Media Release

23rd September 2024

JSW Infrastructure takes delivery of dredger to support its expansion plans

Mumbai, 23 September 2024: JSW Infrastructure Limited (the “Company”), a part of the JSW Group and India’s second-largest private commercial port operator, has taken delivery of a new, state-of-the-art dredger from Netherlands based IHC Dredging.

This investment into the second dredger, aligns with the company’s FY2030 growth plan to boost capacity from 170 Million Tonnes Per Annum (MTPA) to 400 MTPA. The new dredger will support both greenfield and brownfield expansion projects at multiple ports of the company.

About JSW Infrastructure Limited:

JSW Infrastructure Limited is part of the JSW Group. JSW Infrastructure Limited is the second largest private commercial port operator in India having environment-friendly seaports & terminals. It currently operates ten port concessions strategically located on the west and east coasts of India. Its international presence includes a Liquid tank storage terminal of 4,65,000 cubic meters in Fujairah, UAE. The existing ports and terminals of the Company can handle a wide range of cargo and vessels up to Cape size. Its largely mechanized cargo handling system enables quick turnaround times while ensuring efficient use of existing resources. The strategic locations of these facilities make its ports a preferred option for its customers. JSW Infrastructure Limited has expanded its cargo mix by leveraging its locational advantage and maximizing asset utilization. As part of its future growth strategy, the Company plans to enhance its overall cargo-handling capacity to 400 MTPA by 2030 or earlier. It is also strengthening its market position by focusing on value-added offerings with end-to-end logistic support and a diversified cargo profile. JSW Infrastructure is committed to strengthening its ESG performance across the operational ecosystem by aligning its policies and practices with international standards. As a multinational conglomerate, JSW Group has a significant presence in sectors such as steel, energy, infrastructure, cement, sports, and venture capital among others.

Forward-Looking and Cautionary Statements:

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition within Power Industry including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our internal operations, reduced demand for Power, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which JSW Infrastructure has made strategic investments, withdrawal of fiscal governmental incentives, political instability, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.
