M&M gives in...

In the strongly worded press statement, M&M added that it will challenge IndiGo's claim to keep what it called an 'unhealthy precedent' at bay. "We believe the claim by IndiGo is baseless and if not challenged, will set an unhealthy precedent of monopolising alphanumeric 2-character marks, despite our mark being distinctive and different. This will be enormously constraining for all companies across industries and sectors," the statement said. The case, which came up for hearing on Tuesday, is now scheduled to be heard on December 9.

M&M also reminded IndiGo of its previous conduct, citing the example of Tata Motors' sedan named Indigo. "We would like to point out that in the past, Tata Motors had objected to InterGlobe using the IndiGo mark, given their Tata Indigo car brand. InterGlobe continues to use the mark IndiGo in a different industry and business. We, therefore, find their objection to BE 6e to be inconsistent with their own previous conduct," the M&M statement added. The '6E' of IndiGo is the unique code allotted to it by the International Air Transport Association (IATA), a trade association of world's airlines. IndiGo's flights are defined by this code followed by the flight number.

While Mahindra has applied for trademark registration under class 12 (vehicles) for 'BE 6e' as a part of its electric origin SUV portfolio, IndiGo had claimed that the '6E' mark has been an integral part of IndiGo's identity for the past 18 years and is a registered trademark.

"Any unauthorised use of the '6E' mark, whether standalone or in any form, constitutes

an infringement of IndiGo's rights, reputation, and goodwill. IndiGo is committed to taking all necessary and appropriate steps to safeguard its intellectual property and brand identity," an IndiGo spokesperson had said on Tuesday.

RBI governor...

Das took charge with a conciliatory yet firm approach, emphasising the RBI's autonomy while maintaining open lines of communication with the government. One of Das's defining challenges was the economic crisis triggered by the Covid pandemic. Under his leadership, the RBI implemented unprecedented monetary easing, slashed the repo rate to a historic low of 4% in 2020, and introduced measures like loan moratoriums and liquidity infusion packages. Das's tenure has seen a delicate balancing act between fostering growth and controlling inflation, especially amid global pressures like rising crude oil prices and geopolitical tensions. Despite global headwinds and supply-chain disruptions, Das has largely managed to bring down inflation through monetary policy interventions. From hitting the peak of 7.79% in April 2022, CPI inflation has cooled and is hovering in the range of 5-6%. His policies have balanced the dual objectives of controlling inflation and fostering economic growth.

Arpito Gope, chief consultant, Task Force for Music & Arts (TaFMA), a state department created by the government of Nagaland to promote artists, told FE: "Very few cultural festivals have attained this longevity and success in converting Horn-bills to a mega conclave. Partnerships contribute values well above ₹1 crore or more in sponsorship and other associations. Last year, over 40 bands performed on stage, featuring nearly 800 artistes."

As per BookMyShow, footfalls for live entertainment went up by nearly 82% in 2023 over the previous year and reached 13.5 million with promising numbers from Delhi-NCR, Mumbai and Hyderabad and fans from Tier-II cities such as Lucknow and Bhubaneswar. The footfall from tier II cities increased by nearly 225%. For festivals like Magnetic Fields, location is the USP. Celebrating its 10th edition this year in Rajasthan, the event attracted over 5,000 people in 2023. "Such festivals offer a varied experience over playing at a venue or club," said Munbir Chawla, co-founder and festival director, who said tickets are a big source of revenue besides collaborations with brands such as Budweiser, Jameson, Ray-Ban and Corona.

Music festivals...

Reportedly, Lollapalooza India's presale and general admission tickets were sold out six months before the festival date. The 2023 edition reportedly drew over 60,000 fans.

Nagaland's Hornbill Festival is a major revenue source for the state. The first edition in 2000 saw 13,268 visitors, and this year, over 86,000 have visited the ongoing festival in the first five days. The festival also attracts big sponsors including Toyota, Raymond Group,
