Kind Attn. : Mr. Gautam Singhania, Chairman & Managing Director

Dear Sir,

Sub. : Resignation

As you are aware, I have been having issues with my ears and have had to undergo several tests both in India and the US. I have had the medical procedures in the US to resolve this condition and will need to have follow up visits to my doctor in US. I have also been advised to avoid extensive flying.

Given this, it would not be practical for me to be traveling the way I used to over the last year. However, since I am currently not in India, I request you to intimate me my release date.

I would like to thank each one of you for your tremendous support to me over the past year. I had a very enjoyable time working with all of you.

With CMD's vision and passion and team's hard work, you are all building a great organization. I will continue to watch and cheer your progress from the sidelines. I wish you and your teams all the very best. I know you will do well and achieve greater heights.

Thanking you,

Atul Singh
