consolidated IndAS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, except Ind As 109 referred above in our qualified opinion.
- e) On the basis of written representations received from the directors as on 31 March 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2021, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and operating of such controls, refer to our separate report in Annexure "A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) with respect to other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has pending litigations, which may have impact on its financial position in its Consolidated Ind AS Financial Statement as of March 31, 2021 (Refer to Point No.32 of the "Notes to Accounts");
 - ii. The Company did not have any long term contracts including derivatives contracts and
 - iii. There were no amounts which are required to be transferred to Investor's Education and Protection Fund by the company.

Annexure to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub section 3 of Section 143, of The Companies Act, 2013 ("the Act") In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended 31 March 2021, we have audited the internal financial controls over financial reporting of Raghunath International Limited, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Director of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company, have in, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

TWENTY SEVENTH ANNUAL REPORT - 2020 - 2021

1. COMPANY OVERVIEW

Raghunath International Limited (referred to "the Company" hereinafter) was incorporated under the Company Act, 1956 having its registered office Registered Office: 8/226, Second Floor, SGM Plaza, Arya Nagar, Kanpur - 208002 (Uttar Pradesh)

2. Basis of preparation and compliance with Ind AS

- (i) The Ind AS Consolidated Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities which have been measured at fair value, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS Consolidated Financial Statements are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These Consolidated financial statements as and for the year ended March 31, 2019 (the "Ind AS Financial Statements") has prepared in accordance with Ind AS.

The Company has only one Associate and no Subsidiary and Joint Venture.

- (ii) These Consolidated financial statements were approved for issued by the Board of Directors on June 30, 2021.

b) Basis of measurement

The Ind AS consolidated Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities which have been measured at fair value.

c) Functional and presentation currency

These Ind AS Consolidated Financial Statements are prepared in Indian Rupee which is the Company's functional .All financial information presented in Rupees.

d) Basis Of Consolidation and Consolidation Procedure

The Consolidated Financial Statements have been prepared on the following basis:

Investment in Associate Companies has been accounted under the equity method as per Indian Accounting Standard (IND AS 28) - "Accounting for Investments in Associates and Joint Ventures".

The Company accounts for its share of post-acquisition changes in net assets of associate, after eliminating unrealised profits and losses resulting from transactions between the Company and its associate to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associate's Statement of Profit and Loss and through its reserves for the balance based on available information.

As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's standalone financial statements.

Investments other than in associate have been accounted as per relevant Indian Accounting Standard.

3) RECENT ACCOUNTING PRONOUNCEMENT

- (i) On March 2021, Ministry of Corporate Affairs has notified the following new Amendments to Ind ASs effective for annual periods beginning on or after April 01, 2020
- (a) Ind AS 12- Income Taxes
 - (b) Ind AS 19- Employee Benefits

The company does not have any impact on account of this amendment.

- (ii) On March 2021, Ministry of Corporate Affairs has notified Ind AS 116, Lease. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases and related interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value.

Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2020. The standard permits two possible methods of transition:

- Full retrospective - Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- Modified retrospective - Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application.

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

- Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or
- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

Certain practical expedients are available under both the methods.

The company does not have any impact on account of this amendment

4). OTHER SIGNIFICANT ACCOUNTING POLICIES:

35. Fair Value Hierarchy

The table shown below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined below:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

36. There were no Micro and Small enterprises to whom amounts are outstanding for more than 45 days, as at March 31, 2021 (Previous Year Rs. Nil). As at March 31, 2020, no supplier has Intimated the company about its status as Micro and Small enterprises or its registration with the appropriate authority under The Micro, Small and Medium Enterprises Development Act, 2006.

37. Segment Reporting

The segment reporting of the Company has been prepared in accordance with Ind AS-108, "Operating Segment" (specified under section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2015). For management purposes, the Company is organized into business units based on its products and services and has two reportable segments as follows:

- Pan Masala and Allied
- Trading Agency
- Real Estate

Segments have been identified as reportable segments by the Company's chief operating decision maker ("CODM"). Segment profit amounts are evaluated regularly by the Board, which has been identified as the CODM, in deciding how to allocate resources and in assessing performance.

Segment Revenue, Results, Assets and Liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

TWENTY SEVENTH ANNUAL REPORT - 2020 - 2021

The accounting policies of the reportable segments are the same as the Company's accounting policies described in Note 3i of the Standalone Balance Sheet. Segment profit (Earnings before interest, depreciation and amortization, and tax) amounts are evaluated regularly by the Board that has been identified as its CODM in deciding how to allocate resources and in assessing performance. The Company's financing (including finance costs and finance income) and income taxes are reviewed on an overall basis and are not allocated to operating segments.

38. Critical estimates and judgments in applying accounting policies

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Information about estimates and judgments made in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as follows:

i) Property, plant and equipment and useful life of property, plant and equipment and intangible assets

The carrying value of property, plant and equipment is arrived at by depreciating the assets over the useful life of assets. The estimate of useful life is reviewed at the end of each financial year and changes are accounted for prospectively.

ii) Provisions and contingencies

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS.

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provisions are determined by discounting the expected future cash flows.

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability (Refer Note 32)

39. Capital Management

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth and maximise the shareholders value . The Company's overall strategy remains unchanged from previous year. The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments. The funding requirements are met through a mixture of equity, internal fund generation and borrowed funds. The Company's policy is to use short term and long-term borrowings to meet anticipated funding requirements. The Company monitors capital on the basis of the net debt to equity ratio. The Company is not subject to any externally imposed capital requirements. Net debt are long term and short term debts as reduced by cash and cash equivalents (including restricted cash and cash equivalents) and short-term investments. Equity comprises share capital and free reserves. The following table summarizes the capital of the Company:

42. Note On Impact Of The Covid-19 Pandemic On The Company

The business operations of the Company were disturbed due to declaration of nationwide lockdown on account of covid-19 with effect from March 25, 2020, which does have negative impact on the real estate sector and has impacted the financial position of the company being the part of this sector but its impact cannot be ascertained at this juncture. However, the company has adequate sources to tide over these uncertainties. The Company will manage in house the financial requirements to combat this situation and work operations. The Company is well positioned to fulfill all its obligations and also does not foresee any significant impact on the business due to non-fulfillment of the obligations by any other party.

43. Previous Year's Comparatives

Previous Year's figures have been regrouped/re-classified, wherever necessary, to conform to Current Year's Classification.

44. Notes of Accounts form an integral part of the Ind AS Consolidated Financial Statements and have been duly authenticated.
