NOTES:

- 1 The financial results of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
- 2 The unaudited financial results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on August 8, 2018.
- 3 The figures for the quarter ended March 31, 2018 are the balancing figures between audited figures in respect of full financial year ended March 31, 2018 and the unaudited year to date figures upto the December 31, 2017 which were subject to limited review.
- 4 The Government of India introduced the Goods and Service Tax (GST) with effect from July 1, 2017. GST is collected on behalf of the Government and no economic benefit flows to the entity and hence Gross Revenue under GST regime is presented excluding GST as per IND AS 18 – Revenue. However, Gross Revenue under pre-GST regime included Excise Duty which is now subsumed in GST. Consequently, the figures for the quarter ended June 30, 2017 are not comparable with the other periods presented in the results.
- 5 The Company has aligned its policy of revenue recognition with Ind AS 115 'Revenue from Contracts with Customers' which is effective from April 1, 2018. Based on assessment done by management the cumulative effect of initial application of Ind AS 115 upto March 31, 2018 is not material. The results for the quarter ended June 30, 2018 have been prepared after application of Ind AS 115, the impact of which is not material.
- 6 The Company is engaged in construction activities. The margins in the quarterly results vary based on the nature, type and quantum of project work executed during the quarter. Due to this reason, quarterly results may vary in different quarters and may not be indicative of annual results.
- 7 In respect of certain 'Works Contracts' executed in earlier years in the State of Rajasthan, the Company had paid sales tax using Exemption Fee (Composition) Scheme under Rajasthan Sales Tax Law on such 'Works Contracts' based on certain rules notified under the Sales Tax Act then prevailing. The Sales Tax Department had since challenged the Company's position and claimed that such 'Works Contracts' be treated as a divisible contract and be subjected to tax component-wise and had accordingly raised a demand, which was challenged by the Company. The Company had also filed a Special Leave Petition with the Hon'ble Supreme Court, against the common final judgment Order dated February 13, 2015 passed by the Hon'ble High Court of Rajasthan. Subsequently the Hon'ble Supreme Court rejected the appeal filed by the Company by Order dated August 28, 2017. The Company, based on legal advise, has filed an application seeking recall of the said order on September 4, 2017, which is yet to be admitted. Pending admission and outcome, of the 'recall application', on a prudent basis, the Company has made a provision of ₹ 3033 lakhs against sales tax demand (including interest thereon of ₹ 2132 lakhs) under the item 2(j) in the results of the quarter ended June 30, 2017 and year ended March 31, 2018.
- 8 During the period the Company operates in one Reportable Segment namely 'Construction'. Until previous period/year the Company also operated in "Others" segment comprising selling of concrete sleepers, rifles and development of land. The Company has since discontinued the 'Rifles' business and its revenues from the existing 'Others' business does not exceed the quantitative thresholds for separate segment reporting. The entity has accordingly reorganised its internal reporting structure, whereby the Chief Operating Decision Maker (CODM) evaluates the business activities and operating results of the remaining activities under one single segment namely 'Construction'. Accordingly, in accordance with 'Ind AS 108 – Operating Segments', the segment information for "Others" segment in respect of all previous period/year reported have been regrouped under Construction segment.
- 9 Figures for the previous periods/year have been regrouped/re-classified to conform to the classification of the current period.
