MESSAGE FROM THE CHAIRMAN

Dear Shareholders,

On behalf of the Board of Directors, it is my pleasure to present to you Hasti Finance Limited's 30th Annual Report for the financial year ended 31st March 2024.

Hasti Finance Ltd was founded in 1994 by the erstwhile promoters. Your present management has taken the reins in their hands in late 2010 with a mission to participate in the growth of the nation through financial assistance to its core participants, empowering the nation's true wealth, its people through personalized and business finance to growing enterprises and individuals by becoming a leading finance company providing services to middle class & poor sectors of urban, semi urban and rural India.

With the clear mission in our mind, we have made every possible effort to create ease to the people such as lowering of interest rates, cutting down on margins, minimizing burden of penalty, allowing moratorium for projects which have potential to grow in later years if allowed ease in their crucial period of establishing the potential projects.

During the Course of this journey I believe, we have brought professionalism in terms of setting standards and ethics and organizational qualities to an industry largely dominated by unorganized players.

With the support from our stakeholders, we will continue to strive towards building a more sustainable business and enhancing shareholders value in the near and long term.

Regards,
Nitin P. Somani
Chairman

ANNEXURE “3” TO DIRECTOR’S REPORT

REPORT ON CORPORATE GOVERNANCE

(Pursuant to regulation 34(3) of Listing Obligation and Disclosure Regulation, 2015)

COMPANY’S PHILOSOPHY ON CODE OF GOVERNANCE

The Company recognizes its role as a corporate citizen and endeavours to adopt the best practices and the highest standards of Corporate Governance. The Company’s activities are carried out in accordance with good corporate practices and the Company is constantly striving to better them by adopting the best practices.

The Company believes that good corporate governance practices enable the management to direct and control the affairs of the Company in an efficient manner and to achieve the Company’s goal of maximizing value for all its stakeholders. The Company will continue to focus its resources, strengths and strategies to achieve its vision of becoming a leading financial services company in India, while upholding the core values of transparency, integrity, honesty and accountability.

Our Corporate Governance report ensures effective engagement with our stakeholders and helps us evolve with changing times. Our Corporate Governance framework ensures that we make timely disclosures and share accurate information regarding our financials and performance, as well as the leadership and governance of the company.

Our corporate governance philosophy is based on the following principles:-

- Corporate Governance standards should satisfy both the spirit of the law and the letter of the law.
- Ensure transparency and maintain a high level of disclosure.
- Communicate externally and truthfully about how the company is run internally.
- Comply with the laws of all countries in which we operate.
- The management is the trustee of the shareholder’s capital and not the owner.

We firmly believe that Board independence is essential to bring objectivity and transparency in the management and in the dealings of the Company. As on March 31, 2024, the Board consists of 5 members out of which three members are independent directors. An independent director is nominated as the chairperson of each of the audit, nomination and remuneration, Shareholders grievances committee.

INDEPENDENT AUDITOR'S REPORT

To the members of **HASTI FINANCE LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Financial Statements of **HASTI FINANCE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of material accounting policies and other explanatory information (herein referred to as "the standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the Auditor's responsibilities for the audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to the following matters referred in note 26 of Notes to standalone financial statements:

- a) The company has received a bank attachment order from the Income Tax Department on 30.01.2020 in respect of Income Tax demand as on that date. As per the explanation given to us, the management is in the process of rectifying/ payment of the said demand.
- b) Non-compliance of following statutory requirements:
 - a. The company has not appointed Internal Auditor as required under section 138 of the Companies act, 2013 read with Rule 13 of Companies (Accounts) Rules, 2014.
 - b. The company have not created Website and uploaded the required documents as specified in SEBI (LODR) Regulation 46.
 - c. The company has not published its notices/advertisements in newspapers as required by SEBI (LODR) Regulation 47.

As per the explanation given to us, the management is in process of regularization of these non-compliances and the penalties/late fees or any other outflow cannot be measured with sufficient reliability, no provision/contingencies are recorded in financial statements.

Our opinion is not modified in respect of these above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information in the Management Discussion and Analysis, Board's Report including Annexure to the Board's Report and Corporate Governance but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.;
- e) On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts, for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company during the year ended March 31, 2024.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented that, to the best of its knowledge and belief no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in my manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The company has not declared or paid any dividend during the year ended March 31, 2024.
 - vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of accounts for the financial year ended 31st March, 2024 which has feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
3. In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. - (ii) In respect of its Inventory
 - a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the order is not applicable.
 - b) The Company has not been sanctioned working capital limits in excess of Rs.5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii)
 - (a) The Company is involved in the Business of giving loans. Accordingly, the requirements under paragraph 3(iii)(a) of the Order are not applicable to the Company.

- (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the terms and conditions in relation to investments made, guarantees provided, securities given and / or grant of all loans and advances in the nature of loans and guarantees are not prejudicial to the interest of the Company.
- (c) In respect of the [aforesaid] loans/ advances in nature of loan, the schedule of repayment of principal and payment of interest has been stipulated by the Company. The Company is a non-banking financial company engaged in the business of Loans lending. Further, except for the instances where there are delays or defaults in repayment of principal and/ or interest and in respect of which the Company has recognized necessary provisions in accordance with the principles of Indian Accounting Standards (Ind AS) and the guidelines issued by the Reserve Bank of India (“RBI”) for Income Recognition and Asset Classification (which has been disclosed by the Company in Note 4 to the financial statements), the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest, as applicable.
- (d) In respect of the loans/ advances in nature of loans, the total amount overdue for more than ninety days as at March 31, 2024 is 565.42 Lakhs. In such instances, in our opinion, based on information and explanations provided to us, reasonable steps have been taken by the Company for the recovery of the principal amounts and the interest thereon. Refer Note 36 (d) in the financial statements for details of number of cases and the amount of principal and interest overdue as at March 31, 2024.
- (e) The Company is involved in the Business of giving loans. Accordingly, the requirements under paragraph 3(iii)(e) of the Order are not applicable to the Company.
- (f) According to the information explanation provided to us, the Company has granted loans and / or advances in the nature of loans during the year. These are not repayable on demand / have not stipulated the schedule for repayment of principal and interest. Hence, the requirements under paragraph 3(iii)(f) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it. The Company being a nonbanking financial company, nothing contained in section 186, except sub-section (1), shall apply.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit from the public in accordance with the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company. Hence, reporting under clause 3(vi) of the Order is not applicable.
- (vii) In respect of statutory dues:
- a) According to the information and explanation given to us, except for Income Tax Payable of Rs. 154.38 lakhs, there are no undisputed amounts payable in respect of Income Tax, Sales

Tax, Wealth Tax, GST, Custom Duty, Service Tax, Investor Education and Protection Fund, Excise Duty, Cess and any other statutory dues as at March 31, 2024 for a period of more than six months from the date of becoming payable.

- b) According to the information and explanation given to us except for Income Tax payable of Rs 43.58 lakhs, there are no dues of income tax, sales tax, service tax, GST, duty of customs, duty of excise, value added tax outstanding on account of any dispute.
- (viii) In our opinion and according to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) The Company has not raised any funds on short term basis during the year and hence, reporting under clause 3(ix)(d) of the Order is not applicable.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- (b) We have not come across of any instance of material fraud by the Company or on the Company during the course of audit of the financial statement for the year ended March 31, 2024, accordingly the provisions stated in paragraph (xi)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us, there were no whistle blower complaints received by the Company during the year and hence reporting under clause 3(xi)(c) of the Order is not applicable.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, all transaction with related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the notes to the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company is required to have an adequate internal audit system commensurate with the size and the nature of its business.
- (b) As the company does not have internal auditor, the reports were not available for consideration.
- (xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and the Company is already registered under Section 45-IA of the Reserve Bank of India Act, 1934, as Non-Deposit taking Company vide Registration No.07.00329 dated 22nd September, 1998.
- (b) The company is already a registered NBFC company and hence reporting under clause 3(xvi)(b) of the Order is not applicable.
- (c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence reporting under clause 3(xvi)(c) of the Order is not applicable.
- (d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and hence reporting under clause 3(xvi)(d) of the Order is not applicable.

- (xvii) The company has incurred cash losses during the financial year of INR 23.23 lakhs covered by our audit. In the immediately preceding financial year the company has not incurred any cash loss.
- (xviii) There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph 3 (xviii) of the Order are not applicable to the Company.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due
- (xx) In our opinion and according to the information and explanations given to us, the provisions of section 135 of the Companies Act, 2013 with respect to Corporate Social Responsibility are not applicable to the company and hence reporting under clause 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
- (xxi) According to the information and explanations given to us, the Company does not have any Subsidiary, Associate or Joint Venture. Accordingly, reporting under Clause 3(xx) of the Order is not applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls with reference to the aforesaid Standalone Financial Statements under Clause (i) Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph (2) (f) under 'Report on Other Legal and Regulatory Requirements' section of our Independent Auditors' Report of HASTI FINANCE LIMITED on the standalone financial statements for the year ended March 31, 2024)

We have audited the internal financial controls over financial reporting of **HASTI FINANCE LIMITED** ("the Company") as of March 31, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Standalone Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements .

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

The company has a weak credit appraisal and recovery system in respect of loans given by the company. The company has received a bank attachment order from Income Tax Department. The company has not appointed Internal Auditor as required under section 138 of the Companies act, 2013 read with Rule 13 of Companies (Accounts) Rules, 2014.

Opinion

In our opinion, except for the possible effects of the foregoing on the achievement of the objectives of the control criteria, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

1. Company overview

Hasti Finance Limited (“HFL”) (“the Company”) a registered Non-banking finance company (NBFC) with Reserve Bank of India (RBI). HFL is set up with an objective to carry on financing and investing activities.

The Company’s registered office is situated at No.14, Imperial Hotel Complex, Near Albert Cinema Hall, Whannels Road, Egmore, Chennai, Tamilnadu – 600 008 and corporate office is situated at Office No. 1A, Anubhav Apartments, Sayani Road, Prabhadevi, Mumbai – 400 025. The shares of the Company are listed on the Bombay Stock Exchange.

1A. Basis of preparation and presentation

i. Statement of compliance

These financial statements (“the Financial Statements”) are prepared in accordance with the Indian Accounting Standards (‘Ind AS’) as notified by Ministry of Corporate Affairs (‘MCA’) under Section 133 of the Companies Act, 2013 (‘Act’) read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in these financial statements.

ii. Accounting convention

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

iii. Presentation

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash Flows”.

The Standalone financial statements are presented in Indian Rupees (Rs.) and all values are rounded to the nearest Hundred, except when otherwise indicated.

iv. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the note 2 of the financial statements.

2. Material Accounting Policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarized as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

a) Revenue recognition

Interest income on loans

Interest and processing fee income is recorded on accrual basis using the effective interest rate (EIR) method in accordance with Ind AS 109. Additional interest/overdue interest/penal charges, if any, are recognised only when it is reasonably certain that the ultimate collection will be made.

Other income

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization/collection.

b) Leasing

The Company as a lessee

At the inception of each lease, the lease arrangement is classified as either a finance lease or an operating lease, based on the substance of the lease arrangement.

Finance leases

Assets leased by the Company in its capacity as lessee where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. A finance lease is recognized as an asset and a liability at the commencement of the lease, at the lower of the fair value of the asset and the present value of the minimum lease payments.

Minimum lease payments made under finance leases are apportioned between finance charges and reduction of the lease liability. The Finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases

Leases in which the lessor does not transfer substantially all the risks and rewards of ownership of an asset to the lessee are classified as operating leases. Lease rental are charged to statement of profit and loss.

c) Foreign currencies

Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements have been prepared and presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency, by applying the exchange rates on the foreign currency amounts at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

d) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

e) Employee benefits

Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Other long-term employee benefit obligations

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

Liabilities for leave encashment and compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Other Comprehensive Income.

Post-employment benefit plans are classified into defined contribution plans and defined benefits plans as under:

Defined contribution plans

The Company has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of Profit and Loss.

Defined benefit plans

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. Where in the employee will receive on retirement is defined by reference to employee's length of service and last drawn salary. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets, if any. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

Other long-term employee benefits

The Company also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to availed after one year from the Balance Sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to Statement of Profit and Loss in the year in which such gains or losses are determined.

f) Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternate tax ('MAT') credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively

g) **Property, plant and equipment**

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation method, useful lives and residual value) Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on the written-down method over the useful life of the assets as prescribed under Part 'C' of Schedule II of the Companies Act, 2013.

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed. Asset costing less than Rs. 5,000 each are fully depreciated in the year of capitalization.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognized.

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

h) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation method, useful lives and residual value)

Intangible assets are amortised over a period of 3 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

i) Impairment of tangible and intangible assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

j) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Date of Initial recognition

Financial assets and liabilities, with the exception of loans, debt securities, deposits and borrowings are initially recognised on the transaction date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. Loans are recognised when funds are transferred to the customers' account. The Company recognizes debt securities, deposits and borrowings when funds reach the Company.

Initial measurement of financial instruments

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

measured at their fair value, except in the case of financial assets and financial liabilities recorded at fair value through profit and Loss ('FVTPL'), transaction costs are added to, or subtracted from, this amount.

Measurement categories of financial assets and liabilities

The Company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either Amortised Cost, FVOCI or FVTPL.

Financial liabilities, other than loan commitments and financial guarantees, are measured at amortised cost or FVTPL when fair value designation is applied.

k) Non-derivative financial assets and Financial Liabilities

i) Bank balances, Loans, Trade receivables and financial investments at amortised cost

The Company measures Bank balances, Loans, Trade receivables and other financial investments at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

The details of these conditions are outlined below.

Business model assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)
- The expected frequency, value and timing of sales are also important aspects of the Company's assessment

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

such information when assessing newly originated or newly purchased financial assets going forward.

The SPPI test

As a second step of its classification process the Company assesses the contractual terms of financial to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/ discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Company applies judgement and considers relevant factors such as the currency in which the financial asset is denominated, and the period for which the interest rate is set.

ii) Financial assets or financial liabilities held for trading

The Company classifies financial assets as held for trading when they have been purchased or issued primarily for short-term profit making through trading activities or form part of a portfolio of financial instruments that are managed together, for which there evidence of a recent pattern of short-term profit is taking. Held-for-trading assets and liabilities are recorded and measured in the balance sheet at fair value. Changes in fair value are recognised in net gain on fair value changes. Interest and dividend income or expense is recorded in net gain on fair value changes according to the terms of the contract, or when the right to payment has been established.

iii) Equity Instruments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVTOCI or FVTPL. In absence of quoted price, the Fair value of unquoted equity shares has been calculated as per book value method using latest available audited financial statements of investee company.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVTOCI. Fair value changes excluding dividends, on an equity instrument measured at FVTOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'Other Income' in the Statement of Profit and Loss.

iv) Financial assets and financial liabilities at fair value through profit or loss

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

Financial assets and financial liabilities in this category are those that are not held for trading and have been either designated by management upon initial recognition or are mandatorily required to be measured at fair value under Ind AS 109.

Financial assets and financial liabilities at FVTPL are recorded in the balance sheet at fair value. Changes in fair value are recorded in profit and loss with the exception of movements in fair value of liabilities designated at FVTPL due to changes in the Company's own credit risk. Such changes in fair value are recorded in the Own credit reserve through OCI and do not get recycled to the profit or loss. Interest earned or incurred on instruments designated at FVTPL is accrued in interest income or finance cost, respectively, using the EIR, taking into account any discount/ premium and qualifying transaction costs being an integral part of instrument. Interest earned on assets mandatorily required to be measured at FVTPL is recorded using contractual interest rate.

Reclassification of financial assets and liabilities

The Company does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. Financial liabilities are never reclassified.

Derecognition of financial assets and liabilities

Derecognition of financial assets due to substantial modification of terms and conditions

The Company derecognises a financial asset, such as a loan to a customer, when the terms and conditions have been renegotiated to the extent that, substantially, it becomes a new loan, with the difference recognised as a derecognition gain or loss, to the extent that an impairment loss has not already been recorded. The newly recognised loans are classified as Stage 1 for ECL measurement purposes.

When assessing whether or not to derecognise a loan to a customer, amongst others, the Company considers the following factors:

- Change in counterparty
- If the modification is such that the instrument would no longer meet the SPPI criterion
- If the modification does not result in cash flows that are substantially different, the modification does not result in de recognition. Based on the change in cash flows discounted at the original EIR, the Company records a modification gain or loss, to the extent that an impairment loss has not already been recorded.

Derecognition of financial assets other than due to substantial modification

Financial assets

A financial asset is derecognised when the rights to receive cash flows from the financial asset have expired. The Company also derecognises the financial asset if it has both transferred the

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

financial asset and the transfer qualifies for derecognition.

A transfer only qualifies for derecognition if either: the Company has transferred substantially all the risks and rewards of the asset or has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. Control is considered to be transferred if and only if, the transferee has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without imposing additional restrictions on the transfer.

When the Company has neither transferred nor retained substantially all the risks and rewards and has retained control of the asset, the asset continues to be recognised only to the extent of the Company's continuing involvement, in which case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration the Company could be required to pay.

In case when transfer of a part of financial asset qualifies for derecognition, any difference between the proceeds received on such sale and the carrying value of the transferred asset is derecognised as a gain or loss on decrease of such financial asset previously under amortised cost category.

Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

l) Impairment of financial assets

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- **Stage 1** includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.
- **Stage 2** includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment. Stage 2 loans also include

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

facilities, where the credit risk has improved and the loan has been reclassified from Stage 3.

- **Stage 3** includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) - LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) - EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

The Company considers various factors while considering the recoverability of credit impaired advances. These include nature and value of assets, different resolution channels, interest of potential buyers etc. Considering the typical nature of advances given by the Company, there is significant uncertainty and variability in timing of resolution of these advances. In reference to RBI's prudential norms, the Company does not recognize interest income on these advances on a conservative basis, and the provisioning is considered using current estimate of realization which are based on valuation of security/ collateral as at current date.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

m) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

n) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

o) Earnings per share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year/ period.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

p) Segment reporting

The Company identifies segment basis the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly reviewed by the CODM ('chief operating decision maker') in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

q) Investments in Associates

The Company records the investments in Associates at cost less impairment loss, if any.

After initial recognition, the Company determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of investment in Associates and that event (or events) has an impact on the estimated future cash flows of the Associates that can be reliably estimated. If there exists such an objective evidence of impairment, then impairment loss is recognized with respect to the Company's investment in Associates.

2A. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements

- i. **Evaluation of indicators for impairment of loans** - The evaluation of applicability of indicators of impairment of assets requires management assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.
- ii. **Expected credit loss model ('ECL')** - The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Company makes significant judgements with regard to the following while assessing expected credit loss:
 - Determining criteria for significant increase in credit risk;
 - Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL; and

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

- Establishing groups of similar financial assets for the purposes of measuring ECL.
 - Value of asset held as security
- iii. Contingent liabilities** – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.
- iv. Revenue recognition-** Interest income on stressed loans involves management estimates and assumptions in determining both timing and expected realisation from them.
- v. Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.
- vi. Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.
- vii. Business model assessment** - The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

33 Fair value measurement of financial assets and liabilities

Financial assets and financial liabilities measured at fair value in the Statement of Balance Sheet are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3: unobservable inputs for the asset or liability.

As at March 31, 2024	Carrying Amount	Level 1	Level 2	Level 3	Total

The fair value of the financial assets and liabilities are included at the amount that would be received from selling an asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:-

Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments, as described below:

- The fair values of loans and receivables are estimated by discounted cash flow models that incorporate assumptions for credit risks, probability of default and loss given default estimates. Credit risk is derived from market observable data. Where such information is not available, the Company uses historical experience and other information used in its collective impairment models.
- The book value method using latest available audited financial statements of investee company is used to fair value investments in unquoted equity instruments
- Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, current borrowings, trade payables and other current financial liabilities are valued at their carrying amounts largely due to the short-term maturities of these instruments

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. as such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

34 Financial risk management

HASTI FINANCE LIMITED

Notes to the standalone financial statements for the year ended March 31, 2024

(All amounts in Hundreds of Rs. unless otherwise stated)

i) Risk Management

The Company's activities expose it to credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Loan receivables, Cash and bank balances, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Expected loss analysis	Credit risk analysis, diversification of customers/asset base, credit limits and collateral.

The Board has the overall responsibility of risk management.

A) Credit Risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company has not established adequate internal risk management process to provide early identification of possible changes in the creditworthiness of counterparties, including regular collateral revisions. Further, the credit quality review process is not effectively working. However the Company is in process of establishing internal control system and implementing internal control policies for credit review and risk management.

Credit risk arises from loans financing, cash and cash equivalents, trade receivables, investments carried at amortised cost and deposits with banks and financial institutions, as shown below:

Particulars	Balance as at March 31, 2024	Balance as at March 31, 2023
Cash and cash equivalents	87.83	47.22
Trade Receivables	-	-
Loans	14,43,805.58	14,92,764.57

a) Credit risk management

From credit risk perspective, the Company's lending portfolio can be segregated into following broad categories:

- (i) Low credit risk
- (ii) Moderate credit risk
- (iii) High credit risk

The company provides for expected credit loss based on the following:

Risk	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents, trade receivables, and loans	12 month expected credit loss
Moderate credit risk	Loans	Life time expected credit loss or 12 month expected credit
High credit risk	Loans	Life time expected credit loss or fully provided for

** These represent gross carrying values of financial assets, without deduction for expected credit losses

Risk mitigation Strategies:

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country

Trade receivables

Trade receivables measured at amortized cost and credit risk related to these are managed by monitoring the recoverability of such amounts continuously.

Loans

Credit risk related to borrower's are mitigated by considering profile and business prospect of the borrower's. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan receivables that become past due and default is considered to have occurred when amounts receivable become one year past due.

b) Expected credit loss for loans

Credit risk measurement

The Company measures credit risk of its exposure using Internal ratings are based on board approved policy that guides credit analysis to place borrowers in watch list based on specific risk factors such as project progress schedule etc.

Expected credit loss measurement

First step involved in ECL computation is staging of the assets into three categories. Staging of the financial assets depend on the deterioration of the credit quality of the assets over its lifetime. Performing assets fall under Stage I, Underperforming assets fall under Stage II and Impaired assets(non-performing) fall under Stage III.

The following points were considered for stage wise classification of credit exposures:

1. Stage III exposures were exposures where actual default events have occurred i.e. all credit exposures classified as Doubtful or Sub-Standard, or where significant deterioration in credit quality was envisaged.
2. Stage II exposure were exposures which were not considered impaired asset but were classified as 'Stressed Accounts' or were flagged as High-Risk Category.
3. All other accounts not meeting the first two criteria were classified as Stage 1 accounts.

Credit risk exposure and impairment loss allowance

Particulars	As at March 31, 2024		As at March 31, 2023

Loss allowance

The loss allowance recognized in the period is impacted by a variety of factors, as described below:

* Transfers between Stage 1 and Stages 2 or 3 due to financial instruments experiencing significant increases (or decreases) of credit risk or becoming credit impaired in the period, and the consequent "step up" (or "step down") between 12-month and Lifetime ECL.

* Additional allowances for new financial instruments recognised during the period, as well as releases for financial instruments de-recognised in the period

* Impact on the measurement of ECL due to changes arising from regular refreshing of inputs to models

* Financial assets derecognised during the period and write-offs of allowances related to assets that were written off during the period

The following tables explain the changes in the loss allowance between the beginning and the end of the annual period due to these factors:

Loss allowance	Stage 1 12 month ECL	Stage 2 Lifetime ECL	Stage 3 Lifetime ECL	Total
Loans to customers at amortised Cost				
Balance as at April 1, 2022	3,268.69	4,05,334.24	35,974.80	4,44,577.73

Balance as at March 31, 2024	17,153.17	4,44,821.12	35,974.80	4,97,949.09

Write off policy

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

c) Expected credit losses for financial assets other than loans and derivative financial instruments

Company provides for expected credit losses on financial assets other than loans by assessing individual financial instruments for losses:

* For cash and cash equivalents - Since the Company deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents is evaluated as very low.

* For other financial assets - credit risk is evaluated based on Company's knowledge of the credit worthiness of those parties and loss allowance is measured for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature.

d) Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys cash management system. It maintains adequate sources of financing including debt at an optimised cost.

The Company measures risk by forecasting cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient fund to meet expected operational expenses, servicing of financial obligations. The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted value.
