Shell signs new framework agreement with L&T Technology Services

LTTS to provide Integrated Engineering Design and Procurement Services for Shell's global assets in multi-year pact

Amsterdam, Netherlands/Bengaluru, India, August 13, 2024: L&T Technology Services Limited (BSE: 540115, NSE: LTTS), a global leader in engineering , digital and R&D services, announced it has signed a long term framework agreement with Shell, one of the world's largest energy companies.

The multi-year framework agreement will see LTTS providing Integrated Engineering and Procurement Services along with [Digital Engineering Services](#), Data Governance for Capital Projects and Digital Project Management Consultancy for Shell's global assets as necessary.

With over two decades of experience in engineering, manufacturing services, digital transformation, and data services, LTTS is positioned well to support Shell on a global scale deploying their unique global delivery model to delivering projects.

Amit Chadha, CEO and Managing Director of L&T Technology Services, commented on the development stating, *"This new agreement with Shell as their engineering partner further builds on our long and continuous relationship in the area of information management and allied engineering services. With our extensive experience and capabilities in serving energy sector clients, we are excited to work with Shell and contribute in achieving their strategic objectives."*

About L&T Technology Services Ltd
