Disclaimer

Information presented herein contains, or may be deemed to contain, forward-looking statements. These statements relate to future events or Huhtamaki India Limited's (the Company) future financial performance, including, but not limited to, strategic plans, potential growth, expected capital expenditure, ability to generate cash flows, liquidity and cost savings that involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements to be materially different from those expressed or implied by any forward-looking statements. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Such risks and uncertainties include, but are not limited to: (1) general economic conditions such as movements in currency rates, volatile raw material and energy prices and political uncertainties; (2) industry conditions such as demand for the Company's products, pricing pressures and competitive situation; and (3) the Company's own operating and other conditions such as the success of manufacturing activities and the achievement of efficiencies therein as well as the success of pending and future acquisitions and restructurings and product innovations. Future results may vary from the results expressed in, or implied by, forward-looking statements, possibly to a material degree. All forward-looking statements made in this presentation are based on information currently available to the management, and the Company assumes no obligation to update or revise any forward-looking statements. Nothing in this presentation constitutes investment advice and this presentation shall not constitute an offer to sell or the solicitation of an offer to buy any securities or otherwise to engage in any investment activity

Performance during Q2 2024

- **Market environment and impact** – Improved volume and net sales QoQ and YoY, however margins impacted by supply chain constraints and sales mix. Strategy in place to address competitiveness and focus on long term profitable growth initiatives
- **Financial performance**
- Higher net sales QoQ and YoY
 - Lower EBIT and EPS QoQ and YoY
 - PBT improved YoY, however lower than QoQ
- **Efficiency measures** – Program continue to support the profitability with efficiency improvements
- **Investment in operations and technology** for sustainable solutions

Financial review

Improved net sales however challenging market conditions impacting profitability

	Q2 24	Q2 23	Change vs. Q2 23	H1 24	H1 23	Change vs. H1 23
MINR						
Sale of products and services	6,209.8	6,058.2	2.5 %	12,146.3	12,518.4	-3.0 %
