Dear Sir/Madam,

This is to inform you that Solar Industries India Limited (Solar) has unveiled a new corporate logo and brand positioning on July 25, 2024, a significant step in the Company's rebranding efforts, which aim to align with vision, mission, values, vibrant heritage, and culture of the Company. The new logo is a visual narrative that captures the essence of perpetual growth, innovation and advancing the industries we serve.

Existing Logo	New Logo
	

The new brand logo incorporates the concentric "S" shape emerging from the Centre, radiating outward like the sun's rays. This design not only symbolizes "Solar" but also takes flight from the dynamic shape of propeller wings, a powerful representation of continued progress and our brand's unique ability to uplift our stakeholders and the businesses we work with to greater heights.
