PRESS RELEASE

Cyient Receives Premier Award for Excellence from RTX for the 3rd Consecutive Year

Hyderabad, India, July 9, 2024: Cyient, a global Intelligent Engineering company delivering solutions for a digital, autonomous and sustainable future, announced that it has been honored with a Premier Award from its customer RTX, for the third consecutive year.

RTX has recognized Cyient, Ltd. with the Premier Award for performance in 2023 and overall excellence in Cost Competitiveness and Collaboration & Customer Service. The Premier Award is an annual recognition platform under the RTX Performance+ Program to recognize suppliers with superior performance and that have provided exceptional value to RTX in one of the four key categories: Cost Competitiveness, Technology & Innovation, Business Management, Customer Service, and Collaboration.

Karthikeyan Natarajan, Executive Director & CEO, Cyient, on receiving the award, said, "We are grateful for the trust and collaboration from RTX over the last 23+ years, which have been fundamental to our success. This prestigious award is a testimony to our customer centricity, commitment to excellence and solving problems that matter to our customers."

"With such long standing collaboration, we continue to deliver Intelligent Engineering in Aerospace & Defence business for a digital, autonomous and sustainable future." he added.

The award highlights Cyient's commitment to cost efficiency, technological advancements, and the highest standards of business management. It acknowledges Cyient's ability to collaborate effectively and provide exceptional customer service, further solidifying its position as a trusted and reliable partner. Over the course of 23+ years of engagement, Cyient offered 32+ million hours of engineering support across the product life cycle like design, manufacturing, aftermarket and digital.
