About 5paise Capital

5paise Capital Limited (NSE: 5PAISA, BSE: 540776) is engaged in providing financial products through its online technology platform and mobile applications. It is registered with SEBI as a stock broker, depository participant and research analyst, and with AMFI as a mutual fund distributor. Its services are targeted at retail investors and high volume traders who actively invest and trade in securities markets and seek DIY (Do-it-Yourself) services at a low cost.

The Company provides an online technology platform to clients through internet terminals and mobile applications for trading in securities in NSE and BSE; advisory services through the research undertaken by a team of fundamental and technical research analysts; and depository related services as part of its integrated services offering.

5paise Capital is a technology driven company having mainly an online presence. The Company remains focused on innovation, based on understanding customer behavior, and constantly strives to achieve tech superiority as is visible through the developments of its robust trading platform, advanced mobile app, an Artificial-Intelligence powered Robo-Advisory platform, and the paperless account opening process.
