PRESS RELEASE- IMMEDIATE

FAMILY CARE HOSPITALS, MIRA ROAD RECEIVES PRESTIGIOUS “NABH” ACCREDITATION

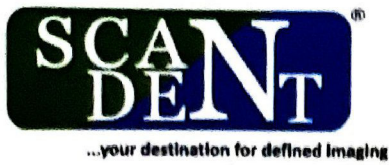

Family Care Hospitals - Mira Road, a division of **Scandent Imaging Limited**, is extremely pleased to share that its hospital has received an in-principle confirmation of **NABH Certification** for the facility located at Mira Road.

This certification is provided by the National Accreditation Board for Hospitals and Health Care Providers (Constituent Board of **Quality Council of India**). This accreditation standard for hospitals focuses on patient safety and quality of the delivery of services by the accredited hospitals in a changing healthcare environment and is amongst the flagship programs of the apex healthcare quality institute for India.

Out of the over 69000 estimated private and public sector hospitals in INDIA, less than 1000 hospitals have been conferred this accreditation.

Therefore, Family Care Hospitals is delighted to be a part of this mission that commits to stand for best quality service delivered through standardized and transparent processes with interests of all key stakeholders being rightly accommodated.

Family Care Hospitals is proud to be one of them. This has been due to the fullest of efforts from the entire employees and dedicated teams at the facility who have worked for over two

years for this milestone. Speaking of this development, **Dr. Sowmya Deshpande, Director-Medical Services** commented that *"The management of the hospital is fully committed for quality care for its patients. This is a small step in that direction."* Now is the time for accepting more responsibility and rededicate ourselves to the service of the masses, she added. She thanked the entire team for their contribution for this significant achievement.

Family Care Hospitals- Mira Road (FCHMR), a 100 bedded multispecialty tertiary care hospital and 4 year old facility has treated to over 70000 patients across various medical disciplines though its team of 100+ Consultants and Doctors.

FCHMR was the first private sector hospital in the region to have sought to become a 'Dedicated Covid Healthcare Centre' in April 2020 and has a history of handling several trauma, emergency and specialty issues related services to its patients.
