Notes:

A Statement pursuant to Section 102 of the Companies Act, 2013 ("the Act, 2013"), setting out the material facts in respect of the special business to be transacted at the Annual General Meeting (AGM), as listed out in the Notice, is annexed hereto.

1. Pursuant to the MCA Circular No. 09/2023 dated 25th September 2023 read with MCA Circulars No. 10/2022, 02/2022 and 20/2020 dated 28th December 2022, 5th May 2022 and 5th May 2020 respectively, issued by the Ministry of Corporate Affairs (MCA) and all other relevant circulars issued from time to time, and SEBI Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated 7th October 2023, issued by the Securities and Exchange Board of India (SEBI) and in compliance with the provisions of the Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), physical attendance of the Members is not required at a common venue and AGM can be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/ OAVM.
2. Pursuant to the Circular No. 14/2020 dated 8th April, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorized representatives as Members to attend the AGM through VC/ OAVM and participate and cast their votes through e-Voting.
3. The Members can join the AGM through VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1000 members on "first come first served" basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of "first come first served" basis.
4. The attendance of the Members attending the AGM through VC / OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act, 2013.
5. Pursuant to the provisions of Section 108 of the Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the Listing Regulations, and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 to check, the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as voting at the meeting will be provided by NSDL.
6. In line with MCA Circular No. 17/2020 dated 13th April, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://www.sundaram-clayton.com/>. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also available on the website of NSDL (agency for providing the remote e-Voting facility) i.e. www.evoting.nsdl.com.
7. AGM has been convened through VC / OAVM in compliance with applicable provisions of the Act, 2013, read with Circulars issued by MCA and SEBI from time to time.

Unclaimed Dividend

8. In terms of the provisions of Section 124 of the Act, 2013, TVS Holdings Limited, Demerged Company ("TVSH") as per the Composite Scheme of Arrangement, had transferred the unclaimed dividend to Investor Education and Protection Fund ("IEPF") which remained unclaimed for a continuous period of 7 (seven) years along with the corresponding equity shares.

Further, the Company issued and allotted equity shares of the Company to the shareholders of TVSH, as per the Composite Scheme of Arrangement, including IEPF and the corresponding dividend declared by the Company was also transferred to IEPF.

Further, the particulars of due dates for the transfer of the unclaimed dividends to IEPF are furnished in the Report on Corporate Governance, forming part of the Annual Report.

9. Members who have not encashed their dividend warrants are requested to make their claim(s) by surrendering the un-encashed warrants immediately to the Company.

Pursuant to The Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the Company is providing / hosting the required details of unclaimed amount referred to under Section 124 of the Act, 2013 on its website.

General

10. As per Regulation 40 of Listing Regulations, all requests for transfer of securities including transmission and transposition, issue of duplicate share certificate; claim from unclaimed suspense account; renewal / exchange of share certificate; endorsement; sub-division/splitting of share certificate; consolidation of share certificates/folios shall be processed only in dematerialized form.

The shares of the Company that were allotted to the shareholders of TVS Holdings Limited, Demerged Company, ("TVSH") in terms of the Composite Scheme of Arrangement, were in dematerialised form only. However, the shareholders who held the shares as physical certificates and if the demat account details were not provided to the Company on their holding in TVSH, on or before the Record Date, the Company issued the corresponding shares in dematerialised form to Beacon Trusteeship Limited, the trustee nominated by the Board of the Company who shall hold these Shares of the Company in trust for the benefit of such shareholders. The shareholders are hereby advised to share the demat account details and KYC documents with the Company / RTA. On receipt of the demat account details and upon verification and validation of the details provided, the entitlement of new shares of the Company will be credited to your demat account.

To eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialised form.

11. Members may also note that the Annual Report will also be available on the Company's website viz., <https://www.sundaram-clayton.com/> for their download.

Members holding shares in electronic form

12. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members are requested to submit their PAN to the Depository Participant(s) (DP) with whom they are maintaining their demat accounts.
13. Members are requested to intimate all changes pertaining to their bank details such as bank account number, name of the bank and branch details, MICR code and IFSC, Mandates, Nominations,

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Power of Attorney, Change of Address / Name / e-mail Address / Contact Numbers, etc., to their DP.

14. Electronic copy of the Annual Report and the Notice of the AGM inter-alia indicating the process and manner of e-Voting are being sent to all the Members whose e-mail IDs are registered with the Company / DPs for communication purposes.

Members holding shares in physical form

15. Shareholders holding the equity shares and preference shares of the Demerged Company in physical form (hereinafter referred to as "Physical Form"), the entitlement of new shares of the Company have been credited to the demat account of the Trustee nominated by the Board viz., Beacon Trusteeship Limited. You are hereby advised to share your demat account details and KYC documents with the Company / RTA. On receipt of the documents and upon verification and validation, the entitlement of new shares of the Company will be credited to the respective demat account.

Inspection of documents

16. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act and the relevant documents referred to in the Notice will be available, electronically, for inspection by the Members during the AGM.
17. All documents referred elsewhere in the Annual Report will also be available for inspection from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an e-mail to corpsec@sundaramclayton.com

Voting

18. The businesses set out in the Notice will be transacted through electronic voting system and the Company is providing facility for voting by electronic means. The Members may cast their votes using electronic voting system from a place other than the venue of the meeting ('remote e-Voting').
19. In case of joint holders attending AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company / Register of Beneficial Owners maintained by Depositories will be entitled to vote.
20. In terms of Section 108 of the Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, ('the Rules') and Regulation 44 of the Listing Regulations, the Company has provided facility to exercise votes through electronic voting system to the Members holding shares as on 2nd August 2024 being the "Cut-off Date" ("Cut-Off" for the purpose of Rule 20(4)(vii) of the Rules) fixed for determining voting rights of the Members entitled to participate in the e-Voting process through the platform provided by NSDL viz., www.evoting.nsdl.com.

The voting rights of the Members / Beneficial Owners will be reckoned on the Equity Shares held by them as on Cut-off date. Members as on the Cut-off date only shall be entitled to avail the facility of remote e-Voting or e-Voting at the meeting.

The instructions for remote e-Voting and e-Voting at the meeting are as under:

The remote e-Voting period begins on 6th August 2024 at 9:00 A.M. (IST) and ends on 8th August 2024 at 5:00 P.M. (IST). During this

period, Members of the Company, as on the cut-off date, may cast their vote by remote e-Voting. The remote e-Voting module shall be disabled by NSDL for voting thereafter. Members who have not cast their vote on any of the resolutions using the remote e-Voting facility can vote on those resolutions during the AGM. Once the vote on a resolution is cast by the Member, the member shall not be allowed to change it subsequently. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 2nd August 2024.

Statement of material facts pursuant to Section 102 of the Companies Act, 2013

The following statement sets out all material facts relating to the special businesses mentioned in the accompanying Notice dated 3rd July 2024 and shall be taken as forming part of the Notice.

Item No. 4

The Board at its meeting held on July 3, 2024, based on the recommendation of the Nomination and Remuneration Committee of Directors ("**NRC**"), appointed Mr P Kaniappan (DIN:02696192) as a Non-Executive Independent Director of the Company ("**NE-ID**") for a term of 5 (Five) years, effective July 3, 2024, in terms of Sections 149, 150, 152 (read with Schedule IV, 161 and other applicable provisions of the Companies Act, 2013 and the Companies (Appointment and Qualification of Directors) Rules, 2014 and the SEBI Listing Regulations and other applicable provisions of law, if any, and pursuant to the provisions of the Articles of Association of the Company.

NRC at its meeting held on July 3, 2024, evaluated qualification, skills, experience, integrity and knowledge of Mr P Kaniappan and felt that it would be sufficient / satisfactory to recommend his appointment as a NE-ID on the Board, as per the Nomination and Remuneration (NR) Policy of the Company.

In the opinion of the NRC and the Board, Mr P Kaniappan, fulfils the conditions specified under the Act, 2013 and the rules made thereunder and SEBI Listing Regulations for the appointment as a NE-ID of the Company and he is independent of the management of the Company. He has also enrolled himself with the database for Independent Directors as specified under the Section 150 of the Act, 2013.

In terms of Regulation 25(2A) of SEBI Listing Regulations, appointment of Mr P Kaniappan as a Non-Executive Independent Director requires approval of the members of the Company by way

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

of a Special Resolution. In terms of proviso to Regulation 25(2A) of the SEBI Listing Regulations where a special resolution for the appointment of an independent director fails to get the requisite majority of votes but the votes cast in favour of the resolution exceed the votes cast against the resolution and the votes cast by the public shareholders in favour of the resolution exceed the votes cast against the resolution, then the appointment of such an independent director shall be deemed to have been made under this regulation. Further, in terms of Regulation 17(1C) of SEBI Listing Regulations, the appointment of NE- ID will be required to be approved by the members of the Company, within a period of 3 months from the date of appointment or next General Meeting, whichever is earlier.

Mr P Kaniappan was appointed as a NE-ID of the Company to hold office for a term of 5 consecutive years from July 3, 2024, and not liable to retire by rotation during his tenure of appointment, subject to approval of the members of the Company.

The Company has also received a notice from a member under Section 160 of the Act, 2013, signifying his candidature as a director of the Company. The Company has received consent in writing from Mr P Kaniappan to act as a Director in Form DIR 2, intimating to the effect that he is not disqualified to be appointed as a Director and a declaration in writing that he meets the criteria of independence and he is not aware of any circumstance or situation, which exists or may be reasonably anticipated, that could impair or impact his ability to discharge his duties with an objective independent judgement and without any external influence as provided under Section 149(6) of the Act, 2013 and also under the SEBI Listing Regulations.

Mr P Kaniappan is entitled to receive remuneration by way of profit related commission, if any, in terms of Section 197 and other applicable provisions of the Act, 2013, as determined by the board from time to time, within the overall limits specified under the Act, 2013 as well as the SEBI Listing Regulations and sitting fees and reimbursement of expenses for participation in the meetings of the Board and / or committees.

The disclosure containing the profile and other details of Mr P Kaniappan as required under Regulation 36(3) of the Listing Regulations and Secretarial Standard on General Meetings (SS2) is annexed to the Notice. The draft letter of appointment setting out the terms and conditions of appointment of NE-ID will be available for inspection without any fee by the members at the Registered Office of the Company, No. 12, "Chaitanya", Khader Nawaz Khan Road, Nungambakkam, Chennai – 600006, Tamil Nadu, India, during office hours as stated above and shall also be uploaded on the website of the Company at www.sundaram-clayton.com.

Except Mr P Kaniappan, none of the Directors or any Key Managerial Personnel or any of their relatives is, in anyway, concerned or interested, financially or otherwise in the above resolution as set out in Item No. 4 of this Notice.

The Board, therefore, recommended the Special Resolution as set out in Item No. 4 of this Notice, for appointment of Mr P Kaniappan, as

a Non-Executive Independent Director of the Company, for approval of the members.

Item No. 5 and 6

In terms of Section 148 of the Companies Act, 2013 (the Act, 2013), the Company is required to carry out an audit of cost records maintained for the production of goods covered under the specific Customs Tariff Act headings specified under Table B "Non-regulated sector" of Section 3 of the Companies (Cost Records and Audit) Rules, 2014.

In accordance with the Composite Scheme of Arrangement, the die casting business had been demerged and vested with the Company effective 11th August 2023. The Board of Directors based on the recommendation of the Audit Committee at their meeting held on 10th November 2023 appointed M/s. C S Adawadkar & Co having Firm Registration No. 100401 as Cost Auditor for the period 11th August 2023 to 31st March 2024 on a remuneration of ₹ 5,00,000/- subject to applicable taxes in addition to reimbursement of travel and out of pocket expenses, subject to ratification by the Shareholders of the Company.

Further, as recommended by the Audit Committee, the Board of Directors at their meeting held on 10th May 2024, re-appointed them as Cost Auditor of the Company on the same remuneration for the financial year 2024-25, subject to ratification by the Shareholders of the Company.

In terms of Section 148 (3) of the Act, 2013, read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor, as recommended by the Audit Committee and approved by the Board of Directors, is required to be ratified by the shareholders of the Company at the ensuing AGM of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested financially or otherwise, in the resolutions as set out in Item No.5 and 6 of this Notice. The Directors, therefore, recommend the ordinary resolutions, as set out in Item No.5 and 6 of this Notice for ratification of remuneration payable to the Cost Auditor of the Company.

The same was paid to the members on 18th April 2024.

The Board does not recommend any further dividend for the year under consideration. The dividend pay-out is in accordance with the Company's Dividend Distribution Policy.

The Board is not considering any transfer of amount to General Reserves for the year under review, as it is not mandatorily required.

4. PERFORMANCE

Indian economy:

India's real Gross Domestic Product (GDP) is estimated to have grown by 7.6% in FY24 as against a growth of 7.2% in FY23 on the back of buoyant domestic demand. Headline inflation softened to 5.49% in FY24, from 6.70% in FY23.

Sundaram-Clayton Limited (Formerly known as Sundaram-Clayton DCD Limited)

According to the World Bank, the World economies' GDP grew at 2.6% in 2023 against the growth rate of 3.0% in 2022.

US economy:

The US recorded GDP growth of 2.5% in 2023 compared to the growth of 1.9% in 2022. Despite high interest rates, retail spends remained strong during the year, inflation went down from 8.0% in 2022 to 3.4% 2023.

EU economy:

The GDP growth in Europe (EU27) slowed from a 3.4% in 2022 to 0.4% in 2023. The slowdown was more pronounced in the second half of the year. Consumer expenditure expanded only slightly, as consumers were reluctant to spend more in the face of high inflation, high interest rates and economic uncertainty. Yet, the robust labour market prevented a greater slowdown.

Company's Performance:

The Company posted its significant growth both in turnover and profit terms during the year by focusing on making systemic improvements across the organization, by improving productivity & quality and by delivering the products to the customer on-time. This is despite the adverse macro-economic factors, supply chain disruptions due to conflicts in Red Sea and the Middle East.

The following table highlights the performance of SCL India during FY 2023-24:

Particulars	FY 2023-24
Sales (Tonnage)	43,333
Sale of goods (₹ in Cr)	1987.7
Domestic sales (₹ in Cr)	1034.1
Export sales (₹ in Cr)	953.6
Profit before Tax (₹ in Cr)	123.5

The revenue of the Company is derived from Medium & Heavy Commercial Vehicles (MHCV) segment (62%), followed by Two-wheeler segment (19%) and the Passenger Vehicle segment (19%).

5. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. INDUSTRY STRUCTURE AND DEVELOPMENT

India:

The segment wise performance in the Indian automotive industry (Domestic sales + Exports) was as below.

(Figures in '000 nos)

Category	FY 2023-24	FY 2022-23	Variance (in %)
Two Wheelers	21,432	19,515	9.8
Passenger Vehicles	4,891	4,553	7.4
Commercial Vehicles (M&HCV)	425	410	3.7

(Source: SIAM+DICV internal estimate)

On the backdrop of a robust economic growth of 7.6% based on conducive policies of Government of India, the Indian Automobile Industry has posted a satisfactory performance.

The two-wheeler (2W) segment experienced approximately 10% growth, driven by increased model availability, the introduction of new products, and a positive market sentiment. This growth occurred alongside the burgeoning electric vehicle (EV) market and strategic launches in the premium segment.

The passenger vehicle (PV) segment grew by 7.4% reaching an all-time high. This was fuelled by enhanced vehicle availability, an

attractive model mix, and substantial contributions from the SUV segment, which now commands a 50% market share.

Demonstrating adaptability to market dynamics, medium and heavy commercial vehicle (MHCV) segment witnessed a growth of approximately 4%. This was facilitated by improved vehicle supply, as well as notable purchases stimulated by government's thrust on building infrastructure.

Moreover, the year underscored the industry's commitment to sustainability as it began manufacturing vehicles compliant with 20% Ethanol. Notably, there was a remarkable growth of 90% in Electric Passenger Vehicles and 30% in Electric Two-Wheelers.

North America & EU

The following table highlights the North American and European truck registration figures in vehicle units:

(Figures in '000 Nos)

Market	Category	FY 2023-24	FY 2022-23	Variance (in %)
North America	Class 8 Trucks	327	325	0.6
North America	Class 5-7 Trucks	253	230	10.0
Europe	Heavy trucks (>16T)	342	312	9.6

(Source: FTR & ACEA)

North America: The Class 8 trucks sales were flat in 2023-24, high inflation and interest rates were major threats to the Class 8 truck demand. Their sales defied the recession fears fleet replacement, strong consumer spending and stable freight rates and registered a flat growth of 1% in 2023-24 on a high base of last year.

EU: In the EU markets, heavy commercial vehicles (>16 Ton category) registered a decent growth of approx. 10% in FY 2023-24 compared to FY 2022-23. Within the region's largest markets, only Poland remained in negative territory (-8%), while all the other high-volume EU markets for heavy trucks recorded growth in FY 2023-24: Germany (+17%), Spain (+9%), Italy (+9%) and France (+7%).

II. BUSINESS OUTLOOK AND OVERVIEW

The business environment is expected to be challenging in export markets and healthy in India during FY 2024-25. The Company is optimistic about its future considering the following scenario in all major markets that are of interest to the Company.

India:

In the Budget 2024-25, the Government has increased the outlay for capital expenditure (capex) on infrastructure sector by 11% from ₹ 10 lakh crore to ₹ 11.11 lakh crore. Current Account Deficit (CAD) is expected to decrease to below 1% of gross domestic product (GDP) in FY24. This reduction is due to well managed goods trade deficit, enhanced net services receipts, rising remittances, and overall macroeconomic stability. In FY25, inflation is expected to be within the comfort range of RBI and GDP growth rate is expected to be in the range of 6.5% to 7.5%.

In the medium term, there are various initiatives in place to continue India's growth momentum. Production Linked Incentives for Automotive & Auto Component sector and other sectors are expected to strengthen the manufacturing sector in India, special focus on setting up semiconductor manufacturing in India are going to be major drivers for Auto industry's growth.

Sundaram-Clayton Limited (Formerly known as Sundaram-Clayton DCD Limited)

In FY25, the sales of Passenger Vehicle and MHCV segments in India are expected to register around 6% and 11% growth respectively and the sales of Two-wheelers are expected to grow by around 10%.

Global scenario:

Global growth is set to slow further in 2024 amid tight monetary policy, restrictive financial conditions, and feeble global trade and investment.

Global GDP growth rate is expected to decelerate to 2.4% in 2024 from 2.6% in 2023, due to geopolitical strife and Red Sea issue in the Middle East along with elevated central bank policy rates to fight inflation, withdrawal of fiscal support amid high debt weighing on economic activity, and low underlying productivity growth.

Downside risks include further escalation of the recent conflict in the Middle East, financial stress, persistent inflation, trade fragmentation, and climate-related disasters.

North America:

In 2024, the U.S. economy is expected to maintain the GDP growth rate of around 2.1% to 2.5%, like the growth rate of 2023. The Fed interest rate remained the same at 5.4% throughout 2023 and are estimated to go down to 4.6% to 4.0% in 2024 as inflation eases. The U.S. Class 8 truck market volumes are expected to degrow by 10% to 15% in FY 2025.

EU:

Europe's economy has struggled to regain momentum following the pandemic, hamstrung by high inflation and rapid interest rate hikes to combat it. A surge in energy prices in 2022 triggered by Russia's full-scale war on Ukraine early that year was particularly painful and natural gas prices remain high in Europe.

Europe's biggest economy, Germany, is languishing as its output shrank last year for the first time since the onset of the pandemic. The sales of EU heavy commercial vehicles (>16 Ton category) in FY 2025 are expected to drop by 10% to 15%.

To summarize the export market outlook, the truck industry in the US and the EU is expected to drop in FY25.

III. Opportunities & Threats

The Company supplies aluminium castings for commercial vehicles, passenger cars and two-wheeler segments of the automotive industry.

In the long term, technology changes such as stringent emission norms, fuel economy regulations, adoption of alternate drivetrain technologies, etc., are the major challenges the industry needs to tackle. Global truck manufacturers are already offering zero emission vehicles in the US and the EU. However, the thrust towards light-weighting and zero emission vehicles is bound to increase leading to higher content of aluminium in all vehicle types. This shift to zero emission vehicles provides increased growth opportunities to the Company and it is well placed to leverage these emerging opportunities, being a preferred source for aluminium castings to major OEMs in India, the US and the EU.

Many companies are expected to move out of China, which is a major source of supplies for automotive parts. This is expected to provide additional growth opportunities to the Company.

OEMs are estimating carbon footprint in every leg of their supply chain to move towards net zero emissions and would eventually reorganize their global purchasing strategies, which could

result in a strong push for localization to cut down their carbon footprint. The threat to business from this potential change in sourcing policy is mitigated as the Company has already set up a manufacturing in the US. The Company is closely monitoring these developments and will act to capitalize on business opportunities to ensure continued growth. The Company is also taking various green initiatives across its manufacturing sites and working to use more renewable energy in its manufacturing processes as part of its sustainability measures. For example, the Thervoy Kandigai plant is expected to use 80% of its total energy needs through renewable sources.

Several Indian die casting companies and OEMs have set up or have been setting up new capacities over the past few years. The Company will be continuing its actions to secure new businesses to ensure better utilization of assets despite the increased competition and cost.

Intense competition makes it extremely difficult to seek price increases to compensate the effects of inflation bringing the margins under severe pressure. However, the Company's supply contracts provide for periodic price adjustments indexed to the domestic and international prices of aluminium and this should offer some protection against volatility of commodity prices. The Company is practicing strong cost reduction initiatives including VAVE to mitigate the margin pressures.

IV. RISKS AND CONCERNS

Macroeconomic risks

There are several possible risks on the horizon, around 70 countries will have elections and 55% of world population will see votes, any post-election policy changes in those countries can have impact on global trade relations. Other geopolitical tensions like wider war within Middle East region due to Israel-Palestine conflict and Russia-Ukraine war may disrupt global stability and impact crude oil prices, freight rates, commodity prices, global trade, and investor confidence. India faces risks from food supply shocks due to adverse weather or distribution disruptions, affecting inflation and economic stability. Despite these risks, India's economy has been resilient, with robust GDP growth and positive sentiment.

Industry and Company specific risks

The truck sales in the US and the EU are expected to witness significant drop in FY 2025.

In India, increase in manufacturing activity, steady agricultural output, and the government's increased spending on infrastructure are all expected to drive the demand. Lack of monsoons could lower the GDP.

Significant unfavourable movement in prices of key raw material, aluminium, in global markets is one key factor that can affect the profit margins of the Company. Increase in power tariff domestically can impact financial performance in FY25. The management is continuously monitoring the costs of raw material & logistics and taking appropriate cost reduction measures or contract price negotiations to maintain and improve the profit margins.

Shifting the operations to the new plant at Thervoy Kandigai SIPCOT could lead to increased costs initially both for inventory building as well as operating costs, but once the plant stabilizes, the risk will be mitigated.

Forex

With significant exports, import of raw materials and capital goods, the Company is always exposed to impact on account of currency

Sundaram-Clayton Limited (Formerly known as Sundaram-Clayton DCD Limited)

fluctuations. However, the Company has a well-defined forex hedging policy to mitigate the risks.

Contractual

The stipulation and requirements of the automobile industry demands high quality products. Robust quality management systems meeting international standards like IATF 16949 are in place to ensure excellent product quality. Additionally, the Company has also taken appropriate recall and product liability insurance in line with standard industry practice.

Just-in-time delivery is another important contractual obligation. Robust quality and project management systems are in place to avoid delay in deliveries due to quality issues or project implementation.

Capacity utilization

The Company adds capacity as required, in existing and new locations, to meet the projected demand of customers. The Company closely monitors the progress of customer projects/volumes and appropriately deploys the assets to protect from both underutilization and capacity shortages to meet the demand.

Risk Management Policy

The Board has established a Risk Management Policy which formalizes the Company's approach to overview and manage material business risks. The policy is implemented through a top down and bottom-up approach for identifying, assessing, monitoring and managing key risks across the Company's business units.

Risks and effectiveness of their management are internally reviewed and reported regularly to the Board. The Management has reported to the Board that the Company's risk management and internal compliance and control system is operating efficiently and effectively in all material respects.

The Board is satisfied that there are adequate systems and procedures in place to identify, assess, monitor and manage risks. The Audit Committee also reviews reports by members of the management team and recommends suitable action. Risk Mitigation Policy has been approved by the Board.

V. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Board is accountable for evaluating and approving the effectiveness of the internal controls, including financial, operational and compliance. The Company has a proper and adequate internal control system to ensure that all the assets of the Company are safeguarded and protected against any loss and that all the transactions are properly authorized and recorded. Information provided to management is reliable and timely and statutory obligations are adhered to.

Company is strengthening the controls by leveraging technology and centralizing processes, enhancing monitoring, and maintaining effective tax and treasury strategies. The Audit Committee continues to monitor the effectiveness of internal control using new technologies that impact the financial controls and reporting enterprise risk.

Internal Financial Controls

The Company has an established Internal Financial Control framework including internal controls over financial reporting, operating controls, and anti-fraud framework. The framework is reviewed regularly by the management and tested by internal audit team and presented to the audit committee. Based on

periodical testing, the framework is strengthened, from time to time, to ensure adequacy and effectiveness of Internal Financial Controls.

VI. OPERATIONS REVIEW

A. Manufacturing

The Company has been using Total Quality Management (TQM) as the foundation of its management. The Company implemented the best practices like Total Productivity Management (TPM) and Lean Manufacturing (TPS) in its manufacturing facilities. During FY24, the Company continued working with mentors to improve its systems and processes. Significant aspect of the same is to synchronize our operations with customer demand. This will bring in better planning and execution system along with control over inventories in the pipeline. It also has in place best-in-class practices for safety, pollution control, work environment, water and energy conservation.

Continuous improvement projects are implemented for betterment of the product quality and operational efficiency in all the manufacturing locations. Re-energizing TPM practices helped in improving the equipment reliability and consequently plant Overall Equipment Effectiveness (OEE). The Company has also initiated various projects towards deploying Industry 4.0 practices through connected machines. This will be scaled up in the coming years and is expected to bring significant gains in operational efficiencies across manufacturing locations.

The Company's journey of achieving manufacturing excellence was recognized and rewarded by the following customers during FY24.

- Ford – Awarded for “Launch Quality and supply of the Panther ladder frame” program
- VECV - Received “Outstanding Contribution in Cost & Capacity Excellence”
- Hanon - Received “Best project award” during their problem-solving completion
- DICV - Won “Runner up (Second)” position during Kaizania event in Nov-23
- HMIL - Won “Best performance award for ESG”
- DAF – Received the “Leader Award”

In line with the Company's vision, work is being done on developing several futuristic technologies that will bring value to the customer.

B. Quality

Achieving customer delight by consistently providing products of excellent quality is the prime motto of the Company. This is achieved through state-of-art technology, training, effective quality system, continuous improvement, and total employee involvement.

Poka-yokes, process audits, use of statistical tools for process optimization and online process controls also contribute towards improving and achieving consistency in product quality. During the year special focus has been given on advanced statistical methods and widespread use of Taguchi DOE methodology to further improve the product quality. The quality system is certified for IATF 16949 requirements.

TQM is a way of life in the Company. 100% employee involvement has been successfully achieved for many years.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Employees have completed 314 projects by applying statistical tools through Quality Control Circles (QCC) in FY24. The average number of suggestions implemented per employee was 45.

C. Cost management

Cost management is a continuous journey, and the Company manages the same through rigorous deployment, monitoring, and control of costs across all departments. Cross functional teams are working on projects focussed on Value Added / Value Engineering (VA/VE) and improving operational efficiency. TPM and Lean initiatives are deployed Company-wide to achieve reduction in manufacturing cost. Given the cost pressures due to the current inflationary pressures, significant cross functional team working ensured mutual cross learning and fast horizontal deployment of ideas/projects across our manufacturing locations.

D. Information Technology

The Company uses ERP system that integrates all business processes across the Company. Suppliers and customers are also integrated into the system for better planning and execution. During FY24, IT road map for organization was laid out and deployment of Industry 4.0 projects was initiated to monitor, control and improve manufacturing processes and quality. The Industry 4.0 projects have progressed as per plan and selected cells in all the factories are connected. The Company continues to improve the cyber security controls and mechanisms and plans to go for ISO 27001 certification that would place the Company amongst the leaders in the auto component industry. As we move towards digitalization of our processes and systems, special focus is being given to enhance the Information Security of our networks with a special emphasis on cyber security aspects. These digitalization measures across various functions will ensure all the processes and systems are optimised and aligned to deliver customer delight.

VIII. HUMAN RESOURCE DEVELOPMENT

The Company considers employees as vital and most valuable assets. Human Resource Development (HRD) is aligned to business needs to enhance business performance and results. HRD is practiced through an overall HRD framework with its constituents as resourcing, employee engagement, performance & compensation management, competency-based development, career & succession planning and organization development. Each of these constituents has a structured approach and process to deliver. The information on the number of persons employed

have been provided in Business Responsibility and Sustainability Report (BRSR) (Annexure V)

As a part of the long-term strategy of the Company, collaborative education program has been initiated with three reputed institutes to develop role-ready engineers with Company-specific knowledge at the entry level. The Company also revamped and launched the yellow belt and green belt programs during the year along with various other systems-oriented training programs. This is expected to not only help solve chronic problems faced on the shop floor but also help in building the competency of our engineers in structured problem solving.

Career development workshop is conducted to identify high potential employees. Such employees are groomed for taking up higher responsibilities. A reward and recognition systems are in place to motivate and also provide fast track growth for the high potential employees.

Our engineers and executives are sponsored for advanced study offered by both Indian and foreign institutions. Customized technical and leadership competency improvement programs are developed and delivered through reputed institutions.

The Company continuously measures and reports employee engagement every year and identifies improvement areas to work on.

An excellent industrial relations environment continues to prevail at all the manufacturing units of the Company.

IX. ENVIRONMENT, HEALTH & SAFETY

The Company is fully committed towards employee safety. Safety management is integrated with the overall Environment, Health and Safety (EHS).

The Company has been certified under Integrated Management System (IMS) combining ISO 14001 and ISO 45001 systems and procedures.

The Company is working on its Sustainability roadmap by engaging with a reputed external agency. The Company has already mapped the carbon footprint of its Indian operations and is now working on detailed roadmap with actions to achieve carbon neutrality.

X. CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates and expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, amongst others, economic conditions affecting demand / supply and price conditions in the domestic and overseas market in which the Company operates, changes in the Government Regulations, Tax Laws and Other Statutes and Incidental Factors.

7. DIRECTORS' RESPONSIBILITY STATEMENT

In accordance with the provisions of Section 134(5) of the Companies Act, 2013, ("the Act, 2013") with respect to Directors' Responsibility Statement, it is hereby stated that-

- i. in the preparation of annual accounts for the financial year ended 31st March 2024, the applicable Accounting Standards had been followed along with proper explanation relating to material departures, if any;

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

- ii. the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for the year under review;
- iii. the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

- v. the Directors, had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- vi. the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

8. CORPORATE SOCIAL RESPONSIBILITY (CSR)

During the financial year 2022-23, the Company did not have any operations, and hence, the requirement for contribution towards the Corporate Social Responsibility (“CSR”) activities were not applicable. However, consequent to the Demerger, contributions will be aligned with the profits generated during the financial year 2023-24 and also committed to actively participating in CSR endeavours.

As per the provisions of Section 135 of the Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, the Board of Directors constituted a Corporate Social Responsibility (CSR) Committee and also formulated and recommended a CSR Policy along with a list of projects/programmes to be undertaken for CSR spending by Srinivasan Services Trust (“SST”) and other eligible Trusts, which are falling within the CSR activities as specified under Schedule VII to the Act, 2013.

This commitment underscores our dedication to ethical and sustainable practices, as well as our responsibility towards society and the environment. It may also be noted that the CSR Committee has approved the projects or programmes to be undertaken by the SST and other eligible trusts for the year 2024-25, preferably in local areas including the manner of execution, modalities of utilisation of funds and implementation schedules and also monitoring and reporting mechanism for the projects or programmes, as required under the Companies (Amendment) Act, 2020.

Committed to social responsibility, the Company works to drive positive change in rural communities through the Srinivasan Services Trust (“SST”). SST prioritizes health, education, environmental wellbeing, and economic empowerment in these areas. The core approach centres around total community involvement, ensuring all stakeholders participate and that projects are sustainable in the long run. SST fosters integrated, holistic, and participatory village development, working together with both communities and the Government. This collaborative approach ensures sustainable progress in the villages supported. Over the past 28 years, SST has empowered over 60,000 women by organizing them into Self Help Groups (SHGs).

Furthermore, SST has implemented over 350 water conservation projects, including desilting tanks and irrigation channels, and has repaired and renovated over 2,600 pieces of rural government infrastructure. Looking ahead, SST is committed to continuous improvement.

In the last few years SST has stitched partnerships with several NGOs and Foundations to work on specific areas of water, health and hygiene, capacity building of SHGs, quality education and livelihoods through effective livestock management and entrepreneurship.

SST has won the following awards in FY 2024:

- Best CSR and Sustainability Practices Award 2022-23 (awarded in 2023-24) by Asian Centre for Corporate governance and Sustainability.
- Economic Times Human Capital Awards 2023 – Winner (Gold) in Change Management

A. CONSERVATION OF ENERGY

1. Measures taken in the year 2023-24:

- (i) Replaced the energy efficient (IE3 & IE4) motors casting and machine shop equipments.
- (ii) Replaced energy efficient compressor with 98% efficiency in casting shop – 2 Nos.
- (iii) Replaced HVLS fan instead of Mancooler fan
- (iv) Replaced the energy efficient heaters in Core Shop Core Box heaters.
- (v) Replaced Energy efficient blower fan in Cooling tower and reduced the fan power from 15 KW to 9KW
- (vi) Replaced Silcarb furnace instead vertical coil type furnace in 2 furnaces.
- (vii) Applied heat loss reduction Zirconia Coating in furnaces to reduce the heat loss.
- (viii) Reduced GDC Holding furnace capacity from 500Kg to 300kg for low volume parts.
- (ix) Replaced conventional switching device to Thyristor switching device with PID controller to reduce the power consumption in GDC furnaces.
- (x) Replace energy efficient VFD in 600-III kg Tower Furnace Blower fan.
- (xi) Replaced the energy efficient VFD in Vertical Die for man cooler.
- (xii) Replaced Energy Efficient (IE-3) HP pump for washing machine and Hot Oven circulation fan.
- (xiii) Implemented Thyristor controller for Washing Heater to save energy through Soft Switch through IGBT - 5 Nos
- (xiv) Combined of Hyd power pack for Fixture clamping operation which in machine shop equipment's
- (xv) Implemented Intermediate Running (ON/OFF) of Hydraulic power pack Motor in Fixture Clamping operation- 4 BFW make Horizontal Machining centers (HMC)
- (xvi) CNC Panel cooler interlocked with Emergency circuit and switched OFF the cooler when not is use -100 Machines
- (xvii) Introduced energy efficient air nozzle in die cleaning activity and air cleaning stations.
- (xviii) Idle time cut off of Hydraulic pumps, heaters, Coolant pump and conveyors.
- (xix) Utilized low capacity compressors during low production and Holidays.
- (xx) Introduced Inlet valve flow control in compressor main header to optimize the air flow & energy.
- (xxi) Compressor energy consumption reduction by air leak audit study and optimizing the compressed utilization across all plants.

(xxii) Replaced the conventional fans with HVLS (High Volume low speed fans) in the casting shops.

(xxiii) Interfaced the Variable Frequency Drive (VFD) for blowers, Die Coat pumps, Raw water and DM water supply pumps.

The above measures have resulted in an annual saving of about ₹ 253.92 Lakhs.

2. Proposed Measures FY 2024-25:

- (i) Replacement of energy efficiency screw Element in the existing compressor
- (ii) Implement Silcarb furnace instead vertical coil type furnace in Holding Furnaces.
- (iii) Introduce auto cut off in water chiller motor and Auto sprayer in PDC machines
- (iv) Implement heat loss reduction Zirconia Coating in Holding furnaces.
- (v) Replace conventional fans energy efficient BLDC and HVLS fans.
- (vi) Implement the Full / half operation mode in GDC Holding furnaces.
- (vii) Replace energy efficient silcarb furnaces.
- (viii) Implement air regulator for Die cleaning operation to reduce compressor energy consumption.
- (ix) Replace the immersed type coolant chiller with conventional stand alone chiller in HMC machines.
- (x) Implement VFD for VDCM power pack – 5 machines
- (xi) Idle time cut off of Hydraulic pumps, heaters, Coolant pump and conveyors.
- (xii) Replacement of energy efficient air dryers in Oragadam plant
- (xiii) Implement VFD for washing machine pumps in machine shop equipment's and Jet cooling in PDC machines.
- (xiv) Implement the servo motor in CAH cell.
- (xv) Replace ERBT furnace with LPG fired furnace in Oragadam Plant.
- (xvi) Replace the conventional light Solar street Light.
- (xvii) Introduce current sensor in shot blasting machine to avoid reshot blasting.

The above measures are expected to yield an annual saving of about ₹ 458.71 Lakhs.

3. Steps taken for utilizing alternate sources of energy:

During the year 2023-24, the Company has utilized power generated through wind and solar energy to an extent of 137.0 lakh units and 44.0 lakh units respectively.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

The Company also plans to continue the utilization of wind and solar captive energy (181 lakh units) during the year 2024-25.

4. Capital investment in energy conservation equipment:

Given the investments made in the previous year, there is currently no proposal for capital investment in energy conservation equipment.

B. TECHNOLOGY ABSORPTION FOR 2023-24

Research & Development (R & D)

1. Specific areas in which R & D is carried out by the Company
Completed activities:

- (i) Abrasive flow machining (AFM) automation phase 1 completed
- (ii) Fatigue test conducted and proved in rear cab anchorage produced using GISS process
- (iii) Initiated trials in GDC compressor housings to achieve as cast surface finish in volute area of < 8Ra
- (iv) Co-designed Aluminium battery housing casting for EV commercial vehicle.
- (v) AI based Auto defect recognition (ARD) software has been developed and implemented for Swing Arm X-ray image interpretation in online monitoring
- (vi) Implementation of Squeeze technology in GDC parts
- (vii) Conducted Design of Experiments (DOE) in process optimisation
- (viii) Developed and tested a prototype die with zero-degree draft
- (ix) Initiated IOT in dies

Ongoing activities:

- (i) New alloy development with high strength high ductility properties
- (ii) Structural parts validation using semi-Solid processing in HPDC
- (iii) Structural parts validation using high Vacuum technology
- (iv) Establishment of Abrasive flow machining (AFM) automation phase 2 and 3 for compressor housings
- (v) Proof of concept development using additive manufacturing processes for Aluminium prototyping
- (vi) Co-development of castings with Customer on process and material conversion for light weighting
- (vii) Online monitoring of die temperature using thermal imaging camera for automated process control

(viii) Lightweighting of castings using design and topology optimization

2. Benefits derived as a result of R & D:

- (i) Developed new die cast products for customers
- (ii) Increased competency attained through development of structural High Pressure Die Casting (HPDC) parts
- (iii) Quality improvement in existing parts
- (iv) Data capturing online through IOT in dies
- (v) Initiated enhancement of technical capability through co-developing EV battery housing casting

3. Future plan of action:

- (i) Development of new alloys for structural application
- (ii) Development of heat treatment for new HPDC Aluminium alloy
- (iii) Development of additive manufacturing facility
- (iv) Indigenization of die steel grades
- (v) High Vacuum technology implementation for structural parts
- (vi) Implementation of smart dies using IOT
- (vii) Upgradation of R&D testing facilities to cater EV component test requirements
- (viii) Inhouse prototype facility establishment

Data Relating to Imported Technology

Technology imported during the last three years reckoned from the beginning of the financial year – NIL

Expenditure on Research & Development – ₹ 6.02 Cr

C. FOREIGN EXCHANGE ACTUAL EARNINGS AND OUTGO

1. Export activities

Export during the period ended 31st March 2024 amounted to ₹ 651.93 Cr.

2. Total foreign exchange earned and used (₹ in Cr)

- a) Foreign exchange used : ₹ 61.24 cr

For the purpose of complying with the requirement of Regulation 24 of the Listing Regulations, the Company nominated one of the IDs of the Company on the Board of Sundaram Holding USA Inc., USA whose income / net worth exceeds of 20% of the consolidated income or net worth as the case maybe.

Copy of the said policy is available on the Company's website in the link provided in page no. 80 in this Annual Report.

5. Disclosures

5.1. Materially significant related party transactions:

All transactions entered into with related parties (RPTs), as defined under the Act, 2013 and the Listing Regulations during the financial year 2023-24 were in the ordinary course of business and at arm's length and do not attract the provisions of Section 188 of the Act and the rules made thereunder.

There were no materially significant transactions with the related parties during the year, which were in conflict with the interests, and hence no approval of the Company was required in terms of the Listing Regulations.

The transactions with the related parties, namely its subsidiary and associate companies, etc., of routine nature have been reported in the Annual Report, as per Indian

Accounting Standard 24 (IND AS 24) notified vide the Companies (Indian Accounting Standard) Rules, 2015. Details of related party transactions are enclosed as part of accounts for the year ended 31st March 2024.

Board at its meeting held on 26th March 2024 considered the proposal to seek the approval of members for the related party transactions entered / proposed to be entered for the FY 2024-2025, between the Company and TVS Motor Company Limited, a related party of the Company, which is considered material, on account of both proviso to Regulation 23(1) of the Listing Regulations, 2015 as well as the RPT Policy of the Company, despite being in the ordinary course of business and on arm's length basis.

5.2. Related Party Transaction Policy:

The Board has formulated a policy on related party transactions. The Audit Committee reviews and approves transactions (RPTs) between the Company and related parties, as defined under the Listing Regulations, to ensure that the terms of such RPTs would reasonably be expected of transactions negotiated at arm's length and in the ordinary course of business. The Audit Committee meets prior to each scheduled Board meeting to review all RPTs of the Company on a quarterly basis.

In terms of Regulation 23 of the Listing Regulations, all RPTs for the succeeding financial year, with clear threshold limit, will be placed before the Audit Committee meeting convened during last quarter of the financial year for its recommendation to the Board for its approval, wherever required. RPTs entered during the financial year are reviewed at the same meeting for any upward revision in the threshold limit.

It was also ensured that none of RPTs involving payments with respect to brand usage or royalty during the financial year, exceeded five percent of the annual consolidated turnover of the Company as per the previous audited financial statements of the Company.

As per the Companies Act, 2013, any unforeseen RPT involving amount not exceeding ₹ 1 Cr per transaction entered into by a director or officer of the Company without obtaining prior approval of the Audit Committee and such transactions being RPTs can be ratified by the Audit Committee within three months from the date of such transaction. The Company has engaged an Independent audit firm for ensuring correctness of the approach in complying with both the criteria on arm's length price and ordinary course of business for all RPTs entered into by the Company, during the year under review.

Copy of the said Policy is available on the Company's website in the link as provided in page no. 80 of this Annual Report.

5.3. Disclosure of accounting treatment:

Pursuant to the notification, issued by the Ministry of Corporate Affairs dated 16th February 2015 relating to the Companies (Indian Accounting Standard) Rules, 2015, as amended from time-to-time, the financial statements for the year 2023-24 have been prepared in compliance with the said Rules.

5.4. Risk Management:

The Committee assists with the oversight of the Company's risk appetite, tolerance and strategy. The Company has established Risk Management Policy which formalizes its approach to the oversight and management of material business risks. The policy is implemented through a top down and bottom up approach for identifying, assessing, monitoring and managing key risks across the Company's business units.

Risks and effectiveness of management are internally reviewed and reported regularly to the Board. As a process, the risks associated with the business are identified and prioritized based on severity, likelihood and effectiveness of current detection.

It also monitors current and potential risk exposures, the effectiveness of the risk management framework and adherence to the various risk policies approved by the Board.

Such risks are reviewed by the Senior Management on regular basis. Process owners are identified for each risk and metrics are developed for monitoring and reviewing the risk mitigation.

The Board is satisfied that there are adequate systems and procedures in place to identify, assess, monitor and manage risks. The Risk Management Committee reviews the reports given by members of the management team and recommends suitable action.

Risk Management Committee

The Board of Directors at their meeting held on 11th August 2023, constituted the Risk Management Committee with the following Director's viz., M/s Sasikala Varadachari, C R Dua, Independent Directors and Dr. Lakshmi Venu, Managing Director and Vivek S Joshi, Director & CEO.

The composition of the Committee is in accordance with the requirements of Regulation 21 of the Listing Regulations. Ms Sasikala Varadachari is the Chairperson of the Committee. Mr P D Dev Kishan, Company Secretary acts as the Secretary of the Committee.

The committee during the year, inter-alia, reviewed the mitigation plans for the following critical risks viz., Cyber Threat and Business risks.

6. Nomination and Remuneration Committee (NRC)

The NRC assists the Board in its oversight of Board composition and the maintenance of an effective framework for succession planning. It also assists with the implementation of the Remuneration Policy, including the fixing of remuneration of the Executive and Non-Executive Directors, Key Managerial Personnel (KMPs) (other than Directors) and Senior Managerial Personnel (SMPs).

6.1. Composition of the Committee:

The Board of Directors at their meeting held on 11th August 2023, constituted the Nomination and Remuneration Committee with the following Director's viz., M/s. C R Dua, R Gopalan and Sasikala Varadachari, Independent Directors. Mr R Anandakrishnan was appointed as member of the Committee effective 10th May 2024.

The composition of the Committee is in accordance with the requirements of Regulation 19 of the Listing Regulations.

Mr C R Dua is the Chairman of the Committee. Mr P D Dev Kishan, Company Secretary acts as the Secretary of the Committee.

6.2. During the year, meetings of the Committee were held on 10th November 2023 and 9th February 2024 and all the members were present at the said meetings.

6.3. The broad terms of reference of the NRC are as under:

- Guiding the Board for laying down the terms and conditions in relation to the appointment and removal of Director(s), Key Managerial Personnel (KMP) and Senior Management Personnel (SMP) of the Company.
- Evaluating the performance of the Director(s) and providing necessary report to the Board for its further evaluation and consideration.
- Recommending to the Board on remuneration payable to the Director(s), KMP and SMP of the Company based on:
 - i. the Company's structure and financial performance and
 - ii. remuneration trends and practices that prevail in peer companies across the automobile industry.
- Retaining, motivating and promoting talent amongst the employees and ensuring long term sustainability of talented SMP by creation of competitive advantage through a structured talent review.

6.4. The role / scope of NRC is as follows:

- To make recommendations to the Board with respect to incentive compensation plans for Executive Director(s) and remuneration of NED(s) of the Company.

- To identify persons who are qualified to become Director(s)/ KMP and SMP of the Company.
- To recommend to the board for appointment / removal of Director(s), KMP / SMP of the Company.
- To formulate criteria for determining qualification, positive attributes and independence of a Director of the Company.
- To recommend to the Board a Policy for remuneration of Director(s), KMP and SMP of the Company.

6.5. Evaluation Criteria

The NRC lays down the criteria for evaluating the performance of every Director, Committees of the Board and the Board as a whole and the performance of KMP and SMP.

The performance evaluation of the Board as a whole was assessed based on the criteria, like its composition, size, mix of skills and experience, its meeting sequence, effectiveness of discussion, decision making, follow up action, quality of information, governance, oversight of different areas, risk management and internal controls, succession planning, and the performance and reporting by various Committees set up by the Board.

NRC prescribed a peer evaluation methodology by way of set of questionnaire to evaluate the performance of individual Directors, Committee(s) of the Board, Chairman and the Board as a whole, and the Board carried out the performance evaluation as per the methodology.

The performance evaluation of individual Director was carried out based on his / her commitment to the role and fiduciary responsibilities as a board member, attendance and active participation, strategic and lateral thinking, contribution and recommendations given professionally, heading / acting as Member of various Committees etc.

The performance of SMP is measured against their achievement of the business plans approved by the Board during and at the completion of the financial year and their annual performance incentive which reflects their business plan achievements. An evaluation of performance has been undertaken based on the criteria for all SMP and this has been in accordance with the above process.

NRC has the overall responsibility for evaluating and approving the compensation plans, policies and programmes applicable to the SMP. NRC also delegates its authority to the Executive Directors, wherever appropriate, for this purpose.

6.6. Remuneration Policy:

The Nomination and Remuneration Policy has been placed on the website of the Company. The details of the website link is available on the Company's website as provided in page no. 80 of this Annual Report.

The salient features of the policy are as follows: NRC formulates policies to ensure that –

- the level and composition of remuneration are reasonable and sufficient to attract, retain and motivate Director(s) of the quality required to run the Company successfully;
- the relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

- the remuneration to Director(s), KMP and SMP of the Company involve a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

6.7. Remuneration to Directors:

Executive Director(s)

The remuneration payable to CE & MD, MD and D & CEO is fixed by the Board and are within the limits approved by the shareholders in terms of the relevant provisions of the Act, 2013 read with Regulation 17 of the Listing Regulations.

Particulars of remuneration paid to Executive Directors are as follows:

(₹ in Cr)

Non-Executive / Independent Director(s)

Sitting fees

₹ 10,000/- each is paid to the Non-Executive Directors for every meeting of the Board and / or Committee thereof attended by them, which is within the limits, prescribed under the Act, 2013.

Effective 10th May 2024, the sitting fees has been increased to ₹ 20,000/- for attending each meeting of the Board / Committee by a Director.

Commission

The Company benefits from the expertise, advice and inputs provided by NE-IDs. NE-IDs devote their valuable time in deliberating on strategic and critical issues in the course of Board and Committee meetings of the Company and give their valuable advice, suggestions and guidance

to the management of the Company, from time to time and hence, NE-IDs are being paid by way of sitting fees and commission.

At the Extra-Ordinary General Meeting held on 27th July 2023, the Shareholders have approved payment of commission to Independent Directors, based on performance of the Company, not exceeding 1% of the net profits of the Company, in aggregate, subject to a maximum, as determined by the Board, for each such Director for every financial year effective 1st April 2023.

The amount of commission for every financial year will be decided by the Board, as approved by the shareholders at EGM held on 27th July 2023 subject to the limit of 1% of net profits of the Company, in aggregate, as calculated pursuant to Section 198 of the Act, 2013. A commission of ₹ 15 lakhs was approved at the Board Meeting held on 10th May 2024 to each NE-IDs, for the year 2023-24. The above compensation structure is commensurate with the best practices in terms of remunerating NE-IDs and it adequately compensates for the time and contribution made by NE-IDs.

The remuneration was determined by NRC considering the varying demands of the business, time commitment and other requirements of the role of Non-Executive Directors.

In terms of the amended Listing Regulations, it has also been ensured that the remuneration payable to one NE-ID does not exceed 50% of the total annual remuneration payable to all NE-IDs of the Company.

Presently, the Company does not have a scheme for grant of stock options either to the Directors or employees of the Company.

In the opinion of the Board, the Independent Directors appointed are persons of high repute, integrity and possesses the relevant expertise, experience and proficiency.

Independent Auditor's Report

To the Members of Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) ("the Company"), having its registered office at "Chaitanya", No.12, Khader Nawaz Khan Road, Nungambakkam, Chennai-600 006, Tamil Nadu which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the material accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31st March 2024, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have no reportable Key Audit Matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Annual Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Annual Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance) changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance, a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on the financial position in its standalone financial statements-Refer Note 36 (i) to the Standalone financial statements;
 - (ii) The company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses as at 31 March 2024;
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

(iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) As stated in Note No. 35(b) to the standalone financial statements dividend paid and declared during the year by the company is in compliance with section 123 of the Companies Act, 2013.

(vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure 'A' to Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company's Property, Plant and Equipment, right-of-use assets and Intangible Assets:

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Property, Plant and Equipment and right-of-use assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the Property, Plant and Equipment and right-of-use assets is reasonable having regard to the size of the Company and the nature of its assets.

(c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the standalone financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Discrepancies noticed on such physical verification, were less than 10% in aggregate for each class of inventory and have been properly dealt with in the books of account;

In respect of inventories with third parties, which have not been physically verified, there is a process of obtaining confirmation from such parties.

(b) The Company has been sanctioned working capital limits in excess of ₹ 5 crore during the year, from banks on the basis of security of current assets and in our opinion, the quarterly returns or statements filed by the company are in agreement with the books of accounts.

iii. The Company has made investments in companies during the year in respect of which:

(a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable;

(b) In our opinion, the investments made during the year are, prima facie, not prejudicial to the Company's interest.

(c) The company has not granted any loans or advances in the nature of loans hence reporting under clause 3(iii)(c) of the Order is not applicable.

(d) The company has not granted any loan or advances in the nature of loans hence reporting under clause 3(iii)(d) of the Order is not applicable.

(e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

(f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

The Company has not made investments in Firms and Limited Liability Partnerships during the year. Further the Company has not provided any security, guarantee or granted any advances in the nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or any other parties.

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of investments made. The company has not granted loans or provided any security or guarantee.

v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

vi. The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013 in respect of the products manufactured by the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under section 148(1) of the Companies Act, 2013 in respect of manufacture of products and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete;

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

vii. In respect of statutory dues:

- (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, Goods and service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable;
- (b) There are no dues in respect of income-tax, sales-tax, Goods and service tax, duty of customs, duty of excise and value added tax that have not been deposited with the appropriate authorities on account of any dispute except the following:

Name of the Statute	Nature of the dues	Period to which the amount relates	Forum where dispute is pending	Amount Involved (Rs. In Crore)
Goods and Service Tax Act, 2017	Goods and Service Tax	FY 2017-18	Commissioner (Appeals)	13.44

Goods and Service Tax Act, 2017	Goods and Service Tax	FY 2022-23	Commissioner (Appeals)	10.15

viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (Section 43 of 1961);

- ix. (a) The Company has not defaulted in repayment of loans or borrowings to any lender during the year;
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority;
- (c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained;

- (d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company;
- (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and hence reporting on clause 3(ix)(e) of the order is not applicable;
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable;
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable;
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable;
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year;
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report;
- (c) As represented to us by the management, there are no whistle blower complaints received by the company during the year;
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable;
- xiii. In our opinion, all transactions with the related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the requisite details have been disclosed in the standalone financial statements, as required by the applicable Ind AS;

- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures;
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company;
- xvi. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable;

Based on the information and explanations given to us and as represented by the management of the Company, the Group has 1 Core Investment Company;

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

- xvii. The Company has not incurred cash losses during the financial year covered by our audit however company has incurred cash losses amounting to ₹ 11,877/- in the immediately preceding financial year;
- xviii. There has been no resignation of the statutory auditors of the Company during the year;
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance

as to the future viability of the Company. We furtherstate that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due;

Annexure “B” to the Independent Auditors’ Report

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of subsection 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls over financial reporting of Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) (the “Company”) as of March 31, 2024 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1. Material Accounting Policies

The accounting policies mentioned herein are relating to the standalone financial statements of the Company.

a) Brief description of the Company

Sundaram-Clayton Limited ('the Company') is a public limited company incorporated in India whose shares are publicly traded. The registered office is located at Chaitanya, No.12, Khader Nawaz Khan Road, Chennai- 600006, Tamil Nadu, India.

The company manufactures non-ferrous gravity and pressure die castings. The Company has four manufacturing plants located in Tamil Nadu.

During the year under review, the entire manufacturing business of TVS Holdings Limited (formerly known as Sundaram-Clayton Limited) was demerged, transferred and vested into Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) effective 11th August 2023 on going concern basis in accordance with the Composite Scheme of Arrangement ("Scheme") amongst TVS Holdings Limited (formerly Sundaram-Clayton Limited) and TVS Holdings Private Limited and VS Investments Private Limited and Sundaram-Clayton Limited (formerly Sundaram-Clayton DCD Limited) and their respective shareholders and creditors sanctioned by the Hon'ble National Company Law Tribunal, Chennai Bench ("NCLT") vide its Order dated 6th March 2023.

b) Basis of preparation

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The financial statement has been prepared on the historical cost convention under accrual basis of accounting except for certain assets and liabilities (as per the accounting policy below), which have been measured at fair value. These financial statements for the year ended 31st March 2024 have been approved and authorised for issue by the Board of Directors at its meeting held on 10th May 2024.

c) Going Concern

The Company's financial statements have been prepared on a going concern basis.

d) Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity. It also provides an overview of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

e) Cost Recognition

Costs and expenses are recognised when incurred and are classified according to their nature. Expenditure are capitalized where appropriate.

f) Significant estimates and judgments

The areas involving significant estimates or judgments are:

- i) Estimation of defined benefit obligation - (Refer Note 32)
- ii) Estimation of useful life of Property, Plant and Equipment (Refer Note 1(j) and 1(k))

g) Revenue recognition

- i) Sale of products:

Revenue is recognized when the performance obligations are satisfied and the control of the goods is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the goods, customer has possession and legal title to the goods, customer bears significant risk and rewards of ownership and the customer has accepted the goods or the Company has objective evidence that all criteria for acceptance have been satisfied.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Material Accounting Policies - (continued)

ii) **Revenue from Services:**

Revenue from Services is recognised in the accounting period in which the services are rendered.

iii) **Dividend income:**

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established and it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be reliably measured.

h) Dividend:

Any dividend declared by Company is based on the profits available for distribution as reported in the statutory Standalone financial statements. Indian law permits the declaration and payment of dividend out of profits for the year or previous financial year(s) as stated in the statutory Standalone financial statements after providing for depreciation as per the Companies Act, 2013.

However, in the absence or inadequacy of the said profits, it may declare dividend out of free reserves, subject to certain conditions as prescribed under the Companies (Declaration and Payment of Dividend) Rules, 2014.

Interim dividends declared by the company during the reporting period are recognized as liability at the end of the reporting period.

i) Property, Plant and Equipment

Freehold Land is stated at historical cost.

All other items of Property, Plant and Equipment are stated at cost of acquisition/construction less accumulated depreciation / amortization and impairment, if any. Cost includes:

- (i) purchase price,
- (ii) taxes and duties,
- (iii) labour cost and
- (iv) directly attributable overheads incurred upto the date the asset is ready for its intended use.

However, cost excludes GST to the extent credit of the input tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Government grants relating to the purchase of property, plant and equipment are capitalized and included as cost to property, plant & equipment.

Gains or losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the Statement of Profit and Loss within Other gains/(losses).

j) Depreciation

i) Depreciation on property, plant & equipment is charged over the estimated useful life of the asset or part of the asset (after considering double/triple shifts) as evaluated by a Chartered Engineer and in accordance with Ind AS 16, taking into consideration both usage, useful life and legal limitations on the use of assets, on straight line method, in accordance with Part A of Schedule II to the Companies Act, 2013.

ii) The estimated useful life of the tangible property, plant & equipments as assessed by the Chartered Engineer and followed by the Company is furnished below:

Description	Years
Factory building and other buildings	30 to 64
Plant and Equipment	8 to 21
Electrical Equipment	15
Furniture and Fixtures	10
Computers	3
Mobile phones	1
Vehicles	6

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Material Accounting Policies - (continued)

- iii) The residual value for all the above assets is retained at 5% of the cost except for Mobile phones for which nil residual value is considered. Residual values and useful lives are reviewed, and adjusted, if appropriate, for each reporting period.
- iv) On tangible property, plant & equipments added / disposed off during the year, depreciation is charged on pro-rata basis for the period for which the asset was purchased and used.
- v) Depreciation in respect of tangible assets costing individually less than Rs.5,000/- is provided at 100%.
- vi) Premium on Leasehold land is amortized over the period of lease.

k) Amortization of Intangible assets

Intangible assets acquired are accounted at their acquisition cost and are amortised over their useful lives, viz., 2 years in the case of software.

l) Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period

m) Foreign currency transactions.

i) Functional and presentation currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). i.e in Indian rupees (INR) and all values are rounded off to nearest crores except where otherwise indicated.

ii) Transactions and balances:

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction.

(a) Foreign currency monetary assets and liabilities such as cash, receivables, payables, etc., are translated at year end exchange rates.

(b) Non-monetary items denominated in foreign currency such as investments, property, plant & equipments etc., are valued at the exchange rate prevailing on the date of transaction.

(c) Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the profit or loss in the year in which they arise.

n) Hedge accounting

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently remeasured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument and if so, the nature of the item being hedged. The Company designates certain derivatives as either:

- hedges of the fair value of recognised assets or liabilities or a firm commitment (fair value hedges)
- hedges of a particular risk associated with the cash flows of recognised assets and liabilities and highly probable forecast transactions (cash flow hedges), or
- hedges of a net investment in a foreign operation (net investment hedges).

The Company documents at the inception of the hedging transaction the relationship between hedging instruments and hedged items, as well as its risk management objective and strategy for undertaking various hedge transactions. The Company also documents its assessment, both at hedge inception and on an ongoing basis, of whether the derivatives that are used in hedging transactions have been and will continue to be highly effective in offsetting changes in fair values or cash flows of hedged items.

The fair values of various derivative financial instruments used for hedging purposes are disclosed in Note 33. Movements in the hedging reserve in shareholders' equity are shown in Note 34 (D). The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of the hedged item is more than 12 months; it is classified as a current asset or liability when the remaining maturity of the hedged item is less than 12 months.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges are recognized in the other comprehensive income in cash flow hedging reserve within equity, limited to the cumulative change in fair value of the hedged item on a present value basis from the inception of the hedge. The gain or loss relating to the ineffective portion is recognised immediately in the Statement of Profit and Loss, within other gains/(losses).

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Material Accounting Policies - (continued)

When forward contracts are used to hedge forecast transactions, the company generally designates only the change in fair value of the forward contract related to the spot component as the hedging instrument. Gains or losses relating to the effective portion of the change in the spot component of the forward contracts are recognised in other comprehensive income in cash flow hedging reserve within equity. In some cases, the entity may designate the full change in fair value of the forward contract (including forward points) as the hedging instrument. In such cases, the gains and losses relating to the effective portion of the change in fair value of the entire forward contract are recognised in the cash flow hedging reserve within equity.

Amounts accumulated in equity are reclassified to profit or loss in the periods when the hedged item affects the Statement of Profit and Loss (for example, when the forecast sale that is hedged takes place).

When a hedging instrument expires, or is sold or terminated, or when a hedge no longer meets the criteria for hedge accounting, any cumulative deferred gain or loss and deferred costs of hedging in equity at that time remains in equity until the forecast transaction occurs. When the forecast transaction is no longer expected to occur, the cumulative gain or loss and deferred costs of hedging that were reported in equity are immediately reclassified to the Statement of Profit and Loss within other gains/(losses).

o) Inventories

Inventories are valued at the lower of cost and net realisable value.

- i) Cost of raw materials, components, stores, spares are determined on a moving average basis.
- ii) Finished Goods and Work in Progress are valued at Standard cost.
- iii) Cost of finished goods and work-in-process comprises of Direct materials, Direct labour and an applicable proportion of Variable and Fixed overhead expenditure, Fixed Overhead Expenditure absorbed on the basis of normal operating capacity.
- iv) Costs are assigned to individual items of inventory on the basis of weighted average costs. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.
- v) Materials and supplies held for use in production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost. Slow and non-moving material, obsolescence, defective inventories are duly provided for.

p) Employee benefits

i) Short term obligations:

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognized upto the end of the reporting period at the amounts expected to be paid at the time of settlement.

ii) Other long term employee benefit obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are, therefore, recognized and provided for at the present value of the expected future payments to be made in respect of services provided by employee upto the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for atleast twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii) Post-employment obligation:

The Company operates the following post-employment schemes:

- a) Defined benefit plans such as gratuity for its eligible employees, pension plan for eligible senior managers; and
- b) Defined contribution plan such as provident fund.

Pension and gratuity obligation:

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the government bonds that have terms approximating to the terms of the related obligation.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Material Accounting Policies - (continued)

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income (net of deferred tax). They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Provident fund:

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company makes monthly contributions at a specified percentage of the covered employees' salary. The provident fund contributions are made to an irrevocable trust set up by the Company. The Company is generally liable for annual contributions and any shortfall in the fund assets based on the Government specified minimum rates of return and recognises such contributions and shortfall, if any, as an expense in the year in which it is incurred.

iv) Bonus Plans:

The Company recognises a liability and an expense for bonus. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

q) Taxes on income

Tax expense comprises of (i) current tax and (ii) deferred tax. The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the balance sheet method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

r) Provisions and contingent liabilities

i) Provision:

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties is accounted based on technical evaluation, when the products are sold.

Provisions are evaluated at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

ii) Contingent liabilities:

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

s) Segment reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

t) Leases

Leases are recognized as a right-of-use asset and a corresponding lease liability at the date at which the leased asset is available for use by the Company.

Contracts may contain both lease and non-lease components. The Company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the Company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Company under residual value guarantees
- the exercise price of a purchase option if the Company is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the Company exercising that option

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

To determine the incremental borrowing rate, the Company:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received
- uses a build-up approach that starts with a risk-free interest rate adjusted for credit risk for leases held by the Company which does not have recent third party financing, and
- makes adjustments specific to the lease, e.g. term, country, currency and security.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Variable lease payments that depend on sales are recognised in profit or loss in the period in which the condition that triggers those payments occurs.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise IT equipment and small items of office furniture.

u) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Material Accounting Policies - (continued)

readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

v) Trade receivables

Trade receivables are recognised initially at fair value after adjusting the transaction costs using the effective interest rate method, less provision for expected credit loss.

w) Investments and Other financial assets

i) Classification:

The Company classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through statement of profit and loss), and
- Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

ii) Measurement:

At initial recognition, the Company measures a financial asset at its fair value plus (in the case of a financial asset not a fair value through profit or loss) transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

iii) Equity instruments:

Subsequent to initial recognition, the Company measures all investments in equity (except of the subsidiaries / associates) at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there will be no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Company's right to receive payments is established.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately. Where the Company elects to measure fair value through profit or loss, changes in the fair value of such financial assets are recognised in the statement of profit and loss.

Investment in subsidiaries / associates:

Investment in subsidiaries / associates are measured at cost less provision for impairment.

iv) Impairment of financial assets:

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been significant increase in credit risk. Note 34(A) details how the company determines whether there has been a significant increase in credit risk.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected credit losses to be recognised from initial recognition of the receivables.

v) De-recognition of financial assets:

A financial asset is derecognised only when:

- a) the Company has transferred the rights to receive cash flows from the financial asset or
- b) the Company retains the contractual rights to receive the cash flows of the financial asset, but expects a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised, if the Company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Material Accounting Policies - (continued)

x) Borrowings

Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gain/(loss).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for over or at least 12 months after the reporting period.

y) Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

z) Government Grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants receivable as compensation for expenses or financial support are recognized in profit or loss of the period in which it becomes receivable.

Government grants relating to the purchase of property, plant and equipment are included in current / non-current liabilities as deferred income and are credited to profit or loss as and when the obligations are fulfilled.

aa) Current and Non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- expected to be realised or intended to be sold or consumed in the normal operating cycle
- held primarily for the purpose of trading
- expected to be realised within twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- it is expected to be settled in the normal operating cycle
- it is held primarily for the purpose of trading
- it is due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for atleast twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. In Company's considered view, twelve months is its operating cycle.

Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

Details	Gratuity	Pension	Leave Salary
	March 31, 2024	March 31, 2024	March 31, 2024
Discount rate	6.97%	6.97%	6.97%
Salary growth rate	5.50%	5.50%	5.50%
Mortality rate	IALM (2006-08) Ultimate		

Assumptions regarding future mortality for pension and medical benefits are set based on actuarial advice in accordance with published statistics and experience. These assumptions translate into an average life expectancy in years for a pensioner retiring at 58 years.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Notes on accounts – (continued)

(Rupees In crores)

(ii) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Gratuity	Change in assumption	Impact on defined benefit obligation	
		Increase in assumption	Decrease in assumption
Details	March 31, 2024	March 31, 2024	
Discount rate	0.50%	24.06	26.85
Salary growth rate	0.50%	26.86	24.03
Mortality rate	5.00%	25.40	25.39

Pension	Change in assumption	Impact on defined benefit obligation	
		Increase in assumption	Decrease in assumption
Details	March 31, 2024	March 31, 2024	
Discount rate	1.00%	8.35	10.66
Salary growth rate	1.00%	10.72	8.29
Mortality rate	5.00%	9.32	9.47

Leave Salary	Change in assumption	Impact on defined benefit obligation	
		Increase in assumption	Decrease in assumption
Details	March 31, 2024	March 31, 2024	
Discount rate	0.50%	8.35	9.11
Salary growth rate	0.50%	9.11	8.35
Mortality rate	5.00%	8.72	8.72

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied when calculating the defined benefit liability recognised in the balance sheet.

(iii) Risk exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility: The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments are in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit. The company has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The company intends to maintain the above investment mix in the continuing years.

Changes in bond yield: A decrease in bond yields will increase plan liabilities, although this will be partially offset by an yields increase in the value of the plans' bond holdings.

Inflation risks: In the pension plans, the pensions in payment are not linked to inflation, so this is a less material risk.

Life expectancy: The pension plan obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan liabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

Defined contribution plans:

The Company's contribution to defined contribution plan i.e., provident fund of Rs. 5.28 crores has been recognised in the Statement of Profit and Loss.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfers between levels 1 and 2 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of interest rate swaps is calculated as the present value of estimated cash flows based on observable yield curves.
- the fair value of forward exchange contract and principal only swap is determined using forward exchange rate at the balance sheet date.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

FVTPL - Fair value through statement of Profit and Loss; FVOCI - Fair value through Other Comprehensive Income.

34 FINANCIAL RISK MANAGEMENT

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Risk Parameters and Mitigation
Market Risk - Foreign exchange		<ul style="list-style-type: none"> i) The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions. ii) Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR). iii) The risk is measured through a forecast of highly probable foreign currency cash flows. The Company has a forex management policy which is duly approved by the Board. iv) The objective of the hedges when taken is to minimise the volatility of the INR cash flows of highly probable forecast transactions.
Market Risk - Interest rate	Foreign currency denominated borrowings	<ul style="list-style-type: none"> i) The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow risk. ii) Company's policy is to maintain most of its borrowings at fixed rate using interest rate swaps. The Company's fixed rate borrowings are carried at amortised cost. iii) Foreign currency borrowings are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.
Liquidity risk	Borrowings (Other than soft loans given by Govt. Authorities)	<ul style="list-style-type: none"> i) The company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans. ii) The Company prepares a detailed annual operating plans to assess the fund requirements - both short term and long term. iii) Detailed month wise cash flow forecast is also carried out along with required sensitivities. Based on these factors adequate working capital credit limits are organised in advance. iv) Company has pre-approved credit lines with various banks and these are constantly reviewed and approved by the Board. v) For long term fund requirements, Company targets various options such as rupee term loan, external commercial borrowing, debentures etc. vi) The Company obtains a credit rating for the various borrowing facilities on annual basis. Company constantly monitors the free cashflow from operations to ensure that the borrowings are minimized.
	Credit Risk	<ul style="list-style-type: none"> i) Credit risk primarily arises from cash and cash equivalents, trade receivables and investments carried at amortised cost. ii) The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. iii) To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. iv) It considers available reasonable and supportive forward-looking information (more specifically described below). v) A default on a financial asset is when the counterparty fails to make contractual payments within 180 days of when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.
a.	Cash and Cash Equivalents	Surplus cash is deposited only with banks / financial institutions with a high external credit rating.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Notes on accounts – (continued)

b.	Domestic Trade Receivables	<p>i) The Company extends credit to the customers and such extension of credit is based on customers' credit worthiness, ability to repay and past track record.</p> <p>ii) The Company has extensive reporting systems and review to constantly monitor the receivables.</p>
c.	Export Trade Receivables	The Company's export customers are Original Equipment Manufacturers with high credit rating. Export receivables are also covered through Insurance with Export Credit Guarantee Corporation of India Limited.
	Export trade receivables and Import Payables	<p>i) The company has a forex management policy duly approved by the Board. The Company's policy is to hedge most of its net currency exposure.</p> <p>ii) Company reviews the forex exposure on a regular basis and also reports its adherence to the Board on a quarterly basis. The recording and reporting requirements are strictly adhered.</p>
	Foreign currency denominated borrowings	The company has hedged its borrowings by covering the principal repayments using Principal Only Swaps and cost reduction structure viz., Call Spread under the approved Forex management policy.

(A) Credit risk

Basis of recognition of expected credit loss & providing for such loss

Rating	Category	Description of category	Investments	Loans and deposits	Trade receivables
1	High Quality assets, negligible credit risk	Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil.	12 month expected credit losses	12 month expected credit losses	Life time expected credit losses (simplified approach)
2	Quality assets, low credit risk	Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past.			
3	Standard Assets, moderate credit risk	Assets where the probability of default is considered moderate and where the counter-party's capacity to meet the obligations is not strong.			
4	Substandard Assets, relatively high credit risk	Assets where there has been a significant increase in credit risk since initial recognition.	Life time expected credit losses		
5	Low quality assets, very high credit risk	Assets where there is a high probability of default. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 180 days past due.			
6	Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in statement of profit and loss.	Asset is written off

Opinion

We have audited the accompanying consolidated financial statements of Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), and its associate, which comprise the Consolidated Balance Sheet as at 31st March, 2024, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act 2013, ('the Act') in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31st March, 2024, the consolidated loss, the consolidated total comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI)*, together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion on the consolidated financial statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of the most significant in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have no reportable Key Audit Matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors and management are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance, for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that gives a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associate, in accordance with the Ind AS and other accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associate are responsible for assessing the ability of the each of the companies in the Group and its associate, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and its associate or to cease operations, or has no realistic alternative but to do so.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

The respective Board of Directors of the companies included in the Group and its associate, are responsible for overseeing the financial reporting process of each of the companies in the Group and its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher, than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its associate which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the companies in the Group and its associate, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Group and its associate, to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. The accompanying consolidated financial statements include 7 subsidiaries located outside India whose financial information and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries. The Holding Company's Management has converted this financial information from accounting principles generally accepted in their respective countries, to Indian accounting standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's Management. These financial statements have not been audited by their respective auditors, which reflects total assets (before consolidation adjustments) of 1052.60 crores as at 31st March, 2024, total revenue (before consolidation adjustments) of ₹ 113.50 crores, total net loss after tax (before consolidation adjustments) of ₹ 182.48 crores for the year ended 31st March, 2024, total net cash outflows (before consolidation adjustments) of ₹ 12.42 crores for the year ended on that date, as considered in the consolidated annual financial statements. These unaudited financial statements and other unaudited financial information have been furnished to us by the management.

Our opinion on the consolidated annual financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters based on the audit

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

procedures carried out by us on separate financial statements of the subsidiaries and the financial statements/ financial information certified by the Management.

2. The Consolidated Financial Statements also include the Group's share of net profit of Rs 0.22 crore for the year ended 31st March, 2024, as considered in the Consolidated Financial Statements, in respect of 1 associate, whose financial statements, other financial information have not been audited and whose unaudited financial statements, other unaudited financial information have been furnished to us by the Management.

In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are not material to the Group.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to Consolidated Financial Statements of those companies;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- (i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. - Refer Note 36(i) to the consolidated financial statements;
- (ii) The company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses as at 31st March, 2024;
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its associate company incorporated in India;
- (iv) (a) The Management of the Company which is a company incorporated in India, whose financial statement have been audited under the Act, have represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management of the Company which is a company incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company which is a company incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement;

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

(v) As stated in Note No. 35(b) to the consolidated financial statements dividend paid and declared during the year by the company is in compliance with section 123 of the Companies Act, 2013;

(vi) Based on our examination which includes test checks the holding Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software. During our audit we did not come across any instance of the audit trail feature being tampered with.

Further, the Group includes 7 subsidiaries located outside India for which the requirement of audit trail does not apply.

Furthermore, the Group includes 1 associate whose books are unaudited. In our opinion and according to the information and explanations given to us by the Management, this unaudited financial statement is not material to the Group.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors)

Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, the subsidiaries included in the consolidated financial statements are located outside India and do not require to obtain the CARO report as required by the Act. Further, based on the CARO report issued by us for the company we report that there are no qualification or adverse remarks given.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2024, we have audited the internal financial controls over financial reporting of Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) (hereinafter referred to as the 'Holding Company') and its associate company which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company which is a company incorporated in India, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company which is a company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of

internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the company and its associate company, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its associate company which are incorporated in India, have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by Institute of Chartered Accountants of India.

Other Matter

The accompanying consolidated financial statements includes financial statements and other financial information of 7 subsidiaries located outside India, which reflects total assets (before consolidation adjustments) of 1052.60 crores as at 31st March, 2024, total revenue (before consolidation adjustments) of Rs. 113.50 crores, total net

loss after tax (before consolidation adjustments) of Rs. 182.48 crores for the year ended 31st March, 2024, total net cash outflows (before consolidation adjustments) of Rs 12.42 crores for the year ended on that date. The requirement of reporting on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") is not applicable on these subsidiaries.

Our opinion is not modified with respect to the above matter

Consolidated Financial Statements of Sundaram-Clayton Limited

1. Material Accounting Policies

The accounting policies mentioned herein are relating to the Consolidated financial statements of Sundaram-Clayton Limited and its subsidiaries and associates.

a) Brief description of the Company

Sundaram-Clayton Limited ('the Company') is a public limited company incorporated in India whose shares are publicly traded. The registered office is located at "Chaitanya", 12, Khader Nawaz Khan Road, Nungambakkam Chennai – 600006, Tamil Nadu, India. The Company together with its subsidiaries and associates (collectively referred to as the "Group") operate in the activities of manufacturing automotive components.

During the year under review, the entire manufacturing business of TVS Holdings Limited (formerly known as Sundaram-Clayton Limited) was demerged, transferred and vested into Sundaram-Clayton Limited (formerly known as Sundaram-Clayton DCD Limited) effective 11th August 2023 on going concern basis in accordance with the Composite Scheme of Arrangement ("Scheme") amongst TVS Holdings Limited (formerly Sundaram-Clayton Limited) and TVS Holdings Private Limited and VS Investments Private Limited and Sundaram-Clayton Limited (formerly Sundaram-Clayton DCD Limited) and their respective shareholders and creditors sanctioned by the Hon'ble National Company Law Tribunal, Chennai Bench ("NCLT") vide its Order dated 6th March 2023.

b) Basis of preparation

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The Group's financial statements have been prepared on a going concern basis.

The financial statement has been prepared on the historical cost convention under accrual basis of accounting except for certain assets and liabilities (as per the accounting policy below), which have been measured at fair value. These financial statements for the year ended 31st March 2024 have been approved and authorised for issue by the Board of Directors at its meeting held on 10th May 2024.

Principles of Consolidation

Business Combination:

Acquisitions of subsidiaries and businesses are accounted for using the acquisition method. Acquisition related costs are recognised in profit or loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the conditions for recognition are recognised at their fair value at the acquisition date, except certain assets and liabilities that are required to be measured as per the applicable standard.

Purchase consideration in excess of the Company's interest in the acquiree's net fair value of identifiable assets, liabilities and contingent liabilities is recognized as goodwill. Excess of the Company's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the purchase consideration is recognised, after reassessment of fair value of net assets acquired, in the Capital Reserve.

Subsidiaries

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together, items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests (if any) in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet, respectively.

Associates

Associates are all entities over which the Group has significant influence but not control or joint control. (This is generally the case where the Group holds between 20% and 50% of the voting rights). Investments in associates are accounted for using the equity method of accounting after initially being recognised at cost.

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss and the Group's share of other comprehensive income of the

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

investee in other comprehensive income. Dividends received or receivable from associates are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

c) Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future period. The estimates and underlying assumptions are reviewed on an ongoing basis.

This note provides an overview of the areas that involved a higher degree of judgment or complexity. It also provides an overview of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with the information about the basis of calculation for each affected line item in the financial statements

d) Significant estimates and judgments

The areas involving significant estimates or judgments are:

- i) Estimation of fair value of unlisted securities - (Refer Note 33 (iii))
- ii) Estimation of defined benefit obligation - (Refer Note 32)
- iii) Estimation of useful life of Property, Plant and Equipment - (Refer Note 1(i) and 1(j))
- iv) Estimation of Expected Credit Loss on Trade receivables (Refer Note 34A)

e) Cost Recognition

Costs and expenses are recognised when incurred and are classified according to their nature. Expenditure are capitalized where appropriate, in accordance with the policy for internally generated intangible assets and represents employee costs, stores and other manufacturing supplies, and other expenses incurred for construction and product development undertaken by the Group.

f) Revenue recognition

i) Sale of automotive components:

Revenue is recognized when the performance obligations are satisfied and the control of the goods is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Group has a right to payment for the goods, customer has possession and legal title to the goods, customer bears significant risk and rewards of ownership and the customer has accepted the goods or the Group has objective evidence that all criteria for acceptance have been satisfied.

ii) Sale of Services:

Revenue from Services is recognised in the accounting period in which the services are rendered.

iii) Significant judgements

There are no significant judgements made by the Group in determining the timing of satisfaction of performance obligation. It is determined as per the terms of the contract. In case of multiple performance obligations, the Group uses the adjusted market assessment approach to allocate the transaction price between multiple performance obligations. If a discount is granted, the same is adjusted against the transaction price of the contract.

Sundaram-Clayton Limited
(Formerly known as Sundaram-Clayton DCD Limited)

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

g) Dividend:

Any dividend declared by Company is based on the profits available for distribution as reported in the statutory Standalone financial statements. Indian law permits the declaration and payment of dividend out of profits for the year or previous financial year(s) as stated in the statutory Standalone financial statements after providing for depreciation as per the Companies Act, 2013.

However, in the absence or inadequacy of the said profits, it may declare dividend out of free reserves, subject to certain conditions as prescribed under the Companies (Declaration and Payment of Dividend) Rules, 2014.

h) Property, Plant and Equipment

Freehold Land is stated at historical cost. All other items of Property, Plant and Equipment are stated at cost of acquisition/construction less accumulated depreciation / amortization and impairment, if any. Cost includes:

- i) purchase price,
- ii) taxes and duties,
- iii) labour cost, and
- iv) Directly attributable overheads incurred up to the date the asset is ready for its intended use.

However, cost excludes GST, to the extent credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Government grants relating to the purchase of property, plant and equipment are capitalized and included as cost to property, plant & equipment.

Gains or losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the Statement of Profit and Loss within Other gains/ (losses).

i) Depreciation

- i) Depreciation on tangible property, plant & equipment is charged over the estimated useful life of the asset or part of the asset (after considering double/triple shifts) as evaluated by a Chartered Engineer, on straight line method and in accordance with Ind AS 16, taking into consideration both usage, useful life and legal limitations on the use of assets, on straight line method, in accordance with Part A of Schedule II to the Companies Act, 2013.
- ii) The estimated useful life of the tangible property, plant & equipments as assessed by the Chartered Engineer and followed by the Group is furnished below:

Description	Years
Factory building and other buildings	30 to 64
Plant and Equipment	8 to 21
Electrical Equipment	15
Furniture and Fixtures	10
Computers	3
Mobile phones	1
Vehicles	6

- iii) The residual value for all the above assets are retained at 5% of the cost except for Mobile phones for which nil residual value is considered. Residual values and useful lives are reviewed, and adjusted, if appropriate, for each reporting period.
- iv) On tangible property, plant & equipments added / disposed off during the year, depreciation is charged on pro-rata basis for the period for which the asset was purchased and used.
- v) Depreciation in respect of tangible assets costing individually less than Rs.5,000/- is provided at 100%.
- vi) Premium on Leasehold land is amortized over the period of lease.

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

j) Intangible assets

Intangible assets acquired separately:

Intangible assets with finite useful lives that are acquired separately and the estimated useful life is more than one year, is capitalised and carried at cost less accumulated amortisation and accumulated impairment losses.

Internally-generated intangible assets - research and development expenditure:

Expenditure on research activities is recognised as an expense in the period in which it is incurred. An internally generated intangible asset arising from development phase of internal project is recognised, if and only if, the conditions under the Ind AS 34 - Intangible Asset, are fulfilled. If the conditions are not fulfilled the same is recognised in profit and loss in the period in which it is incurred.

The intangible assets are amortised on straight line basis over its useful life, viz., 2 years in the case of software.

k) Impairment

At each balance sheet date, the Group assesses whether there is any indication that any property, plant and equipment and intangible assets may be impaired. If any such impairment exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

When necessary, the entire carrying amount of the Equity accounted investments is tested for impairment as a single asset by comparing its recoverable amount with its carrying amount.

An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's/CGU's fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset (or cash generating unit) for which the estimates of future cash flows have not been adjusted.

Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

l) Foreign currency transactions

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). i.e. in Indian rupees (INR) and all values are rounded off to nearest crores except where otherwise indicated.

(ii) Transactions and balances

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction.

- (a) Foreign currency monetary assets and liabilities such as cash, receivables, payables, etc., are translated at year end exchange rates.
- (b) Non-monetary items denominated in foreign currency such as investments, property, plant & equipments, etc., are valued at the exchange rate prevailing on the date of transaction.
- (c) Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

(iii) Group companies

The results and financial position of foreign operations (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- (a) assets and liabilities are translated at the closing rate at the date of that balance sheet
- (b) income and expenses are translated at average exchange rates (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the dates of the transactions), and
- (c) all resulting exchange differences are recognised in other comprehensive income.

m) Hedge accounting

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently remeasured to their

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The Group designates certain derivatives as either:

- hedges of the fair value of recognized assets or liabilities or a firm commitment (fair value hedges)
- hedges of a particular risk associated with the cash flows of recognized assets and liabilities and highly probable forecast transactions (cash flow hedges), or
- hedges of a net investment in a foreign operation (net investment hedges).

The Group documents at the inception of the hedging transaction the relationship between hedging instruments and hedged items, as well as its risk management objective and strategy for undertaking various hedge transactions. The Group also documents its assessment, both at hedge inception and on an ongoing basis, of whether the derivatives that are used in hedging transactions have been and will continue to be highly effective in offsetting changes in fair values or cash flows of hedged items.

The fair values of various derivative financial instruments used for hedging purposes are disclosed in Note 33. The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of the hedged item is more than 12 months; it is classified as a current asset or liability when the remaining maturity of the hedged item is less than 12 months.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognized in the other comprehensive income in cash flow hedging reserve within equity, limited to the cumulative change in fair value of the hedged item on a present value basis from the inception of the hedge. The gain or loss relating to the ineffective portion is recognized immediately in the Statement of Profit and Loss, within other gains/ (losses).

When forward contracts are used to hedge forecast transactions, the Group generally designates only the change in fair value of the forward contract related to the spot component as the hedging instrument. Gains or losses relating to the effective portion of the change in the spot component of the forward contracts are recognized in other comprehensive income in cash flow hedging reserve within equity. In some cases, the entity may designate the full change in fair value of the forward contract (including forward points) as the hedging instrument. In such cases, the gains and losses relating to the effective portion of the change in fair value of the entire forward contract are recognized in the cash flow hedging reserve within equity.

Amounts accumulated in equity are reclassified to profit or loss in the periods when the hedged item affects the Statement of Profit and Loss (for example, when the forecast sale that is hedged takes place).

When a hedging instrument expires, or is sold or terminated, or when a hedge no longer meets the criteria for hedge accounting, any cumulative deferred gain or loss and deferred costs of hedging in equity at that time remains in equity until the forecast transaction occurs. When the forecast transaction is no longer expected to occur, the cumulative gain or loss and deferred costs of hedging that were reported in equity are immediately reclassified to the Statement of Profit and Loss within other gains/ (losses).

n) Inventories

Inventories are valued at the lower of cost and net realizable value.

- i. Cost of raw materials, components, stores, spares are determined on a moving average basis.
- ii. Finished Goods and Work in Progress are valued at Standard cost.
- iii. Cost of finished goods and work-in-process comprises of direct materials, direct labour and an applicable proportion of variable and fixed overhead expenditure, fixed overhead expenditure absorbed on the basis of normal operating capacity.
- iv. Costs are assigned to individual items of inventory on the basis of weighted average costs. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.
- v. Materials and supplies held for use in production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost. Slow and non-moving material, obsolescence, defective inventories are duly provided for.

o) Employee benefits

i) Short term obligations:

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognized upto the end of the reporting period at the amounts expected to be paid at the time of settlement.

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

ii) Other long term employee benefit obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are, therefore, recognized and provided for at the present value of the expected future payments to be made in respect of services provided by employee upto the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for atleast twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii) Post-employment obligation:

The Group operates the following post-employment schemes:

- a) Defined benefit plans such as gratuity for its eligible employees, pension plan for eligible senior managers; and
- b) Defined contribution plan such as provident fund.

a) Pension and gratuity obligation:

The liability or asset recognized in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net of deferred tax). They are included in retained earnings in the statement of changes in equity and in the balance sheet.

b) Provident fund:

The eligible employees of the Group are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Group make monthly contributions at a specified percentage of the covered employees' salary. The provident fund contributions are made to an irrevocable trust set up by the Group. The Group is generally liable for annual contributions and any shortfall in the fund assets based on the Government specified minimum rates of return and recognizes such contributions and shortfall, if any, as an expense in the year in which it is incurred.

iv) Bonus plans:

The Group recognizes a liability and an expense for bonus. The Group recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

p) Taxes on income

Tax expense comprises of (i) current tax and (ii) deferred tax.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the balance sheet method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

q) Government Grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants receivable as compensation for expenses or financial support are recognized in profit or loss of the period in which it becomes receivable.

Government grants relating to the purchase of property, plant and equipment are included in current / non-current liabilities as deferred income and are credited to profit or loss as and when the obligations are fulfilled and presented within other income.

In case of waiver of duty under EPCG licence, such grant is considered as revenue grant and recognized in "Other Income" on completion of export obligation as approved by Regulatory Authorities.

r) Provisions and contingent liabilities

i) Provision:

A provision is recorded when the Group has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties is accounted based on technical evaluation, when the products are sold.

Provisions are evaluated at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

ii) Contingent liabilities:

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

s) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The group operates in only one segment – Die casting of Automotive components

t) Leases

Leases are recognized as a right-of-use asset and a corresponding lease liability at the date at which the leased asset is available for use by the Group.

Contracts may contain both lease and non-lease components. The Group allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the Group is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Group under residual value guarantees
- the exercise price of a purchase option if the Group is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the Group exercising that option

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Group, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

To determine the incremental borrowing rate, the Group:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received
- uses a build-up approach that starts with a risk-free interest rate adjusted for credit risk for leases held by the Group which does not have recent third party financing, and
- makes adjustments specific to the lease, e.g. term, country, currency and security.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Variable lease payments that depend on sales are recognized in profit and loss in the period in which the condition that triggers those payments occurs.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- Restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognized on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise IT equipment and small items of office furniture.

u) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

v) Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest rate method, less provision for impairment.

w) Contract Liabilities

A contract liability is the obligation to transfer goods to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognized when the consideration is received. Contract liabilities are recognized as revenue when the Group performs under the contract.

x) Investments and Other financial assets

i) Classification

The Group classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through statement of profit and loss), and
- Those measured at amortized cost.

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

ii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus (in the case of a financial asset not a fair value through profit or loss) transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Equity instruments:

The Group subsequently measures all investments in equity (except of the subsidiaries / associates) at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there will be no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in the Statement of Profit and Loss as other income when the Group's right to receive payments is established.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately. Where the Group elects to measure fair value through profit and loss, changes in the fair value of such financial assets are recognized in the statement of profit and loss.

(iii) Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been significant increase in credit risk. Note 34(A) details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected credit losses to be recognized from initial recognition of the receivables.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

(iv) Derecognition of financial assets

A financial asset is derecognised only when:

- a) the Group has transferred the rights to receive cash flows from the financial asset or
- b) The Group retains the contractual rights to receive the cash flows of the financial asset, but expects a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised, if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

(v) Income recognition

Dividend income:

Dividends are recognized in statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of dividend can be reliably measured.

y) **Borrowings**

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings, using the effective interest rate method. Fees paid on the established loan facilities are recognized as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the Statement of Profit and Loss as other gain/(loss).

Consolidated Financial Statements of Sundaram-Clayton Limited

Material Accounting Policies - (continued)

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for over or at least 12 months after the reporting period.

z) Current and Non-current classification

The Group presents assets and liabilities in the balance sheet based on current / non-current classification.

Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- expected to be realized or intended to be sold or consumed in the normal operating cycle
- held primarily for the purpose of trading
- expected to be realized within twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- it is expected to be settled in the normal operating cycle
- it is held primarily for the purpose of trading
- it is due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. In Group's considered view, twelve months is its operating cycle for all entities within the Group.

aa) Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

ab) Earnings Per Share (EPS)

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year/period.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(i) Post-Employment benefits

Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

Details	Gratuity	Pension	Leave Salary
	March 31, 2024	March 31, 2024	March 31, 2024
Discount rate	6.97%	6.97%	6.97%
Salary growth rate	5.50%	5.50%	5.50%
Mortality rate	IALM (2006-08) Ultimate		

Assumptions regarding future mortality for pension and medical benefits are set based on actuarial advice in accordance with published statistics and experience. These assumptions translate into an average life expectancy in years for a pensioner retiring at 58 years.

Consolidated Financial Statements of Sundaram-Clayton Limited

Notes on accounts – (continued)

(Rupees In crores)

(ii) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Gratuity	Change in assumption	Impact on defined benefit obligation	
		Increase in assumption	Decrease in assumption
Details	March 31, 2024	March 31, 2024	
Discount rate	0.50%	24.06	26.85
Salary growth rate	0.50%	26.86	24.03
Mortality rate	5.00%	25.40	25.39

Pension	Change in assumption	Impact on defined benefit obligation	
		Increase in assumption	Decrease in assumption
Details	March 31, 2024	March 31, 2024	
Discount rate	1.00%	8.35	10.66
Salary growth rate	1.00%	10.72	8.29
Mortality rate	5.00%	9.32	9.47

Leave Salary	Change in assumption	Impact on defined benefit obligation	
		Increase in assumption	Decrease in assumption
Details	March 31, 2024	March 31, 2024	
Discount rate	0.50%	8.35	9.11
Salary growth rate	0.50%	9.11	8.35
Mortality rate	5.00%	8.72	8.72

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied when calculating the defined benefit liability recognised in the balance sheet.

(iii) Risk exposure

Through its defined benefit plans, the Group is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility: The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments are in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit. The Group has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The Group intends to maintain the above investment mix in the continuing years.

Changes in bond yield: A decrease in bond yields will increase plan liabilities, although this will be partially offset by an yields increase in the value of the plans' bond holdings.

Inflation risks: In the pension plans, the pensions in payment are not linked to inflation, so this is a less material risk.

Life expectancy: The pension plan obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan liabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

Defined contribution plans:

The Group's contribution to defined contribution plan i.e., provident fund of Rs. 5.28 crores has been recognised in the Statement of Profit and Loss.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of interest rate swaps is calculated as the present value of estimated cash flows based on observable yield curves.
- the fair value of forward exchange contract and principal only swap is determined using forward exchange rate at the balance sheet date.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

FVTPL - Fair value through statement of Profit and Loss; FVOCI - Fair value through Other Comprehensive Income.

Total financial liabilities	1,927.12	1,927.12

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial assets and liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate, which approximates the carrying value. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

34 FINANCIAL RISK MANAGEMENT

The Group's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the Group is exposed to and how the Group manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Risk Parameters and Mitigation
Market Risk - Foreign exchange		<ul style="list-style-type: none"> i) The Group operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions. ii) Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Group's functional currency (INR). iii) The risk is measured through a forecast of highly probable foreign currency cash flows. The Group has a forex management policy which is duly approved by the Board. iv) The objective of the hedges when taken is to minimise the volatility of the INR cash flows of highly probable forecast transactions.
Market Risk - Interest rate	Foreign currency denominated borrowings	<ul style="list-style-type: none"> i) The Group's main interest rate risk arises from long-term borrowings with variable rates, which expose the Group to cash flow risk. ii) Group's policy is to maintain most of its borrowings at fixed rate using interest rate swaps. The Group's fixed rate borrowings are carried at amortised cost. iii) Foreign currency borrowings are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.
Market Risk - Foreign Currency	Export trade receivables and Import Payables	<ul style="list-style-type: none"> i) The Group has a forex management policy duly approved by the Board. The Group's policy is to hedge most of its net currency exposure. ii) Group reviews the forex exposure on a regular basis and also reports its adherence to the Board on a quarterly basis. The recording and reporting requirements are strictly adhered.
Market Risk - Foreign Currency	Foreign currency denominated borrowings	The Group has hedged its borrowings by covering the principal repayments using Principal Only Swaps and cost reduction structure viz., Call Spread under the approved Forex management policy.
Liquidity risk	Borrowings (Other than soft loans given by Govt. Authorities)	<ul style="list-style-type: none"> i) The Group's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans. ii) The Group prepares a detailed annual operating plans to assess the fund requirements - both short term and long term. iii) Detailed month wise cash flow forecast is also carried out along with required sensitivities. Based on these factors adequate working capital credit limits are organised in advance. iv) Group has pre-approved credit lines with various banks and these are constantly reviewed and approved by the Board. v) For long term fund requirements, Group targets various options such as rupee term loan, external commercial borrowing, debentures etc. vi) The Group obtains a credit rating for the various borrowing facilities on annual basis. Group constantly monitors the free cashflow from operations to ensure that the borrowings are minimized.
Credit Risk		<ul style="list-style-type: none"> i) Credit risk primarily arises from cash and cash equivalents, trade receivables and investments carried at amortised cost. ii) The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. iii) To assess whether there is a significant increase in credit risk the Group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. iv) It considers available reasonable and supportive forward-looking information (more specifically described below). v) A default on a financial asset is when the counterparty fails to make contractual payments within 180 days of when they fall due. This definition of default is determined by considering the business environment in which Group operates and other macro-economic factors.

a.	Cash and Cash Equivalents	Surplus cash is deposited only with banks / financial institutions with a high external credit rating.
b.	Domestic Trade Receivables	i) The Group extends credit to the customers and such extension of credit is based on customers' credit worthiness, ability to repay and past track record. ii) The Group has extensive reporting systems and review to constantly monitor the receivables.
c.	Export Trade Receivables	The Group's export customers are Original Equipment Manufacturers with high credit rating. Export receivables are also covered through Insurance with Export Credit Guarantee Corporation of India Limited.

(A) Credit risk

Basis of recognition of expected credit loss & providing for such loss

Rating	Category	Description of category	Investments	Loans and deposits	Trade receivables
1	High Quality assets, negligible credit risk	Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil.	12 month expected credit losses	12 month expected credit losses	Life time expected credit losses (simplified approach)
2	Quality assets, low credit risk	Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past.			
3	Standard Assets, moderate credit risk	Assets where the probability of default is considered moderate and where the counter-party's capacity to meet the obligations is not strong.			
4	Substandard Assets, relatively high credit risk	Assets where there has been a significant increase in credit risk since initial recognition.	Life time expected credit losses		
5	Low quality assets, very high credit risk	Assets where there is a high probability of default. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 180 days past due.			
6	Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the Group. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in statement of profit and loss.	Asset is written off
