7. MANAGEMENT DISCUSSION AND ANALYSIS:

Global Economic Overview

Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 respectively than projected in January.

Beyond 2023, global growth is forecast to decline to about 3.3 percent over the medium term. War-induced commodity price increases and broadening price pressures have led to 2022 inflation projections of 5.7 percent in advanced economies and 8.7 percent in emerging market and developing economies. Multilateral efforts to respond to the humanitarian crisis, prevent further economic fragmentation, maintain global liquidity, manage debt distress, tackle climate change, and end the pandemic are essential.

As we moved into the second half of this calendar year, the global economy continues to face a series of obstacles ranging from COVID-19 lockdowns, soaring

energy and food prices, climate crisis, geo-political risks, to a broadening drive by central banks to combat high inflation, making it hard to be optimistic for the rest of 2022. The International Monetary Fund's latest World Economic Outlook rolled back growth prospects for the world, fuelling fears of a global recession.

Indian Economic review

Two years into the COVID-19 pandemic, the Indian economy continues to be plagued by uncertainty, with resurgent waves of mutant variants, supply-chain disruptions, and a return of inflation in both advanced and emerging economies.

Indian economy, as seen in quarterly estimates of GDP, has been staging a sustained recovery since the second half of 2020-21. The economic impact of the second wave of the pandemic in April- June 2021 was muted compared to the national lockdown of the previous year.

As per the National Statistical Office (NSO), the first advance estimates expansion of GDP growth at 9.2 per cent in 2021-22. India, the largest economy in the region, is expected to grow by 6.4 per cent in 2022, well below the 8.8 per cent growth in 2021, as higher inflationary pressures and uneven recovery of the labour market will curb private consumption and investment.

The Indian economy was impacted by the second wave of the pandemic, which affected economic growth across the first quarter of the financial year under review. Economic momentum was dragged down by the second wave of the pandemic. Rebound in economic activity started together momentum in the second quarter, facilitated by the easing of infections, easing of restrictions and as a part of pick-up in the pace of vaccination.

India is exporting papers to various countries including UAE, China, Saudi Arabia, Bangladesh, Vietnam, Sri Lanka, Europe, USA, and African Countries. Exports have been rising in the last few years due to capacity expansion and technological up-gradation undertaken by Indian paper mills, leading to better product quality which has found wider acceptance globally. As per IPMA, exports of coated paper and paperboard increased by 100 per cent, uncoated writing and printing paper by 98 per cent, tissue paper by 75 per cent and kraft paper by 37 per cent.

Outlook

According to the IMF's latest World Economic Outlook projections, India's real GDP will grow at 9% in 2021-22 and 2022-23, and 7.1% in 2023-2024, making it the world's fastest growing major economy for all three years. The Indian government continued to provide fiscal support to the economy against the backdrop of the pandemic in 2021. The authorities estimate that the overall fiscal deficit will reach 6.9 percent of GDP for the 2022 fiscal year, which is higher than deficits prior to the pandemic.

It is true that uncertainties in the global business ecosystem will send crippling headwinds toward India. Inflation and supply chain disruptions will remain entrenched for some time. However, domestic demand and the desire of global businesses to look for more resilient and cost-effective investment and export destinations, among other factors, will help India ride this tide of headwinds. The optimism about India's economic recovery, although slightly bruised, remains intact.

Company's Overview

Your Company is engaged in manufacturing and marketing of quality Coated Duplex Boards. During the year under review, the Company produced 48,537 Tonnes of Paper Board as compared to 35,189 Tonnes in the previous year. The Company has reduced its losses from Rs.2584.83 Lakhs (FY 2020-21) to Rs.468.77 Lakhs (FY 2021-22).

During the year under review, BPML's operating performance was affected due to shortage of domestic coal and high price of imported coal. Your Company has suffered losses due to increase in cost of raw materials, high Coal prices, sea freight. Further, lockdown due to Covid-19 in the first quarter of the FY 2021-22, shut down of the plant due to Boiler passing & temporary shut-down of plant during February/ March, 2022 resultant in less productions.

Internal Audit and Control

Your Company maintains all its records in ERP Systems and maximum approvals are routed through this system. The Company has laid down adequate systems and supported by the procedures for ensuring internal financial controls. The Company has appointed an external audit firm as Internal Auditors for day to day checking and monitoring the internal control measures. Internal Auditors are present at the Audit Committee Meetings where internal Audit Reports are discussed along with management comments and the final observation of the Internal Auditor. All the internal and external audits are completed in time. There are no non-compliances in respect of the processes / systems in place and very well appreciated by the external agencies conducting audit.

An effective control is exercised by the top management who monitors various key performance indicators regularly through Management reviews & other means and ensures that all the critical business functions exceeds expectations with timely interventions as required.

Opportunities, Threats and Risk

The Company has been strengthening its risk management processes with the objective of enhancing organisational stability and predictability. Due to slowdown of the economy could have an adverse effect on the revenues of the Company. The existing Paperboard players alive to the emerging international threats, have been aggressively

pursuing quality improvement programs, coupled with cost rationalization. Increasingly, more modern technologies are sought to be implemented, with added focus on environmental compliance.

Though there is considerable improvement in COVID 19 pandemic situation, there are still bottlenecks / many challenges in the supply chains due to non-availability, long lead times, rejections due to quality issues etc., in coal and raw material procurements specially from foreign markets, thus severely affecting production schedules. Delays in procurement process impacts revenue growth. In spite of all these hurdles, your company is quite optimistic on future growth opportunities.

Human Resources

The Company has prioritized the personal development of its employees and the creation of a future-ready leadership team. The Company's talent management system believes in internal grooming of our employees, preparing them to take on higher responsibilities. This helped the Company strengthen its internal talent pool and reduce its dependence on external recruitment. The industrial relations at both unit at Ambivali and Bhiwandi are cordial.

The HR department of the Company was continuously in touch with employees to guide and solve problems. It created awareness regarding COVID-19 and educated employees about precautions. The Company conducted all interviews through telephone and video calls in reference to the need for social distancing. The Company prepared a systematic operating plan to address COVID-19 after the lockdown is lifted.

CAUTIONARY STATEMENT

The report contains forward looking statements describing expectations, estimates, plans or words, with similar meaning. The Company's actual results may differ from those projected, important factors that could make the difference to the Company operations include prices of raw material, power and finished goods, changes in Government regulations, economic developments globally and within India. The Company cannot guarantee that the assumptions and estimates in the 'forward looking statements' are accurate or will be realized.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

BALKRISHNA PAPER MILLS LIMITED

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Balkrishna Paper Mills Limited ('the Company'), which comprise the balance sheet as at 31st March 2022, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Material Uncertainty Related to Going Concern

We draw attention to Note No. 45 with respect to the losses incurred by the company and erosion of its net worth and preparation of the financial statements on going concern assumption, based on the reasons and assumptions stated in the aforesaid note. The company's ability to continue as a going concern is dependent on generation of the expected cash flows to be able to meet its obligations as and when they arise.

Further the Company has undertaken various measures to improve its performance, such as improvement in capacity utilization, improvement in quality, reduction in cost, production of different product mix to get better value addition etc., all these will lead to improved profitability. Management is confident that with all these measures undertaken will result in improved future Cash Flows, thereby the company will be in a position to fulfill its obligation without any difficulty. Accordingly the financial statement has been prepared on a going concern basis.

Also during the fourth quarter of the current financial year, the company took temporary shut-down of factory to improve the productivity and efficiency of manufacturing activities. Major work in that respect has been completed. To get full impact of improvement further debottlenecking of manufacturing activities are required, which would be done in due course.

Our opinion is not modified in respect of the same.

Emphasis of Matter

We draw attention to Note No.46 of the accompanying financial results, which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Company.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, 2022. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition

In view of continued losses, the Company's performance is dependent on proper accounting of Revenue and is therefore susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.

Auditor's response

Our audit procedures with regard to revenue recognition included testing controls, automated and manual, dispatches/deliveries, inventory reconciliations and assessing the recoverability of trade receivable balances, substantive testing for cut-offs and analytical review procedures.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of

the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that :

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2022 on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) (a) Based on our audit procedures and according to the information and explanations given by the management, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) The term loans obtained during the year by the Company have been applied for the purposes for which they were obtained.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) On an overall examination of the financial statements of the Company, the Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(e) of the Order is not applicable.

(f) On an overall examination of the financial statements of the Company, the Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(f) of the Order is not applicable.

(x) (a) During the year, the Company did not raise any money by way of initial public offer or further public offer (including debt instrument) and hence reporting under clause 3(x)(a) of the order is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable. However the Company has issued Non Cumulative redeemable preference shares during the year.

(xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.

(c) As represented by the management, there are no whistle blower complaints received by the company during the year.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

(xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

(xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

(xvii) The Company has incurred cash losses of ₹1068.06 Lakhs during the financial year covered by our audit and ₹3199.40 Lakhs in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the

assumptions, the ratios as stated in Note No.49 have shown improvement as compared to the earlier year. However the Company has incurred cash losses in the current and previous year. We are unable to state whether any material uncertainty exists as on the date of the audit report indicating that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due. Our opinion is not modified in respect of the same.

(xx) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135

of the Act are not applicable to the Company during the year Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

**ANNEXURE - B TO INDEPENDENT AUDITORS' REPORT
Report on the Internal Financial Controls under Clause
(i) of Sub-section 3 of Section 143 of the Companies
Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Balkrishna Paper Mills Limited ("the Company") as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note No. 1
(A) General information

Balkrishna Paper Mills Limited ('the Company') is engaged in the business of manufacturing and selling of "Paper and Paper Boards" which are used mainly for packaging industry, catering to the needs of Pharmaceuticals, Cosmetics, Health Care products, readymade garments, Food Products, Match boxes and mainly for FMCG Segments.

The company is a public limited company incorporated and domiciled in India and has its registered office at A/7, Trade World, Kamala City, Senapati Bapat Marg, Lower Parel(West), Mumbai, Maharashtra, India.

1(B) Significant Accounting policies
(a) Basis of preparation

- (i) The financial statements have been prepared in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements up to year ended 31st March 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provision of that. These financial statement are the first financial statement of the Company under Ind AS. The date of transition to Ind AS is 1st April, 2016. Refer note no. 34 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position and its net loss.
- (ii) The financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value:
 1. Financial instruments measured at fair value through profit and loss
 2. Defined benefit plans – plan assets measured at fair value

(b) Foreign currency translation

- (i) Functional and presentation currency
Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the company's functional and presentation currency.
- (ii) Transactions and balances
Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

(c) Revenue recognition

The Company has adopted Ind AS 115, Revenue from Contract with Customers.

Revenue is measured at the fair value of the consideration received or receivable. Revenue from sale of goods is recognised; when the significant risks and rewards in respect of ownership of products are transferred by the Company, the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold and no significant uncertainty exist regarding the amount of consideration that will be derived from the sale of goods as well as regarding its ultimate collection. Amounts disclosed as revenue are net of variable consideration on account of various Discounts, Rebates, incentives offered by the Company as a part of the contract.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Sale of goods

Revenue is measured at the fair value of the consideration received or receivable. Revenue from sale of goods is recognised when the significant risks and rewards in respect of ownership of products are transferred by the Company, the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold and no significant uncertainty exist regarding the amount of consideration that will be derived from the sale of goods as well as regarding its ultimate collection. Amounts disclosed as revenue are inclusive of excise duty (up to 30th June, 2017) and net of returns, Trade Discounts, Rebates, incentives, Value added taxes/Central Sales Tax/Goods and Services Tax, and amounts collected on behalf of third parties.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Export Benefits

Export Incentive under Duty Drawback Scheme and MEIS- Merchandise Exporters from India Scheme under the EXIM Policy is accounted for in the year of Export.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited

to statement of profit and loss on a systematic basis as and when export obligation are fulfilled.

(d) Property, Plant and Equipment (PPE)

i. Recognition and measurement

Freehold land is carried at historical cost. All other items of PPE are measured at cost less accumulated depreciation and any accumulated impairment losses, if any.

The cost of an item of PPE comprises:

- a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognised in statement of profit and loss.

The Company has elected to continue with the carrying value of all its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101.

Any gain or loss on disposal of an item of PPE is recognised in statement of profit and loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on PPE (other than leasehold land) has been provided based on useful life of the assets in accordance with Schedule II to the Companies Act, 2013, on Straight Line Method except in respect of Plant and Equipment where the useful life is considered differently based on an independent technical evaluation as 9 to 30 years.

Leasehold land are amortised over the lease period. Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

Profit and loss on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

(e) Intangible assets

Intangible assets comprise application software purchased, which are not an integral part of the related hardware, and are amortized on a straight line basis over a period of 6 years, which in Management's estimate represents the period during which the economic benefits will be derived from their use.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific to which it relates.

The Company has elected to continue with the carrying value of all its intangible assets as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101.

(f) Impairment of non-financial assets

Assets that have a definite useful life are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

(g) Borrowing cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

(h) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

(i) Income Tax

Provision for current tax is made and retained in the accounts on the basis of estimated tax liability as per the applicable provisions of the Income Tax Act, 1961. Deferred tax is recognised for timing differences between the carrying amount of assets and liabilities based on tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets, subject to the consideration of prudence, are recognised only if there is reasonable certainty that sufficient future taxable income will be available, against which they can be realised. At Balance Sheet date, the carrying amount of deferred tax assets is reviewed to reassure its realisation.

(j) Inventories

Inventories are valued at lower of the cost and net realizable value. Cost of inventories is computed on first in first out (FIFO) basis. Cost comprises of all costs of purchases, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

(k) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

i. Financial assets
Classification

The Company shall classify financial assets as subsequently measured at amortised cost, fair value

through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

De-recognition

- A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:
 - The rights to receive cash flows from the asset have expired, or
 - The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
 - When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.
 - Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance

- b) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ii. **Financial liabilities**

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit and loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost. Gains and losses are recognised in profit and loss when the liabilities are derecognized.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Derivative financial instruments

The Company uses derivative financial instruments, such as foreign exchange forward contracts to manage its exposure to foreign exchange risks. For contracts where hedge accounting is not followed, such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit and loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

(I) **Employee benefits**

i. **Short term employee benefits**

Short term employee benefits consisting of wages, salaries, social security contributions, ex-gratia and accrued leave, are benefits payable and recognised in 12 months. Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised undiscounted during the year as the related service are rendered by the employee.

ii. **Defined contribution plans**

Company's contribution for the year paid/payable to defined contribution retirement benefit schemes are charged to Statement of Profit and Loss

The Company's contribution towards provident fund, superannuation fund and employee state insurance scheme for certain eligible employees are considered to be defined contribution plan for which the Company made contribution on monthly basis.

iii. **Defined benefit plans**

Company's liabilities towards defined benefit plans and other long term benefits viz. gratuity and compensated absences expected to occur after twelve months, are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the balance sheet date. Actuarial gains and losses are recognised in the Statement of other comprehensive income in the period of occurrence of such gains and losses. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets, if any.

(m) Provisions , Contingent Liabilities and Contingent Assets

A provision is recognised if as a result of a past event, the Company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

(n) Earnings per share (EPS)

Basic EPS is computed using the weighted average number of equity shares outstanding during the period. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the results would be anti-dilutive.

(o) Key estimates and assumptions

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the balance sheet and statement of profit and loss. The actual amounts realised may differ from these estimates.

Estimates and assumptions are required in particular for:

- Determination of the estimated useful lives of tangible assets and intangible assets and the assessment as to which components of the cost may be capitalized. Useful lives of tangible assets and intangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on management estimate, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalized and which components of the cost of the asset may be capitalised.
- Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key

actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

- Provisions and contingent liabilities
The Company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.

- Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.

They regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:•

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

(p) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs (up to two decimal) as per the requirement of Schedule III, unless otherwise stated.

(q) Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 116 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

The company offsets tax assets and liabilities if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

Fair values for financial instruments carried at amortised cost approximates the carrying amount, accordingly the fair values of such financial assets and financial liabilities have not been disclosed separately.

B. Measurement of fair values

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 Hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

Transfers between Levels

There have been no transfers between Levels during the reporting periods

The following tables show the valuation techniques used in measuring Level 2 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Level 2: Forward contracts	Market valuation techniques The Company has used mark to market of forward contracts using current forward rates for remaining tenure of the forward contract as provided by respective banks.	Not applicable	Not applicable

There are no transfers between the levels

C. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

i. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade receivables

Around 48% of the sales are export sales. For major part of the sales, customer credit risk is managed by requiring domestic and export customers to pay advances before transfer of ownership, therefore substantially eliminating the Company's credit risk in this respect.

Impairment

Management believes that the unimpaired amounts that are past due by more than 6 months are still collectible in full, based on historical payment behaviour.

Other than trade receivables, the Company has no other financial assets that are past due but not impaired.

Concentration of credit risk

At 31 March 2022, the carrying amount of the Company's most significant customer is INR 1100.17 lakhs (31st March, 2021 : INR 154.47 lakhs)

Investment in mutual funds

The investment in mutual funds are entered into with credit worthy fund houses. The credit worthiness of these counter parties are evaluated by the management on an ongoing basis and is considered to be good. The Company does not expect any losses from non-performance by these counter-parties.

Derivatives

The derivatives are entered into with banks with good credit ratings.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy.

iii. Liquidity risk

"Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has obtained fund and non-fund based working capital lines from various banks. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility."

As at 31st March, 2022, the Company had working capital of INR (3222.77) lakhs, including cash and cash equivalents of INR 16.25 lakhs. As at 31st March, 2021, the Company had working capital of INR (7850.78) lakhs, including cash and cash equivalents of INR 3139.35 lakhs

Exposure to liquidity risk

"The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

* all non derivative financial liabilities

* net and gross settled derivative financial instruments for which the contractual maturities are essential for the understanding of the timing of the cash flows.

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

a) Currency risk

The company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchase, other expenses and borrowings are denominated and the functional currency of the company. The functional currency of the company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated is USD.

"The Company generally hedges its estimated foreign currency exposure in respect of its forecast sales over the following 12 months and borrowings (ECB). The Company uses forward exchange contracts to hedge its currency risk. Such contracts are generally designated as cash flow hedges.

Further the company hedge its interest rate on External Commercial Borrowings by way of interest rate swap. The Company, as per its risk management policy, uses foreign currency forward contract primarily to hedge foreign exchange. The Company does not use derivative financial instruments for trading or speculative purposes.

Following is the derivative financial instruments to hedge the foreign exchange rate risk as at 31st March, 2022

Category	Instrument	Currency	Cross Currency	Amounts	Buy/Sell
Hedges of highly probable forecasted sales transactions	Forward contract	USD	INR	USD 4.55 Mio	Sell
Hedges of ECB & FCNR	Forward contract	USD	INR	USD 0.47 Mio	Buy

Following is the derivative financial instruments to hedge the foreign exchange rate risk as at 31st March , 2021

Interest rate sensitivity - fixed rate instruments

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

Interest rate sensitivity - variable rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased equity and profit or loss by amounts shown below. This analysis assumes that all other variables, in particular, foreign currency exchange rates, remain constant. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

NOTE NO. 35
Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The Company monitors capital using a ratio of 'net debt' to 'equity'. For this purpose, net debt is defined as total debt, comprising loans and borrowings less cash and cash equivalents and current investments.

The Company's net debt to equity ratio as at 31st March 2022 and 31st March 2021 was as follows.

NOTE NO.40
Employee Benefit obligations
(A) Defined Contribution Plan

The Company has various schemes for long-term benefits such as provident fund and superannuation. In case of funded schemes, the funds are recognised by the Income tax authorities and administered through trustees / appropriate authorities. The Company's defined contribution plans are superannuation and employees' pension scheme (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) since the Company has no further obligation beyond making the contributions. The liability of the Company on the exempt Provident Fund managed by the trustees is restricted to the interest shortfall if any.

<u>Charge to the Statement of Profit and Loss based on contributions:</u>		
Employees' Provident fund	48.22	41.00

(B) Defined Benefit Plan

In accordance with the provisions of the Payment of Gratuity Act, 1972, the Company has a defined benefit plan which provides for gratuity payments. The plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amounts are based on the respective employee's last drawn salary and the years of employment with the Company.

Liabilities in respect of the gratuity plan are determined by an actuarial valuation, based upon which the Company makes annual contributions to the Group Gratuity cum Life Assurance Schemes administered by the LIC of India, a funded defined benefit plan for qualifying employees. Trustees administer the contributions made by the Company to the gratuity scheme.

The most recent actuarial valuation of the defined benefit obligation along with the fair valuation of the plan assets in relation to the gratuity scheme was carried out as at 31st March, 2022. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation and the plan assets as at balance sheet date: (₹ in Lakhs)

(vi) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

(₹ in Lakhs)

Particulars	As at 31st March, 2022		As at 31st March, 2021	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement) - Gratuity	(9.16)	10.38	(8.70)	9.92
Employee turnover (1% movement) - Gratuity	2.02	(2.27)	1.51	(1.72)
Future salary growth (1% movement) - Gratuity	9.44	(8.88)	8.95	(8.51)

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

(vii) Expected future cash flows
