NIIT Ltd. Appoints Pankaj Jathar as Chief Executive Officer

New Delhi, July 1, 2024 – NIIT Limited, a leading skills and talent development corporation, today announced the appointment of Pankaj Jathar as its new Chief Executive Officer, effective July 1, 2024. Pankaj takes over from Sapnesh Lalla, who will continue as a non-executive director at NIIT Ltd while remaining CEO of NIIT Learning Systems (NIIT MTS).

NIIT has been a pioneer in technology-driven learning solutions long before "Edtech" became a common term and with the demerger in 2023, NIIT Limited will focus on India's flourishing skills & careers landscape. Pankaj brings a wealth of experience in consumer-focused businesses, spanning E-commerce, startups, and D2C ventures. Under his leadership, NIIT will further strengthen its position as a leading player in the segment, capitalizing on new opportunities through the integration of GenAI to drive innovation and growth.

Pankaj brings over 25 years of expertise and experience in leading global corporations in eCommerce, consulting, technology solutions, the training industry, business development, and governance. He began his career as a Management Trainee at NIIT, followed by a four-year stint at Tata Interactive Systems in London. He later joined Accenture as a solution architect, building IT solutions in the banking and finance sector for five years.

He was part of the launch team for Amazon India, managed the FMCG division at Cloutail, and ascended to the role of CEO of Prione (Amazon's joint venture with Catamaran) in 2020. He has had a ringside view of ecommerce growth in the country through the last 13 years.

*"We are excited to welcome Pankaj Jathar back to the NIIT family," said **Rajendra S. Pawar, Chairman and Co-founder of NIIT Limited.** "His experience and knowledge of technology-driven industries make him the perfect leader for NIIT Ltd. With his leadership, we are committed to building talent for the nation and driving forward our vision of excellence at NIIT."*

Speaking on the appointment, **Pankaj Jathar said,** *"I am honored to come back to NIIT Ltd. and share its unwavering dedication in the field of education and technology. I look forward to working closely with the talented team at NIIT to build on our strengths, leverage emerging opportunities, and help to realize the true potential of our learners and partners,".*

He completed his BE from Pune University, pursued GNIIT in Pune, and earned an MBA from IIM Calcutta in 1998.

About NIIT Limited

NIIT Ltd. is a leading skills & talent development corporation, set up in 1981 to help the nascent IT industry overcome its human resource challenges. To meet the manpower challenges in BFSI sector, NIIT established Institute for Finance, Banking, and Insurance (IFBI), India's premier banking training institute in 2006. The company today ranks amongst the world's leading training organizations owing to its vast and comprehensive array of talent development programs.

NIIT Ltd. delivers a diverse range of learning and talent development programs to millions of individual and corporate learners in futuristic domains through its various businesses including **NIIT Digital, StackRoute, RPS Consulting, Institute of Finance Banking & Insurance (IFBI), TPaaS and Sales & Service Excellence (SSE)**.

- The robust **NIIT Digital** platform enables distinctive learning experiences for corporate and individual learners.
- **IFBI** is a leading provider of learning services for early career as well as working professionals for the BFSI sector in India.
- **NIIT StackRoute** is a digital transformation partner for corporates to build multi-skilled full stack professionals in advanced technologies at scale.
- **RPS Consulting** is a leading provider of training programs on emerging digital technologies for experienced technology professionals.
- **Talent Pipeline as a Service (TPaaS)** helps organizations address the challenge of securing mid to long term talent across Technology, Marketing, and Sales Roles.
- **NIIT SSE** has deep expertise in empowering businesses in creating an eco-system for talent development to enhance key competencies & elevate performance to achieve higher business outcomes.
