Dear Sir/ Madam,

Sub: acknowledgement in regarding Announcement of Resignation of Statutory auditor

I want to acknowledge that on behalf of company to formally express our concerns regarding the resignation letter submitted by auditor firm, We received resignation letter, dated 10th November 2024, on 18th November 2024.. Upon review, we have observed a series of unprofessional actions that we believe warrant further discussion.

- 1. Backdating of Resignation Letter:** The resignation letter was digitally signed on 14th November 2024, yet it was received by the company on 18th November 2024. This raises concerns about the authenticity and timing of resignation. The letter's backdating, particularly considering it was signed after business hours on 14th November 2024, appears to be inconsistent with the standards of transparency and professional conduct expected from an auditor.
- 2. Lack of Communication:** At no point before the resignation auditor firm have not informed us of any intention to resign or of any issues that might prevent them from fulfilling your duties, including the submission of the limited review report due on 14th November 2024. Auditor decision to notify us of the resignation on the last day, without prior communication, is highly disruptive and unprofessional, leaving the company unprepared for the sudden change.
- 3. Insufficient Explanation for Resignation:** The explanation you provided — that firm's peer review has expired, and therefore you cannot provide the required report — is vague and does not offer sufficient detail. We would appreciate a more thorough explanation of the reasons behind this decision, especially given the timing and the lack of prior communication on such an important matter.
- 4. Failure to Submit Resignation Letter through Official Channels:** Additionally, we note that the resignation letter was not sent through official company channels. It is a matter of concern that we

received the resignation letter outside of our official communication channels, which further compounds the lack of transparency and professionalism in this matter.

Given these points, we are concerned that the resignation process and the actions taken by auditor firm may not meet the professional standards expected of a statutory auditor. We expect transparency and clear communication in such matters, as they directly affect the governance and operational processes of our company.

Due to all this reason there was delay in filing intimation of resignation of auditor. So please it's my humble request to you to accept the resignation intimation by company.

Thanks and regards.
