Dear Sir / Madam,

Re: Share Price Movement of the Company

We refer to the recent spurts in volumes of the trading in the shares of the Company on the BSE & NSE (Stock Exchanges), the upper circuits and resultant upward share price movements, as reported on the stock exchanges in past few months.

In this connection, we wish to inform you that we have recently come across few videos appearing on online portals providing guidance on the Company, without any basis.

Please note that the Company is in no way connected with such videos and further disagrees with the contents of the same, hence cautions all investors / stakeholders to exercise diligence while dealing in shares of the Company based on such unsubstantiated and baseless market rumors.

The Company has been disseminating information to the stock exchanges / shareholders from time to time in terms of the regulatory requirements. As such, the Company has already updated the outcome of Board Meeting dated May 27, 2021 i.e. Approval of Audited Financial Results for the quarter and year ended March 31, 2021, post which there are no other developments, which have occurred that may be construed as material enough for the Company to disseminate.

As and when there will be any material development, we will keep you posted.

Thanking you,

Yours truly,
For GTL Limited

Deepak Keluskar
Company Secretary
& Compliance Officer

Milind Bapat
Chief Financial Officer
