AXISCADES WELCOMES INDUSTRY VETERAN TANMOY CHAKRABARTY TO THE BOARD AS NON-EXECUTIVE INDEPENDENT DIRECTOR

Bengaluru, 16th July 2024: AXISCADES Technologies Ltd., a leading technology and engineering solutions company, has announced the appointment of Mr. Tanmoy Chakrabarty as an Additional Director in the category of Non-Executive Independent Director on the Board of the Company with effect from 13th July 2024. With an illustrious career spanning over four decades, Mr. Chakrabarty brings to the table a wealth of experience in corporate strategy, government affairs, and digital transformation.

Mr. Chakrabarty has previously played an instrumental role in several high-profile projects for the Government of India, including implementation of MCA 21, and the Passport Seva Programs. His influence also extends internationally, having led digital tax initiatives across East Africa and significantly contributing to eGovernance programs in the UK and the US. He also represents several disruptive & innovative technology solutions in the automotive sector.

Mr. Chakrabarty commenced his career in 1981 in Kolkata, with notable roles at esteemed organizations such as Eureka Forbes Ltd., Bradma of India Ltd., Siemens Nixdorf, Electronic Data Systems, and Tata Consultancy Services (TCS). He served as the Group Government Affairs Officer at Tata Sons until October 2022, where he was overseeing strategic government interactions for the Tata Group. He founded Chakrabarty Consulting Services, which focuses on collaborating with small and medium enterprises and international companies to enhance government interactions and promote ease of doing business in India. Currently, he is involved in several advisory roles, including partnerships with organizations like Byteedge, eTrans Solutions, Precision Biometrics and Aabo Private Limited.

Commenting on his appointment at AXISCADES, Mr. Chakrabarty said “I look forward to contributing to the long-term mission and advancement of AXISCADES Technologies with my insights on the challenges and opportunities faced by modern organizations in the public and private sectors. The Company’s commitment to excellence and domains of business align well with my professional skills and values, and I am eager to collaborate with the talented team here. I believe there are significant opportunities for our mutual growth and development, especially in enhancing government and industry partnerships. Together, we can drive impactful initiatives that benefit our clients and contribute to the broader goals of modernizing India’s technological landscape.”

Mr. Arun Krishnamurthi, the CEO and MD of AXISCADES, added “Mr. Chakrabarty’s extensive background in government relations and his proven track record in driving transformative projects will significantly enhance our strategic direction. His leadership will be instrumental as we continue to innovate and expand our offerings and operations. His deep understanding of complex systems and his ability to navigate multifaceted regulatory environments will be invaluable as we pursue our goals in diversified verticals such as aerospace, defense, and heavy engineering. His insights will guide our efforts to build collaboration with government entities and ensure that our innovations align with requirements.”

About AXISCADES Technologies Ltd.
