Business Update: Announcement under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**Subject:** Collaboration for delivering USA-Based Professional Courses

We hereby announce that Vantage Knowledge Academy Ltd. ("Vantage") has entered into an agreement with Ryan Innovative Education Pvt. Ltd. ("Ryan").

Through this collaboration, Vantage will facilitate the introduction and availability of USA-based globally recognized professional courses, including training students for:

- **CPA:** Certified Public Accountant
- **CMA (USA):** Certified Management Accountant
- **EA:** Enrolled Agent
- **CIA:** Certified Internal Auditor

This tie-up will enable the training for above programs to be delivered across India, enhancing access to world-class professional education with global opportunities. All the above programs are trademarked, designed, recognized, and awarded by their respective internationally renowned bodies. Vantage, in collaboration with Ryan, serves as the training provider for these programs. These globally accepted programs are structured to equip students with advanced skills and internationally aligned credentials.

With this understanding, Vantage aims to further expand the reach of U.S.-based professional qualifications while upholding the excellence that defines our institution. This agreement marks one more step in our mission to provide high-quality educational solutions and contribute to the professional growth of aspiring students nationwide.

For more information on above programs,

please contact us on +91 9967091914, Email: admin@vantageinstitute.in

This is for your information and records.

Thanking you,

**For Vantage Knowledge Academy Limited.**
