L&T Minerals & Metals Business Secures (Large*) Orders in Steel and Alumina Sectors

Mumbai, February 20, 2025: The Minerals & Metals (M&M) business vertical of L&T secured an order from Hindalco for setting up an 850 KTPA (kilo tonne per annum) greenfield alumina refinery plant in Odisha. The scope of work includes engineering, procurement, construction & installation.

L&T has been associated with Hindalco for over three decades, playing a key role as an EPC contractor in their expansion programmes across alumina, aluminum and copper plants. The new order signifies Hindalco's trust in L&T as a dependable partner to drive their ambitious growth plans.

M&M earlier secured an order for setting up an 8 MTPA (million tonne per annum) Pellet Plant from a leading steel producer in India. The scope of work includes engineering, manufacturing, supply, construction & installation in collaboration with reputed technology providers.

“M&M has successfully commissioned several steel plants and alumina refinery projects, both greenfield and brownfield, across India and the Middle East. These new orders reaffirm L&T's leadership in EPC steel plants and alumina refinery projects and are a testament to its commitment to excellence and customer satisfaction,” **said Mr D K Sen, Executive Committee Member & Advisor to the CMD, L&T.**

L&T's M&M vertical offers world-class end-to-end solutions in the EPC domain across sectors such as mining, minerals processing, industrial products and material handling. Its product business provides cost-effective end-to-end solutions for industries such as mining, cement, steel, fertilisers and ports.

Background:

Larsen & Toubro is a USD 27 billion Indian multinational enterprise engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
