ED seizes Nirav Modi's assets worth ₹330 cr

PRESS TRUST OF INDIA New Delhi, July 8

THE ENFORCEMENT DIREC-**TORATE** (ED) on Wednesday said it has confiscated assets worth ₹329.66 crore of diamond merchant Nirav Modi under the fugitive economic offenders law. The businessman and his uncle Mehul Choksi among others are being probed by the ED on money laundering charges in connection with an over \$2-billion alleged bank fraud at a PNB branch in Mumbai.

"The confiscated properties are in the form of four flats at the iconic building Samudra Mahal in Worli Mumbai, a seaside farm house and land in Al-

ibaug, a wind mill in Jaisalmer, a flat in London and residential flats in UAE, shares and bank deposits," the central probe

agency said in a statement. A special court in Mumbai had on June 8 authorised the ED to confiscate the assets.

Nirav Modi was declared a fugitive economic offenders by the same court on December 5 last year. "The ED has attached the properties worth ₹329.66 crore under the FEO Act, 2018 which now stands confiscated to central government," it said.

The agency till now has attached assets worth ₹2,348 crore of Nirav Modi under the Prevention of Money Laundering Act (PMLA). Nirav Modi (49) is currently lodged in a UK jail after being arrested in London in March 2019 and is currently fighting extradition to India.

Indian banks pursue Mallya bankruptcy order in UK

PRESS TRUST OF INDIA London, July 8

A CONSORTIUM OF Indian banks led by the State Bank of India (SBI) are pursuing their bankruptcy order against liquor tycoon Vijay Mallya in the High Court in England, as they seek to establish that any settlement offer made by him is now "dead in the water".

In a hearing in the insolvency division of the High Court in London on Tuesday, Justice Michael Briggs heard arguments from the banks, represented by barrister Marcia Shekerdemian, that pursuing the bankruptcy order was required as the banks were not secured creditors, as claimed by Mallya.

It follows Justice Briggs'ruling back in April in the case when he had concluded that Mallya should be given time until petitions pending in India

can be determined before a decision is made on a bankruptcy order in London. "There can be no doubt that it is appropriate to make a bankruptcy order in this case. The numerous hurdles being put up by VJM (Mallya) are without merit," note the arguments laid out before the court on behalf of the banks. The banks' legal team argued

that the assets of United Breweries Holdings Limited (UBHL), being relied on by Mallya as part of a second settlement offer, are "unquestionably under the control of its Official Liquidator" and therefore not available to Mallya or the erstwhile management of UBHL. "This means that the Second Settlement Offer is effectively dead in the water as neither VJM nor his associates nor the erstwhile management have any control over UBHL's assets, which form part of that offer," they argued.

NGT dismisses plea to allow 15-yr-old petrol vehicles on Delhi roads

directions be modified in order

till the spread of virus is

under control

PRESS TRUST OF INDIA New Delhi, July 8

THE NATIONAL GREEN Tribunal Wednesday refused to entertain a plea seeking modification of its order banning vehicles over 15 years old from plying on Delhi roads on the ground that it will save lives of senior citizens during Covid.

A bench headed by NGT chairperson justice Adarsh Ku-The plea had said the NGT

mar Goel dismissed the plea filed by Delhi resident and senior citizen Kamal Sahai and said it had junked similar petitions in the past

and even the Supreme Court has upheld massive spread of the coronavirus and the its order.

The plea said that in view of the present pandemic that the country is facing, the NGT directions be modified in order to permit the use of old vehicles on public roads till the spread of virus is under control.

"This measure, in the submission of the applicant, will go a long way in curbing the spread of the virus and save lives; especially of senior citizens who are the most vulnerable category of persons to the virus as per various health advisories issued by the government from time to time," the plea,

filed through advocates Shaan Mohan and Tushar Gupta," said.

The NGT in its order dated November 26,2014 had said that all vehicles, diesel or petrol, which are more than 15 years old, shall not be permitted to ply on the roads and whenever such vehicles of this age are noticed, the concerned authorities shall seize them.

The vehicles which are more than 15

years old, will not be permitted to be parked in any pu<mark>blic area and</mark> they shall be towed and to permit the use of old vehicles challaned by the police in accordance with law, the NGT had said.

According to the petition, due to the

daunting increase in the number of cases, the directions of the tribunal require modification to the extent that owners of old vehicles be permitted to use their vehicles on public roads till the time spread of virus is contained in the entire country and the orders be kept in abeyance for a period of six months.

"The directions of the tribunal will greatly impact the people, especially the senior citizens of Delhi and NCR at this time who are also the most vulnerable and susceptible to the virus,"the pleasaid.
