To,
The Board of Directors of Urja Global Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **URJAGLOBAL LIMITED** ("the Company") for the **quarter ended 31st December, 2024** ("the statement") being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 as amended ('the Regulations').
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India read with the Circular. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

4. We draw your attention to the following matters:

- A. There is no documentary evidence made available for Investment in Mines Projects and also, the project progress has been classified under 'Property Plant and Equipment' as capital work in progress, amounting to 46,35,28,484/ as on 31.12.2024 and also Further, no documentary evidence available with respect to Loans and Advances granted by the Company as on date.

As informed to us, the GST department raided the Company's premises on 20-07-2021 and took all records. Accordingly, documents relating to projects, terms of agreement and signed balance confirmation with respect to loans and advances are not available and shall be sought from parties.

However, In the absence of necessary documents, recoverability of loans and advances, impact on the carrying value of investments and consequential impact on profit is not determinable. We are also unable to comment upon the compliance of the applicable provisions of the Companies act 2013.

- B.** The Company has not done GST Input Tax Credit Reversals against dues of Rs. 45,11,55,720/- as on 31.12.2024, due to non-payment to sundry creditors within the stipulated time as prescribed in terms of 2nd proviso to section 16(2) of CGST Act, 2017. Non-reversal of GST credits will result in availment of wrong amount of GST Input credits against GST liability.

As per Management the issue of GST blocked Credits is considered as a contingency and is expected to be resolved soon with the Department.

- C.** The Company have landed the amounts of Rs.4,12,12,928/- as on 31.12.2024, to few Individuals and corporate entities.

As per management, none of them fall in the category of 'Related Parties' and hence no half yearly disclosures are required against these transactions to SEBI, as per Regulation 23(9) of the LODR Regulations.

- D.** In our opinion and according to the information and explanations given to us, with reference to the provisions of Section 185 and 186 of the Act, which regulates 'Intercompany Loans & Investments', the Company failed to, accrue Interest on the following:

- a.** No Interest has been accrued since inception, in respect of Loan from a Promoter Company 'Nandanvan Commercial Pvt Ltd', where, the outstanding balance as on 31.12.2024 is of Rs.37,20,00,000/-
- b.** No Interest has been accrued, in respect of Loans and Advances given to any person, including body corporates worth Rs.4,12,12,928/-

Keeping the monetary impact in mind, if the company do not have the basic Contact details of Debtors, from whom amounts are to be collected, it would not be possible to recover the dues and will have major impact on the Cash Flow and Net worth as well, of the company.

- F.** Regarding creditors, the Company has pending liabilities amounting to Rs.42.84 Crores, with over Rs.40 Crores outstanding for more than 2 years.

According to Management, none of these amounts represent 'Advance Received' by the Company, and despite this, no interest has ever been levied by any of the creditors.

It is customary in business practice to charge interest if dues remain unpaid beyond 30-45-60 days. However, without supporting documentation such as ledger confirmations & MSME Declarations, we are unable to verify the validity of these claims.

The Company should consider writing off these liabilities and treating them as income for the year if they are no longer payable.

- G.** Total outstanding receivables amounting to Rs. 76.88 Crores and payables amounting to Rs.50.62 Crores as on 31.12.2024. Out of which Receivables worth Rs.72.23 Crores and Payables worth Rs.47.11 Crores has an aging of more than 180 days.

We suggest to make provisions to write off trade receivables and Trade payables. There should be proper SOPs to timely and efficiently collection of debt and payment of creditors. No ledger confirmation has been received against Trade Receivables and Trade payables.

- H.** We would like to draw attention on few Notices/ Summons received by the Company and/or its subsidiaries.

Management's Views: 1. The qualification regarding the reversal of input tax credit first came to our attention during the statutory audit for the fiscal year 2021-22. Now, the Statutory Auditor has quantified the amount of input tax credit reversal in their report Less than Rs 722.32 Lakh for the quarter Dec 31, 2024. The company is in the process of paying creditors outstanding for more than 180 days.

e. **For Audit Qualification(s) where the impact is not quantified by the auditor:**

(i) Management's estimation on the impact of audit qualification:

(ii) If management is unable to estimate the impact, reasons for the same: The qualification pertains to the absence of documentary evidence available for investment in projects. These projects are, predating FY 21-22. As the management diligently gathers the necessary documents, so it is crucial to recognize that the potential implications and their subsequent impact on the unaudited financial results, are currently uncertain.
