Joy e-bike Spreads Festive Cheer with Special Offers for its exquisite Range of electric Two-Wheelers

Introduces attractive deals across all models valid upto 15th November 2024

Vadodara, 18 October 2024: Bringing festive cheer for the customers this festival season, Wardwizard Innovations & Mobility Limited, one of the leading manufacturers of electric vehicles under the brands 'Joy e-bike' and 'Joy e-rik', has announced exclusive and attractive offers to delight the customers.

As part of this celebration, the company is offering benefits of up to Rs. 30,000 on its flagship electric scooter Mihos, along with exciting offers across its entire range of electric two-wheelers. The offers are available at all authorized Joy e-bike dealerships and distributors across India as well as on popular online platforms such as Amazon and Flipkart till 15th November 2024.

Additionally, the company has collaborated with Bluebells Insurance Broking Pvt. Ltd. to offer complimentary insurance for select purchases during the festive period. To make the shift to electric mobility more accessible, easy financing options are also available through Mangalam Industrial Finance Limited (MIFL) along with 15 Banks and NBFCs.

These festive offers are designed to provide customers with a unique opportunity to experience sustainable mobility at attractive prices, making this the perfect time to switch to electric two-wheelers. With deals applicable across all Joy e-bike models, this is an ideal opportunity to embrace eco-friendly transportation.

Make this Diwali memorable with Joy e-bike and take a step towards a greener and brighter future!

About Wardwizard Innovations & Mobility Limited

Wardwizard Innovations & Mobility Limited is one of India's leading auto manufacturing companies in the Electric Vehicle (EV) segment under the brand name Joy e-bike and Joy e-rik. Being the first listed entity on BSE in Electric Vehicle manufacturing, it is mainly focused on the growth potential in the Indian EV segment to have a positive impact in the future. Given the current state of the environment, where fuel-powered vehicles account for the vast bulk of carbon emissions, the company is promoting improvement by offering cleaner, greener options that produce no emissions. With more than 10 models in its portfolio in both high and low-speed categories, the Company has established a strong presence in more than 400+ cities across India and aspires to boost this number throughout the country.
