**Independent Auditor's Report on Consolidated Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

**TO THE BOARD OF DIRECTORS OF TAKE Solutions Limited**

**Qualified Opinion**

We have audited the accompanying Statement of Consolidated Annual Financial Results ("hereinafter referred to as the Statement") of TAKE Solutions Limited (hereinafter referred to as "the Parent" or "the Holding Company") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the year ended March 31, 2024, attached herewith, being submitted by the Parent pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of the other auditors on separate audited financial statements/financial results/financial information of a subsidiary, the Statement:

a. includes the annual financial results of the following entities:

- Navitas LLP
- Ecron Acunova Limited
- TAKE Consultancy Services, Inc
- TAKE Solutions Limited ESOP Trust

b. presents the consolidated annual financial results in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard, and

c. **except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report** gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in

India, of the consolidated net loss and other comprehensive income and other financial information of the Group for the year ended 31 March 2024.

#### Basis for Qualified Opinion

- a) As stated in Note No 5(a) to the statement, tax assets appearing in the consolidated financial statements to an extent of INR 118.70 Million pertain to various assessment years relating to the financial periods ending upto March 31, 2021. In the absence of sufficient appropriate evidence to corroborate the respective entity's management's assessment of recoverability of these balances we are unable to comment on the carrying value of above receivables and the shortfall, if any, on the amount that would be ultimately realizable from the tax authorities considering the fact that the Group's contingent liabilities as at 31 March 2024 include contingent liabilities aggregating to INR 726.26 Million pertaining to direct tax litigations pending before various forums relating to the above periods, for which the assessment on whether the outflow of resource embodying economic benefits is probable or not as per the requirements of Ind AS 37- "Provisions, Contingent Liabilities and Contingent Assets" is in progress. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 March 2024 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the total liabilities and loss of the Group as at and for the year then ended.
- b) As stated in Note No: 5(b) to the Statement, the contract assets of INR 147.98 Million disclosed under current financial assets and deferred revenue of INR 174.56 Million disclosed under other current liabilities pertaining to businesses which were novated needs to be reconciled as on March 31, 2024. In the absence of such reconciliation statement, we are unable to comment on the impact on the consolidated financial results.
- c) Considering the business operations of the Company and its subsidiary Navitas LLP are severely impacted as stated in Note No 4 to the Statement, we are unable to comment on the usage/recoverability of indirect tax credit/receivables of INR 95.78 Million and the consequential impact, if any, on the total assets and loss of the Group as at and for the year then ended is not ascertainable.
- d) We draw your attention to Note No 4 to the Statement, which indicates that the Group has incurred huge loss after tax of INR 1196.20 Million for the year ended March 31, 2024 on account of recognition of impairment loss on certain financial assets and goodwill on consolidation resulting in negative networth for the Group as on March 31, 2024. In

addition, the Group has negative working capital as at the end of current financial year and previous financial year. Further, significant deterioration in the value of the assets used to generate cash flows was seen over the last two years as evidenced by lower volume of business. In addition, the Group has significant litigations under direct tax law and the outcome & impact of which is unascertainable. Furthermore, the Group has significant unpaid statutory dues. The cumulative effect of these factors and the possible impact of the matters stated in (a) to (c) above indicate the existence of a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern and therefore the Group may be unable to realize its assets and discharge its liabilities in the normal course of business. Despite the above factors, the Annual Consolidated Financial results have been prepared on a "going concern basis" and no adjustment has been made to the carrying value of assets and liabilities as the Group is exploring various funding options for expansion and also expects improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capital investment and other expansion plans undertaken during the reporting period in the said business. While the plans for the revival of business operations are in place, the consequential impact on the going concern assumption is not ascertainable at this stage and hence we are unable to comment on whether the preparation of annual consolidated financial results on a going concern basis is appropriate and on the consequential impact, if any, on the annual consolidated financial results.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, along with the consideration of report other auditors referred to in sub paragraph no. (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated annual financial results.

### Emphasis of Matter

We draw your attention to Note No 8 to Statement, regarding the exceptional items recognised in the Consolidated Financial Results.

Our opinion is not qualified in respect of this matter.

### Management's and Board of Directors' Responsibilities for the Statement

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of the Statement that gives a true and fair view of the consolidated net profit/loss or loss and other comprehensive income, and other financial information of the Group in accordance with the recognition and measurement principles laid down in applicable Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of the Statement. Further, in terms of the provisions of the Act, the respective Board of Directors/ Management of the companies included in the Group, covered under the Act, are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of each company, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively, for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results, that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Board of Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the respective Board of Directors/ management either intends to liquidate the company/entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

## Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with the Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Management and Board of Directors.
- Evaluate the appropriateness and reasonableness of the disclosures in the Statement made by the Management and Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we

are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/ financial statements/financial information of the entities within the Group to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial results/ financial statements/financial information of such entities included in the consolidated annual financial results of which we are the independent auditors. For the other entities included in the consolidated annual financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in sub paragraph no. (a) of the "Other Matters" paragraph in this audit report.

Materiality is the magnitude of misstatements in the Annual Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work, in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Consolidated Financial Results

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement, of which we are the independent auditors, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

**Other Matters**

a) We did not audit the annual financial statements/results/information of a subsidiary included in the Statement, whose annual financial statements/results/information (net of elimination on consolidation) reflects total assets of INR 0.66 Million as at 31 March 2024, total revenues of INR 0.002 Million, total net loss after tax of INR 0.008 Million, total comprehensive income of INR (0.008) Million, and cash outflows (net) of INR 0.02 Million for the year ended on that date, as considered in the Statement. The said annual financial statements/results/information of the subsidiary have been audited by its independent auditor whose audit report has been furnished to us by the management, and our opinion in so far as it relates to the amounts and disclosures included in respect of the subsidiary is based solely on the audit report of such other auditor and the procedures performed by us as stated in paragraph above.

Our opinion is not modified in respect of the above matter with respect to our reliance on the work done and the report of the independent auditor.

b) The Statement includes the results for the quarter ended 31 March 2024, being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year-to-date figures up to the third quarter of the current financial year prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" which were subject to limited review by us.

Our opinion on the Statement is not modified in respect of this matter.

**Explanatory notes to the statement of consolidated audited financial results for the quarter and year ended March 31, 2024**

- 3 The Consolidated Financial Results have been prepared in accordance with the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 (the "Act") read with relevant Rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations'). The Consolidated Financial Results for the quarter and year ended March 31, 2024 have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the company in their respective meetings held on May 30, 2024. The statutory auditors of the Company have expressed a modified opinion on the consolidated audited financial results for the year ended March 31, 2024.
- 4 The group has incurred huge loss after tax of INR 1,196.20 Million for the year ended March 31, 2024 on account of recognition of impairment loss on certain financial assets and on goodwill arising on consolidation resulting in negative networth for the Group as on March 31, 2024 and there has been significant reduction in the volume of business. In addition, the Group has negative working capital as at the end of current financial year and previous financial year. Furthermore, the Group has significant unpaid statutory dues. The cumulative effect of these factors may indicate the existence of a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern. However, the Annual Consolidated Financial results have been prepared on a "going concern basis" and no adjustment has been made to the carrying value of assets and liabilities as the Group is exploring various funding options for expansion and also expects improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capital investment and other expansion plans undertaken during the reporting period in the said business.
- 5 The Consolidated financial Statements include:
  - (a) Tax Assets to the extent of ₹ 118.70 Million pertain to various assessment years relating to the financial periods ending upto March 31, 2021, which according to the management are fully recoverable upon completion of the assessment / disposal of the appeals pending in various forums. The refunds are withheld/under process on account of disputes pending before various forums and no impairment is considered necessary. Further, Management expects a favourable outcome on the pending tax litigations.
  - (b) Contract Assets and Deferred Revenue include balances in respect of contracts novated during the year ended March 31, 2024 which are under reconciliation and confirmation. According to the management, the adjustments if any required upon completion of the reconciliation process will not be material.
- 6 Since the Group operates in a single segment viz Life Sciences and Support Services, disclosures under Ind AS 108, 'Segment Reporting' are not required.
- 7 During the quarter ended March 31, 2024, employees have not exercised any equity shares under Employee Stock Option Scheme of the Company.
- 8 Exceptional items for the quarter and year ended March 31, 2024 includes impairment loss recognised on goodwill arising on consolidation to an extent of ₹ 522.91 Million and ₹ 522.91 Million respectively (quarter ended Dec 31, 2023 ₹ Nil/-, quarter ended March 31, 2023 ₹ Nil/- and FY March 31, 2023 - ₹ Nil/-). Exceptional items for the quarter and year ended March 31, 2024 further includes impairment loss recognised on certain other financial assets to an extent of ₹ 405.30 Million and ₹ 408.92 Million respectively (quarter ended Dec 31, 2023 ₹ Nil/-, quarter ended March 31, 2023 ₹ 71.40 Million and FY March 31, 2023 - ₹ 103.90 Million)
- 9 (a) Other Income for the quarter and year ended March 31, 2024 includes gain arising out of termination of lease and write back of certain associated liabilities to an extent of ₹ Nil/- and ₹ 6.28 Million respectively ( quarter ended Dec 31, 2023 ₹ 6.28 Million, quarter ended March 31, 2023 ₹ Nil/- FY March 31, 2023 - ₹ Nil/-).  
(b) Other expenses for the quarter and year ended March 31, 2024 includes expected credit loss on certain receivables to an extent of ₹ 150.96 Million and ₹ 150.82 Million respectively (quarter ended Dec 31, 2023 ₹ (3.86) Million, quarter ended March 31, 2023 ₹ (15.25) Million- FY March 31, 2023 - ₹ 415.35 Million).
- 10 The figures for the quarter ended March 31, 2024 and March 31, 2023 are the balancing figures between audited figures in respect of the full financial year and the limited reviewed year to date figures up to the quarters ended December 31, 2023 and December 31, 2022 respectively.
- 11 Subsequent to the financial year, lender of the subsidiary Navitas LLP has recalled the entire facilities granted upon classifying the loan accounts as Non-Performing Asset. However, there is no impact on the consolidated financial results for the quarter and year ended March 31, 2024.
- 12 The Consolidated Financial Results for the quarter and year ended March 31, 2024 are available on the Company's website ([www.takesolutions.com](http://www.takesolutions.com)) and the website of BSE ([www.bseindia.com](http://www.bseindia.com)) and NSE ([www.nseindia.com](http://www.nseindia.com))

	8.	Any other financial item(s) (as felt appropriate by the management)	-	-
II.	Audit Qualification (each audit qualification separately):			
	a. Details of Audit Qualification:			
	<p>(i) As stated in Note No 5(a) in the Statement of Audited Consolidated Financial Results being submitted to SEBI, tax assets appearing in the consolidated financial statements to an extent of INR 118.70 Million pertain to various assessment years relating to the financial periods ending upto March 31, 2021. In the absence of sufficient appropriate evidence to corroborate the respective entity's management's assessment of recoverability of these balances we are unable to comment on the carrying value of above receivables and the shortfall, if any, on the amount that would be ultimately realizable from the tax authorities considering the fact that the Group's contingent liabilities as at 31 March 2024 include contingent liabilities aggregating to INR 726.26 Million pertaining to direct tax litigations pending before various forums relating to the above periods, for which the assessment on whether the outflow of resource embodying economic benefits is probable or not as per the requirements of Ind AS 37- "Provisions, Contingent Liabilities and Contingent Assets" is in progress. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 March 2024 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the total liabilities and loss of the Group as at and for the year then ended.</p>			
	<p>(ii) As stated in Note No: 5(b) in the Statement of Audited Consolidated Financial Results being submitted to SEBI the unbilled receivables of INR 147.98 Million disclosed under current financial assets and deferred revenue of INR 174.56 Million disclosed under other current liabilities pertaining to businesses which were novated needs to be reconciled as on March 31, 2024. In the absence of such reconciliation statement, we are unable to comment on the impact on the consolidated financial results.</p>			
	<p>(iii) Considering the business operations of the Company and its subsidiary Navitas LLP are severely impacted as stated in Note No 4 in the Statement of Audited Consolidated Financial Results being submitted to SEBI, we are unable to comment on the usage/recoverability of indirect tax credit/receivables of INR 95.78 Million and the consequential impact, if any, on the total assets and loss of the Group as at and for the year then ended is not ascertainable.</p>			

(iv) We draw your attention to Note No 4 in the Statement of Audited Consolidated Financial Results being submitted to SEBI which indicates that the Group has incurred huge loss after tax of INR 1196.20 Million for the year ended March 31, 2024 on account of recognition of impairment loss on certain financial assets and goodwill on consolidation resulting in negative networth for the Group as on March 31, 2024. In addition, the Group has negative working capital as at the end of current financial year and previous financial year. Further, significant deterioration in the value of the assets used to generate cash flows was seen over the last two years as evidenced by lower volume of business. In addition, the Group has significant litigations under direct tax law and the outcome & impact of which is unascertainable. Furthermore, the Group has significant unpaid statutory dues. The cumulative effect of these factors and the possible impact of the matters stated in (a) to (c) above indicate the existence of a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern and therefore the Group may be unable to realize its assets and discharge its liabilities in the normal course of business. Despite the above factors, the Annual Consolidated Financial results have been prepared on a "going concern basis" and no adjustment has been made to the carrying value of assets and liabilities as the Group is exploring various funding options for expansion and also expects improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capital investment and other expansion plans undertaken during the reporting period in the said business. While the plans for the revival of business operations are in place, the consequential impact on the going concern assumption is not ascertainable at this stage and hence we are unable to comment on whether the preparation of annual consolidated financial results on a going concern basis is appropriate and on the consequential impact, if any, on the annual consolidated financial results.

b. Type of Audit Qualification: ~~Qualified Opinion/Disclaimer Opinion/Adverse Opinion~~

c. Frequency of qualification: whether appeared first time/repetitive/since how long continuing

Points (i), (ii) & (iii) – Repetitive since March 31, 2023

Point (iv) – First time

e. For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification: Not Applicable

(ii) If management is unable to estimate the impact, reasons for the same:

(a) Tax Assets to the extent of ₹ 118.70 Million pertain to various assessment years relating to the financial periods ending upto March 31, 2021, which according to the management are fully recoverable upon completion of the assessment / disposal of the appeals pending in various forums. The refunds are withheld/under process on account of disputes pending before various forums and no impairment is considered necessary. Further, Management expects a favourable outcome on the pending tax litigations.

(b) Contract Assets and Deferred Revenue include balances in respect of contracts novated during the year ended March 31, 2024 which are under reconciliation and confirmation. According to the management, the adjustments if any required upon completion of the reconciliation process will not be material.

- (d) The Annual Consolidated Financial results have been prepared on a “going concern basis” and no adjustment has been made to the carrying value of assets and liabilities as the Group is exploring various funding options for expansion and also expects improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capital investment and other expansion plans undertaken during the reporting period in the said business.

**Independent Auditor's Report on Standalone Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

**To the Board of Directors of TAKE Solutions Limited**

**Qualified Opinion**

We have audited the accompanying statement of standalone annual financial results (hereinafter referred to as the "Statement") of TAKE Solutions Limited (hereinafter referred to as the "Company") for the year ended 31 March 2024, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- (i) presents the standalone annual financial results in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard, and
- (ii) **except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report** gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the standalone net loss and other comprehensive income and other financial information of the Company for the year ended 31 March 2024.

**Basis for Qualified Opinion**

- a) As stated in Note No. 5 to the statement, tax assets appearing in the standalone financial statements of the Company to an extent of ₹ 88.32 Million pertain to various assessment years relating to the financial periods ending upto March 31, 2021. In the absence of sufficient appropriate evidence to corroborate management's assessment of recoverability of these balances we are unable to comment on the carrying value of above receivables and the shortfall, if any, on the amount that would be ultimately realizable from the tax authorities considering the fact that the Company's contingent liabilities as at 31 March 2024 include

contingent liabilities aggregating to INR 113.30 Million pertaining to direct tax litigations pending before various forums relating to the above periods, for which the assessment on whether the outflow of resource embodying economic benefits is probable or not as per the requirements of Ind AS 37- "Provisions, Contingent Liabilities and Contingent Assets" is in progress. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 March 2024 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the total liabilities and loss as at and for the year then ended.

- b) Considering the business operations of the Company are severely impacted as stated in Note No. 4 to the Statement, we are unable to comment on the usage/recoverability of indirect tax credit/receivables of INR 61.29 Million and the consequential impact, if any, on the total assets and loss as at and for the year then ended is not ascertainable.
- c) We draw your attention to Note No. 4 to the Statement, which indicates that the Company has incurred huge loss after tax of INR 2072.51 Million for the year ended March 31, 2024 on account of recognition of impairment loss on certain financial assets resulting in substantial reduction of networth of the Company as on March 31, 2024. Further, significant deterioration in the value of the assets used to generate cash flows was seen over the last two years as evidenced by lower volume of business. In addition, the Company has significant litigations under direct tax law and the outcome & impact of which is unascertainable. Furthermore, the Company has significant unpaid statutory dues. The cumulative effect of these factors and the possible impact of the matters stated in (a) & (b) above indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. Despite the above factors, the Annual Standalone Financial Results have been prepared on a "going concern basis" and no adjustment has been made to the carrying value of assets and liabilities as the Company is exploring various funding options for expansion and also expects improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capital investment and other expansion plans undertaken during the reporting period in the said business. While the plans for the revival of business operations are in place, the consequential impact on the going concern assumption is not ascertainable at this stage and hence we are unable to comment on whether the preparation of annual standalone financial results on a going concern basis is appropriate and on the consequential impact, if any, on the annual standalone financial results.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the

Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our qualified opinion on the standalone annual financial results.

#### **Emphasis of Matter**

We draw your attention to Note No. 6 to Statement, regarding the exceptional items recognised in the annual standalone financial results.

Our opinion on the Statement is not modified in respect of this matter.

#### **Management's and Board of Directors' Responsibilities for the Statement**

This Statement has been prepared on the basis of the standalone annual financial statements. The Company's Management and Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid down in Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with the Standards on Auditing, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Management and Board of Directors.
- Evaluate the appropriateness and reasonableness of the disclosures in the Statement made by the Management and Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related

disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Other Matter**

The Statement includes the results for the quarter ended 31 March 2024, being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year-to-date figures up to the third quarter of the current financial year prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" which were subject to limited review by us.

Our opinion on the Statement is not modified in respect of this matter

- 4 The Company has incurred huge loss after tax of INR 2072.51 Million for the year ended March 31, 2024 on account of recognition of impairment loss on certain financial assets resulting in substantial reduction in networth of the Company as on March 31, 2024 and there has been significant reduction in the volume of business. The cumulative effect of these factors may indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, the Annual Standalone Financial Results have been prepared on a "going concern basis" and no adjustment has been made to the carrying value of assets and liabilities as the Company is exploring various funding options for expansion and also expects substantial improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capital investment and other expansion plans undertaken during the reporting period in the said business.
- 5 According to the management, Tax Assets to an extent of ₹ 88.32 Million recognised in the standalone financial statements pertain to various assessment years relating to the financial periods ending upto March 31, 2021, are fully recoverable upon completion of the assessment / disposal of the appeals pending in various forums. II.	Audit Qualification (each audit qualification separately):			
	a. Details of Audit Qualification:			
	<p>(i) As stated in Note No. 5, in the Statement of Audited Standalone Financial Results being submitted to SEBI, tax assets appearing in the standalone financial statements of the Company to an extent of ₹ 88.32 million pertain to the financial period ending upto March 31, 2021. In the absence of sufficient appropriate evidence to corroborate management's assessment of recoverability of these balances we are unable to comment on the carrying value of above receivables and the shortfall, if any, on the amount that would be ultimately realizable from the tax authorities considering the fact that the Company's contingent liabilities as at 31 March 2024 include contingent liabilities aggregating to INR 113.30 million pertaining to direct tax litigations pending before various forums, for which the assessment on whether the outflow of resource embodying economic benefits is probable or not as per the requirements of Ind AS 37- "Provisions, Contingent Liabilities and Contingent Assets" is in progress. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 March 2024 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the total liabilities and loss as at and for the year then ended.</p> <p>(ii) Considering the business operations of the Company are severely impacted as stated in Note No. 4 in the Statement of Audited Standalone Financial Results being submitted to SEBI, we are unable to comment on the usage/recoverability of indirect tax credit/receivables of INR 61.29 million and the consequential impact, if any, on the total assets and loss as at and for the year then ended is not ascertainable.</p> <p>(iii) We draw your attention to Note No. 4 in the Statement of Audited Standalone Financial Results being submitted to SEBI, which indicates that the Company has incurred huge loss after tax of INR 2072.51 Million for the year ended March 31, 2024 on account of recognition of impairment loss on certain financial assets resulting in substantial reduction of networth of the Company as on March 31, 2024. Further, significant deterioration in the value of the assets used to generate cash flows was seen over the last two years as evidenced by lower volume of business. In addition, the Company has significant litigations under direct tax law and the</p>			

outcome & impact of which is unascertainable. Furthermore, the Company has significant unpaid statutory dues. The cumulative effect of these factors and the possible impact of the matters stated in (a) & (b) above indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. Despite the above factors, the Annual Standalone Financial Results have been prepared on a "going concern basis" and no adjustment has been made to the carrying value of assets and liabilities as the Company is exploring various funding options for expansion and also expects improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capital investment and other expansion plans undertaken during the reporting period in the said business. While the plans for the revival of business operations are in place, the consequential impact on the going concern assumption is not ascertainable at this stage and hence we are unable to comment on whether the preparation of annual standalone financial results on a going concern basis is appropriate and on the consequential impact, if any, on the annual standalone financial results.

b. Type of Audit Qualification: ~~Qualified Opinion/Disclaimer Opinion/Adverse Opinion~~

c. Frequency of qualification: whether appeared first time/repetitive/since how long continuing

Point (i) is repetitive, since March 31, 2023

e. For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification: - Not Applicable

(ii) If management is unable to estimate the impact, reasons for the same:

(a) Tax Assets to an extent of ₹ 88.32 Million recognised in the standalone financial statements pertain to various assessment years relating to the financial periods ending upto March 31, 2021, are fully recoverable upon completion of the assessment / disposal of the appeals pending in various forums. The refunds are withheld/under process on account of disputes pending before various forums and no impairment is considered necessary and further the Management expects a favourable outcome on the pending tax litigations.

(b) Management has actively engaged consultants to claim refunds where the same is allowed by Laws and balance amount can be carried forward and set off against any future tax liability that may arise once the business get revived.

(c) The Annual Standalone Financial Results have been prepared on a "going concern basis" and no adjustment has been made to the carrying value of assets and liabilities as the Company is exploring various funding options for expansion and also expects substantial improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capital investment and other expansion plans undertaken during the reporting period in the said business
