Dear Sir/Madam,

Subject: Issue of Closure Notice for our Ankleshwar facility by GPCB:

With reference to our submission dated 25th July, 2024 with respect to above mentioned subject, please find below the details required under Regulation 30 read with Schedule III Para A Sub Para 20 of SEBI LODR, 2015:

| Particulars | Details |
|---|---|
| Name of the authority; | The Gujarat Pollution Control Board (“GPCB”) |
| Nature and details of the action(s) taken, initiated or order(s) passed; | Not to carry out production activity at Plot No. 3102/C to 3109/A & 3103, GIDC Ankleshwar, Dist. Bharuch, Gujarat. |
| Date of receipt of direction or order, including any ad-interim or interim orders, or any other communication from the authority; | 24th July, 2024 |
| Details of the violation(s) /contravention(s) committed or alleged to be committed; | The sample collected from GIDC storm water drain was found to be contaminated with high COD levels and other parameters. |
| Impact on financial, operation or other activities of the listed entity, quantifiable in monetary terms to the extent possible. | GPCB has ordered to deposit interim Environment Damage Compensation as and when determined by GPCB. GPCB has also asked to submit a bank guarantee of Rs.15,00,000/- for compliance assurance at the time of revocation. |

Over the past few weeks there have been incessant rains in the entire Bharuch district and this is very likely to have been as a result of the same.

We believe that the order is subject to reconsideration and we are in the process of responding to the GPCB with our stance on the matter including any corrective or preventive measures to be taken at our end. We are committed to highest standards of Environmental and corporate governance.

We request you to take the information on your records.

Thanking You,

For Glenmark Life Sciences Limited
