- (c) Change in terms of a contract referred to in the fund raising document i.e. prospectus, letter of offer, etc.

Note-1: The Company has proposed for repayment / prepayment in full or part of certain borrowings based on the amount outstanding as on October 31, 2022 as mentioned in the "Object of the Offer" section of the prospectus for IPO. Note 3: Due to change of market scenario, upgradation of technologies and cost efficiency, the actual capital expenditures for expansion have been made different than stated in the prospectus in terms of expansion location and asset item. The Management of the company has obtained formal opinion from the Independent Professionals and is of the view that no prejudice is being caused by change of expansion locations or change of machineries (having similar use) given the fact that the same will lead to an overall increase in the profitability of the Company and also same does not amount to a material deviation or variation in the objects of the offer as disclosed in the prospectus.
