At Singer India Limited, our journey of crafting excellence has been woven through time, starting with Sir Isaac Merritt Singer's revolutionary sewing machine in 1851. Since establishing our presence in India in 1871, we have become a trusted name in households nationwide, synonymous with trust and quality.

GROWTH IN EVERY THREAD STITCHING A FUTURE OF EXCELLENCE

Incorporated in 1977, we started a new chapter as Singer India Limited diversifying beyond sewing machines to offer a wide range of home appliances. Today, as an ISO 9001:2015 certified company, we proudly present products that enhance everyday life—from our iconic sewing machines under the "Singer" and "Merritt" brands to modern home essentials like food processors, irons, mixer grinders, sandwich makers, room coolers, and water heaters.

Our commitment to innovation drives us forward. We have consistently enhanced our products by incorporating advanced features and functionalities to cater to evolving customer needs.

The trust and loyalty of our customers inspires us to improve and innovate continuously. As we look to the future, we are committed to blending tradition with modernity, creating products that bring both heritage and cutting-edge technology into your home.

Join us as we weave a fabric of growth and excellence, one thread at a time. Together, we are stitching a future filled with innovation, sustainability, and enduring quality for every household in India.

Our legacy of innovation

Singer has become synonymous with innovation and creativity in India, boasting a rich legacy spanning over 170 years. We strive to make efforts to deliver high-quality products that are technology enabled, easy and fun to use, empowering customers across the country and creating lasting memories.

Headquartered in New Delhi, we have strengthened our product portfolio, building two major business segments: Sewing Products and Home Appliances. The flagship brands 'Singer' and 'Merritt' have not only revived Indian traditions through innovative sewing solutions but have also propelled Singer onto a continual growth trajectory.

Chairman's message

Paresh Nath Sharma

Chairman

The story of Singer India over the past fiscal year is one of resilience, adaptability, and triumph over challenges.

Dear Shareholder,

It is my privilege to present the annual report for FY24. Despite global geopolitical uncertainties, the Indian economy has demonstrated remarkable resilience and robust growth, solidifying its position as the fastest-growing major economy. The story of Singer India over the past fiscal year is one of resilience, adaptability, and triumph over challenges. In the face of unexpected setbacks, we chose to confront these challenges head-on. We made significant investments in design and development, strengthened our dealer partnerships, improved our product messaging, and repositioned our AZZ Line in the market. Additionally, we introduced an industry-first after-sales experience to enhance reliability and trust in our brand.

Looking forward, our focus will be on enhancing our product line with superior, technologically advanced offerings, emphasizing value-driven sales, and bolstering our e-commerce revenues. At Singer India, we recognize and deeply appreciate the daily contributions of our team, who drive our company to new heights of success. To cultivate a culture

of excellence, we have implemented regular recognition programs to celebrate achievements and inspire outstanding performance. Our future goals include repositioning our products, creating innovative experiences, and infusing vibrancy into our operations. India is poised to remain the fastest-growing economy among the G20 nations, with key sectors such as agriculture, manufacturing, and services driving this growth. Our commitment to adapting, embracing change, and increasing investments in human capital and technology, underscores our dedication to building a stronger and more resilient India.

In closing, I extend my heartfelt gratitude to our Board members for their invaluable guidance and to our stakeholders for their unwavering support. Your trust and confidence have fueled our determination to overcome obstacles and confidently pursue continued growth and success.

Executive Vice-Chairman and Managing Director's message

Rakesh Khanna

Vice-Chairman and
Managing Director

SINGER India is placing heightened emphasis on key strategic initiatives such as after-sales service to improve consumer engagement and post sales experience. In Research and Development, we plan to introduce superior and technologically advanced products across our key product lines. ”

Dear Shareholder,

SINGER is the world's number 1 brand in household sewing machine segment, backed by a rich 170-year legacy in the sewing machine industry. SINGER, has embarked on a significant journey in India, focussing on blend of tradition and innovation, while staying true to its core business values, ethos and principals.

Looking ahead, under the Sewing Machine segment, we plan to focus on bringing in machines which are high on functionality with advanced technology, refining our product messaging, streamlining inventory management, optimising operations, and fostering stronger stakeholder engagement.

With respect to the Home Appliances business, SINGER India will focus on achieving profitable growth, backed by launching and focussing on profitable and high-quality products. We plan to offer high quality & premium

products to command better pricing & establish premium positioning in the consumer's mind.

SINGER India is placing heightened emphasis on key strategic initiatives such as after-sales service to improve consumer engagement and post sales experience. In Research and Development, we plan to introduce superior and technologically advanced products across our key product lines.

Performance during the year – FY24

This past fiscal year has been a resounding success marked by significant financial achievements. PBT before exceptional items grew by 65%. Our PAT (excluding exceptional items) also witnessed an increase of 51.2%.

Another significant improvement has been that our GM expansion across categories, through better sales price realisation through superior price positioning, cost optimisation and product mix improvement. Consequentially, the GM% improved from 22.0 % in 2022-23 to 24.9% in 2023-24.

We also controlled our service costs by stopping high failure products, rationalizing workforce, and keeping strict control on sales return. We have also initiated outsourcing of service for appliances to improve turnaround time. During the year, service costs were reduced by 26.2%.

In our Home Appliances Business, our revenue was INR 117.2 crore, a 20.5% drop from the previous year's INR 147.5 crore. We focused on reducing the operating loss, by discontinuing unprofitable products and related operating costs, and realigning strategies to prioritise high-margin products and channels. This strategy resulted in reduced revenue and operating losses for the year. Despite facing some key challenges, like the cancellation of the Zig Zag sewing machine license by BIS and suspension

of supplies for certain products by the Canteen Store department, we saw improvement in our profit margins.

This was due to growth in the Industrial sewing machine sale, Artisan sewing machine categories, followed by a BIS approval to import through NOC, and the resolution of CSD suspension.

Adopting Technology to Strengthen Stakeholder Engagement

We understand that having a strong digital presence is crucial in today's fast-paced and technology-driven world. We are adopting technology to strengthen our engagement with our employees and customers alike. SINGER India does its digital transformation efforts in house which entails developing and implementing strategies and solutions within the organization itself, which are then extended to benefit the customers.

SINGER Live Assist was launched after realizing that a huge gap exists in providing quick product demonstrations and that most of the problems faced by our consumers can be resolved very quickly virtually. This service has been launched to provide real-time, virtual, face-to-face support for customers from the comfort of their homes, especially for customers located in remote areas. So far, we have had a very positive response from our consumers. We are now committed to setting new standards for customer satisfaction by utilizing technology to provide live resolution and demonstration.

We received the award for Best Use of Tech in Customer Service – Durable at the 3rd Annual CX Excellence Awards 2024 for introducing SINGER Live Assist and this award further strengthens our commitment to leveraging technology to create best in class customer experiences.

We are investing in all our business verticals to improve scalability, strengthen our security and improve our business performance. By prioritizing

these factors and investing in the right technologies and practices, we believe we can build and maintain a world-class IT infrastructure that supports our business goals, drives innovation, and delivers value to customers and stakeholders.

Our quarterly Townhalls with employees bring together teams from across the country on a digital platform and we use the platform to share important updates, recognise good performance and hear concerns and suggestion.

Our small steps are helping us to understand and accept technology and assisting us to transform our legacy brand into a digital-savvy one. By embracing digital transformation, we are confident of entering a stronger future.

Human Capital at our core

At SIL, we are convinced that nothing is more important than hiring and developing the right human capital, as it's our people, who will give us the competitive advantage and add strength to our goals. Significant efforts have been made to strengthen the organisation culture and talent. With onboarding of Engineering excellence team, various projects to create differentiated products have been kick started. We are making efforts in becoming more gender inclusive company and are encouraging women to join our teams across levels. Some of our key functions like Legal & Compliance, HR & Marketing are headed by women leaders.

I am pleased to share that we were awarded the prestigious "Great Place to Work®" certification, a testament to our commitment to the highest standards of culture and values. This recognition fuels our passion for building, sustaining and celebrating a high-trust, high-performance culture, where everyone thrives.

Executive Vice-Chairman and Managing Director's message

We have started a quarterly practise of awarding and recognising performers at the Quarterly Townhalls. We conduct regular training and development sessions to enhance the agility, motivation, and skills of our teams. This includes specialised training for our customer-facing teams to ensure they provide excellent service and effectively meet client needs.

To encourage performance based collaborative culture and to attract new talent, many significant initiatives have been taken. Introduction of ESOP for senior leadership, performance-based variable pay for other team members, are a few examples.

Delivering on ESG commitments

We are committed to sustainable business practices that drive growth and excellence, while minimising our environmental footprint.

Our core values stitch together transparency, accountability and collective growth in our journey, which encompass our teams, business partners, investors and the communities we work with. We are investing in skill development programmes, championing women's empowerment projects and collaborating with government initiatives to uplift the underprivileged sections of society.

Innovation and Growth is the future for SINGER India limited

We are poised for significant growth with a strategic expansion plan. We are exploring the possibility of a second new state-of-the-art manufacturing facility sometime in the near future. The second unit will be for our AZZ line and will cater to global markets as well

SINGER India is bringing in technologically advanced and global best sellers to India. To support such launches, we are launching product focused marketing campaigns. Earlier this year, we launched the M3330, a global icon and a top seller on Amazon, and ran a campaign around it. It has been voted as the best sewing machine in the home segment and is also one of our best sellers on Amazon.

as the Indian market, where we are expecting good growth.

Further as part of delighting our Indian customers, we are happy to announce that we have plans to open a first-of-its-kind flagship experiential store in Delhi. This innovative retail space will transcend the traditional store concept, offering interactive product demonstrations and an immersive global experience that reflects SINGER 's rich heritage.

In the home appliance segment, we will be focusing on consolidation and premiumisation, elevating our product

offerings to meet the evolving desires of discerning Indian consumers.

Another key highlight during the year has been our efforts towards strengthening our dealer network and product positioning. We conducted a re-engagement campaign, connecting with over 1,000 dealers across the country and we managed to successfully reposition our Zig Zag machines in the market. We managed to do demonstrations of our iconic Zig-Zag machines across various states, emphasising their industry-leading quality. This strategy enabled our dealers to not only recognise the

value proposition of our products, but also provided valuable feedback that informed strategic price adjustments and product repositioning. This collaborative approach focused on 'value selling' and dealer engagement.

SINGER India is bringing in technologically advanced and global best sellers to India. To support such launches, we are launching product focused marketing campaigns. Earlier this year, we launched the M3330, a global icon and a top seller on Amazon, and ran a campaign around it. It has been voted as the best sewing machine in the home segment and is also one of our best sellers on Amazon. Our latest launch the WI- FI enabled, 3-in-1, Sewing cum embroidery and quilting machine, the SE9185, comes with a large 7-inch colour touchscreen and mySewnet®, the industry's first cloud-based operating system. It also has other key features like post-power outage resume, free 100 MB cloud storage and with over 150 built-in embroidery designs, 250 stitches, and speeds up to 850 SPM, SE 9185 is positioned as the perfect solution for experienced sewists and beginners as well.

We are also focusing on digital communication to make people aware of our new technologically advanced machines, which are easy to learn and use. We are encouraging people to experience machines which are easy and user friendly and eventually build desire to learn a new skill and a craft.

We are running consumer centric campaigns and engaging with the strong

Further as part of delighting our Indian customers, we are happy to announce that we have plans to open a first-of-its-kind flagship experiential store in Delhi. This innovative retail space will transcend the traditional store concept, offering interactive product demonstrations and an immersive global experience that reflects SINGER 's rich heritage.

DIY community of influencers and creators who are creating awareness around the endless sewing and crafting possibilities & what is encouraging is that this movement is happening on a global platform.

In closing, I want to express my sincere gratitude for the trust and support we have received from all our stakeholders and partners. We are preparing to capitalize on major trends and opportunities in the retail industry by embracing digital transformation, omnichannel retailing, and strengthening communication. Through strategic initiatives, we are confident of our ability to navigate the evolving retail landscape and continue to deliver value to our

customers. With the exciting initiatives underway and our focus on customer centricity and operational excellence, we are well poised for long-term growth. Thank you for your continued support as we embark on this exciting journey together.

Mapping our Future

At Singer, our initiatives are being planned to align with our business strategies, to ensure our growth meets business goals. We continuously monitor our performance, identifying key growth drivers while considering macro-environmental changes. By setting strategic priorities, we develop and implement initiatives that drive our success.

Key Growth Drivers

Robust economy and market scope

As the 5th largest economy, India benefits from a push towards manufacturing and supportive government reforms. These factors create an ideal environment for business expansion and innovation, enabling us to tap into new markets and increase our market share.

New improved product lines through R&D

We have integrated IoT, automatic updates, touchscreen displays, and automatic needle threaders in our sewing machines to enhance user experience and efficiency.

Strong Brand value & launch of superior and easy-to-use products

With over 170 years of industry experience, we have strong brand recognition and trust. – Improved user friendly and technology enabled products

Growth opportunities – move from black to superior white machines

The sewing segment will benefit from government skill development programs and women empowerment initiatives. Additionally, the rising impact of the influencer and DIY communities is driving interest in creative sewing projects, and offers further growth potential.

Extensive Distribution – omni channel presence

Our robust distribution network includes multiple sales channels and over 10000 sales points, ensuring widespread product availability. Availability on Leading E commerce platforms and in Modern trade further strengthens our availability and presence

Vast service network | Singer Live assist

We have a pan India service network with over 250 home appliance service points, ensuring excellent customer support. In addition, Singer Live Assist improves customer support and experience.

Building our Strengths

We have undertaken initiatives to develop our core capabilities, ensuring the sustainable growth of our business.

Strengthening Human Resource

We have cultivated a performance-driven culture and strengthened our human resources through systematic fresh talent onboarding. To attract more talent, we plan to invest in our office space infrastructure. As a 'Good Place to Work' certified company, we are committed to continuously improving our score in the coming years. Additionally, we prioritise maintaining an inclusive and gender-diverse workforce, with notable contributions from our women leaders in various leadership roles.

Innovation in design

New innovations in design and development have led to the introduction of new products such as the M 3330 and SE 9185. The M 3330 features 97 stitch applications, 23 built-in stitches, a built-in needle threader, a one-step buttonhole, and LED lighting for a well-lit sewing area, providing versatility and ease of use for various sewing tasks.

Strengthening relationships

We are revitalising old relationships and strengthening current ones with our partners across the supply chain. We conducted 13 dealer meets, engaging with over 1000 retailers and sub-dealers across all major locations.

Innovation in product offerings

We have made significant advancements in the design and development processes leading to introduction of innovative products such as the M3330 and the SE9185. The SE9185 is a wi-fi enabled machine comes with a software which allows for any design to be converted in the design file format and also allows for mySewnetApp to be downloaded for easy monitoring of embroidery stitches.

Employee Wellbeing

At Singer, we prioritize the holistic well-being of our employees, addressing their physical, mental, and emotional health. In FY24, we introduced several new initiatives to enhance employee well-being. These include wellness workshops designed to support mental and physical health, encouraging a balanced lifestyle.

We successfully achieved the “Great Place To Work” certification on our first attempt, reflecting our employees’ satisfaction and alignment with management. This certification underscores our commitment to fostering a supportive and engaging work environment.

Additionally, we provide special leaves to promote family bonding and a healthy work-life balance. Financial aid is also available in the form of loans and insurance, ensuring our employees’ overall well-being and security. Our comprehensive approach ensures safety, productivity, motivation, and engagement among our workforce.

Diversity and Inclusivity

At Singer India, every individual is valued, empowered, and celebrated each day. Our inclusive work

environment ensures equal growth opportunities and enforces strict prohibitions against discrimination and harassment. Our #SingerByMySide campaign celebrates the incredible women at Singer India thriving in a culture that values their voices, offers flexibility, and fosters stability.

We provide an equal opportunity in hiring, promotions, and other employment practices, prohibiting discrimination. We have women heading key departments such as Marketing, Legal & Compliance, Retail, Sourcing and Strategy.

Technologies for HR Efficiency

Singer India has adopted an advanced HRMS platform integrating various HR functions such as payroll, attendance, and performance management. This system provides a centralized database, ensuring seamless data flow and accessibility for HR personnel. Additionally, we utilize social media and online platforms like LinkedIn to attract diverse talent and have implemented a GPS-based employee tracking system, UNOLO, for monitoring field employees’ daily travel activities.

ESG – Stewardship for Tomorrow

Environment

At Singer India, we recognise the critical importance of environmental sustainability and are committed to adopting practices that mitigate our impact on the planet. Our initiatives are driven by a dedication to preserving natural resources, reducing waste, and promoting responsible consumption. We have implemented comprehensive programs aimed at addressing the environmental challenges posed by our operations.

E-Waste disposal and recycling

In response to the growing concern over electronic waste (e-waste), we have launched a dedicated E-Waste Awareness Program. This initiative aims to educate consumers about the importance of responsible e-waste disposal and to provide convenient solutions for recycling old and unwanted electronic devices.

Program highlights

- Awareness Campaigns
 - Conducted awareness campaigns in schools, colleges, and residential areas to promote responsible disposal practices.
 - Partnered with a specialised firm in e-waste management to utilise their expertise in handling electronic waste.

- Disposal Facilities
 - Established collection points for e-waste, making it easier for consumers to dispose

of items such as washing machines, air conditioners, refrigerators, mobile phones, laptops, desktops, printers, cameras, and batteries.

- Impact on Health and Environment
 - Emphasised the adverse effects of improper e-waste disposal on health and the environment, including pollution of water sources, soil contamination, and air quality degradation.
 - Highlighted the importance of recycling to prevent toxic substances from entering the ecosystem.

- Circular Economy
 - Promoted the concept of a circular economy by encouraging the recycling of electronic components, thus reducing the demand for raw materials and minimising waste.

- Ensured that the collected e-waste is processed in authorised recycling units to maximise resource recovery and minimise environmental impact.

- Community Engagement
 - Engaged the community through interactive sessions and advertisements to raise awareness about the program and its benefits.

Social

Our Corporate Social Responsibility (CSR) initiatives aim to give back the positive value we receive from our communities. We focus on empowering women, men, and underprivileged sections of society through skill development programs, women empowerment projects, and supporting government-led initiatives.

FINANCIAL HIGHLIGHTS AND STATE OF AFFAIRS

During FY 2023-24, the Company adeptly navigated a challenging business environment, encountering both setbacks and achievements. This period highlighted the Company's resilience and the collective strength of its team. Despite numerous obstacles, the Company demonstrated confidence and determination in overcoming each challenge.

Revenue from operations for the year ended 31st March 2024 (FY 24) was INR 425 crore, reflecting a 7.6% decrease compared to the previous year (FY 23). The Company's Profit Before Tax and exceptional items grew by 65%, reaching INR 6.1 crore compared to INR 3.7 crore in FY 23. The Profit After Tax for FY 2023-24 increased by 51.2%, amounting to INR 4.5 crore, excluding exceptional items, compared to last year's INR 3.0 crore. Including exceptional items, the Profit After Tax for FY 2023-24 was INR 4.5 crore, compared to INR 8.3 crore in the previous year, which included an exceptional income of INR 5.3 crore from the sale of idle land and buildings in Jammu. Overall product gross margins improved by 2.9% in FY 2023-24, driven by better sales price realisation, product mix enhancements, and various cost optimisation initiatives.

The Sewing Machine Business revenue for FY 24 stood at INR 308.2 crore, slightly lower than FY 23's INR 312.8 crore. The decline was primarily due to the cancellation of the Zig Zag Sewing machine license by the BIS and the suspension of certain products by the Canteen Store Department (CSD). However, growth in the Industrial and Artisan Sewing Machine

categories, along with subsequent BIS approval to import through NOC and the resolution of CSD suspensions in Q4, mitigated the overall impact.

The Home Appliances Business revenue was INR 117.2 crore, a 20.5% drop from the previous year's INR 147.5 crore. The Company focused on reducing the operating loss in this segment by discontinuing unprofitable products and related operating costs, and realigning strategies to prioritise high-margin products and channels. This strategy resulted in reduced revenue and operating losses for the year.

Looking ahead, the Company is poised to embark on an ambitious product innovation plan, focusing on enhancing consumer experiences in the black household sewing machine range and expanding the Zig Zag category with high-tech electronic and state-of-the-art embroidery machines. These initiatives aim to reinforce the Company's market position. To drive growth and increase market share, the Company will enhance dealer engagement and implement targeted marketing strategies to boost brand visibility. In the home appliances segment, the focus will be on selected categories to achieve substantial growth while phasing out unprofitable ones. Additionally, the Company plans to develop innovative premium products with unique selling propositions to command better pricing and premium positioning in the consumer market.

A detailed analysis of the Company's state of affairs can be found in the 'Management Discussion and Analysis' section of this report.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS OF THE COMPANY

There are no significant material orders passed by the Regulators or Courts or Tribunals which would impact the going concern status and the Company's operations in future.

STATUS OF APPEALS OF UNSECURED CREDITORS UNDER THE BOARD FOR INDUSTRIAL AND FINANCIAL RECONSTRUCTION (BIFR) REHABILITATION SCHEME

The order issued by the Hon'ble Appellate Authority for Industrial and Financial Reconstruction (AAIFR) on December 22, 2015, regarding a dispute with nine unsecured creditors, was under appeal in both the Hon'ble Delhi High Court and the Supreme Court. However, the Company has effectively reached amicable settlements with seven out of the nine parties involved.

On March 17th, 2023, the Hon'ble Supreme Court rendered a judgment clarifying that under the approval of a rehabilitation scheme pursuant to the Sick Industries Companies Act, 1985, an unsecured creditor is not entitled to reject the scaled-down value of its dues and seek recovery of the debt with interest post-rehabilitation. This ruling effectively left the opposing party (unsecured creditor) with no recourse but to withdraw their appeal filed with the Delhi High Court. Subsequently, the Delhi

High Court issued an order on January 03, 2024, dismissing the application filed by the opposing party and directing the Company to pay the amount offered as per the rehabilitation scheme to the concerned party.

Management Discussion And Analysis Report

Indian Economy

Despite grappling with various global challenges, India maintained its position as one of the world's fastest-growing major economies in FY 2024. With a robust macroeconomic framework, burgeoning domestic demand, and prudent monetary policies implemented by the Reserve Bank of India (RBI), India's real GDP expanded by 7.6%. Headline inflation, as measured by the year-on-year changes in the all-India consumer price index (CPI), stabilised at 5.1% in February 2024.

Merchandise exports experienced a seasonal upsurge in March 2024, coinciding with a peak in industrial production. The manufacturing sector emerged as a key driver of industrial growth, registering a steady 11.6% increase throughout FY 2024. Notably, enhanced capacity utilisation across manufacturing propelled economic expansion further.

Despite the declining inflation rates coupled and heightened credit demand an atmosphere of economic optimism prevailed. Efforts to streamline supply chains and increased government expenditure shielded India from significant economic disruptions. India is increasingly viewed as a viable alternative to China and is projected to become the world's third-largest economy by 2027.

Outlook

The Indian economy remains optimistic supported by strong fundamentals such as political stability, heightened government

focus on public capital expenditure, a gradual rise in private capital expenditure and growing credit demand. The robust banking and financial services sector are expected to strengthen the nation's growth trajectory. India has swiftly established itself as a preferred manufacturing hub, catering to the rising global demand for manufactured products. Leveraging its large domestic market and expanding export prospects, India's growth trajectory is expected to surpass other economies in the foreseeable future.

Industry Overview

The Sewing Machine Industry

It is exciting to see that the sewing machine industry in the country is evolving and adapting to modern demands, while preserving its traditions. With a projected Compound Annual Growth Rate (CAGR) of over 4.6% from 2023 to 2032, the global sewing machine market is expected to grow from USD 6.8 billion in 2023 to USD 10.3 billion by 2032, with significant potential for expansion across various market segments.²

For the domestic market, the household sewing machines sector is projected to grow at a CAGR of 5.5% from 2022 to 2030.³ This growth can be attributed to the increasing demand for electronic sewing machines and rising disposable incomes among consumers. The Asia Pacific region, particularly India, is expected to see the highest growth rate in the household sewing machines market. This growth is driven by the increasing demand

for household products and the rising number of manufacturers in the region. The availability of low-cost raw materials in India will continue to drive regional growth over the forecast period.

The emphasis on displaying the ease and functionality of sewing machines, particularly the Auto Zig Zag models, at competitive pricing is a smart strategy to drive demand. Moreover, the growing interest in crafts and self-expression is leading to renewed interest in developing sewing as a skill, thus fuelling growth in the industry.

Incorporating best-in-class technologies into sewing machines to make them more user-friendly and enjoyable to use is a key aspect for future growth. Additionally, leveraging digital communication and marketing channels can help raise awareness and familiarity with sewing and embroidery, especially with the rise of online education platforms offering tutorials and classes.

The government's initiatives to empower women economically through skill development, including providing sewing machines, aligns well with the industry's growth trajectory. Furthermore, the 'Make in India' initiative can additionally bolster the sewing machine segment by promoting local manufacturing and production.

Overall, the sewing machine industry in the country is poised for significant expansion, driven by a combination of technological advancements, changing consumer interests, expansion of fashion & Apparel Industry and supportive government policies.

The Consumer Durables Industry

The Indian consumer durables industry, comprising a wide range of household items including appliances and electronics, has recorded substantial growth in the recent years facilitated by demographic shifts and macroeconomic trends. Furthermore, the industry is poised for significant expansion influenced by growing middle-economic class and evolving lifestyle.

Market Trends and Consumer Demand

Urbanisation and rising disposable incomes are facilitating enhanced consumer spending on durable goods. These have significantly fuelled the demand for high-quality, durable appliances that align with modern urban lifestyles. The trend towards premiumisation is particularly notable with consumers nationwide. It has also been observed that Tier 2 and Tier 3 cities are showing a preference for high-end products that demonstrate superior performance, enhanced features, and an aesthetic appeal.

Business Overview

Throughout FY 2023-24, the Company navigated through a challenging business landscape, confronting both setbacks and successes alike. However, the Company's strong performance amid adversity proved its resilience and the collective strength of its team. Over the past year, the Company has faced a multitude of challenges, overcoming each with confidence and determination.

The demand for lower prices from the market, coupled with the burden of high cost & slow-moving inventory, presented formidable challenges that the Company effectively addressed.

The year, 2023-2024, brought forth new hurdles in the form of cancellation of the Zig Zag Machine license by the BIS, posing a significant setback to its most profitable segment. However, through swift action and resilience, the Company overcame the obstacle, and resumed sales of the Zig Zag machines successfully. The Company also faced suspension of few of our products by Canteen Store Department (CSD), and despite the loss in sales due to the action taken by CSD, the Company successfully resolved the concerns and got the supplies reinstated for distribution in CSD canteens.

The Company remained anchored in its core business ethos, values, and principles. Looking ahead, its focus will remain on prioritising value engineering initiatives, cost optimisation, refining its product messaging, streamlining inventory management, optimising operations, and fostering stronger stakeholder engagement.

The Company's overall gross margin has grown by 2.9% in FY 2023–24. This growth in gross margin can be attributed to price repositioning, cost optimisation, channel, and product mix improvements. Additionally, the Company significantly optimised the after-sales service cost which resulted in reduction of cost by a sum of INR 1.9 crore by minimizing the production of high-failure products, restructuring the service business thereby rationalising workforce, and enforcing strict control on sales returns.

The Company realigned the sales teams to bring sharper focus across the Sewing Machine and Home Appliances segments, which helped to create an efficient and high performing sales team. The Company optimised the sales force to bring sharper focus on productivity, while also strengthening the sales force in some markets for distribution expansion. These steps are aimed at charting a course for sustainable growth, increasing the Company's market share across product lines, and cultivating a performance driven work culture where talent thrives.

With respect to the Home Appliances business, the Company will continue to focus on achieving profitable growth, backed by launching and focussing on profitable and high-quality products. The company will forge stronger vendor partnerships to develop and offer high quality & premium products thus enabling better pricing & premium positioning in the consumer mind.

The Company will shift focus from offering me-too products to introducing newer designs with distinct features across key product lines. The Company will place heightened emphasis on after-sales service. Leveraging digitisation in service operations is yet another key initiative of the Company. Through digitisation, the Company aims to enhance the overall consumer experience through seamless end-to-end monitoring, reducing turnaround time for response and resolution, thereby reinforcing consumer preference for the Singer brand.

Outlook and Opportunities

The Company is confidently aiming to focus more on enhancing revenue and margins across the sewing machines and household appliances segments. Also, the Company is focusing on strengthening its design and development capabilities to introduce differentiated product offerings across the sewing machines and appliances categories. The Company aims to strengthen the lineup of current products with new value-added offerings which will support the premium brand positioning, thus helping in improving consumer preference for Singer brand.

The Company plans to improve and strengthen its Branding and Marketing efforts across BTL, Digital platforms, Ecommerce platforms & trade partner engagement. The Company also aims to offer a first-of-its-kind experiential and engaging retail concept for Singer India.

The Company aims to strengthen its Sewing Studio offerings, improve its course material; thereby attracting younger talent to learn the art of sewing and embroidery, thus creating deeper engagement with fast expanding customer base who are keen to learn the sewing & crafting skills.

The company is exploring a manufacturing facility in India, with the support of the SVP global, which will cater to the domestic & global demand, and open an impressive avenue for the Company's growth.

Threats, Risks and Concerns

The Company has identified the following risks to its operations-

1. Intense competition, especially from unorganised sectors & cheap imported products, across business segments, poses risk to the Company for revenue growth. To address this risk, the Company is offering and creating value engineering products, communicating product benefits, creating experiences and engagement with the products, advertising and using social media to run campaigns to enhance its brand recall and inform consumers about the new launches. Implementation of QCO by the government will further restrict import of cheap imitations in Zig Zag machines.
2. An increase in raw material prices can lead to higher manufacturing costs, thereby affecting the Company's revenue and profitability. The Company is implementing cost reduction strategies through design optimisation, exploring alternative cost efficient suppliers, to mitigate the impact of rising raw material prices.
3. Uncertain supply of raw materials can disrupt business continuity, leading to production delays and the Company's ability to effectively cater to growing consumer demand. To ensure a steady supply and mitigate potential disruptions, the Company diversifies its supplier base and maintains strategic reserves of critical materials.
4. Currency fluctuations can affect the financial performance of the Company. The Company manages the foreign exchange risk with appropriate hedging activities in accordance with the policies of the Company.
5. Supply chain disruptions in the import of traded goods can impact the Company's operations and impede new product development. For continuity and support new product initiatives, the Company invests in strengthening its supply chain resilience by developing alternative logistics arrangements and establishing strong relationships with multiple suppliers.
6. Cybersecurity risks: To mitigate the risk of external cyber-attacks which can impact our business, the Company has deployed "firewalls" and "threat monitoring systems" in place, complete with immediate response capabilities to mitigate identified threats. The Company also maintains a system for the control and reporting of access of critical IT systems. The Company has implemented policies which cover the protection of both business and personal information, as well as the use of IT systems and applications by our employees. The Company is using most of the applications on cloud and some of the applications are on SaaS based model. Robust and scalable system architecture with multi-level redundancy is built on the cloud that allows real time data replication capability. This ensures system resilience including minimum downtime of the systems and minimum to zero data loss in case of any disaster. The Company is hosting information on its public websites and has systems in place to monitor compliance with appropriate privacy laws and regulations.

The Board of Directors of the Company and the Audit Committee of Directors periodically review the Company's risk management policy, considering emerging risks and developing action plans to determine the Company's risk exposure.

Segment-wise Performance.

Sewing Machines

The Company's core business of sewing machines has accounted for a revenue of INR 308.2 crore, close to last year of INR 312.8 crore.

The Company's Sewing Machine Business segment contribution before exceptional items improved to INR 37.1 crore, 11.9% to revenue, as against last year's contribution of INR 33.2 crore of 10.6% to revenue. The improvement in contribution is mainly due to the improvement in gross margin attributed to various initiatives i.e. sales price repositioning, procurement cost optimisation and better margin product mix improvements.

In the upcoming year, the Company will work on value engineering & reducing costs, to offer better products at competitive prices with the objective of improving its gross margin and capturing a higher market share in the overall industry. It plans to emphasise growing the industrial sewing machines segment by introducing a new range of efficient sewing machines at reasonable prices to effectively compete and expand its market share in this flourishing segment.

The household Zig Zag machines have an incredibly low penetration in India and offer immense potential for expansion. Raising consumer awareness about the ease-of-use and functional versatility of these machines will drive demand in this segment. The Company intends to introduce a new range of machines in the household Zig Zag category with the additional capability of embroidery.

Apart from leveraging digital technology through virtual training academy, the Company will step up the efforts to raise awareness around the innovative features of the new AZZ machines, by significantly increasing the number of promoters across the country. Their main objective would be to assist the unaccustomed user of AZZ sewing machine become familiar with the modern technology, thus promoting the growing trend of craft and personalisation.

Home Appliances

The Company has consolidated Home Appliances business by cutting down some of its unprofitable products and related operating cost and realigned the strategies to focus on high margin products & channels. This has resulted reduction in revenue and operating loss. Net segment revenue for the appliances segment was recorded at INR 117.2 crore as against last year's INR 147.5 crore. The Home Appliances segment operating loss in FY 2023-24 reduced to INR 9.8 crore against the loss of INR 11.2 crore for FY 2022-23.

In recent years, the appliances segment is making good efforts in consolidating its market presence and adding a premium edge to its product offerings to cater to a more discerning customer base. To drive profitable growth, the approach is to increase brand familiarity, drive premiumisation and differentiate the products in an increasingly competitive market.

Through collaborations with renowned suppliers, the Company aims to improve the quality of the Company's products. Also, bolstering the after-sales service to improve customer satisfaction will foster consumer loyalty and increase demand for Singer's expanded product line.

Adopting digital technology for improving customer experience

To improve the customer experience, the Company has launched Singer Live Assist, the first-of-its-kind virtual service for consumers across the country. The service very effectively improves the after sales experience by reducing the turnaround time to give demonstration of the new product, especially in far flung areas, saves on service costs, and prevents post-sales service delays, which helps to strengthen customer relationships.

The Singer Live Assist was felicitated with the 'Best use of technology in enhancing customer experience award' at the third annual CX Excellence Awards 2024 Delhi, organised by Quantic India – SAP.

Going forward, the Company will continue to prioritise customer-centric initiatives at the core of its business objectives. These initiatives will be backed by strategic consumer-driven events aimed at boosting brand recall and consumer engagement.

Internal Control Systems and Adequacy

The Company has adequate systems of internal controls for operations, ensuring optimum utilisation of resources, effective monitoring, and compliance with all applicable rules. The internal control system is commensurate with the size and nature of the Company's operations.

A firm of Chartered Accountants conducts internal audits on a quarterly basis. The Audit Committee reviews the audit reports submitted by the internal auditors. The Committee also meets the Company's statutory auditors and internal auditors to ascertain their views on the adequacy of internal control systems and keeps the Board of Directors informed of its major observations from time to time, if any.

Human Resources

The Company upholds the highest standards of Human Resource management principles across all operational aspects—ensuring strict adherence to regulatory requirements.

To achieve organisational objectives, the Company offers its people continuous learning and development opportunities. To create a secure workplace, the Company organises training sessions covering safety-best practices for its people.

In 2023, the Company was certified as a Great Place to Work. This acknowledgement boosted the confidence of both the Company's internal and external stakeholders.

Independent Auditor's Report

To
The Members of
Singer India Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Singer India Limited (the "Company") which comprise the balance sheet as at 31 March 2024, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described

in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 43 of the financial statements for the year ended 31 March 2024, which describes that supplier of Zig Zag machines holding a license issued by the Bureau of Indian Standards (BIS) has received a notice for cancellation of such license and the Company has filed a writ petition before the Hon'ble Delhi High Court against such cancellation. The said matter is currently under discussion with the relevant authorities and hence the ultimate outcome of this matter cannot presently be determined.

Our opinion is not modified in respect of this matter.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue Recognition

See Note 2(b)(xvi) and 20 to financial statements

The key audit matter	How the matter was addressed in our audit
<p>Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, i.e. when the control of the underlying products have been transferred to the customer.</p> <p>The Company focuses on revenue as a key performance measure which could create an incentive for revenue to be recognised before the control of underlying products has been transferred. There is a risk that revenue may be overstated because of fraud resulting from the pressure management may feel to achieve performance targets at the reporting period end.</p>	<p>In view of the significance of the matter, we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <ol style="list-style-type: none"> Assessed the appropriateness of the revenue recognition accounting policies by comparing with applicable accounting standards; Tested the design and operating effectiveness of key controls established by management over the completeness, accuracy and existence of revenue; Inspected individual revenue transactions on sample basis, selected by applying statistical sampling, from the underlying documents that revenue has been booked correctly and in the correct period with reference to supporting invoices, underlying orders, delivery notes;

The key audit matter

We have considered revenue recognition as a key audit matter on account of factors as mentioned above.

How the matter was addressed in our audit

- d) Tested on a sample basis, the supporting documents for sales transactions recorded during the period closer to the year end to determine whether revenue was recognised in the correct period;
- e) Inspected post year end credit notes to ensure that revenue recognised during the year is not reversed in the subsequent period without sufficient cause;
- f) As part of confirmation of the existence of revenue, we also selected a sample of trade receivables and agreed to balance confirmations obtained from debtors and verified subsequent receipts and/or delivery notes and/or underlying invoices; and
- g) Assessed manual journals posted to revenue to identify unusual items.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's directors' report, but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair

view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in

the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. A. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matter stated in the paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 01 April 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations as at 31 March 2024 on its financial position in its financial statements - Refer Note 16 and Note 31 to the financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- d. (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 44(vi) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 44(vii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- e. The Company has neither declared nor paid any dividend during the year.
- f. Based on our examination which included test checks, except for the instances mentioned below, the Company has used accounting

softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares:

- (a) In the absence of independent auditor's report in relation to controls at the service organisation for two accounting softwares used for maintaining the books of account, which are operated by third party software service providers, we are unable to comment whether audit trail feature for the said softwares was enabled and operated throughout the year for all relevant transactions recorded in the respective softwares.
- (b) The accounting software used for maintaining the books of account at Jammu plant did not have the feature of recording audit trail (edit log) facility from 1 April 2023 to 20 February 2024. Further, for the periods where audit trail (edit log) facility was enabled and operated, we did not come across any instance of the audit trail feature being tampered with.

- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A

to the Independent Auditor's Report on the Financial Statements of Singer India Limited for the year ended 31 March 2024

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified every year. In accordance with this programme, all property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee). Accordingly, clause 3(i)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory, except goods-in-transit and stocks lying with third parties has been physically verified by the management during the year. For stocks lying with third parties at the year-end, written confirmations have been obtained and for goods-in-transit subsequent evidence of receipts/customer acknowledgement has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 and 186 of the Companies Act, 2013 ("the Act"). In respect of the investments made by the Company, in our opinion the provisions of Section 186 of the Act have been complied with.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the products manufactured by it or for services provided by it. Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues have been regularly deposited by the Company with the appropriate authorities.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts

payable in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues were in arrears as at 31 March 2024 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board

of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

to the Independent Auditor's Report on the financial statements of Singer India Limited for the year ended 31 March 2024

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Singer India Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls

with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

1. Company Information / Overview

Singer India Limited (the "Company") is a public limited company domiciled in India. The Company was incorporated on 19 October 1977 under the provisions of the Company's Act, 1956. The Company's registered office is at A-26/4, 2nd Floor, Mohan Co-operative Industrial Estate, New Delhi-110 044. The shares of the company are listed on BSE Limited (BSE). The Company is engaged in the business of trading / manufacturing of sewing machines, related accessories and in trading of domestic appliances.

2.a Basis of preparation

(i) Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standard (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, relevant provisions of the Act and other accounting principles generally accepted in India.

These financial statements were authorised for issue by the Board of Directors of the Company on 23 May 2024.

(ii) Functional and presentation currency

These financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts are presented in Rs. lakhs and have been rounded-off to two decimal places, unless stated otherwise.

(iii) Basis of measurement

The financial statements have been prepared on the historical cost basis except certain financial assets and liabilities that are measured at fair value or amortised cost, share based payments, investments and net defined benefit asset or liability that is measured at fair value of plan assets less present value of defined benefit obligations.

(iv) Accounting estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates if any, are recognised prospectively.

Information about significant areas of estimation/uncertainty and judgements in applying accounting policies that have

the most significant effect on the financial statements are as follows:

Note 2.(b) (vii) & (viii) - measurement of useful life and residual values of property, plant and equipment and intangible assets.

Note 2.(b) (xv) and 31 - judgement is required to ascertain whether it is probable or not that an outflow of resources embodying economic benefits will be required to settle the taxation disputes and legal claim.

Note 2.(b) (xi) - judgement is required to ascertain whether it is probable or not that an outflow of resources embodying economic benefits will be required to settle the claims for warranty and returns.

Note 2.(b) (ix) - judgement required to ascertain lease classification.

Note 2.(b) (iii), Note 2.(b)(v) and 28 - fair value measurement of financial instruments.

Note 2.(b) (xx) - judgement required to determine probability of recognition of deferred tax assets and MAT credit entitlement.

Note 2.(b) (xiv) (iii) - determination of actuarial valuation for cost of the defined benefit gratuity plan and present value of gratuity obligation.

Note 2.(b) (xiv) (V) - determination the fair value of equity settled liability & cost of equity settled transactions.

2.b Material accounting policies

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, to all the periods presented in these financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy.

The Company adopted Disclosure of Accounting Policies (Amendments to Ind AS 1) from 1 April 2023. Although the amendments did not result in any changes in the accounting policies themselves, that impacted the accounting policy information disclosed in the financial statements.

The amendments require the disclosure of 'material' rather than 'significant' accounting policies. The amendments also provide guidance on the application of materiality to disclosure of accounting policies, assisting entity to provide useful, entity specific accounting policy information that users need to understand other information in the financial statements.

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

(i) Current versus non-current classification

Based on the time involved between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has identified twelve months as its operating cycle for determining current and non-current classification of assets and liabilities in the balance sheet.

(ii) Foreign currency transactions and translations

Transactions in foreign currency are initially recorded in the functional currency i.e. Indian Rupees (Rs.) using the exchange rate at the date of transaction.

Monetary items (i.e. receivables, payables, loans etc.) denominated in foreign currency are reported using the closing exchange rate as on each balance sheet date. Gains/ (losses) arising on account of realisation/ settlement of foreign exchange transactions and on translation of monetary foreign currency assets and liabilities are recognised in the Statement of Profit and Loss.

Non-monetary items measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

(iii) Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Fair value of financial instruments measured at amortised cost is disclosed in Note 28.

(iv) Investment

Investment in equity shares is measured at fair value through profit and loss (FVTPL).

(v) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Recognition and initial measurement

All financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets (unless it is a trade receivable without a significant financing component) are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Classification and subsequent measurement

Classification

For the purpose of subsequent measurement, the Company classifies financial assets in following categories:

- Financial assets at amortised cost
- Financial assets at fair value through other comprehensive income (FVTOCI)
- Financial assets at fair value through profit or loss (FVTPL)

A financial asset being 'debt instrument' is measured at the amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

A financial asset being 'debt instrument' is measured at the FVTOCI if both of the following criteria are met:

- The asset is held within the business model, whose objective is achieved both by collecting contractual cash flows and selling the financial assets, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment- by- investment basis.

Subsequent measurement

Financial assets at amortised cost

Financial assets at amortised cost are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income and impairment are recognised in the Statement of Profit and Loss.

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognised in the Statement of Profit and Loss.

Financial assets at FVTOCI

These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognised in OCI and on derecognition, cumulative gain or loss previously recognised in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognised in the Statement of Profit and Loss.

Equity investments at FVOCI

These assets are subsequently measured at fair value. Dividends are recognised as income in Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Statement of Profit and Loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Impairment of financial assets

Financial assets that are carried at amortised cost are assessed for possible impairments basis expected credit losses taking into account the past history of recovery, risk of default of the counterparty, existing market conditions etc. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition.

For trade receivables, the Company provides for expected credit losses based on a simplified approach as per Ind AS 109 – Financial Instruments. Under this approach, expected credit losses are computed basis the probability of defaults over the lifetime of the asset. The changes (incremental or reversal) in loss allowance computed using Expected Credit Loss (ECL) model are recognised as an impairment gain or loss in the Statement of Profit and Loss.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the counterparty does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Recognition and initial measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost or FVTPL

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortised cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in the Statement of Profit and Loss.

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

Derecognition

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

(vi) Cash and cash equivalents

Cash and cash equivalents comprises cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

In the cash flow statement, cash and cash equivalents consist of cash and short term deposits, as defined above, net of outstanding cash credit facilities and working capital demand loan, as these are considered an internal part of the Company's cash management.

(vii) Property, plant and equipment and intangible assets

The Company has applied for one time transition option of considering the carrying cost of Property, Plant & Equipment and Intangible assets on the transition date i.e. April 1, 2016 as the deemed cost under Ind-AS.

Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any. Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Cost is inclusive of freight, duties, taxes or levies (net of recoverable taxes) and any directly attributable cost of bringing the assets to their working condition for intended use. The cost of an item of property, plant and equipment are recognised only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and the cost of assets can be measured reliably.

Profit or loss on disposal/ scrapping/ write off/ retirement from active use of an item of property, plant and equipment is recognised in the statement of profit and loss.

The cost of improvements to leasehold premises, if recognition criteria are met, has been capitalised and disclosed separately as leasehold improvement.

Capital work-in-progress includes cost of property, plant and equipment outstanding at each balance sheet date.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances and cost of assets not ready for use at the balance sheet date, are disclosed under capital work-in-progress.

Subsequent costs

Subsequent costs are included in the asset's carrying amount or recognised as separate assets, as appropriate, only when it is probable that the future economic benefits associated with expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of Profit and Loss at the time of incurrence.

Depreciation

Property, plant and equipment are depreciated on a pro-rata basis on Straight Line Method (SLM) using the rates arrived based on useful lives as prescribed in Schedule-II of the Companies Act, 2013, or useful lives of assets estimated by the management based on technical advice in cases where a useful life is different than the useful lives indicated in Schedule-II of the Companies Act, 2013, which represents the period over which management expects to use these assets, as follows:

Depreciation has been charged based on the following useful lives:

Asset Head	Management estimated Useful Life (in years)	Useful life as per Schedule II (in years)
Building	41-50	30
Plant and machinery	4-15	15
Furniture and fixtures	5	10
Computer		
- End user devices	3	3
- Server and networks	6	6
Office equipment	2-5	5
Vehicles	7	8

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

Leasehold land is depreciated on a straight line basis over the period of the lease. Leasehold improvement are depreciated on a straight line basis over the period of three years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed by management at each reporting date and adjusted prospectively, as appropriate.

(viii) Intangible assets

Recognition and measurement

Intangible assets that are acquired are recognised only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and the cost of assets can be measured reliably. The intangible assets are recorded at cost of acquisition including incidental costs necessary to make the assets ready for their intended use and are carried at cost less accumulated amortisation and impairment losses, if any.

Gain or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible assets under development is stated at cost, net of accumulated impairment loss, if any. Advances paid towards the acquisition of intangible assets outstanding at each balance sheet date are classified as capital advances and cost of assets not ready for use at the balance sheet date, are disclosed under Intangible assets under development.

Subsequent costs

Subsequent costs are capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure on intangible assets is recognised in the Statement of Profit and Loss, as incurred.

Amortisation

Amortisation is calculated to write off the cost of intangible assets over their estimated useful lives of 3-5 years using the straight-line method. Amortisation is calculated on a pro-rata basis for assets purchased/ disposed during the year.

Amortisation method, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

(ix) Leases

The Company as a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses

whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that these will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. These are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment whether it will exercise an extension or a termination option.

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The incremental borrowing rate has been applied to lease liabilities.

(x) Inventories

Inventories (including raw material, stock-in-trade, work in progress and finished goods) are measured at the lower of cost and net realisable value. However, raw materials and other supplies held for use in the production of finished goods are not written down below cost if the finished goods in which it will be incorporated are expected to be sold at or above cost.

The cost of raw material, stock-in-trade (goods purchased for resale) is being determined at first-in, first-out basis and includes expenditure incurred in acquiring the inventories and other costs in bringing them to their present condition and location. In the case of manufactured inventories and work-in-progress, cost includes an appropriate share of fixed production overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and selling expenses. The net realizable value of work-in-progress is determined with reference to the selling prices of related finished products.

Obsolete, defective and unserviceable stocks are duly provided for, wherever required.

(xi) Warranties and returns

Product warranty costs are determined using reasonable estimates based on costs incurred in the past and are provided for in the year sale is made. These includes free replacements, breakages, returns etc. in respect of sewing machines and domestic appliances

(xii) Provision for E-waste/Plastic-waste

Provision for E-waste/Plastic-waste management cost are recognized when the liability in respect of product sold to customer is established in accordance with E-waste Management Rules, 2022 as notified by Government of India. Initial recognition is based on liability computed based on Extended Producer Responsibility as Promulgated in said Rules including cost to comply the said regulation.

(xiii) Impairment - non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication

of impairment exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash generating units (CGUs).

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(xiv) Employee benefits

i) Short-term benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. A liability is recognised for the amount expected to be paid e.g. under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Post-employment benefit plans

ii) Defined contribution plans

The defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal and constructive obligation to pay further amounts.

Provident fund and Employee State Insurance: The Company makes specified monthly contributions towards Government administered Provident fund (other than Company managed fund) and Employee State Insurance scheme in respect of certain employees. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in Statement of Profit and Loss in the periods during which the related services are rendered by employees.

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

Superannuation Fund : Contributions are made to a scheme administered by the Life Insurance Corporation of India to discharge superannuating liabilities to the employees, a defined contribution plan, and the same is expensed to the Statement of Profit and Loss. The Company has no liability other than its annual contribution.

iii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Provident Fund

Eligible employees of the Company receive benefits from a provident fund, which is a defined benefit plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. The Company contributes a portion to the Singer India Limited Employees' Provident Fund Trust ("Trust") while the remainder of the contribution is made to the government administered pension fund upto 30 September, 2023. On 26 September, 2023 and effective from 01 October, 2023 the Company surrendered the Trust to Regional Provident Fund Commissioner ("RPFC") and has started contributing to government administered Provident fund. On voluntary basis, the Company has liquidated all its investments and deposited the proceeds with the Employees' Provident Fund Organisation ("EPFO") as a contribution on behalf of the Company & employees. The Trust invests in specific designated instruments as permitted by Indian law. The rate at which the annual interest is payable to the beneficiaries by the Trust is being administered by the government. The contributions to the Trust managed by the Company is accounted for as a defined benefit plan as the Company has an obligation to make good the shortfall, if any, between the return from the investments of the Trust and the notified interest rate. The contributions made to the government administered pension fund is accounted for as defined contribution plan.

Gratuity

The Company provides for gratuity, a defined benefit plan (the Gratuity Plan), covering all eligible employees in accordance with the payment of Gratuity Act, 1972, the Gratuity plan provides a lump

sum payment to vested employees on retirement, death, incapacitation or termination of employment.

These are funded by the Company and are managed by LIC.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

The obligation is measured at the present value of estimated future cash flows. The discount rate used for determining the present value of obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in other comprehensive income. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in the Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iv) Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits other than post-employment

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method. Remeasurements gains or losses are recognised in the Statement of Profit and Loss in the period in which it arises.

v) Share based payment

Employees of the Company receive remuneration in the form of stock options (ESOP) as share based payment transactions under the Company's Employee Stock Option Plan. These are equity settled share-based payment transactions.

The cost of equity settled transactions is determined based on the fair value at the date when the grant is made using an appropriate valuation model.

That cost is recognised, together with a corresponding increase in share-based payment reserves in equity, over the period in which the service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity settled transaction at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The statement of profit and loss expense or credit for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

No expense is recognised for awards that do not ultimately vest because service conditions have not been met.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(xv) Provisions and contingent liabilities

Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects

current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

(xvi) Revenue recognition

Sale of goods

Nature and timing of satisfaction of performance obligations, including significant payment terms

Customers obtain control of goods when the goods are delivered to and have been accepted at their premises. Invoices are generated at the time of dispatch of goods. Invoices are usually payable as per terms of contract or mutually agreed. Some contracts permit the customer to return an item. Returned goods are exchanged only for new goods – i.e. no cash refunds are offered.

Revenue recognition

Revenue arising from the sale of goods is recognized when the customer obtains control of the promised asset, i.e. either at the delivery or dispatch of goods (based on the agreed terms of sale with the respective customers), which is the point in time when the customer has the ability to direct the use of the goods and obtain substantially all of the remaining benefits of the goods.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

For contracts that allow the customers to avail the discount, the Company estimates the value of discount based on the terms of the scheme and past experience of the Company. For contracts that permit the customer to return an item, revenue is recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur.

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

Sale of services

Nature and timing of satisfaction of performance obligations, including significant payment terms

Customers obtain control of services when the services are completed to the satisfaction of the Customer. Invoices for services issued are usually payable as per terms of contract or mutually agreed.

Revenue recognition

Revenue arising from the sale of services is recognized at the point in time when the Company satisfies the performance obligation and the services are completely rendered to the customer.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation.

Contract balances

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in 2.b (iii) Financial instruments.

Advances from customers (contract liability)

Advances from customers (contract liability) is the obligation to transfer goods to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods to the customer, an advance from customer is recognised. The Company recognises the advance from customer for consideration received in respect of unsatisfied performance obligations. The unaccrued amounts are not recognised as revenue till all related performance obligations are fulfilled. The transaction price received in advance does not have any significant financing component as the difference between the promised consideration and the cash selling price of the goods arises for reasons other than the provision of finance.

Interest income

Interest income or expense is recognised using the effective interest rate method.

The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument to the gross carrying amount of the financial asset or amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of

the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

(xvii) Government grants / assistance

Government grant / assistance in relation to export of goods is recognized in the Statement of Profit and Loss when there is reasonable assurance that the Company will comply with the conditions attaching to it, and that the grant/assistance will be received.

(xviii) Commission

The commission paid / payable on sales is recognised in accordance with the terms of contracts with agents. As the Company acts as a principal, the commission is recognised as an expense in the Statement of Profit and Loss.

(xix) Borrowing costs

Borrowing costs attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the period in which these are incurred.

(xx) Income tax

Income tax expense comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any relating to income taxes. It is measured using tax rates enacted at the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction; and
- temporary differences related to investment in subsidiary to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future;

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and these relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as deferred tax asset.

Deferred tax assets (including MAT credit) are recognised to the extent that it is probable that future taxable profits will be available against which these can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax assets and deferred tax liabilities are offset only if there is a legally enforceable right to offset current tax liabilities and assets levied by the same tax authorities.

(xxi) GST/ value added taxes paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of GST/value added taxes paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

(xxii) Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its equity shares.

Basic earnings per share are calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted EPS is determined by adjusting the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(xxiii) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker is considered to be the Board of Directors who makes strategic decisions and is responsible for allocating resources and assessing performance of the operating segments.

(xxiv) Dividend

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the Company, on or before the end of the reporting period but not distributed at the end of the reporting period.

(xxiv) Derivative financial instruments

The Company uses derivative financial instruments i.e., forward and futures currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a

Notes forming part of the financial statements

for the year ended 31 March 2024

(Rupees in lakhs, except as otherwise stated)

derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss. The Company has not applied hedge accounting.

(xxv) Equity share capital

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(xxvi) Adoption of new accounting principles

Deferred tax related to assets & liabilities arising from a single transaction (amendments to Ind AS 12- Income Taxes)

The amendments clarifies that lease transactions give rise to equal and offsetting temporary differences and

financial statement should reflect the future tax impacts of these transactions through recognizing deferred tax . The Company has adopted this amendment effective 1 April 2023. The Company previously accounted for deferred tax on leases on a net basis. Following the amendments, the Company has recognised a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right to use assets. The adoption did not have any impact on the current and the comparative periods presented in the financial statements.

(xxvii) Recent accounting pronouncements

As on 31 March. 2024, there are no new standards or amendments to the existing standards applicable to the Company which has been notified by Ministry of Corporate Affairs ("MCA").

28 Fair value measurement and financial instruments (Contd..)

Valuation processes

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Senior Management. Discussions on valuation and results are held between the Senior Management and valuation team atleast once every quarter in line with the Company's quarterly reporting periods.

Quantitative information about the significant unobservable inputs used in Level 3 fair value measurements are as below:

Method - Replacement cost method

Significant unobservable input - Interest rate of the Deposits

Sensitivity - A change of 100 basis points would increase/decrease the fair value by Rs. 2 lakhs

Financial risk management

The Company's principal financial liabilities comprise trade, other payables and lease liabilities. The main purpose of these financial liabilities is to provide finance to the Company to support its operations. The Company's principal financial assets include security deposits, loans, trade and other receivables, and cash and cash equivalents including bank deposits that are derived directly from its operations.

b. The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ;
- Market Risk - Interest rate ; and
- Market Risk - Foreign currency

Risk management framework

The Board of Directors of the Company is responsible for framing, implementing and monitoring the risk management plan for the Company. It is responsible for reviewing the risk management policy and ensuring its effectiveness.

The Company's risk management policy is established to identify and analyse the risks faced by the Company to set appropriate risks limits and controls and to monitor risks and adherence to limits. Risk management policy is reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of Directors of the Company oversee how management monitors compliance with Company's risk management policy and procedures and reviews the adequacy of the risk management framework in relation to the risk faced by the Company.

(i) Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet

Particulars	As at 31 March 2024	As at 31 March 2023
Trade receivables	3,518.06	3,967.50
Cash and cash equivalents	4,460.70	2,546.75

rating agencies. The loans primarily represents security deposits given to lessor for lease of office and other commercial premises. Such deposit will be returned to the Company on vacation of these premises. The credit risk associated with such deposits is relatively low.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are typically unsecured and are derived from revenue earned from customers primarily located in India and certain parts of South Asia. The Company does monitor the economic environment in which it operates. The Company manages its credit risk through credit approvals, establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available internal credit risk factors such as the Company's historical experience for customers. Based on the business environment in which the Company operates, management considers that the trade receivables are in default (credit impaired) if the payments are more than 90 days past due. However, the Company based upon past trends, determine an impairment allowance for loss on receivables outstanding for more than 360 days past due.

Majority of trade receivables are from domestic customers, which are fragmented and are not concentrated to individual customers. Trade receivables as at year end consists Rs. 2,035.29 (31 March 2023: Rs. 2,253.31) relating to revenue generated from sewing machines and related accessories and Rs. 1,482.77 (31 March 2023: Rs. 1,714.19) relating to revenue generated from domestic appliances business.

The Company's exposure to credit risk for trade receivables is as follows:

Particulars	As at 31 March 2024	As at 31 March 2023
Not Due	2,720.04	2,736.80
1-90 days past due *	669.62	960.43

(ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets. The Company's approach to manage liquidity is to have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed circumstances, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company believes that its liquidity position, including total cash (including margin deposits, excluding bank deposits under lien, interest accrued but not due and unpaid dividend) of Rs. 8,660.70 as at 31 March 2024 (31 March 2023: Rs. 8,146.75) anticipated future internally generated funds from operations, and its fully available, revolving undrawn

credit facility of Rs. 2,500.00 (31 March 2023: Rs. 2,500.00) will enable it to meet its future known obligations in the ordinary course of business. However, if a liquidity needs were to arise, the Company believes it has access to financing arrangements, value of unencumbered assets, which should enable it to meet its ongoing capital, operating, and other liquidity requirements. The Company will continue to consider various borrowing or leasing options to maximize liquidity and supplement cash requirements as necessary.

The Company's liquidity management process as monitored by management, includes the following:

- Day to day funding, managed by monitoring future cash flows to ensure that requirements can be met.
- Maintaining rolling forecasts of the Company's liquidity position on the basis of expected cash flows.
- Maintaining diversified credit lines.

(iii) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk. Financial instruments affected by market risks include deposits, investments and foreign currency receivables and payables. The sensitivity analysis in the following sections relate to the position as at 31 March 2024 and 31 March 2023. The analysis exclude the impact of movements in market variables on: the carrying values of gratuity, pension obligation and other post-retirement obligations; provisions; and the non-financial assets and liabilities. The sensitivity of the relevant Profit and Loss item is the effect of the assumed changes in the respective market risks. This is based on the financial assets and financial liabilities held as of 31 March 2024 and 31 March 2023.

28 Fair value measurement and financial instruments (Contd..)

A. Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowings with floating interest rates.

Exposure to interest rate risk

The Company's interest rate risk arises majorly from the borrowings carrying floating rate of interest. These obligations exposes the Company to cash flow interest rate risk. The exposure of the Company's borrowing to interest rate changes as reported to the management at the end of the reporting period are as follows:

Variable-rate instruments	As at 31 March 2024	As at 31 March 2023
Cash credit facilities from banks	-	-
Working capital demand loan	-	-
Total	-	-

Interest rate sensitivity analysis

A reasonably possible change of 0.50 % in interest rates at the reporting date would have affected the profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant.

Variable-rate instruments	Statement of Profit and Loss	
	Increase by 0.50 %	Decrease by 0.50 %
Increase/ (decrease) in interest on borrowings

30 (a) Employee stock option plan

The shareholders of the Company had approved 'Singer India - Employee Stock Option Plan 2023 ("ESOP 2023")' through Postal Ballot dated May 28, 2023 by way of special resolution. The plan envisaged grant of stock options to eligible employees at an exercise price as may be decided by the Nomination and Remuneration Committee. The Company has constituted a Nomination and Remuneration Committee ('NRC') to administer and governing the scheme.

Employees of the Company are eligible for being granted Options under the Plan. The specific Employees to whom the Option would be granted, and their Eligibility Criteria shall be determined by the NRC. The Plan shall be applicable to the Company and Options may be granted to the Employees of the Company, as determined by the NRC at its sole discretion. The Share-based payment plan is equity-settled. Details of the plan and an analysis of the total charge by type of award is set out below.

Under the Plan, upto 3,600,000 stock options can be issued to eligible employees of the Company, including any Director of the Company, whether whole time or otherwise excluding the Independent Directors. Each option, upon vesting, shall entitle the holder to acquire one equity share of Rs. 2 each fully paid up. The options granted will vest gradually over a period not earlier than one year and not later than four years from the date of Grant of such Options. The exercise period in respect to the vested options shall be subject to a maximum period of three years from the date of vesting of options.

31 Contingent liabilities (to the extent not provided for)

The Company is a party to various indirect taxation disputes and legal claims, which are not acknowledged as debts as detailed below. Significant management judgement is required to ascertain that it is not probable that an outflow of resources embodying economic benefits will be required to settle the taxation disputes and legal claims.

Notes forming part of the financial statements

31 Contingent liabilities (to the extent not provided for) (Contd..)

The Company is in legal proceedings for various disputed legal matters related to various creditors, ex-employees, Value Added Tax (VAT) and other commercial matters that arise from time to time in the ordinary course of business. The amounts involved in these proceedings, not acknowledged as debt, are:-

Particulars	As at 31 March 2024	As at 31 March 2023
Value added tax / sales tax	21.53	27.12
Others	791.30	791.57
Total	812.83	818.69

The Company believes, based on advice from counsels/experts, that the views taken by authorities are not sustainable and accordingly no provision is required to be recorded in the books of account.

Pending resolution of the respective proceedings, it is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above as it is determinable only on receipt of judgements / decisions pending with various forums/ authorities. Accordingly, the above mentioned contingent liabilities are disclosed at undiscounted amount.

The Supreme Court on 28 February 2019 has provided its judgment regarding inclusion of other allowances such as travel allowances, special allowances, etc within the expression 'basic wages' for the purpose computation of contribution of provident fund under the Employees' Provident Fund and Miscellaneous Provisions Act, 1952 ('EPF Act'). There are interpretive challenges on the application of the Supreme Court Judgment including the period from which judgment would apply, consequential implications on resigned employees etc. Further, various stakeholders have also filed representations/ review petition with PF authorities and the Supreme Court respectively. All these factors raises significant uncertainty regarding the implementation of the Supreme Court Judgment.

Owing to the aforesaid uncertainty and pending clarification from regulatory authorities in this regard, the Company has recognized provision for the PF contribution on the basis of above mentioned order with effect from the order date. Further, the management believes that impact of aforementioned uncertainties on the financial statements of the Company should not be material.

32 During the year ended 31 March 2022, the Company had entered into an agreement to sell vacant leasehold land which was subject to approval by the local authorities. During the year ended 31 March 2023, the Company obtained permission to transfer leasehold rights from the respective local authorities and transferred the lease in July 2022. The Company recorded the sale of land and resultant profit (before tax) amounting to Rs.724.39 lakhs (net of expenses), during the year ended 31 March 2023, which had been presented as exceptional item and the same is attributed to sewing machines and related accessories segment.

(iii) Assumptions:

Particulars	As at 31 March 2024	As at 31 March 2023
Economic assumptions		
Discount rate	7.18%	7.36%
Rate of increase in compensation levels	8%	8%
Demographic assumptions:		
Retirement age	60 years	60 years
Mortality table	IAL 2012-14	IAL 2012-14
Withdrawal	19% for the employees	19% for the employees
	1% for workers	1% for workers

Assumptions regarding future mortality have been based on published statistics and mortality tables.

(iv) Sensitivity analysis

Defined benefit obligation

Change in assumptions	As at 31 March 2024		As at 31 March 2023	
	Increase by 1%	Decrease by 1%	Increase by 1%	Decrease by 1%
Increase/ (decrease) in obligation with 1% movement in discount rate	(8.80)	(9.17)	(17.40)	19.00
Increase/ (decrease) in obligation with 1% movement in future rate of increase in compensation levels	(8.98)	(0.87)	14.95	(14.20)

The sensitivity analysis are based on a change in above assumption while holding all other assumptions constant. The changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting year) has been applied, as has been applied when calculating the provision for defined benefit plan recognised in the Balance Sheet

The method and types of assumptions used in preparing the sensitivity analysis did not change compared to the previous years

Risk exposure:

The defined benefit plan is exposed to a number of risks, the most significant of which are detailed below:

a. Investment risk:

The present value of the defined benefit obligation is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

b. Interest rate risk:

A decrease in bond interest rate will increase the plan liability.

c. Longevity risk:

The present value of the defined plan liability is calculated by reference to the best estimate of the mortality of plan participants. An increase in the life expectancy will increase the plan's liability.

d. Salary risk:

Higher than expected increase in salary will increase the defined benefit obligation.

35 Segment reporting

A. Basis for Segment reporting

Factors used to identify the entity's reportable segments, including the basis of organisation

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM is considered to be the Board of Directors who makes strategic decisions and is responsible for allocating resources and assessing performance of the operating segments.

The principal activities of the Company comprises selling of sewing machines, related accessories and domestic appliances.

Accordingly, the Company has two reportable segments as follows:

- Sewing machines and related accessories
- Domestic appliances

Segment revenue and expenses:

Segment revenue and expenses represents revenue and expenses that are either directly attributed to individual segments or are attributed to individual segments on a reasonable basis. The remainder of the revenue and expenses are categorized as unallocated which mainly comprises finance costs and other operating expenses and certain other income since the underlying assets/liabilities/services are used interchangeably. The Company believes that it is not practical to provide segment disclosures relating to these unallocated revenue and expenses, and accordingly these are separately disclosed as "unallocated".

Segment assets and liabilities:

Segment assets includes all operating assets used by a segment which are directly attributed to individual segments or are attributed to individual segments on a reasonable basis. Segment liabilities include all operating liabilities which are directly attributed to individual segments or are attributed to individual segments on a reasonable basis. The remainder of assets and liabilities are categorized as unallocated, since the Company believes that it is not practical to allocate the same over reportable segments on a reasonable basis.

41 The Company has established a comprehensive system of maintenance of information and documents that are required by the transfer pricing legislation under section 92-92F of the Income Tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation for the international transactions entered into with the associated enterprises during the financial year and expects such records to be in existence latest by due date as required under the law. The management is of the opinion that its international transactions with the associated enterprises are at arm's length so that the aforesaid legislation will not have any impact on the standalone financial statements, particularly on the amount of tax expense and that of provision for taxation.

42 The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the final rules are yet to be framed. The Company will carry out an evaluation of the impact and record the same in the financial statements in the period in which the Code becomes effective and the related rules are published.

43 The Bureau of India Standard (""BIS"") certification marked license number CM/L - 4100049170 ('License') as per IS 15449: Part 1: 2004 granted to a vendor that supplies a sub category of mechanical household Zig-Zag machines was cancelled by the BIS w.e.f. 8 August 2023 by serving a notice dated 14 August 2023. This affected the Company's ability to import mechanical household Zig-Zag sewing machines. The BIS, through its committee, which includes the industry representatives, is in the process of upgrading the applicable standards and the Company believes that its future imports of Zig Zag sewing machines will be brought under the scope of the revised standards. The Company filed a writ petition with the Delhi High Court on 10 November 2023 to stay/quash the order cum notice of cancellation of the License/setting aside the IS 15449: Part 1: 2004 and passing of appropriate directions to amend the prevailing regulations in line with the updated technological norms. The next proposed hearing is on 25 July 2024. In the meantime, the Company sought a No Objection Certificate (""NOC"") dated 18 October 2023 from the Ministry of Commerce & Industry to import such Zig-Zag machines without a BIS mark in order to maintain its supply of goods. This NOC expired on 17 January 2024 and the Company obtained the NOC for a further extended period of three months w.e.f. 14 February 2024 which expired on 13 May 2024. During this period, the Company has continued to import such Zig- Zag machines without a BIS mark.

The matter continues to be under discussion with the relevant authorities and ultimate outcome cannot presently be determined. Basis independent legal advice, the Company is of the view that no adjustments are required in the audited financial statements for the year ended 31 March 2024 in respect of this matter.

The Company is simultaneously evaluating alternate range of Zig-Zag machines to mitigate the impact of these developments on the Company's future operations.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013.**Item No. 3:**

The Board of Directors of the Company based on the recommendation of Nomination and Remuneration Committee("NRC"), has appointed Mr. Sunil Duggal (DIN: 07291685) as an Additional Director (Independent Director) of the Company w.e.f. May 23, 2024, and recommended his appointment as a Non-Executive Independent Director of the Company for a term of five consecutive years, not liable to retire by rotation, subject to the approval of Members.

In terms of Section 161 of the Act, Mr. Sunil Duggal (DIN: 07291685) holds office upto the date of this AGM and is eligible for appointment as a Director.

The Company has received a notice under Section 160 of the Act from him proposing his candidature as a Director of the Company. The Company has received requisite consent and declarations from Mr. Sunil Duggal including confirmation that he meets the criteria of independence as prescribed under Section 149(6), Schedule IV and relevant rules of the Act and Regulation 16(1)(b) & 25 of Listing Regulations. He is neither disqualified from being appointed as Director in terms of the provisions of the Act nor debarred from being appointed to the office of Director by virtue of any order of SEBI or any such other authority.

Considering his tremendous experience in the industry and appropriate skills, experience, expertise, and knowledge that he possesses, it is strongly believed that with his appointment on Board as an Non-Executive Independent Director, the Company would be immensely benefitted to enhance corporate credibility and governance standards by dispensing guidance and mentorship on Strategic decision-making and to keep up transparency and accountability. In the opinion of the Board, he fulfills the conditions specified in the said Act and SEBI Listing Regulations and is independent from the Management. Further, the role and capabilities required in the case of an independent director along with defined list of core skills/expertise/ competencies etc., in the context of its business and sector for it to function effectively have also been well defined. The NRC of the Board has evaluated the profile of Mr. Duggal and concluded that he possesses the relevant skill and capabilities to discharge the role of Non-Executive Independent Director. Therefore, it is proposed that Mr. Sunil Duggal be appointed as an Independent Director of the Company for a term of 5 (five) consecutive years i.e. from May 23, 2024, to May 22, 2029, and he shall not be liable to retire by rotation.

A brief profile of Mr. Sunil Duggal along with the format of Letter of Appointment of Non-Executive Independent Director setting out the terms and conditions is available on the website of the Company i.e. www.singerindia.com. Other requisite details of Mr. Sunil Duggal as required under Regulation 36 of Listing Regulations and Secretarial Standards on General Meetings (SS-2) is provided under **Annexure-1** to this Notice.

Except Mr. Sunil Duggal, none of the Directors, Promoters and Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested, financially or otherwise, in the Resolution set out at Item No. 3 of this Notice.

The Board recommends the resolution as set out in Item No. 3 of this Notice for approval by the Members as a Special Resolution in accordance with Regulation 25(2A) of the Listing Regulations.
