NOTICE OF 39th ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN THAT 39th ANNUAL GENERAL MEETING OF THE TARMAT LIMITED WILL BE HELD ON MONDAY, THE 30th SEPTEMBER 2024 AT 02.00 PM THROUGH VIDEO CONFERENCING/ OTHER AUDIO-VISUAL MEANS ORGANIZED BY THE COMPANY, TO TRANSACT THE FOLLOWING BUSINESS. THE VENUE OF THE MEETING SHALL BE DEEMED TO BE THE REGISTERED OFFICE OF THE COMPANY AT GENERAL A. K. VAIDYA MARG, NEAR WAGHESHWARI MANDIR, OFF. FILM CITY ROAD, MALAD (E), MUMBAI - 400 097.

ORDINARY BUSINESS:

Item No. 1 - Adoption of Audited Financial Statements.

To receive, consider and adopt the standalone and consolidated Financial Statements of the company for the financial year ended 31st March, 2024 and the Reports of the Board of Directors and Auditors thereon.

ITEM No. 2 – Appointment of Mr. Jerry Varghese (DIN: 00012905) who retires by rotation.

To re-appoint a Director in place of Mr. Jerry Varghese (DIN: 00012905), who retires by rotation and being eligible, offers himself for re-appointment.

ITEM No. 3 – Appointment of Mr. Dilip Varghese (DIN: 01424196) who retires by rotation.

To re-appoint a Director in place of Mr. Dilip Varghese (DIN: 01424196), who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

Item No. 4 – Payment of Remuneration to Mr. Jerry Varghese (DIN: 00012905) – Non-Executive Director of the Company.

To consider, and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

“**RESOLVED THAT** pursuant to the provisions of Section 197 and other applicable provisions, if any, of the Companies Act, 2013, (‘the Act’) read with The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and provisions of the Listing Agreement executed with the Stock Exchanges, the consent of the Members of the Company be and is hereby accorded for the payment of remuneration to Mr. Jerry Varghese (DIN:00012905) Non-executive Director of the Company as specified in the Explanatory Statement to this resolution as and by way of commission.

Resolved further that where in any financial year during the tenure of the said Non-Executive Director, the Company has no profits or its profit are inadequate, the remuneration as may be approved by the Board of Directors of the Company from time to time shall be paid as minimum remuneration.

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorised to take all such steps as may be considered necessary, desirable or expedient for giving effect to this resolution.”

Item No. 5 – To approve continuation of Directorship of Mr. Jerry Varghese (DIN: 00012905) as Non-Executive Director beyond the age of 75 years in his current tenure.

To consider, and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

“**RESOLVED THAT** pursuant to regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), and based on the recommendation of the Nomination and Remuneration Committee and the Board of Directors, approval be and is hereby accorded for continuation of Mr. Jerry Varghese (DIN: 00012905) as a Non-Executive Non Independent Director of the Company liable to retire by rotation, who would attain the age of 75 years on May 07, 2025.”

Item No. 6 - Appointment of Dr. Kishanrao Marutirao Godbole (DIN: 10769888) as a Director in the category of Non – Executive Independent Director.

To consider, and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

“**RESOLVED THAT** pursuant to Section 152 and other applicable provisions, if any, of the Companies Act, 2013 (‘the Act’) and the Rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) and the applicable Regulations under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, Dr. Kishanrao Marutirao Godbole (DIN: 10769888),

who was appointed by the Board of Directors, as an Additional Director pursuant to Section 161 of the Act and the Articles 90(1) (2) of the Articles of Association of the Company, w.e.f. 05th September, 2024 till the date of this Annual General Meeting and being eligible, offers himself for appointment and in respect of whom the Company has received a notice in writing under Section 160 of the Act, from a Member proposing his candidature for the office of Director, be and is hereby appointed as a Director of the Company in the category of a Non-Executive & Independent Director of the Company.”

RESOLVED FURTHER THAT pursuant to the provisions of Sections 149, 150 and any other applicable provisions of the Companies Act, 2013 (“Act”) and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force) read with Schedule IV to the Act and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Dr. Kishanrao Marutirao Godbole, Independent Non-Executive Director of the Company who has submitted a declaration that he meets the criteria for independence as provided in Section 149(6) of the Act and who is eligible for appointment, be and is hereby appointed as an Independent Non-Executive Director of the Company to hold office for a first term of five consecutive years w.e.f. 05th September, 2024, and he shall not be liable to retire by rotation hereinafter in accordance with the provisions of the Companies Act, 2013.”

Item No. 7 – Ratification of the remuneration to be paid to Mr. Satish shah, Cost Accountant, for the FY 2024-25.

To consider and if thought fit, to pass the following resolution as an Ordinary Resolution:

“**RESOLVED THAT** pursuant to Section 148 of the Companies Act, 2013 and all other applicable provisions of the Companies Act, 2013 if any, including any statutory modification(s) or re-enactment thereof, for the time being in force and the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to Mr. Satish shah, Cost Accountant, the Cost Auditor of the Company, to audit the cost records maintained by the Company for the Financial Year 2024-25, amounting to Rs. 90000/- (Rupees Ninety thousand only) plus taxes as applicable and reimbursement of actual travel and out of pocket expenses be and is hereby ratified and confirmed.”

By Order of the Board of Directors
For Tarmat Limited

Place: Mumbai

NOTES:-

1. In accordance with the provisions of the Act, read with the Rules made thereunder and General Circular No. 09/2023 dated 25th September 2023, other Circulars issued by the Ministry of Corporate Affairs ("MCA") from time to time, and Master Circular No. SEBI/ HO/CFD/PoD2/CIR/P/2023/120 dated 11th July 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/ CIR/2023/167 dated 7th October 2023 issued by SEBI ("the Circulars"), companies are allowed to hold AGM through video conference/other audio visual means ("VC/OAVM") upto 30th September, 2024, without the physical presence of members at a common venue. Accordingly, the AGM of the Company is being held through VC/OAVM, and video recording and transcript of the same shall be made available on the website of the Company. Bigshare Services Limited will be providing facility for voting through remote e-Voting, for participation in the AGM through VC/OAVM and e-Voting during the AGM, a detailed process in which the members can attend the AGM through VC/OAVM has been enumerated in Note number 19 of this Notice. The deemed venue for the meeting shall be registered office of the company at General A. K. Vaidya Marg, near Wagheshwari Mandir, off. Film City Road, Malad (e), Mumbai 400 097.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.
3. The facility for joining AGM through VC/OVAM will be available for up to 1,000 Members and members may join on first come first serve basis. However, the above restriction shall not be applicable to members holding more than 2% or more shareholding, Promoters, Institutional Investors, Directors, Key Managerial Personnel(s), the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, Scrutinizers etc. Members can login and join 15 (fifteen) minutes prior to the schedule time of meeting and window for joining shall be kept open till the expiry of 15 (fifteen) minutes after the schedule time.
4. The aforesaid MCA General Circular dated May 5, 2022 read with MCA General Circulars dated May 5, 2020 and April 13, 2020 and SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 have granted relaxations to the companies, with respect to printing and dispatching physical copies of the Annual Reports and Notices to its members. Accordingly, the Company will only be sending soft copy of the Annual Report 2023-24 and Notice convening 39th AGM via e-mail, to the members whose e-mail ids are registered with the Company or the Registrar and Share Transfer Agent or Depository Participant/Depository as on the cut-off date i.e. Friday, August 23, 2024.
5. In terms of Section 152 of the Act, Mr. Jerry Varghese (DIN: 00012905) – Non-Executive Director and Mr. Dilip Varghese (DIN: 01424196)- Managing Director, of the Company, retires by rotation at the AGM and being eligible, offers themselves for re-appointment. Details as required in sub-regulation (3) of Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) and Secretarial Standards on General Meetings (SS-2) in respect of the Director seeking re-appointment at the AGM, forms integral part of the Notice.
6. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. The Company has appointed Bigshare Services Private Ltd. to provide VC/OVAM facility for the AGM of the Company.
8. The explanatory statement pursuant to Section 102(1) of the Act, which sets out details relating to Special Businesses at the meeting, is annexed hereto.
9. Institutional/Corporate members are encouraged to attend and vote at the meeting through VC/OVAM. We also request them to send, a duly certified copy of the Board Resolution authorizing their representative to attend the AGM through VC/OAVM and vote through remote e-voting on its behalf at tarmatcs@gmail.com, pursuant to Section 113 of the Companies Act, 2013.
10. In case of Joint Holders attending the AGM, only such Joint Holder whose names appear first in the order of names will be entitled to vote.

11. Only bona fide members of the Company, whose name appear first on the Register of Members, will be permitted to attend the meeting through VC/OAVM. The Company reserves its right to take all necessary steps as may be deemed necessary to restrict nonmembers from attending the meeting.
12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Accordingly, members holding shares in electronic form are requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form should submit their PAN to the Company. Members may please note that SEBI has also made it mandatory for submission of PAN in the following cases, viz. (i) Deletion of name of the deceased shareholder(s) (ii) Transmission of shares to the legal heir(s) and (iii) Transposition of shares.
13. Pursuant to Section 101 and Section 136 of the Act, read with relevant Companies (Management and Administration Rules), 2014, and Regulation 36 of SEBI (Listing Obligation Disclosures Requirement) Regulation, 2015 ("SEBI Listing Regulations"), companies can serve Annual Report and other communications through electronic mode to those Members who have registered their email ID either with the Company or with the Depository Participants. Hence, Members who have not registered their mail IDs so far with their depository participants are requested to register their email ID for receiving all the communications including Annual Report, Notices etc., in electronic mode. In compliance with the aforesaid MCA circulars and SEBI circulars, Notice of the AGM along with the Annual Report 2023-24 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories/ RTA. Members may note that the Notice and Annual Report 2023-24 will also be available on the Company's website www.tarmatlimited.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of Bigshare Services Pvt. Ltd., agency for providing the Remote e-Voting facility and e-voting system during AGM i.e. www.bigshareonline.com
14. Members seeking any further information about the accounts are requested to send their queries to the Company to collect the relevant information.
15. Members are requested to notify immediately any change in their address /bank mandate to their respective Depository Participants (DP s) in respect of their electronic shares account and to the Registrar and Share Transfer Agent of the Company at Big share services private Limited S6-2, 6th floor Pinnacle Business Park, Next to Ahura Centre, Mahakali Caves Road, Andheri (East) Mumbai – 400093., Maharashtra.
16. The Register of Members and the Share Transfer Book of the Company will remain closed from Monday, 23.09.2024 to Monday, 30.09.2024 (both days inclusive).
17. The voting right of all shareholders shall be in proportion to their share in the paid-up equity share capital of the company as on the cut-off date i.e. Tuesday, 24th September, 2024.
18. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM For this purpose, the Company has entered into an agreement with Bigshare Services Pvt. Ltd. for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by Bigshare Services Pvt. Ltd.

19. THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The remote e-voting period begins on Thursday, 26th September, 2024 at 9:00 a.m. and ends on Sunday, 29th September, 2024 at 5:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday, 24th September, 2024 may cast their vote electronically. The remote e-voting module shall be disabled by Bigshare for voting thereafter.
- (ii) Shareholders who have already voted prior to the AGM date through remote e-voting would not be entitled to vote at the time of AGM.

- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulation, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed companies in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by listed companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to aforesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method

ANNEXURE TO THE NOTICE
Explanatory Statement
[Pursuant to Section 102(1) of the Companies Act, 2013]

THE EXPLANATORY STATEMENT SETTING OUT THE MATERIAL FACTS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013, RELATING TO SPECIAL BUSINESS TO BE TRANSACTED AT THE MEETING IS ANNEXED

Item No. 4. Payment of Remuneration to Mr. Jerry Varghese (DIN: 00012905) – Non-Executive Director of the Company.

The Board of Directors at the recommendation of the Nomination & Remuneration Committee at their respective meeting held on May 30, 2024 approved remuneration to Mr. Jerry Varghese as mentioned below w.e.f. June 01, 2024 computed in the manner stipulated in Section 198 of the Act as under:

Remuneration:

Basic Salary: Rs. 36.00 Lakh per annum (Rs. 03 Lakh per month), with effect from 01st June, 2024.

The Board of Directors recommends the resolution set out in Item No. 4 of the notice for approval of the Members. None of the Directors, Key Managerial Personnel of the Company and their relatives, except Mr. Jerry Varghese and Mr. Dilip Varghese are in any way concerned or interested in this resolution.

The Board recommends the Special resolution set forth in Item No. 4 for the approval of the Members.

Item No. 5. To approve continuation of Directorship of Mr. Jerry Varghese (DIN: 00012905) as Non- Executive Director beyond the age of 75 years in his current tenure.

Mr. Jerry Varghese, Non-Executive Non-Independent Director, was appointed on the Board of the Company on August 04, 2023 in terms of Companies Act, 2013. Mr. Jerry Varghese, being relative of Mr. Dilip Varghese, belongs to promoter group of the Company. The Securities and Exchange Board of India (SEBI) has amended the SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015 vide circular dated May 9, 2018, which requires continuance of any Non-Executive Director who has attained the age of 75 years after seeking the prior approval of shareholders by way of a Special Resolution. Mr. Jerry Varghese shall attain the age of 75 years on May 07, 2025, hence approval by way of Special Resolution is placed before the shareholders in order to comply with the aforesaid circular.

Apart from being a Director on the Board, Mr. Jerry Varghese is also member of Nomination and Remuneration Committee, Stake Holders Relationship Committee and Corporate Social Responsibility Committee and has been effectively performing his duties and providing valuable guidance to the Company in key strategic matters from time to time. The Board is of the opinion that Mr. Jerry Varghese's rich and diverse experience is a valuable asset to the Company which adds value and enriched point of view during Board discussions and decision making. He is also a person of integrity who possesses required expertise and his association as Non-Executive Non-Independent Director will be beneficial to the Company.

None of the Directors, Key Managerial Personnel of the Company and their relatives other than Mr. Jerry Varghese and Mr. Dilip Varghese, who is related to Mr. Jerry Varghese, is in any way concerned or interested financially or otherwise, in the said resolution.

The Board recommends the special resolution as set out at Item No. 5 of the Notice for approval by the shareholders.

Item No. 6. Appointment of Dr. Kishanrao Marutirao Godbole (DIN: 10769888) as a Director in the category of Non – Executive Independent Director.

The Board of Directors on the recommendation of the Nomination & Remuneration Committee appointed Dr. Kishanrao Marutirao Godbole, aged 60 years as an Additional Director of the Company w.e.f. 05th September, 2024, in the category of a Non-Executive & Independent Director. Pursuant to the provisions of Section 161(1) of the Act and Article 90(1) (2) of the Articles of Association of the Company, and is eligible to be appointed as Non-Executive & Independent Director. Dr. Kishanrao Marutirao Godbole holds a degree of Ph. D.(Tech), M. Tech (Marine Structure), B.E. (Civil), Diploma in Total Quality Management and LL.M. After considering his background and experience, the Board considers that it would be beneficial and desirable in the interest of the Company, to avail's Dr. Kishanrao Marutirao Godbole services as an Independent Director. Accordingly, it is proposed to appoint Dr. Kishanrao Marutirao Godbole as an Independent Director on the Board of the Company for a first term of 5 (five) consecutive years w.e.f. 05th September, 2024, not liable to retire by rotation.

He is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director. The Company has also received declaration from him stating that he meets the criteria of independence as prescribed under Section 149(6) of the Act and under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Additional details of Dr. Kishanrao Marutirao Godbole have been given in the Annexure to this Notice. Copy of the draft letter of appointment proposed to be issued to Dr. Kishnarao Marutirao Godbole setting out the terms and conditions of his appointment is available for inspection by the Members at the registered office of the Company during the office hours on all the working days except Saturdays, Sundays and public holidays upto the date of the Annual General Meeting. Dr. Kishnarao Marutirao Godbole is interested in the resolution as set out at Item No. 06. of the Notice with regard to his appointment. Relatives of Dr. Kishnarao Marutirao Godbole may be deemed to be interested in the resolution to the extent of their shareholding interest, if any, in the Company. Save and except the above, none of the other Directors/ Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution. This statement may also be regarded as an appropriate disclosure under the Act and the Listing Regulations. The Board of Directors recommends the Special Resolution set out at Item No. 6 of the accompanying Notice for approval of the Members.

Item No. 7 : Ratification of the remuneration to be paid to Mr. Satish Shah, Cost Accountant, for the FY 2024-25.

The Company is required under Section 148 of the Act read with the Companies (Cost Records and Audit) Rules, 2014, as amended from time to time ("Cost Audit Rules"), to have the audit of its cost records for products covered under the Cost Audit Rules conducted by a Cost Accountant in Practice. The Board of Directors of the Company has on the recommendation of the Audit Committee, approved the appointment and remuneration of to Mr. Satish Shah, Cost Accountants as the Cost Auditor for Financial Year 2024-25.

In accordance with the provisions of Section 148(3) of the Act read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors has to be ratified by the Members of the Company. Accordingly, the consent of the Members is sought for passing an Ordinary Resolution as set out at Item No. 7 of the Notice for ratification of the remuneration payable to the Cost Auditors for the Financial Year ending March 31, 2025.

None of the Director(s) and Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No.7 of the Notice.

The Board recommends the Resolution as set out at Item No. 7 of the Notice for approval by the members.

Management Discussion and Analysis Report

1. Industry Structure and Development and Outlook

India will be us dollar 4 trillion Economy in 2025 and surpasses Japan by early next fiscal to become the Worlds fourth largest economy. As per experts Indian economy poised for 7% growth in fiscal year 2024-25.

India's GDP took a big leap on leap day in 2024. The country' remarkable growth rate of 8.4% in third qtr. of the fiscal 2024 surpassed all expectation as market analyst pencilled slower growth this quarter between 6.6% to 7.2%.

2. Opportunities and Threats

Tarmat has been the pioneers in airport runway works and air side works.

India has achieved significant milestone in infrastructure development. Atal Tunnel and Chenab bridge are examples.

India's journey towards becoming a developed nation by 2047 hinges significantly on improving its infrastructure.

The Govt commitment is evident through its allocation of 3.3% of GDP to the infrastructure sector in the fiscal year 2024 with particular focus on transport and logistics segment.

The Govt has set an ambitious target for transport sector including development of 2 lacs km national high.

Tarmat secured new projects in Tuticorin and there are on going projects in Mumbai and Jammu. The company has a submitted tender for at least 2 projects valuing about 350 crores.

However project implementation is not without threats. Land acquisition, project credibility, fund availability and high fund cost, lack of technology, human resources, digital divide, cyber concern are some of factors, which may affect the speed of project implementation.

3. Internal Control

The Company has a proper and adequate system of internal controls covering all operational and financial functions commensurate with the size of the company. The company's internal control is designed in such a way that it ensures corporate strategy is implemented, achieve effective and efficient corporate processes, safeguard the value of corporate assets, reliability and integrity of accounting and management data, and operations comply with all existing rules and regulations. All the financial and audit control systems are also reviewed by the Audit Committee of the board of Directors of the company.

4. Operations

The Company's operations are continued in the areas of implementing projects in areas such as airport, roads, bridges, etc. In all the areas, the company continued its focus on cost reduction and cost control at all levels.

5. Human Resources and Industrial Relations

The company understands the value of acquiring the highly intellectual human capital which the company believes is a crucial asset of the company. For this purpose, company follows the strategy "to attract, to retain and to motivate" the personnel through providing the framework for helping employees develop their personal and organizational skills, knowledge, and abilities. We have focused on to build positive attitude in the employees while working with Tarmat Limited. Tarmat Limited follows the principle-"good performance should be appreciated by good rewarding."

6. Risk and Concerns

Each sector has its own risk and concerns. Infrastructure projects are no exception to that. Common risks in the sector are land acquisition risk operating risk, project delays risk, completion risk, demand risk, cost overrun risk, unviable finance risk

During the year, the Board has reviewed the risk and the process that have already been identified for the business and necessary action for mitigation has been initiated.

Risks impacting the Company's overall governance are given below:

Liquidity risk, Interest rate risk, Credit risk, Commodity price risk, foreign currency fluctuation risk, Market risk, Salary risk, Interest risk, Investment risk, Health, Safety And Environment Risks, Political, Legal And Regulatory Risks, Fraud and Cyber Security, Other Operational Risks, Counter Party Risks and Working capital challenges.

7. Details of significant changes in key financial ratios.

In accordance with the amended SEBI(Listing Obligation and Disclosure Requirements) Regulations,2015,the Company is required to give details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations thereof: The Company has identified following ratios as key financial ratios:

Particulars	F.Y.2023-24	F.Y.2022-23	% Change	Reason for change of 25% or more as compared to the immediately previous financial year
Debtors Turnover	4.90	6.66	-26.43	The variation is on account of reduction in Turnover from Rs 14366.41 to 8935.34 Lakhs in FY 2023-24.
Inventory Turnover	2.07	3.05	-32.13	The variation is on account of reduction in Turnover from Rs 14366.41 to 8935.34 Lakhs in FY 2023-24.
Interest Coverage Ratio	4.32	22.93	-81.16	The Variation is on account of increase in Interest cost in FY 2023-24 as compared to FY 2022-23 due to increase in short term borrowings and reduction in Earning before Interest, tax and depreciation
Current Ratio	2.88	2.47	16.60	-
Debt Equity Ratio	0.38	0.48	-20.83	-
Operating Profit Margin (%)	6.10	4.94	23.48	-
Net Profit Margin	-1.27	5.16	-124.61	The variation is on account of reduction in Turnover from Rs 14366.41 to 8935.34 Lakhs in FY 2023-24 and consequent reduction in profitability as compared to FY 2022-23. Further the variation is also on account of Exceptional Income of Rs 251.86 in FY 2022-23 as compared to Exceptional Expenses of Rs 261.37 in FY2023-24
Return on Net Worth	-0.87	5.67	-115.34	The variation is on account of reduction in Turnover from Rs 14366.41 to 8935.34 Lakhs in FY 2023-24 and consequent reduction in profitability as compared to FY 2022-23. Further the variation is also on account of Exceptional Income of Rs 251.86 in FY 2022-23 as compared to Exceptional Expenses of Rs 261.37 in FY 2023-24

REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended 31st March, 2024 in terms of Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (The "Listing Regulations")

1. Company's Philosophy on Corporate Governance:

Corporate governance represents the value framework, the ethical framework and the moral framework under which business decisions are taken. Corporate governance therefore calls for three factors:

- Transparency in decision-making
- Accountability which follows from transparency because responsibilities could be fixed easily for actions taken or not taken, and
- The accountability is for the safeguarding the interests of the stakeholders and the investors in the organisation.

Effective corporate governance depends upon the commitment of the people in the organisation. Your company has a strong legacy for fair, transparent and ethical governance policies. The company has adopted a code of conduct for members of Board of Directors and senior management who have affirmed in writing their adherence to the code.

2. Board of Directors:

(A) Composition and size of the Board

The Board of Directors of the Company consists of eminent persons with considerable professional expertise and experience in business, finance, human resources and management. The composition of the Board of Directors with reference to number of Executive and Non-Executive Directors, complies with the requirements of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. As on March 31, 2024, the Company's Board consists of Six Directors, out of which one is Non-Executive Chairman Director, One Executive Managing Director, One Executive Director and three are Independent Directors. None of the Directors on the Board is a member of more than ten Committees and Chairman of more than five Committees as specified in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 across all companies in which they are Directors. The Board does not have any Nominee Director representing any institution.

SECRETARIAL AUDIT REPORT

Form No. MR-3

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2024

[Pursuant to section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members
TARMAT LIMITED
P B No 9042
Goregaon East
Mumbai – 400 063

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by TARMAT LIMITED having CIN: L45203MH1986PLC038535 (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2024 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined through digital mode the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March, 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; and
 - (d) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.

As per the representations made by the management and relied upon by me, during the period under review, provisions of the following regulations were not applicable to the Company:

- (i) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (ii) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;

- (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
- (d) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018; and
- (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulation; 2013.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards 1 & 2 issued by the Institute of Company Secretaries of India under the Companies Act, 2013, however the same needs to be strengthen.
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above except following:

- (i) The Company has not transferred Equity shares to Investor Education Protection Fund in pursuance to provisions of Section 124(6) of the Companies Act, 2013 and the Investor Education and Protection Fund Authority (Accounting, Auditing, Transfer and Refund) Rules, 2016.
- (ii) Regulation 31 (2) of SEBI (Listing obligations and Disclosure Requirements) Regulation, 2015 – Non-compliance related to 100% Promoter shareholding in Demat i.e. 120 Equity shares of promoters are not in Demat form.
- (iii) Regulation 3(5) & 3(6) SEBI (Prohibition of Insider Trading) Regulations, 2015 – The Company is maintaining SDD in excel file where time stamp, audit trail and authentication is not available.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non – Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is generally given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through and as informed, there were no dissenting members' views and hence not recorded as part of the minutes.

I further report that as per the representations made by the management and relied upon by me there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure proper compliance with applicable laws, rules, regulations and guidelines, however the same may be further strengthened.

As per the representations made by the management and relied upon by me, I further report that, during the audit period, there were no other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc., having a major bearing on the Company's affairs, except following:

1. The Board of Directors at their meeting held on 24.02.2024 approved following subject to approval of the Members:
 - (a) to raise funds by issuance of maximum of 10513153 convertible warrants ("Warrants") each carrying a right exercisable by the warrants holder(s) to subscribe to one (1) equity share against each warrant at a price of Rs. 95/- per warrant to the entities belonging to Promoter Group and Non-Promoter, on a preferential basis.
 - (b) Increase in Authorized Share Capital from Rs. 22 Crores to Rs. 32.50 Crores

- (c) To carry out additional business, which are permitted under the objects incidental of ancillary to the attainment of main objects clause of Memorandum of Association of the Company related to Purchase and sale of Bitumen and Purchase of Bitumen, processing it and selling the modified products made from Bitumen.
 - (d) To hold Extra Ordinary General Meeting (EGM) of the Company on 22.03.2024.
2. The Members of the Company at the EGM held on 22.03.2024 unanimously approved
- (a) Increase in Authorized Share Capital from Rs. 22 Crores to Rs. 32.50 Crores
 - (b) to raise funds by issuance of maximum of 10513153 convertible warrants ("Warrants") each carrying a right exercisable by the warrants holder(s) to subscribe to one (1) equity share against each warrant at a price of Rs. 95/- per warrant to the entities belonging to Promoter Group and Non-Promoter, on a preferential basis.

This report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report.

To
The Members
TARMAT LIMITED
P B No 9042
Goregaon East
Mumbai – 400 063

My report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and books of Accounts of the company.
4. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate, Specific and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

CERTIFICATE ON CORPORATE GOVERNANCE

To

The Members of **Tarmat Limited**

I have examined the compliance of conditions of Corporate Governance by Tarmat Limited for the year ended 31st March 2024, as stipulated in the Regulation 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and paragraph C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to procedures and implementation thereof adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanation given to me and based on the representations made by the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Regulation 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and paragraph C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
TARMAT LIMITED

Report on the Standalone Financial Statements**Opinion**

We have audited the accompanying standalone financial statements of Tarmat Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss Statement (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as Standalone Financial Statements")

In our opinion and to the best of our information and according to the explanation given to us, the aforesaid standalone Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its Loss, total Comprehensive Income, its Cash Flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

As described in Note no 4 of the financial statement, due to non- availability of the financial information of the Joint Venture, the company is unable to determine the fair value of the Company's investment in Backbone-Tarmat-Al Fara'a (JC) as at 31st March 2024. In absence of sufficient and appropriate evidence, we are unable to comment on the carrying value of above investment amounting to Rs 783.02 Lakhs and the consequent thereof.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises management discussion and analysis and board's report (Does not include the standalone financial statement and our auditors report on thereon) Which we obtained prior to the date of this auditors report and additional information excluding those refer above that could be included in the integrated report (tiled as Tarmat Limited integrated report and annual account 2023-24), which is expected to be made available to us after the date of our report, Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the additional information, as mentioned above, that would be included in the integrated Report, If we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions as applicable under the relevant laws and regulations.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Act, (“the Act”) with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance changes in equity and cash flow of the company in accounting principals generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detection frauds and other irregularities selection and application of appropriate accounting policies making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters are related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanation given to us, we give in the "Annexure 1" a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet and the Statement of Profit and Loss (including other comprehensive loss) and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - d) In our opinion, the aforesaid standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure 2.; and
 - g) In our opinion, the managerial remuneration for the year ended 31st March 2024 has been paid/ provided by the company to its Directors in accordance with the provision of Section 197 read with Schedule V to the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company has disclosed the impact of pending litigation on its financial position in its standalone financial statements Refer Notes 28 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in note 33 (vii) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise that the

intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company: or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

- b) The Management has represented that, to the best of its knowledge and belief, as disclosed in 33 (viii) to the standalone financial statements, no funds that have been received by the Company from any persons or entities including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise that the Company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, noting has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) contain any material misstatement.
- v. The Company has not paid or declared any dividend during the current year.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in accounting software, During the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with.

TARMAT LIMITED

“ANNEXURE-1” TO THE INDEPENDENT AUDITOR’S REPORT

Referred to paragraph 1 under ‘Report on Legal and Regulatory Requirements section of our report of even date to the members of Tarmat Limited on the financial statements for the year ended 31st March 2024

- (i) (a) (A) The Company has maintained proper records showing full particulars, Including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of Intangible assets.
- (b) The Company has a regular program of physical verification of fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this program, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this frequency of physical verification is reasonable having regard to the size of the company and nature of business.
- (c) The Title deeds of immovable properties (other than properties where the Company is the Lessee and the lease agreements are duly executed in favour of the lease) included in Property are held in the name of the Company.
- (d) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, the company has not revalued its Property, Plant and Equipment during the year. Therefore, the provisions of Clause (i)(d) of paragraph 3 of the order are not applicable to the company.
- (e) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Therefore, the provisions of Clause (i)(e) of paragraph 3 of the order are not applicable to the company
- (ii) a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions increase of Rs 5 Crores and hence reporting under clause (ii)(b) of the Order is not applicable
- (iii) According to the information’s and explanation’s given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnership or any other parties during the year.. The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. Hence para 3 (iii) of the order is not applicable to the company.
- (iv) According to the information and explanation given to us and on the basis of our examination of the records of the company, the Company has not given any loans or provided any guarantee or security as specified under Section 185 of the Companies Act 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act 2013. Further the Company has complied with the provisions of Section 185 and 186 of the Companies Act 2013, with respect to the loans and investments made.
- (v) The company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly clause (v) of the order is not applicable.
- (vi) Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products and services. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not however, made a detailed examination of the records with a view to determine whether they are accurate or compete.

- (vii) In our opinion and according to the information and explanation given to us, barring the delay & the non payment of the following undisputed statutory liability, the company is regular in depositing undisputed statutory dues including Sales Tax, Cess and other material statutory dues, if any applicable to it with appropriate authorities.

Name of the Statute	Nature of Dues	Amount (Rs)	Period to which the amount relates	Due Date	Date of Payment	Remarks if any
Goods & Service Tax	GST Payable	1460196/-	2023-24	20.04.2024	24.04.2024	
	Provident Fund	6,698/-	2021-22	15.04.2022	Unpaid	
		33750/-	2023-24	15.04.2024	05.04.2024	
	ESIC	6697/-	2023-24	15.04.2024	05.04.2024	
		4764/-	2023-24	15.04.2024	11.05.2024	
	Profession Tax	97,675/-	2015-16	20-04-2016	Unpaid	
		95,500/-	2014-15	20-04-2015	Unpaid	
		69,175/-	2013-14	20-03-2014	Unpaid	
		1,65,325/-	2012-13	20-03-2013	Unpaid	
		96,950/-	2011-12	20-03-2012	Unpaid	
		21175/-	2023-24	15.04.2024	05.04.2024	
		27350/-	2023-24	15.04.2024	Unpaid	
	TDS	89248/-	2023-24	31.05.2024	Unpaid	
		17964/-	2023-24	31.05.2024	Unpaid	

- (b) According to the information and explanation given to us, there are no dues of Income tax, Sales Tax, Service Tax, Custom duty, Excise duty and Cess which have not been deposited on account of dispute except in the following:

Name of the Statute	Nature of the dues	Amount involved.	Period Pending Before
Maharashtra VAT	Assessment	2,65,11,442/-	01.04.08 To 31.03.09 DC Appeal V

The above case is under appeal.

- (viii) According to the information and explanation given to us and on the basis of our examination of the records of the company, the Company has not surrendered or disclosed any transaction previously unrecorded as income in the books of account, in the tax assessments during the Income Tax Act, 1961 as income during the year.

- (ix) In respect of loans

- To the best of our knowledge and according to the information and explanations given to us, the Company has not defaulted in repayment of Loans or other borrowings or in the payment of interest thereon to any lender.
- According to the information and explanation given to us and on basis of our examination of the records of the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.
- In our opinion, the term loans have been applied, on an overall basis, for the purposes for which they were obtained.
- According to the information and explanation given to us and the procedures performed by us, and on an overall examination of the standalone financial statement of the Company, we report that no funds raised on short- term basis have been utilized for long-term purposes by the Company.

- e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its Joint Ventures.
- f) According to information and explanation given to us, the Company has not raised loans during the year on the pledge of securities held in Joint Ventures.
- (x) In respect of money raised
 - a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly clause 3 (x) (a) of the order is not applicable.
 - b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3 (x)(b) of the Order is not applicable to the Company.
- (xi) a) Based on examination of the books and records of the Company and according to the information and explanation given to us, considering the principles of materiality outlined in Standard on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of audit.
 - b) According to the information and explanation given to us, no report under sub-section (12) of Section 143 of the Companies Act 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government during the year and upto the date of this report.
 - c) According to the information and explanation given to us by the Management, there are no whistle blower complaints received by the company during the year.
- (xii) According to the information and explanation given to us, the Company is not a Nidhi Company as defined in section 406(1) of the Companies Act 2013. Therefore clause (xii) of para 3 of the order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Ind AS Financial Statements as required by the applicable accounting standards.
- (xiv) a) Based on information and explanation provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
 - b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the company has not entered into any non-cash transactions with directors or persons connected with him and provisions of section 192 of Companies Act, 2013 is not applicable to the Company.
- (xvi) a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly clause 3 (xvi) (a) of the Order is not applicable
 - b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3 (xvi)(b) of the Order is not applicable to the Company.
 - c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly clause 3 (xvi) (c) of the Order is not applicable
 - d) According to the information and explanation provided to us during the course of audit, the Group does not have any CIC. Accordingly clause 3 (xvi) (d) of the Order is not applicable.
- (xvii) The Company has not incurred cash Losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly clause 3 (xviii) of the Order is not applicable.
- (xix) According to the information and explanation given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exist as on the date of the audit report that the Company

is not capable of meeting its liabilities existing at the date of balance sheet as and when that fall due within a period of one year from the balance sheet date. We however state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based in the facts upto the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance sheet date will get discharged by the Company as and when they fall due.

- (xx) In our opinion and according to the information and explanation given to us there is no unspent amount under sub-section (5) of Section 135 of the Companies Act 2013 pursuant to any project. Accordingly clauses 3 (xx) (a) and 3(xx) (b) of the order are not applicable.
- (xxi) The reporting under clause 3 (xxi) of the order is not applicable in respect of audit of standalone financial statements. Accordingly no comments in respect of the said clause has been included in this report.

TARMAT LIMITED

Annexure “2” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of Tarmat Limited of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Tarmat Limited (“the Company”) as at March 31, 2024, in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system with reference to standalone financial statements.

Meaning of internal financial controls over financial reporting

A company’s internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to standalone financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management or override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2024, based on the criteria for internal financial controls with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Company Secretary / CFO

Place: Mumbai

Date: 30.05.2024

1. Corporate Information :

Tarmat limited was established in year 1986 Mr. Jerry Varghese. The company is specialized in Construction of Airfield and National / state highways all over india. The Company is currently executing various Runway, Parking Bays, Taxi Track related work at Mumbai, Cochin, Trichy and Tuticorn Airport, and it is also executing National Highway work at Mizoram and Jammu.

Tarmat have completed the prestigious works of Resurfacing of Runways at Mumbai International Airport Limited and Delhi International Airport

The Company had its IPO in 2007 and got listed in BSE and NSE. The present paid up capital of the company is Rs 21314248, of which 33.25 is held by the promoters.

2. Basis of Preparation

The Financial Statement of the company have been prepared in accordance with indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III of the Companies Act,2013 (IND As complaint Schedule III) as applicable to the Financial Statement. These financial statement have been approved for issue by the Board of Directors at their meeting held on May 30, 2024

These Standalone Financial Statement have been prepared on as historical cost basis, except for certain assets and liabilities which have been measured at fair values (refere accounting policy regarding financial instruments). The Standalone Financial Statement are presented in INR and all value are rounded off to the nearest lakhs with 2 decimal places except which otherwise indicated.

The company has prepared the financial statements on the basis that it will continue to operate as as going concern.

The standalone financial statement provide comparative information in respect of the previous period. Accounting polices have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Current and Non - Current Classification

The company presents assets and liabilities in the balance sheet based on current/non current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operation cycle.
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the report period, or
- Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period.

All othe assets are classified as non - current

A liability is current when :

- It is expected to be settled in normal operating Cylce.
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporing period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The company classifies all other liabilities as non current.

Deferred tax assets and liabilities are classified as non current assets and liabilities.

The operating cycle is the time between the acquisiton of assets for processing and their realisation in cash and cash equivalents.

The company has identified twelve month as its operating cycle.

Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereof issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment.

3.2 Fair Value Measurement

The company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the assets or liability.

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of non financial asset takes into account a market participant's ability to generate economics benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in tis highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of revevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Standalone Financial Statement are categorised within the fair value hierarchy,described as follow, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Standalone Financial Statements on recurring basis, the Company determines whether tranfers have occureed between levles in the hierarchy by re-assessing categorisation (based on the Lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risk of the assets or liability and the level of the fair value hierarchy as explained above.

The Company determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for sale in discontinued operations. If any.

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities such as contingent consideration. Involment of external valuers is decided upon annually by the management after discussion with and approval by the Company's Audit Committee. Selection criteria include market knowledger, reputation, independence and whether professional standards are maintained.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be remeasured or re assesed as per the Companies accounting policies. For

this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation on contracts and other relevant documents.

3.3 Property, Plant and Equipment

Property, plant and equipment (PPE) are carried at cost of acquisition, on current cost basis less accumulated depreciation and accumulated impairment losses, if any. Cost comprises purchase price and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Machinery spares which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of principal item of the relevant assets. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance cost are recognised in Statement of Profit & Loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation is provided on written down value method over the useful lives of property, plant and equipment as estimated by management. Pursuant to Notification of Schedule II of the Companies Act, 2013 depreciation is provided on a prorata basis on written down value method at the rates determined based on estimated useful lives of property, plant and equipment where applicable. Prescribed under Schedule II to the Companies Act 2013.

No depreciation is provided on freehold land.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of profit and loss when the asset is derecognised.

Capital Work in Progress

Cost of assets not ready for intended use, as the balance sheet date, is shown as capital work in progress. Capital Work in Progress is stated at cost, net of accumulated impairment loss, if any

3.4 Intangible Assets

Intangible Assets are recognized only when future economic benefits arising out of the assets flow to enterprise and are amortised over their useful life ranging from 3 to 5 year. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalised development cost, are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset

An intangible asset is derecognised upon disposal (i.e. at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and recognised in the Statement of Profit and Loss when the asset is derecognised

3.5 Revenue Recognition

Revenue from Contracts:

- (i) Income from construction contracts is recognized on the basis of work certified in accordance with percentage completion method. All other income and expenditure are recognized and accounted for on an accrual basis. Losses on contracts are fully accounted for as and when incurred.
- (ii) Hire Charges is accounted for as per terms of the lease agreement.
Dividend Income
- (iii) Dividend Income is accounted for when the right to receive has been established.
Interest Income
- (iv) Interest income on deposits is recognized on accrual basis

3.6 Inventories -

The stock of stores, spares and embedded goods and fuel is valued at cost (weighted average basis), or net realizable value whichever is lower. Cost includes cost of purchase and costs incurred in bringing the inventories to their present location and conditions. Cost is determined on weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Work in Progress is valued at the contract rates and site mobilization expenditure of incomplete contracts is stated at cost. All the inventories of stores, spares and embedded goods and fuel and work in progress have been physically verified by the Management at the year end.

3.7 Investment -

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as Long Term Investments. Current Investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long Term Investments are measured at Cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investment.

3.8 Borrowing Costs -

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use (known as Qualifying assets) or sale are capitalised as part of the cost of the asset. Borrowing Costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the borrowing costs. Discount on Commercial papers is amortised over the tenor of the underlying instrument. Borrowing Costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date the asset is ready for its intended use is added to the cost of the assets. Capitalisation of Borrowing Costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are expensed in the period they occur.

3.9 Taxes

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation

and establishes provisions where appropriate. The Company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution for the treatment.

Deferred Tax

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Standalone Financial Statements at the reporting date. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

In respect of taxable temporary differences associated with investments in subsidiaries and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

In assessing the recoverability of deferred tax assets, the Company relies on the same forecast assumptions used elsewhere in the financial statements and in other management reports, which, among other things, reflect the potential impact of climate-related development on the business, such as increased cost of production as a result of measures to reduce carbon emission.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in Other Comprehensive Income (OCI) or directly in equity. In this case, the tax is also recognised in OCI or directly in equity, respectively.

Goods and Service tax paid on acquisition of assets or on incurring expenses

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
 - When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet
- i. Provision for current tax is made after taking into consideration benefits admissible under the provision of the Income Tax Act, 1961.
 - ii. Current Tax is calculated in accordance with the tax laws applicable to the current financial year.

For Financial Year 2021-22 the company has exercised option to pay income tax under the provisions of Section 115BAA of the Income tax Act, 1961 and as such provisions for payment of Minimum Alternate tax (MAT) is not applicable to the company.

The company proposes to pay Tax under the Provisions of Section 115BAA of Income Tax Act 1961.

- iii. Advance tax and provision for current income, if any, are presented in the balance sheet after setting off advance tax paid and income tax provision arising in the same tax jurisdiction.

3.10 Foreign Exchange Transaction -

Items included in the Standalone Financial Statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The Standalone Financial Statements are presented in Indian Rupee (INR), which is the Company's functional and presentation currency.

Transactions in foreign currencies are initially recorded by the Company at the functional currency spot rates (i.e., INR) at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Foreign exchange gains and losses resulting from the settlement of transactions in foreign currencies and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Company initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Company determines the transaction date for each payment or receipt of advance consideration.

Employee Retirement Benefits -

3.11 Short-term Employee Benefits

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as 'Employee Benefits Payable' within 'Other Financial Liabilities' in the Balance Sheet.

Post-employment Benefits:

I. Defined Contribution Plan

a. Superannuation

Contribution made to Superannuation Fund for certain of employees are recognised in the Statement of Profit and Loss as and when services are rendered by employees. The Company has no liability for future Superannuation Fund benefits other than its contribution.

b. Provident Fund

Contributions in respect of Employees who are not covered by Company's Employees Provident Fund Trust are made to the Fund administered by the Regional Provident Fund Commissioner as per the provisions of Employees' Provident Fund and Miscellaneous Provisions Act, 1952 and are charged to Statement of Profit and Loss as and when services are rendered by employees. The Company has no obligation other than the contribution payable to the Regional Provident fund.

II. Defined Benefit Plan

a. Gratuity

Every employee who has completed five years or more of service is entitled to Gratuity as per the provisions of The Payment of Gratuity Act, 1972. Retirement Gratuity for employees, is funded through a scheme of Life Insurance Corporation of India. The costs of providing benefits under this plan are determined on the basis of actuarial valuation using the projected unit credit method at each year-end. Actuarial gains/losses are immediately recognised in retained earnings through Other Comprehensive Income in the period in which they occur. Re-measurements are not re-classified to Statement of Profit and Loss in subsequent periods. The excess/shortfall in the fair value of the plan assets over the present value of the obligation calculated as per actuarial methods as at balance sheet dates is recognised as a gain / loss in the Statement of Profit and Loss. Any asset arising out of this calculation is limited to the past service cost plus the present value of available refunds and reduction in future contributions.

b. Provident Fund

In respect of the employees covered by the Company's Employee Provident Fund Trust in Point I b above, contributions to the Company's Employees Provident Fund Trust (administered by the Company as per the provisions of Employees' Provident Fund and Miscellaneous Provisions Act, 1952) are made in accordance with the fund rules. The interest rate payable to the beneficiaries every year is being notified by the Government

In the case of contribution to the Trust, the Company has an obligation to make good the shortfall, if any, between the return from the investments of the Trust and the notified interest rate and recognizes such obligation, if any, determined based on an actuarial valuation as at the balance sheet date, as an expense.

3.12 Impairment of non- financial assets

The Company assesses at each reporting date whether there is an indication that an asset (including goodwill) may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

Intangible assets with indefinite useful lives are tested for impairment annually at the CGU level, as appropriate, and when circumstances indicate that the carrying value may be impaired.

The Company assesses where climate risks could have a significant impact, such as the introduction of emission-reduction legislation that may increase manufacturing costs. These risks in relation to climate-related matters are included as key assumptions where they materially impact the measure of recoverable amount. These assumptions have been included in the cash-flow forecasts in assessing value-in-use amounts.

The company assesses at each balance sheet date whether there is any indication that an assets may be impaired. If any such indication exists, the company estimates the recoverable amount of the assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the asset belong is less than its carrying amount, the carrying amount is reduced to its recoverable amount. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

3.13 Earning per share -

Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Basic EPS is computed using the weighted average number of equity shares outstanding during the year. Provision, Contingent Liabilities and contingent assets -

3.14 Leases -

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the present value of lease payments to be made over the lease term, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

- Leasehold Land and Building 2 years to 99 years

If ownership of the leased asset transfers to the company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section 3.12 Impairment of non financial assets

ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the company and payments of penalties for terminating the lease, if the lease term reflects the company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The Company's lease liabilities are included in Note

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of properties taken on rent (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It has not opted for low-value assets recognition exemption. Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

As a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

3.15 Provision and Contingencies

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

If the Company has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Company recognises any impairment loss that has occurred on assets dedicated to that contract.

An onerous contract is a contract under which the unavoidable costs (i.e., the costs that the Company cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the Standalone Financial Statements.

3.16 Cash and Cash Equivalents

Cash and cash equivalent for the purpose of presentation in cash flow statement and in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash, which are subject to an insignificant risk of changes in value

3.17 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A Financial Assets

1. Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

ii Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in below categories:

Debt instruments at amortised cost

Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial assets at fair value through profit & Loss.

Debt instruments at amortised cost other than derivative contracts

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in Other Income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Equity Investments

All equity investments in scope of Ind-AS 109 are measured at fair value other than equity investments measured at deemed cost on first time adoption of Ind AS. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or Fair Value Through Profit or Loss (FVTPL). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from

OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss

iii Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company's similar financial assets) is primarily derecognised when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred substantially all the risks and rewards of the asset

iv Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk.

Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive, discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- a. All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- b. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the Statement of Profit and Loss (SPL). This amount is reflected under the head 'other expenses' in the SPL. The balance sheet presentation for various financial instruments is described below:

Financial assets measured at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

B. Financial liabilities**i) Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowing or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts

ii) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include derivatives, financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ losses are not subsequently transferred to SPL. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss

3.18 Trade Payable

Trade payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

De-Recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Reclassification of Financial Assets and Liabilities:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Original Classification	Revised Classification	Accounting Treatment
Amortised Cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in profit & loss.
FVTPL	Amortised Cost	Fair value at reclassification date become its new gross carrying amount. EIR is calculated based on the new gross carrying amount
Amortised Cost	FVTOCI	Fair value is measured at reclassification date. Difference previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification
FVTOCI	Amortised Cost	Fair Value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjuated against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost
FVTOCI	FVTOCI	Fair Value at reclassification date becomes its new amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recongnized in OCI is reclassified from equity to profit or loss the calssification date.

Offsetting of financial instruments

Financial assets and financial liabilities are off-set and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

New and ameded standards

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2022 dated March 23, 2022, to amend the following Ind AS which are effective from April 01, 2022.

(a) Amendments to Ind AS 37: Onerous Contracts - Costs of Fulfilling a Contract

An onerous contract is a contract under which the unavoidable cost of meeting the obligations under the contract costs (i.e., the costs that the Company cannot avoid because it has the contract) exceed the economic benefits expected to be received under it.

The amendments specify that when assessing whether a contract is onerous or loss-making, an entity needs to include costs that relate directly to a contract to provide goods or services including both incremental costs (e.g., the costs of direct labour and materials) and an allocation of costs directly related to contract activities (e.g., depreciation of equipment used to fulfil the contract and costs of contract management and supervision). General and administrative costs do not relate directly to a contract and are excluded unless they are explicitly chargeable to the counterparty under the contract

The Company applied the amendments to the contracts for which it had not fulfilled all of its obligations at the beginning of the reporting period.

Prior to the application of the amendments, the Company had not identified any contracts as being onerous as the unavoidable costs under the contracts, which were the costs of fulfilling them, comprised only incremental costs directly related to the contracts. As a result of the amendments, the Company assessed whether certain other directly related costs are required to be included by the Company in determining the costs of fulfilling the contracts. These amendments had no impact on the Standalone financial statements of the Company as there were no onerous contracts within the scope of these amendments that arose during the period

(b) Reference to the Conceptual Framework – Amendments to Ind AS 103

The amendments replaced the reference to the ICAI's "Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards" with the reference to the "Conceptual Framework for Financial Reporting under Indian Accounting Standard" without significantly changing its requirements

The amendments also added an exception to the recognition principle of Ind AS 103 Business Combinations to avoid the issue of potential 'day 2' gains or losses arising for liabilities and contingent liabilities that would be within the scope of Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets or Appendix C, Levies, of Ind AS 37, if incurred separately. The exception requires entities to apply the criteria in Ind AS 37 or Appendix C, Levies, of Ind AS 37, respectively, instead of the Conceptual Framework, to determine whether a present obligation exists at the acquisition date.

The amendments also add a new paragraph to IFRS 3 to clarify that contingent assets do not qualify for recognition at the acquisition date.

In accordance with the transitional provisions, the Company applies the amendments prospectively, i.e., to business combinations occurring after the beginning of the annual reporting period in which it first applies the amendments (the date of initial application).

These amendments had no impact on the Standalone financial statements of the Company as there were no contingent assets, liabilities or contingent liabilities within the scope of these amendments that arose during the period

(c) Amendments to Ind AS 16: Property, Plant and Equipment: Proceeds before Intended Use

The amendments modified paragraph 17(e) of Ind AS 16 to clarify that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

The amendments are effective for annual reporting periods beginning on or after 1st April, 2022. These amendments had no impact on the standalone financial statements of the Company as there were no sales of such items produced by property, plant and equipment made available for use on or after the beginning of the earliest period presented.

(d) Ind AS 109 Financial Instruments – Fees in the '10 per cent' test for derecognition of financial liabilities

The amendment clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability. These fees include only those paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf.

These amendments had no material impact on the Standalone Financial Statements of the Company.

Note 11.2 : b) Terms / Rights attached to equity shares

The Company has only one class of equity shares having a par value of `10 each. Holder of each equity share is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
TARMAT LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of Tarmat Limited & its Joint Ventures (hereinafter referred to as "the Holding Company") and its joint ventures (The Company and its joint ventures together referred to as "the Group") which comprises the consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of financial statement of joint ventures, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, its Consolidated loss including other comprehensive Income, Consolidated Cash Flows and the Consolidated statement of changes in equity for the year ended on that date.

Basis for Qualified opinion

As described in Note no 4 of the consolidated financial statement, due to non- availability of the financial information of the Joint Venture, the company is unable to determine the fair value of the Company's investment in Backbone-Tarmat-Al Fara'a (JC) as at 31st March 2024. In absence of sufficient and appropriate evidence, we are unable to comment on the carrying value of above investment amounting to Rs 783.02 Lakhs and the consequent thereof.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of the India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information other than the Consolidated financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises management discussion and analysis and board's report (Does not include the consolidated financial statement and our auditors report on thereon) Which we obtained prior to the date of this auditors report and additional information excluding those refer above that could be included in the integrated report (tiled as Tarmat Limited integrated report and annual account 2023-24), which is expected to be made available to us after the date of our report, Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the additional information, as mentioned above, that would be included in the integrated Report, If we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions as applicable under the relevant laws and regulations.

Management's Responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Groups' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective board of directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, We are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

The accompanying Consolidated financial statements includes unaudited financial statement and other financial information of three Joint Ventures whose financial statements reflect total assets of Rs 68.38 as at March 31, 2024, total revenues Nil, Net Profit Nil and Net cash flows Nil for the year ended on that date, as considered in the consolidated financial statements. These unaudited financial statements have been prepared solely based on the information compiled by the management and approved by the Board of Directors but not subjected to audit or review. Our opinion, in so far as it relates to amounts and disclosures included in respect of these joint operations, is based solely on such unaudited financial statements made by the Holding Company's management.

Further Consolidated financial statements includes one joint ventures whose financial statements are not available with the managements. The total Asset of Rs 783.02 as at March 31, 2024, total revenues Nil, Net Profit Nil and Net cash flows Nil for the year ended on that date, as considered in the consolidated financial statements. In absence of financial statements we are unable to comment on the carrying value of the investment.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance the financial statements and other information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors's Report) Order 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on our audit and our reliance on the financial statements and other information of the Joint Ventures certified by the Management as noted in the "Other Matter" paragraph, we give in the "Annexure 1" a statement on the matters specified in paragraph 3 (xxi) of the Order

2. As required under Section 143 (3) of the Act, based on our audit and our reliance on the financial statements and other information of the Joint Ventures certified by the Management as noted in the "Other Matter" paragraph, we report to the extent applicable, that
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Financial Statements;
 - (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditors;
 - (c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - (d) In our opinion, the aforesaid Consolidated financial statements comply with the accounting standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015 as amended
 - (e) On the basis of written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its Joint Ventures and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report.
 - (g) In our opinion, the managerial remuneration for the year ended 31st March 2024 has been paid/ provided by the company to its Directors in accordance with the provision of Section 197 read with Schedule V to the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated financial statement disclose the impact of pending litigations on its consolidated financial position of the Group, its Joint Operations in its consolidated financial statements.;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in note 4 to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise that the intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company: or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - b) The Management has represented that, to the best of its knowledge and belief, as disclosed in 4 to the consolidated financial statements, no funds that have been received by the Company from any persons or entities including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise that the Company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, noting has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Holding company.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in accounting software, During the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with.

“ANNEXURE-1”

Referred to paragraph 1 under ‘Report on Legal and Regulatory Requirements section of our report of even date on consolidated financial statement of Tarmat Limited.

In terms of the information and explanations sought by us and given by the company and based on the CARO report issued by respective companies’ auditor included in the consolidated financial statement to which reporting under CARO is applicable, as furnished to us by the Management and to the best of our knowledge and belief, we state that

xxi. The company does not have any subsidiaries. Accordingly to requirement to report on clause 3 (xxi) of the Order is not applicable to the Holding Company.

ANNEXURE-2 of the Independent Auditor’s Report of even date on the Consolidated Financial Statements of Tarmat Limited**Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of Tarmat Limited as f and for the year ended 31st March 2024, we have audited the internal financial controls over financial reporting of Tarmat Limited (“the Holding Company”) as at March 31, 2024.

Management’s responsibility for internal financial controls

The Holding Company’s management s responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated financial statements included obtaining an understanding of internal financial controls with reference to Consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system with reference to Consolidated financial statements.

Meaning of internal financial controls over financial reporting

A company’s internal financial control with reference to Consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Consolidated financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls with reference to Consolidated financial statements, including the possibility of collusion or improper management or override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control with reference to Consolidated financial statements and such internal financial controls with reference to Consolidated financial statements were operating effectively as at March 31, 2024, based on the criteria for internal financial controls with reference to Consolidated financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Date: 30.05.2024

1. Corporate Information :

Tarmat limited was established in year 1986 Mr. Jerry Varghese. The company is specialized in Construction of Airfield and National / state highways all over india. The Company is currently executing various Runway, Parking Bays, Taxi Track related work at Mumbai, Cochin, Trichy and Tuticorn Airport, and it is also executing National Highway work at Mizoram and Jammu.

Tarmat have completed the prestigious works of Resurfacing of Runways at Mumbai International Airport Limited and Delhi International Airport

The Company had its IPO in 2007 and got listed in BSE and NSE. The present paid up capital of the company is Rs 21314248, of which 33.25 is held by the promoters.

2. Basis of Preparation

The Financial Statement of the company have been prepared in accordance with indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III of the Companies Act,2013 (IND As complaint Schedule III) as applicable to the Financial Statement. These financial statement have been approved for issue by the Board of Directors at their meeting held on May 30, 2024

These Standalone Financial Statement have been prepared on as historical cost basis, except for certain assets and liabilities which have been measured at fair values (refere accounting policy regarding financial instruments.) The Standalone Financial Statement are presented in INR and all value are rounded off to the nearest lakhs with 2 decimal places except which otherwise indicated.

The company has prepared the financial statements on the basis that it will continue to operate as as going concern.

The standalone financial statement provide comparative information in respect of the previous period. Accounting polices have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Current and Non - Current Classification

The company presents assets and liabilities in the balance sheet based on current/non current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operation cycle.
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the report period, or
- Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period.

All othe assets are classified as non - current

A liability is current when :

- It is expected to be settled in normal operating Cylce.
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporing period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The company classifies all other liabilities as non current.

Deferred tax assets and liabilities are classified as non current assets and liabilities.

The operating cycle is the time between the acquisiton of assets for processing and their realisation in cash and cash equivalents.

The company has identified twelve month as its operating cycle.

Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereof issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment.

3.2 Fair Value Measurement

The company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the assets or liability.

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of non financial asset takes into account a market participant's ability to generate economics benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in tis highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of revevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Standalone Financial Statement are categorised within the fair value hierarchy,described as follow, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Standalone Financial Statements on recurring basis, the Company determines whether tranfers have occureed between levles in the hierarchy by re-assessing categorisation (based on the Lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risk of the assets or liability and the level of the fair value hierarchy as explained above.

The Company determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for sale in discontinued operations. If any.

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities such as contingent consideration. Involment of external valuers is decided upon annually by the management after discussion with and approval by the Company's Audit Committee. Selection criteria include market knowledger, reputation, independence and whether professional standards are maintained.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be remeasured or re assesed as per the Companies accounting policies. For

this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation on contracts and other relevant documents.

3.3 Property, Plant and Equipment

Property, plant and equipment (PPE) are carried at cost of acquisition, on current cost basis less accumulated depreciation and accumulated impairment losses, if any. Cost comprises purchase price and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Machinery spares which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of principal item of the relevant assets. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance cost are recognised in Statement of Profit & Loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation is provided on written down value method over the useful lives of property, plant and equipment as estimated by management. Pursuant to Notification of Schedule II of the Companies Act, 2013 depreciation is provided on a prorata basis on written down value method at the rates determined based on estimated useful lives of property, plant and equipment where applicable. Prescribed under Schedule II to the Companies Act 2013.

No depreciation is provided on freehold land.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of profit and loss when the asset is derecognised.

Capital Work in Progress

Cost of assets not ready for intended use, as the balance sheet date, is shown as capital work in progress. Capital Work in Progress is stated at cost, net of accumulated impairment loss, if any

3.4 Intangible Assets

Intangible Assets are recognized only when future economic benefits arising out of the assets flow to enterprise and are amortised over their useful life ranging from 3 to 5 year. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalised development cost, are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset

An intangible asset is derecognised upon disposal (i.e. at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and recognised in the Statement of Profit and Loss when the asset is derecognised

3.5 Revenue Recognition

Revenue from Contracts:

- (i) Income from construction contracts is recognized on the basis of work certified in accordance with percentage completion method. All other income and expenditure are recognized and accounted for on an accrual basis. Losses on contracts are fully accounted for as and when incurred.
- (ii) Hire Charges is accounted for as per terms of the lease agreement.
Dividend Income
- (iii) Dividend Income is accounted for when the right to receive has been established.
Interest Income
- (iv) Interest income on deposits is recognized on accrual basis

3.6 Inventories -

The stock of stores, spares and embedded goods and fuel is valued at cost (weighted average basis), or net realizable value whichever is lower. Cost includes cost of purchase and costs incurred in bringing the inventories to their present location and conditions. Cost is determined on weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Work in Progress is valued at the contract rates and site mobilization expenditure of incomplete contracts is stated at cost. All the inventories of stores, spares and embedded goods and fuel and work in progress have been physically verified by the Management at the year end.

3.7 Investment -

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as Long Term Investments. Current Investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long Term Investments are measured at Cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investment.

3.8 Borrowing Costs -

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use (known as Qualifying assets) or sale are capitalised as part of the cost of the asset. Borrowing Costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the borrowing costs. Discount on Commercial papers is amortised over the tenor of the underlying instrument. Borrowing Costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date the asset is ready for its intended use is added to the cost of the assets. Capitalisation of Borrowing Costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are expensed in the period they occur.

3.9 Taxes

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. The Company shall reflect the effect of uncertainty for each

uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution for the treatment.

Deferred Tax

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Standalone Financial Statements at the reporting date. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

In respect of taxable temporary differences associated with investments in subsidiaries and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

In assessing the recoverability of deferred tax assets, the Company relies on the same forecast assumptions used elsewhere in the financial statements and in other management reports, which, among other things, reflect the potential impact of climate-related development on the business, such as increased cost of production as a result of measures to reduce carbon emission.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in Other Comprehensive Income (OCI) or directly in equity. In this case, the tax is also recognised in OCI or directly in equity, respectively.

Goods and Service tax paid on acquisition of assets or on incurring expenses

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
 - When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet
- i. Provision for current tax is made after taking into consideration benefits admissible under the provision of the Income Tax Act, 1961.
 - ii. Current Tax is calculated in accordance with the tax laws applicable to the current financial year.

For Financial Year 2021-22 the company has exercised option to pay income tax under the provisions of Section 115BAA of the Income tax Act, 1961 and as such provisions for payment of Minimum Alternate tax (MAT) is not applicable to the company.

The company proposes to pay Tax under the Provisions of Section 115BAA of Income Tax Act 1961.

- iii. Advance tax and provision for current income, if any, are presented in the balance sheet after setting off advance tax paid and income tax provision arising in the same tax jurisdiction.

3.10 Foreign Exchange Transaction -

Items included in the Standalone Financial Statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The Standalone Financial Statements are presented in Indian Rupee (INR), which is the Company's functional and presentation currency.

Transactions in foreign currencies are initially recorded by the Company at the functional currency spot rates (i.e., INR) at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Foreign exchange gains and losses resulting from the settlement of transactions in foreign currencies and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Company initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Company determines the transaction date for each payment or receipt of advance consideration.

Employee Retirement Benefits -

3.11 Short-term Employee Benefits

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as 'Employee Benefits Payable' within 'Other Financial Liabilities' in the Balance Sheet.

Post-employment Benefits:

I. Defined Contribution Plan

a. Superannuation

Contribution made to Superannuation Fund for certain of employees are recognised in the Statement of Profit and Loss as and when services are rendered by employees. The Company has no liability for future Superannuation Fund benefits other than its contribution.

b. Provident Fund

Contributions in respect of Employees who are not covered by Company's Employees Provident Fund Trust are made to the Fund administered by the Regional Provident Fund Commissioner as per the provisions of Employees' Provident Fund and Miscellaneous Provisions Act, 1952 and are charged to Statement of Profit and Loss as and when services are rendered by employees. The Company has no obligation other than the contribution payable to the Regional Provident fund.

II. Defined Benefit Plan

a. Gratuity

Every employee who has completed five years or more of service is entitled to Gratuity as per the provisions of The Payment of Gratuity Act, 1972. Retirement Gratuity for employees, is funded through a scheme of Life Insurance Corporation of India. The costs of providing benefits under this plan are determined on the basis of actuarial valuation using the projected unit credit method at each year-end. Actuarial gains/losses are immediately recognised in retained earnings through Other Comprehensive Income in the period in which they occur. Re-measurements are not re-classified to Statement of Profit and Loss in subsequent periods. The excess/shortfall in the fair value of the plan assets over the present value of the obligation calculated as per actuarial methods as at balance sheet dates is recognised as a gain / loss in the Statement of Profit and Loss. Any asset arising out of this calculation is limited to the past service cost plus the present value of available refunds and reduction in future contributions.

b. Provident Fund

In respect of the employees covered by the Company's Employee Provident Fund Trust in Point I b above, contributions to the Company's Employees Provident Fund Trust (administered by the Company as per the provisions of Employees' Provident Fund and Miscellaneous Provisions Act, 1952) are made in accordance with the fund rules. The interest rate payable to the beneficiaries every year is being notified by the Government

In the case of contribution to the Trust, the Company has an obligation to make good the shortfall, if any, between the return from the investments of the Trust and the notified interest rate and recognizes such obligation, if any, determined based on an actuarial valuation as at the balance sheet date, as an expense.

3.12 Impairment of non- financial assets

The Company assesses at each reporting date whether there is an indication that an asset (including goodwill) may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

Intangible assets with indefinite useful lives are tested for impairment annually at the CGU level, as appropriate, and when circumstances indicate that the carrying value may be impaired.

The Company assesses where climate risks could have a significant impact, such as the introduction of emission-reduction legislation that may increase manufacturing costs. These risks in relation to climate-related matters are included as key assumptions where they materially impact the measure of recoverable amount. These assumptions have been included in the cash-flow forecasts in assessing value-in-use amounts.

The company assesses at each balance sheet date whether there is any indication that an assets may be impaired. If any such indication exists, the company estimates the recoverable amount of the assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the asset belong is less than its carrying amount, the carrying amount is reduced to its recoverable amount. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

3.13 Earning per share -

Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Basic EPS is computed using the weighted average number of equity shares outstanding during the year. Provision, Contingent Liabilities and contingent assets -

3.14 Leases -

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the present value of lease payments to be made over the lease term, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

- Leasehold Land and Building 2 years to 99 years

If ownership of the leased asset transfers to the company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section 3.12 Impairment of non financial assets

ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the company and payments of penalties for terminating the lease, if the lease term reflects the company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The Company's lease liabilities are included in Note

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of properties taken on rent (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It has not opted for low-value assets recognition exemption. Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

As a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

3.15 Provision and Contingencies

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

If the Company has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Company recognises any impairment loss that has occurred on assets dedicated to that contract.

An onerous contract is a contract under which the unavoidable costs (i.e., the costs that the Company cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the Standalone Financial Statements.

3.16 Cash and Cash Equivalents

Cash and cash equivalent for the purpose of presentation in cash flow statement and in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash, which are subject to an insignificant risk of changes in value

3.17 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A Financial Assets

1. Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

ii Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in below categories:

Debt instruments at amortised cost

Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial assets at fair value through profit & Loss.

Debt instruments at amortised cost other than derivative contracts

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in Other Income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Equity Investments

All equity investments in scope of Ind-AS 109 are measured at fair value other than equity investments measured at deemed cost on first time adoption of Ind AS. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or Fair Value Through Profit or Loss (FVTPL). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from

OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss

iii **Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a Company's similar financial assets) is primarily derecognised when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred substantially all the risks and rewards of the asset

iv **Impairment of financial assets**

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk.

Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive, discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- a. All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- b. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the Statement of Profit and Loss (SPL). This amount is reflected under the head 'other expenses' in the SPL. The balance sheet presentation for various financial instruments is described below:

Financial assets measured at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

B. Financial liabilities**i) Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowing or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts

ii) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include derivatives, financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ losses are not subsequently transferred to SPL. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss

3.18 Trade Payable

Trade payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

De-Recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Reclassification of Financial Assets and Liabilities:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Original Classification	Revised Classification	Accounting Treatment
Amortised Cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in profit & loss.
FVTPL	Amortised Cost	Fair value at reclassification date become its new gross carrying amount. EIR is calculated based on the new gross carrying amount
Amortised Cost	FVTOCI	Fair value is measured at reclassification date. Difference previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification
FVTOCI	Amortised Cost	Fair Value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost
FVTOCI	FVTOCI	Fair Value at reclassification date becomes its new amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss the classification date.

Offsetting of financial instruments

Financial assets and financial liabilities are off-set and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

New and amended standards

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2022 dated March 23, 2022, to amend the following Ind AS which are effective from April 01, 2022.

(a) Amendments to Ind AS 37: Onerous Contracts - Costs of Fulfilling a Contract

An onerous contract is a contract under which the unavoidable cost of meeting the obligations under the contract costs (i.e., the costs that the Company cannot avoid because it has the contract) exceed the economic benefits expected to be received under it.

The amendments specify that when assessing whether a contract is onerous or loss-making, an entity needs to include costs that relate directly to a contract to provide goods or services including both incremental costs (e.g., the costs of direct labour and materials) and an allocation of costs directly related to contract activities (e.g., depreciation of equipment used to fulfil the contract and costs of contract management and supervision). General and administrative costs do not relate directly to a contract and are excluded unless they are explicitly chargeable to the counterparty under the contract

The Company applied the amendments to the contracts for which it had not fulfilled all of its obligations at the beginning of the reporting period.

Prior to the application of the amendments, the Company had not identified any contracts as being onerous as the unavoidable costs under the contracts, which were the costs of fulfilling them, comprised only incremental costs directly related to the contracts. As a result of the amendments, the Company assessed whether certain other directly related costs are required to be included by the Company in determining the costs of fulfilling the contracts. These amendments had no impact on the Standalone financial statements of the Company as there were no onerous contracts within the scope of these amendments that arose during the period

(b) Reference to the Conceptual Framework – Amendments to Ind AS 103

The amendments replaced the reference to the ICAI's "Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards" with the reference to the "Conceptual Framework for Financial Reporting under Indian Accounting Standard" without significantly changing its requirements

The amendments also added an exception to the recognition principle of Ind AS 103 Business Combinations to avoid the issue of potential 'day 2' gains or losses arising for liabilities and contingent liabilities that would be within the scope of Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets or Appendix C, Levies, of Ind AS 37, if incurred separately. The exception requires entities to apply the criteria in Ind AS 37 or Appendix C, Levies, of Ind AS 37, respectively, instead of the Conceptual Framework, to determine whether a present obligation exists at the acquisition date.

The amendments also add a new paragraph to IFRS 3 to clarify that contingent assets do not qualify for recognition at the acquisition date.

In accordance with the transitional provisions, the Company applies the amendments prospectively, i.e., to business combinations occurring after the beginning of the annual reporting period in which it first applies the amendments (the date of initial application).

These amendments had no impact on the Standalone financial statements of the Company as there were no contingent assets, liabilities or contingent liabilities within the scope of these amendments that arose during the period

(c) Amendments to Ind AS 16: Property, Plant and Equipment: Proceeds before Intended Use

The amendments modified paragraph 17(e) of Ind AS 16 to clarify that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

The amendments are effective for annual reporting periods beginning on or after 1st April, 2022. These amendments had no impact on the standalone financial statements of the Company as there were no sales of such items produced by property, plant and equipment made available for use on or after the beginning of the earliest period presented.

(d) Ind AS 109 Financial Instruments – Fees in the '10 per cent' test for derecognition of financial liabilities

The amendment clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability. These fees include only those paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf.

These amendments had no material impact on the Standalone Financial Statements of the Company.

Note 11.2 : b) Terms / Rights attached to equity shares

The Company has only one class of equity shares having a par value of ₹10 each. Holder of each equity share is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.
