Earnings Update Q1 FY 24-25

Investor Presentation
July 19, 2024

Safe Harbor

Certain statements mentioned in this presentation concerning our future growth prospects are forward looking statements (the "Forward Statements") and are based on reasonable expectations of the management, which involves a number of risks, and uncertainties that could cause actual results to differ materially from those in such Forward Statements. The risks and uncertainties relating to these Forward Statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, fluctuations in foreign exchange rates, revenue and profits, our ability to generate and manage growth, competition in CPaaS globally, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price and fixed time frame contracts, industry segment concentration, our ability to manage our international operations, our revenues being highly dependent on clients in the United States of America, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, withdrawal of fiscal governmental incentives, political instability, adverse impact of global pandemics (including COVID-19 impact), war, legal restrictions on raising capital or acquiring companies, unauthorized use of our intellectual property(ies) and general economic conditions affecting our businesses and industry. We may, from time to time, make additional written and oral Forward Statements . We do not undertake to update any Forward Statements that may be made from time to time by us or on our behalf, unless required under the law.

Global Diaspora - Footprint & Super Network

Key Developments

Proximus completes the acquisition of a majority stake in Route Mobile

Route Mobile embarks on a new strategic direction by becoming part of the Proximus Group

"I'm proud of Route Mobile's first quarter results, making us one of the fastest growing companies in the CPaaS industry, thanks to the exposure to fast growing markets and economies. These results, along with our expectations for the year, underscore the advantages of our international strategy. The fact that these growth rates were reached during the integration phase with the Proximus Group is a clear testimonial of the team's remarkable determination and adaptability."

- Guillaume Antoine Boutin Chairman & Non-Executive Director On May 8, 2024, Proximus Opal completed the acquisition of 83.1% stake in Route Mobile

With this acquisition, Route Mobile is now a part of the Proximus Group, making Proximus Opal one of the world's largest CPaaS players by messaging volume

The acquisition will help Route Mobile in entering mature markets like the **USA and Europe**, expanding product portfolio and unlocking **synergies with Telesign**

Rajdip Gupta will continue as the Chief Executive Officer of Route Mobile and will also spearhead the CPaaS business, globally.

"We have started the new financial year with a strong performance in Q1. This is our highest quarterly revenue so far. We became the largest enabler of WhatsApp based ticketing for metros in India and we continue to deploy such unique solutions at scale, across industries".
